THRU: **John P. Pappas, P.E., Director**

FROM: **Christopher W. LeDew, P.W., Chief**

SUBJECT: **Pavement Markings Unit Price Construction – Hand Lines and Spot Markings**

Bid No.:	**CS-0456-17**
Bid Open Date:	**April 4, 2019**
Contract No.:	**10313**
POA No:	**7A08602**
Current Award Amount:	**$2,232,199.80 (no increase requested)**
Amendment 5:	**Requesting Time Extension and Increase**
Internal Services Account No:	**00111.158001 (PWTE011)**

On April 29, 2021, the General Government Awards Committee granted a time extension for this agreement through September 30, 2021. This was to allow time for a new contract to be in place by October 1, 2021. Due to circumstances beyond Public Works Traffic Engineering's control, all bids were rejected and the bid must be solicited again. Traffic Engineering respectfully requests a time extension to December 31, 2021 and an increase of $500,000. This extension and increase will allow for continued work with no interruptions in service. This will also provide the needed time for the new bid to be solicited and a formal contract with OGC be finalized prior to the start date of January 1, 2022.

This will be Amendment #6 to OGC Contract 1313. Funding for this award will continue to be encumbered by releases from POA-7A08602. Various projects as needed will be used as funds are available.
