1. Scope of Services

Background: The City of Jacksonville Fire and Rescue Department (JFRD) is seeking bids for flooring, tile and related services installed at various JFRD Facilities. These facilities are staffed 24-hours and all materials should withstand heavy daily commercial use and demonstrate good durability characteristics and low maintenance. The design should maximize functionality of the space and have pleasing aesthetics that blend with the existing decor. The proposal shall include all items listed in the scope details.

This will be a unit price bid for an annual contract for tile installation and other miscellaneous services to be performed at various JFRD facilities, including Fire Stations, located within Duval County.

Qualifications: Contractor will have not less than ten (10) consecutive years of experience in installation of commercial flooring and tile installation applications and will provide evidence upon request.

Scope of Work: The work included in this contract consists of furnishing all labor, materials, equipment, and other incidentals necessary to complete the detailed specifications for the individual project. Shop drawings will be required as requested for each location.

Product, colors and design to be specified by JFRD and in some instances, tile may be supplied by JFRD.

Product selections may also require purchase through the contractor and the contractor will provide a percentage mark-up on the bid proposal form for handling materials.

Contractor will be responsible for delivery of orders unless provided by JFRD.
Contractor will have not less than ten (10) consecutive years of experience in installation of commercial flooring and tile installation applications and will provide evidence upon request.

Samples shall be provided upon request.

Contractor is responsible for including all adhesives, grouts and caulk necessary to complete a finished installation and to be applied in accordance with the manufacturer's instructions and include in bid price.

The City reserves the right to add related services deemed necessary.

Scope Details:
Bathrooms and Showers: Furnish and install tiles and matching trim, as applicable, on floors and/or walls in specified areas. Scope to include, but is not limited to:

- Demo and disposal of existing tile
- Include Schluter curb systems and shower entrances as applicable
- Includes RedGard/Schluter waterproofing membrane on floors and all shower walls
- Includes new Durock where wall tile is being replaced
- Install shower pans
- Caulking of wet areas

Other Living Areas: Furnish and install selected products in specified areas. Scope to include, but is not limited to:

- Demo and disposal of existing materials
- Prepare sub-surfaces as needed

General:

1. Contractor shall be responsible for any dust control methods required to protect the building, its occupants, furnishings and equipment during the construction period.
2. Contractor shall be responsible in protecting adjacent areas from damage, including its occupants, furnishings and equipment during the construction period.
3. Contractor shall be responsible for any damage caused by construction.
4. Contractor shall provide not less than 48 hours' notice to Owner of activities that will affect Owner's operations.
5. Contractor will coordinate with the JFRD assigned Project Manager prior to starting project.
6. Contractor may be responsible for moving any furniture or equipment to begin the project.
7. Contractor shall supply dumpster for debris disposal if requested.
