RE: Duval County Pre-Trial Detention Facility Accessibility Upgrades-Rebid

Bid No.:	CF-0190-18
Bid Date:	July 11, 2018
Award Amount:	$2,387,610.00
Internal Services Account No.	PWEN011AD

The Department of Public Works reviewed and tabulated the four (4) bids received on the referenced project. The apparent low bid by Core Construction Co., of Jacksonville, Inc. failed to include experience in detention/correctional facilities as required in Special Conditions, nor did they submit the screening forms required for all contractors and subcontractors that will be working on the project. The 2nd low bid by C. C. Borden Construction, Inc. also failed to include experience in detention/correctional facilities as required in Special Conditions, nor did they provide the required name of a pre-qualified Detention Equipment Contractor. The 3rd low bid is by E. B. Morris General Contractors, Inc., who provided all the required documentation. In addition, Public Works has confirmed through www.myfloridalicense.com the appropriate licenses for this contractor and listed subcontractors if applicable. The project was bid as encouragement.

Accordingly, we recommend that the bids by Core Construction Co., of Jacksonville, Inc. and C. C. Borden Construction, Inc. be rejected and that award for the Total Lump Sum Base Bid and Bid Alternates 1 and 2 for the Duval County Pre-Trial Detention Facility Accessibility Upgrades-Rebid be awarded to E. B. Morris General Contractors, Inc., 1238 Canal Blvd. Suite 1, Ponte Vedra Beach, FL 32082, in accordance with the attached bid documents, in the amount of $2,387,610.00.

Funding for this project should be encumbered by contract as follows:

ACCOUNT NO.	ENCUMBERED AMOUNT
PWCP32EPB519-069505-PW0755-06	$2,387,610.00
TOTAL	$2,387,610.00

	ADDENDUM(S) (1,2)		YES	YES	YES	YES

A. **PROPOSAL SCHEDULE**

A Bidder must provide a price for the LUMP SUM BASE BID and each Alternate. All entries in the entire Proposal must be made clearly in ink. Prices bid must be written in figures. In case of errors, the amount shown in words will govern. Proposals in which the prices obviously are unbalanced will be rejected.

B. **BASIS OF AWARD**

The project may be awarded to the lowest responsive, responsible Bidder contingent on the availability of funds within the project's approved budget. The total LUMP SUM BASE BID will be used to determine the lowest bidder. The bidder must obtain approval for the security screening procedure (section 30.5) and for the special qualifications for contractors (section 30.6) within 30 calendar days of City's notification. The bid will not be considered if the bidder fails to obtain approval within the 30 days' time frame. If selected by the City, the alternate bid items will be awarded in accordance to available funding. The CITY has the right to reject any or all bids.

C. **REVISIONS OF BID PROPOSAL FORM**

Request for revision of the Bid Proposal Form must be made to the ENGINEER at least seven (7) days prior to date of opening of Bids. Revision of the Bid Proposal by the Bidder will void the Bid.

D. **CONTRACT EXPIRATION DATE**

The Contract expiration date shall be established as follows:

The notice to proceed date plus ten (10) calendar days for mobilization, plus the construction time established in the Proposal, plus time extensions pursuant to valid change orders (which shall establish the construction completion date), plus 120 days to assure a contract exists beyond the scheduled construction completion date in order to comply with Executive Order Number 94-187.

E. **BID CHANGES**

No changes in the amount of Bids appearing on the outside of Bids will be considered. Only the amounts shown on bidding documents inside the envelope will be considered. All changes, corrections and erasures must be initialed by the person signing the bid.

CONSTRUCTION COMPLETION

The CONTRACTOR shall begin work within ten (10) calendar days, including Sundays and holidays, after the date of written notice from the owner to begin work, and shall complete the work for Phase I (Base Bid) and Additive Alternate No 1 (if awarded) within **525** calendar days and Phase 2 (Additive Alternate No 2) within **210** calendar days, including Sundays and holidays, after the expiration of such ten (10) day notice. If the Bidder determines that "off-hours" work is anticipated to complete the project within such allotted times, a schedule therefore shall be attached to this proposal.

PRE-TRIAL DETENTION FACILITY RE-BID
ACCESSIBILITY UPGRADES

SECTION 30

SCOPE OF WORK

GENERAL:

The Work requires the Contractor to provide all necessary labor, tools, transportation, services, supervision, materials, equipment, permit and approvals for the Accessibility Upgrades at the Duval County Pre-Trial Detention Facility.

