Evaluation Criteria

The evaluations will be based upon the following criteria, and CONTRACTORs are requested to provide, as a minimum, the information listed under each criterion. **Failure to provide adequate information on any criterion will result in lower scores and could result in rejection of the proposal as non-responsive.** The response to each of the criterion will be evaluated relative to the other responses received and will be awarded a score of 1 through maximum points. CONTRACTORs are encouraged to arrange their responses in a format that will offer ready review and evaluation of each criterion.

1) **Qualifications:** Including professional and/or technical education and training; relevant project experience with this size of individual contract; provide assigned availability of adequate personnel. Provide names and resumes of all individuals to be assigned to this project, specifically those individuals responsible for coding, appeals, and compliance personnel. List previous projects similar in size and specialty to the one in this RFP, which have been satisfactorily completed. Provide resumes of principal staff/project manager showing years of experience in the field to which they are assigned for this project. **(5 points maximum score)**

2) **Current Workload:** Provide the number and size of the projects currently being performed. Discuss past ability to deliver projects on a timely basis under similar current workload conditions. **(5 points maximum score)**

3) **Financial Responsibility:** Describe form of business, i.e., proprietorship, partnership, corporation; years in business; and changes in ownership within the past 5 years. **(5 points maximum score)**

4) **Responsibility Determination**: Has CONTRACTOR during the past 10 years, ever been investigated for suspected fraud and abuse by any department or agency within the federal or state government such as OIG, Medicare, Medicaid, CMS or Recovery Audit CONTRACTOR(s)? In the past 10 years, has CONTRACTOR company, its parent or a subsidiary, ever been required by a department or agency of the Federal or any State government to follow a Corporate Integrity Agreement, including by not limited to; OIG, CMS, etc.. In the past 10 years, has there been an investigation where the final determination resulted in a client paying a fine or penalty due to coding and billing actions that were related in any way to your provision of services?, IF so, provide dates and final determination; and any other information the CONTRACTOR may wish to supply to demonstrate financial responsibility. Failure to provide all listed information and documentation will result in score less than maximum for this criterion. **(10 points maximum score)**

5) **Past and Present Record of Professional Accomplishments with City Agencies and Others:** Provide a list of completed projects that are similar in nature and scope to the project under consideration with references to include owner's contact person and telephone number. Describe any outstanding accomplishments that relate to specific services being sought. Responding to this evaluation criterion necessitates that CONTRACTORs include statements of their past and present record of professional accomplishments or performance with the City of Jacksonville and its various "using agencies," which is defined in the Jacksonville Ordinance Code as "a department, division, office, board, agency, commission or other unit of Buyer and an independent agency required by law or voluntarily requesting to utilize for services of the (Procurement) Department"; and with any of Buyer's "Independent Authorities"; and on projects undertaken with others that are similar in nature to the size and scope of professional services and/or work required for the project solicitation herein. **(10 points maximum score)**

6) **Proximity to the Project:** Document the location of CONTRACTOR's corporate headquarters, which, if located in Jacksonville, Florida, no further information is required under this criterion and maximum points will be awarded. If CONTRACTOR's corporate headquarters are not located in Jacksonville, Florida, please document the location and the nature of business of CONTRACTOR's branch office(s), if any, that are located in and/or that are closest to Jacksonville, Florida, the number of employee assigned thereto and the period of continuous existence thereof. Additionally, CONTRACTORs are requested to demonstrate, define and provide examples of their ability to provide the services contemplated herein in a manner comparable to having a local office in Jacksonville, Florida or to show that a local office is not necessary to satisfactorily perform the services required for this project, in which event maximum points may be awarded. **(10 points maximum score)**
