(1) Within a reasonable time, but in no event later than thirty (30) days after the City's written notice of termination for default, arrange for Contractor with the City's consent, which shall not be unreasonably withheld, to complete the Contract and the Surety shall pay the City all losses, delay and disruption damages, and all other damages, expenses, costs, and statutory attorney's fees, including those incurred in appellate proceedings, that the City sustains because of a default by the Contractor under the Contract; or

(2) **(A)** Within a reasonable time, but in no event later than sixty (60) days after the City's written notice of termination for default, award a contract to a completion contractor and issue a notice to proceed. (3) Within a reasonable time, but in no event later than thirty (30) days after City's notice of termination for default, waive its right to complete or arrange for completion of the Contract and, within twenty-one (21) days thereafter, determine the amount for which it may be liable to the City and tender payment to the City of any amount necessary in order for the City to complete performance of the Contract in accordance with its terms and conditions less the balance of the Contract price, and shall also indemnify and save the City harmless on account of all claims and damages arising from the Contractor's default under the Contract, and pay the City for all losses, delay and disruption damages, and other damages, expenses, costs, and statutory attorney's fees, including those incurred in appellate proceedings, that the City sustains because of a default of the Contractor under the Contract.

PROVIDED FURTHER, the Surety shall indemnify and save the City harmless from any and all claims and damages arising from the Contractor's default under the Contract, including but not limited to contractual damages, expenses, costs, injury, negligent or intentional default, patent infringement, and actual damages (including delay and disruption damages) in accordance with the Contract, and including all other damages and assessments which may arise by virtue of failure of the product to perform or any defects in work or materials within a period of one (1) year from the date on which the Contractor receives from the City a certificate of final completion under the Contract.

PROVIDED FURTHER, that during any interim period after the City has declared

The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set forth in the Definitions and coverage sections of rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations. 6. The prospective participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated. 7. The prospective participant further agrees by submitting this proposal that it will include this clause titled "Certification Concerning Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions. 8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decline to participate in the transaction with a person who is unable to provide the certification required below. A participant agrees by entering into this transaction that, if it later determines that a person participating in the transaction knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the participant may pursue such remedies as may be available to the Federal Government or its agent. **9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of its business dealings.** **10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.** **Certification Concerning Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions:** 1. The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency. 2. When a lower tier participant is unable to certify to the above statement, it shall attach an explanation to this proposal.

City Contract # 71491-22 E&R Project # 2464
Continuous Asphalt Resurfacing Program
(North – Construction Bid 16752-25)

Dear Mr. Young::

EISMAN & RUSSO (E&R) has reviewed the three (3) Bids submitted for the Continuous Asphalt Resurfacing Program (North – Construction Bid 16752-25).

After review, E&R has determined Preferred Materials (PMI) is the lowest bidder and recommend the City of Jacksonville award this contract to this firm. We have attached a summary of all bid prices listing them from lowest bid to highest bid. E&R also conducted a comparison of PMI's current pricing (FY 2024 – 2025) to the 2025 -2026 proposed Bid Pricing for all 3 Bids and find the PMI bid to be in line with our recommendation.

Please feel free to contact me with any questions.

Sincerely,
EISMAN & RUSSO
