PAF Instructions
Part 1 (using agency)

Form Type: This form will be used for both Administrative Awards and JPAC Requests. Select type from dropdown options.

Goods and/or Services: Enter a brief description of the types of goods and services included in the request.

Requested Action and Justification: Enter a brief description of the requested action or authority being sought. i.e.; *Request permission to award the lowest, responsive responsible bidder for an ITB or award the highest ranked supplier for an RFP.* This block should also be used for additional information such as additional 4th account strings, or other information essential for contract execution.

Supplier: Enter awarded supplier name**.** If multiple, include in "Requested Action and Justification" box.

Basis of Award: Select from Lowest Price Technical Acceptable (LPTA), Highest Price Technical Acceptable (HPTA) or N/A.

Bid Opening Date: The date bids were unsealed by Procurement.

POA #: This is your 1Cloud generated Agreement number. Select Type, Enter Number.

PO #: Enter the PO number or agreement release number.

Change Order #: Provide the applicable change order number represented by this request.

Solicitation #: Select Prefix type, Enter Number, and Year.

Contract #: This number should be the same as your POA number (unless procured prior to 2020)

Contract Amendment #: Provide the applicable amendment number represented by this request.

Term: Select the Period of Performance or Term for the initial period.

Options: Period of time for each renewal or option.

Options Used: Prior to this request, enter how many options were already used.

Federally Funded: Select yes or no from dropdown if Federal Funds will be used.

JSEB Rec: Select Encouragement or JSEB Set Aside Option.

JESB %: If JSEB Participation, enter the percentage.

Bonds Waived Pursuant to: Select option from Drop down.

Funding Sources: Fund/Center/Account/Project/Activity, all fields are required even if zeros.

New NTE/GMP: Enter the new total not to exceed amount. Note, this should match the contract maximum indebtedness, if applicable**.**

Contingent Amount: If your agency requests an allowance for unforeseen additional expenses, then specify the amount of your requested increase and new NTE that represents the contingency allowance. This is over and above any quote.

DMP/ODPO Account: Enter the Direct Materials Purchase/Owner Direct Purchase Order Account. Used mainly for CIP (Capital Improvement/Construction) Projects

Using Agency/BU: Select one from the dropdown list.

Concurrence: Using Agency internal routing requirements for Electronic Signatures (follow Proc Manual for threshold requirements)

Title: Title of person electronically signing form.

Attachments: Included any supplemental information to the Procurement Award Form. i.e.; *Scope of work, previous awards*.

**Any field where there is no data available, or no entry is required, either leave it blank or enter N/A. Any fields where there is known data, include for informational purposes. Any changes to an original award should contain the data that is being changed and any other relevant data required for JPAC review and approval.*

