SUBJECT: P-31-10 Construction Engineering & Inspection Services for Various Projects
Consultant Services Account Nos.: N/A Amendment 4
Internal Services Account No.: PWEN011AD

Amendment 3 established the maximum indebtedness for all projects to be performed pursuant to this agreement at $3,000,000.00 with the last renewal option expiration as March 31, 2017. Projects that have been assigned to date have almost reached that limit. Additional projects cannot be assigned until the upper limit is raised. There is no rate increase associated with this amendment.

Accordingly, this is to recommend that Contract No. 9577, originally executed February 14, 2011, between the City and Construction and Engineering Services Consultants, Inc., (aka CES Consultants, Inc.) for Construction Engineering & Inspection Services for Various Projects be amended by increasing the maximum indebtedness by $500,000.00, to a new maximum of $3,500,000.00, with all other terms and conditions of the Agreement remaining unchanged
