Full and Fair Consideration of Ex-Offenders For Awarded Contractor Direct Hiring
Revised April 2021

1. POLICY

It is the policy of the City of Jacksonville that the rehabilitation of ex-offenders is an essential component in a community fight against criminal activity; the hiring of ex-offenders into fair paying jobs helps restore the economic stability of ex-offenders, perpetuates their rehabilitation, reduces recidivism and contributes to a community crime free environment; providing consideration and opportunities to ex-offenders with companies doing business with the City of Jacksonville can be accomplished without compromising the security of the businesses, or the City and its citizens, and without unnecessarily depriving others of opportunities; and that the City of Jacksonville should take a leading role in the rehabilitation of ex-offenders, and has done so through the City's third-party service provider ex-offender re-entry programs that provide job training and/or job placement services to Ex-Offenders.

2. DEFINITIONS

For the purpose of this Section, the following definitions apply:

(1) *City Ex-Offender Program Providers* shall collectively mean the Jacksonville Sheriff's Office Jacksonville Re-Entry Center and any entity under contract with the City to provide job training and/or job placement services to Ex-Offenders.

(2) *Contractor* for purposes of this Section only shall mean a person or entity awarded a City contract in the amount of $200,000 or greater.

(3) *Ex-Offender* means a person who has pled guilty, no contest or nolo contendere to a felony offense; or has been found guilty of a felony offense by a judge or jury; regardless of adjudication of guilt.

(4) *Ex-Offender Program Provider* shall mean the Jacksonville Sheriff's Office Jacksonville Re- Entry Center, any entity under contract with the City to provide job training and/or job placement services to Ex-Offenders, or any other entity that specializes in job training and/or job placement services for Ex-Offenders.

3. CONSIDERATION FOR AWARD

No contract for construction, remediation or capital improvement in an amount of $200,000 or greater shall be awarded unless the responding bidder agrees in writing, by submission of its bid, including FORM 4A, to fully comply with Section 4 requirements as outlined herein. **Failure to submit the referenced FORM 4A at the time of bid submission may be grounds for determining a bid submission as non-responsive bid(s). The City reserves the right to reject any/all bids. A contractor complies with this section by indicating its intent on FORM 4A to provide full and fair consideration for ex-offenders who seek employment. A contractor is not required to actually employ an ex-offender at the time it bids for or is awarded a contract, subject to this policy.**

4. COMPLIANCE WITH THIS SECTION

Each awarded contractor will be required to report on its compliance with this section via a notarized Compliance Report to be submitted by the Contractor at the time of submission of progress payments.
And shall include the following information:

(i) The number of Ex-Offenders hired and currently working, or an explanation as to why no Ex-

Docusign Envelope ID: BB407AD2-A264-41F4-A1EA-84E58C90BB7E

Offenders have been hired;

(ii) The number of Ex-Offenders interviewed for employment under the project;

(iii) An explanation as to why any Ex-Offender who applied for employment was refused employment;

(v) Whether the Contractor indicates on recruitment literature that Ex-Offenders will be given full and fair consideration in employment by the Contractor;

(vi) Whether a job opening under the project was available during the reporting period; and

(vii) Statement from the Contractor that the Contractor has contacted an Ex-Offender Program Provider no later than 30 days after the issuance of a notice to proceed under the project to obtain information regarding available Ex-Offenders for employment.

Additionally, each awarded Contractor must agree to do the following during the contracted period:

(1) Identify potential job opportunities under the project that may be available for Ex-Offenders after contract award;

(2) Consider for job placement after contract award at least one otherwise qualified Ex-Offender, to the extent a job opportunity is available under the project and an otherwise qualified Ex• Offender has applied for such job;

(3) Assist the City in addressing the goal of securing employment for Ex-Offenders by complying with the City's Procurement Rules Regarding Ex-Offenders, as may be amended.

Nothing in this Section 4.4 creates any cause of action by an individual or ex-offender against the City or the contractor for failure to hire. Nothing in this Section 4.4 requires a contractor to retain an ex-offender in employment for any definite length of time. However, a contractor should give consideration to ex-offenders pursuant to this section for replacement of personnel and or additional personnel.

5. NON-COMPLIANCE

If an awarded contractor fails to comply with the requirement of this section, the City may withhold payment due under the contract until the awarded contractor complies with Section 4.4. Upon determination by the City that an awarded contractor is not in compliance with this section, the awarded contractor will receive written notice of such non-compliance, and the awarded contractor will be required to reply to the Notice of Non-Compliance within ten (10) days. The written response must include the required documentation to show full compliance as specified in Section 4.4 herein. **Failure to comply with the section and/or failure to respond to the Notice of Non-Compliance may result in, but not be limited to, withholding of payment(s), breach of contract, cancellation of contract, filing against performance bond(s) and disciplinary action, including contractor debarment, in accordance with Chapter 126, specifically Section 126.201(1). In the event a dispute arises as to whether the contractor has complied with Section 4.4, the Contract Administration Section of the Public Works Department shall engage the Office of the Ombudsman of the Finance and Administration Department to rule whether the contractor has complied. Such determination shall be made within (30) days from receipt by the Office of the Ombudsman. During the period of any contest or dispute, the contractor shall otherwise continue to perform under the contract.**
