MEMORANDUM

SUBJECT: Requesting Permission to use the Competitive Sealed Proposal Evaluation Committee (CSPEC) for Youth STEAM Camp Initiative Request for Proposals

Index Code: JCOD191SUM; 08201

DATE: May 2, 2019

Kids Hope Alliance (KHA) respectfully requests permission to use the Competitive Sealed Proposal Evaluation Committee (CSPEC) for Youth STEAM Camp Initiative Request for Proposals.

Justification

These programs require competence in program implementation, the capacity to be able to deliver the services, the financial ability to implement the project, access to and the ability to recruit the target population, the ability to manage and supervise staff, and an ability to work collaboratively with community partners. As such, in order to make the best decision for the City of Jacksonville, the Kids Hope Alliance requests permission to use the CSPEC evaluation process.

Certification

As required in Section 126.204 (a)(1), Ordinance Code, the KHA certifies the following:

i. For the reasons mentioned above, the GGAC process is impractical due to the fact that in addition to price, the Contractor must have several other competencies in order to deliver the services.
ii. The objective of the services is to successfully implement summer programs that offer high-quality science, technology engineering, arts and math programming.
iii. The proposed cost of the program is $100,000 for Youth STEAM Camps.
iv. The proposed services would be an enhancement and not duplicate existing services. This proposal is designed to give the KHA the authority to seek out the best Contractor(s) to continue provide these services.

For purposes of the preliminary evaluation of this proposal, the KHA CEO will assign Kenneth Darity as the CSPEC representative.

A scoring team of subject matter experts will review the Responses to ensure the most qualified contractors are selected.

Recommendations for awards will be made at the agency level, based on the totals of the scoring from Evaluation Matrix.

The KHA is in the process of selecting reviewers and respectfully asks to be able to submit a list of reviewers at a later date, but prior to making its recommendation to CSPEC.

Proposed RFP

The KHA respectfully submits a proposed RFP with a desired **Scope of Services** (Section 4) and **Minimum Requirements to Bid** (Section 1.4). **The Evaluation Criteria** is contained in Attachment B.

Subject: Insurance Requirements
Importance: High

Good Morning Twane,

I am writing to request pre-approval of the insurance requirements for two upcoming Out of School Time summer learning RFPs. I would like to keep the conditions the same as our previous **Bid# ESC-0465-17** (see attached section 3.21) page 21.

KHA will be sending multiple RFP requests soon to Procurement, and your approval will also aid in relieving some of the congestion that department will most certainly face.

Feel free to contact me directly if you have any questions or concerns. I will be in a Finance Committee this morning from 9:30-11:00 am, but will be free afterward.

Thank you in advance for considering this request!
