MEMORANDUM

TO: Gregory W. Pease, Chief Procurement Division

THRU: John P. Pappas, P.E., Director

FROM: Roy Birbal, Chief

SUBJECT: SC-0260-22 CITYWIDE PEST CONTROL SERVICES RECOMMENDATION TO AWARD

In response to the solicitation for bids for Citywide Pest Control Services, the Procurement Division received four (4) responses from bidders at the August 18, 2021 bid opening. The results were made available to the Public Buildings Division August 23, 2021 to review for a recommendation of award and advised that all bidders met the minimum qualifications. The apparent low bidder had a mathematical error on their bid which did not change the outcome when corrected.

After reviewing the bids, the Public Buildings Division recommends approval of the award to the lowest responsive, responsible bidder, **OREM ENTERPRISES, LLC DBA PESTMASTER SERVICES** for services for the period from October 1, 2021 through September 30, 2022 at the annualized rate of $65,864.00.

In accordance with the license evaluation requirements under section 3 of the bid specifications, the following recommended Pest Control Company license was verified under the Florida Department of Agriculture and Consumer Services website http://aessearch.freshfromflorida.com as noted on the attached documents:

Pestmaster Services @ 7235 Bonneval Rd. Jacksonville, FL 32256 State License # JB190483

The term of this agreement is one (1) year from October 1, 2021 through September 30, 2022, with four (4) one (1) year renewal options.

Funding for this award will be encumbered by individual releases against a Purchase Order Agreement, dependent on funding, the appropriate account and fiscal year.

Your assistance in concurring with this recommendation would be appreciated. If you have any questions or need additional information regarding this request, please contact Jim Lange at 255-4340.
