RE: Proposal for Amendment 005 Westside Phase IV Curb Ramps
Multiple ADA Curb Ramp Improvements Design-Build Projects –CDB-0158-21

Dear Mr. Tablada,

Please find our proposal for Amendment 005 attached. Amendment 005 includes the following scope of services for the Westside Phase IV area under the City of Jacksonville ADA Design-Build Program which includes the following tasks:

Validation of Westside Phase IV Curb Ramps:
Our team will perform field validation of approximately 556 curb ramps located in the Westside neighborhoods of ZIP Codes 32219, 32220, 32221, and 32254. These curb ramps have been identified in ADA Curb Ramp Improvements, Westside Phase IV plans, dated December 2018, produced by Hanson, on behalf of the City of Jacksonville.

The purpose of this task is to determine the required improvements for ADA compliance per curb ramp; the field measured quantities will be used to produce a accurate construction pricing per improvement. If a curb ramp is found to be compliant/done by others (DBO), a post-construction photo will be taken and uploaded to the City of Jacksonville ArcGIS database.

We anticipate completing the scope of work within 120 calendar days from Notice to Proceed. Proposed fees and hourly rates are detailed in the attached Exhibit B – Contract Fee Summary.

Should you need additional information or have questions, please feel free to contact our team at 904-356-8520.

Sincerely,

Tamara G. Baker PE, SI, CGC, PhD
CEO