11	**General Requirements**						
	Scope of Services: The Planning Department, Office of Resilience of the City of Jacksonville, Florida is currently accepting bids from qualified firms to provide services for an existing no-solicited in-lieu bid documents provided. The City is seeking a consultant to develop an Adaptation Plan in accordance with the Florida Department of Environmental Protection's Adaptation Planning Guidebook. The purpose of the adaptation plan is to prioritize adaptation needs and strategies to address those needs. The overall goal of the project is to prioritize Capital Improvement Plan (CIP) projects to maximize city resilience. **TASKS:** **Task 1: Project management plan and kick-off meeting** **Description:** The consultant will work with city staff to develop an overall project management plan that will outline the general approach to be taken to achieve the goals of the project. The consultant will plan and facilitate a kick-off meeting for the project with the Office of Resilience and the Department of Public Works. At this meeting, attendees will discuss the project scope, project deliverables, timelines, and deadlines to develop a consistent project approach. Attendees will also discuss potential members for the project's Steering Committee and technical committees. The consultant will prepare the agenda, presentations and other meeting materials as necessary. The consultant will take meeting notes that summarize key take-away messages and action items discussed during the meetings. **Deliverables:** Project management plan. Kickoff meeting agenda (including location, date, and time) and all materials created during the meeting, and a summary report or meeting minutes that includes the meeting purpose, stakeholder input, and outcomes. **Timeline:** Shall be completed by Date to be determined. **Task 2: Steering committee meetings** **Description:** The consultant will schedule and lead three steering committee meetings. The consultant will coordinate and schedule the dates, times, and locations for the steering committee meetings. The consultant will take meeting notes that summarize key take-away messages and action items discussed during the meetings. **Deliverables:** For each meeting, the agenda (including location, date, and time) and all materials created for the meeting, and a summary report or meeting minutes that includes the meeting purpose, steering committee, and outcomes. **Timeline:** One of the meetings will be held shortly after the kick-off meeting (First quarter 2026). A second meeting will be scheduled for the middle of (Fall 2)-(-)-complete. A final meeting will be held to provide input on the prioritization of adaptation strategies (Fall 4). All meetings will be completed by March 31, 2027. **Task 3: Draft plan including adaptation capacity, needs, and strategies** **Description:** The consultant will develop decision-making tools (e.g., framework, flowcharts, or decision-trees) to prioritize adaptation needs and strategies; process must be repeatable so that the City can use these tools for future project prioritization efforts. For example, projects may be prioritized with respect to the type(s) and magnitude of their impact (e.g., flooding, stormwater, chronic erosion control). The consultant will outline adaptation needs for the city to adapt to climate related risks, such as flooding. The adaptation needs may include but are not limited to: 1)-protecting critical buildings and services from being impacted by flooding 2)-ensuring critical roadways are not impacted by flooding, and 3)-fortifying shorelines to address chronic erosion. The consultant will identify adaptation strategies (i.e., CIP projects) that are aligned with FDEP adaptation strategies: protection, accommodation, retreat, and avoidance. The consultant will review all projects in the latest CIP and will identify all projects that have the potential to address adaptation needs. The consultant will work with staff in the Department of Public Works to develop other strategies / projects to address adaptation needs. The consultant will use all information obtained from city staff and the Steering Committee to develop a draft Adaptation Plan for the City. The consultant will develop a draft Adaptation Plan that includes a framework for prioritizing strategies (i.e., CIP projects). The draft plan will also include a prioritized list of strategies to address each adaptation need. The draft plan will include an assessment of adaptive capacities, adaptation needs, and identification of adaptation strategies. The draft plan will be developed in accordance with the Florida Department of Environmental Protection's Adaptation Planning Guidebook. **Deliverables:** List of adaptation needs with brief description of how each is related to city resilience. Table with specific adaptation strategies (i.e., CIP projects) to address each of the City's adaptation needs. Adaptation strategies will be aligned with FDEP adaptation strategies: protection, accommodation, retreat, and avoidance. Table will include projects currently on the CIP and new potential projects to advance resilience. Maps with the location of critical assets identified as adaptation needs. Maps with the location of adaptation strategies and the critical assets they impact. A draft Adaptation Plan that includes an assessment of adaptive capacities, adaptation needs, and identification of adaptation strategies. **Timeline:** Shall be completed by Date to be determined. **Task 4: Community prioritization of adaptation needs / community engagement** **Description:** The consultant will plan and facilitate a public meeting, where they will present a draft Adaptation Plan that includes an assessment of adaptive capacities, adaptation needs, and identification of adaptation strategies. The meeting will allow the public to provide community-specific input on the adaptation needs and strategies in the draft Adaptation Plan. The meeting will also provide an opportunity for the public to discuss the prioritization of adaptation needs and strategies. The consultant will prepare all meeting invitations, meeting materials, presentations, and graphics utilized during the meeting. **Deliverables:** The agenda (including location, date, and time) and all materials created for the meetings, and a summary report or meeting minutes that includes the meetings purpose, stakeholder input, and outcomes. Prioritized list of adaptation needs based on public feedback. Prioritized adaptation strategies to address adaptation needs based on public feedback. **Timeline:** Shall be completed by June 30, 2026. **Task 5: Final Adaptation Plan** **Description:** The consultant will complete an Adaptation Plan that is consistent with the Florida Adaptation Planning Guidebook, as directed by the City's Office of Resilience. The Adaptation Plan will include a list of prioritized projects for each asset class as defined in subsection 380.093(2), Florida Statutes, for consideration and implementation. Specific	a.