The work shall include but shall not be limited to modifications of selected detention cells, showers and toilets to upgrade for current ADA deficiencies. The upgrades include restoring/modifying walls, base, trim, flooring, toilet accessories, partitions, doors, frames, hardware, glazing, plumbing work, mechanical work, electrical work and all other improvements/repairs required to complete the work in accordance with the plans, specifications and/or permits and approvals for the construction of this project.

Repair showers 4W1 and 5W1 in Day Room 1 in addition to showers 4W2 and 5W2 s in Day Room 2 shown on the plans were added to the scope. These showers in Day Room 1 (4th and 5th Floor) are in urgent need of repair

he City/Sheriff's Office will vacate one side (east or west) of each floor at the time to make at side completely available to the contractor. Only one side of each floor can be under onstruction at any giving time. Construction time needs to be minimized to avoid conflict etween construction and jail population. Also, maintaining the adjacent areas or other oors systems in operation while working with the plumbing, the mechanical, the electrical ower and the lighting is to be included in the bid.

he Pre-Trial Detention Facility operates 24 hour/seven day schedule. All construction is to e coordinated with Jacksonville Sheriff's Office on-site representation.

TENT:

s the intent of these Contract Documents to define acceptable procedures necessary to complish all the accessibility improvements in compliance with the requirements set forth technical specifications and in the manner representative to the best construction industry actices.

e Contractor shall accomplish the foregoing work in accordance with the Contract cuments (Specifications, ADA Specification for Accessibility Design & Drawings). It is not e intent of these contract documents to minutely define the mode, means, methods, chniques, and sequences of procedures of construction selected by the Contractor. In dition, these contract documents do not specifically define the safety precautions and grams incident to the work of the Contractor, but rather they are intended to set forth asonable and rational criteria for the project thereof.

EEKLY CONSTRUCTION MEETING:

eekly construction meeting shall be scheduled by the contractor with Lieutenant Gerald ith and the City's inspector. The purpose of this meeting is to discuss anticipated items work during each week and review critical operations and potential problems. See contact rmation (e-mail addresses and phone numbers) on the specification book section 31.5.

SECTION 11190

BASIC REQUIREMENTS FOR DETENTION SYSTEMS

PART 1- GENERAL

1.01 SUMMARY

A. A single pre-qualified Detention Equipment Contractor (DEC) shall provide the entire scope of work specified below. None of the materials, equipment, systems or Labor specified or required for the complete installation of the scope of work below shall be provided or bid as separate packages outside of the Detention Equipment Contractor's subcontract

B. DEC shall furnish all Labor, equipment, appliances, services and materials, perform work, and otherwise assume all responsibility related to procurement and installation of equipment, products and materials as indicated in the scope of work below. DEC shall self-perform installation of materials required in this scope of work. Installation subcontractors will not be allowed.

D. DEC must base its bid on the products by the manufacturers that are specified in this scope of work.

E. Any bid from a General Contractor that does not include the name of a pre-qualified DEC in the appropriate space provided on the bid form will be automatically rejected. Only one (1) name will be allowed.

1.02 SECTION INCLUDES

A. The scope of work for the DEC includes the following specification sections:

1. Section 11190 — Basic Requirements for Detention Systems
2. Section 11191 — Security Hardware
3. Section 11192— Security Doors and Frames
4. Section 11193— Security Glass and Glazing
5. Section 11194 — Security Accessories
6. Section 11195 — Security Furniture

B. Products furnished and installed under this scope of work:

1. Security hollow metal doors per the door schedule.
5. Security hardware per the security hardware schedule.
6. Security Glass and Glazing per the Glazing schedule and as indicated on the drawings.
7. Security furnishings and accessories as indicated on the drawings and specified below.
8. Detention metal fabrications as indicated on the drawings and specified below.

B. Products furnished, but not installed under this scope of work:

1. Security hollow metal door frames, side lights, borrowed lights, windows and frames.
2. Steel embeds required to anchor detention equipment furnished under this scope of work to concrete or masonry.
3. Security access panels in this scope of work to be built into concrete or masonry.
4. Pass-throughs, package passes, or hopper passes to be built into concrete or masonry.
