SUBJECT: PAVEMENT MARKINGS UNIT PRICE CONSTRUCTION - LONG LINES AND INTERSECTIONS-REBID

BID #: CS-0500-17 **OPEN DATE:** 06/21/17

GENERAL GOVERNMENT AWARDS COMMITTEE

KIND AND BASIS OF CONTRACT: CONSTRUCTION SUPPLY

AGENCY: TRAFFIC ENGINEERING

BASIS OF AWARD: LOWEST RESPONSIVE, RESPONSIBLE BIDDER

NUMBER OF BIDS INVITED: 7 **NUMBER RECEIVED:** 2 **OTHER:** 0

SUMMARY OF BIDS AND RECOMMENDED ACTIONS:
Recommend approval to reject the award to Southern States Pavement Markings, Inc. for being non-responsive. Specifically, for the failure to provide the required documentation of contractor qualifications as stated in the bid specifications with their bid.

Accordingly, recommend approval of award to the next lowest responsive, responsible bidder Acme Barricades, Inc. in the amount of $650,000.00. Period of service will be from date of award through two (2) years with two (2) one (1) year renewal options. To be executed by Purchase Order(s).

Funding for this award to be encumbered as follows: PWCP32ERD549-069505-PW0057-01

Attachments: Recommendation Memo; Vendor Rejection Letter; Bid Tabulation; Basis of Award; Scope of Work

TO: **Gregory W. Pease**
Chief of Procurement

THRU: **John Pappas, P.E.**
Director

FROM: **William Joyce**
Operations Director

DATE: **June 28, 2017**

SUBJECT: **Recommendation of Award:**
Pavement Markings Unit Price Construction – Long Lines and Intersections
Bid No.: CS-0500-17
Award Amount: $650,000.00

Traffic Engineering received two (2) bids for the subject project. Only 1 bidder submitted all documents required, Acme Barricade, Inc. The other bidder, Southern States Pavement Markings, Inc., did not submit the documentation required by the Bid Specifications for Pavement Marking Unit Price Construction – Long Lines and Intersections, Section 31.4 Contractors Qualifications, (see attached tab sheet) therefore their bid is rejected.

Traffic Engineering Division recommends approval of award to Acme Barricades, Inc., as the only responsive responsible bidder. The award to be in the amount of $650,000.00 to be issued as individual purchase orders.

Contract to be written for an initial period of two years with two, one year renewals.

B. BASIS OF AWARD:

The contract may be awarded to the lowest responsive, responsible primary and secondary bidders for the Total Base Bid contingent on the availability of funds within the approved project's budget. It is the intent to award all work under this contract to the primary contractor. If it is determined the primary contractor will not be able to perform the project, fail to notify the City Striping Inspector at least 24 hours in advance of the scheduled work, the project may be issued to the secondary contractor.

The primary contractor will be issued two (2) work orders, and subsequent work orders will be issued to the primary or the secondary contractor at the discretion of the City Traffic Engineer.

The City reserves the right to reject any and all bids.

C. TERM OF CONTRACT:

The Contract shall remain in effect for a period of two (2) years with an option for two (2) one (1) year renewal periods at no change in price.

D. REVISIONS OF BID PROPOSAL FORM:

Request for revision of the Bid Proposal Form must be made to the Procurement Division at least ten (10) days prior to the date of opening of Bids. Revision of the Bid Proposal by the Bidder will void the Bid.

E. CONTRACT EXPIRATION DATE:

The Contract expiration date shall be established as follows:

The notice to proceed date plus ten (10) calendar days for mobilization, plus the construction time established in the Proposal, plus time extensions pursuant to valid change orders (which shall establish the construction completion date), plus 120 days to assure a contract exists beyond the scheduled construction completion date in order to comply with Executive Order Number 94-187.

F. BID CHANGES

No changes in the amount of Bids appearing on the outside of Bids will be considered. Only the amounts shown on bidding documents inside the envelope will be considered. All changes, corrections, and erasures must be initialed by the person signing the Bid.

G. COMPLETION OF WORK:

The Contractor shall begin work within ten (10) calendar days, including Sundays and holidays, after receiving a Work Order from the Traffic Engineering Division and complete the work within thirty (30) calendar days, including Sundays and holidays, after work begins. Contractor must notify Traffic Engineering Division 24 hours prior to start of work.

H. SUBMITTAL STATEMENT:

The undersigned Bidder certifies that this proposal is made in good faith, without collusion or connection with any other entity bidding on this work.

The undersigned Bidder has examined and read (cover to cover) all Drawings, Specification, General and Special Conditions, and other Contract documents and all Addenda thereto, and is acquainted with and fully understands the extent and character of the work covered by this Proposal and the specified requirements for the proposed work.

The undersigned Bidder certifies that no officer or agent of the City will directly or indirectly benefit from this bid.

The undersigned Bidder states that this Proposal is made in conformity with the Contract documents, and agrees that in case of any discrepancy or differences between its Proposal and Contract Documents, the Provisions of the latter shall prevail.

SECTION 30
SCOPE OF WORK

PAVEMENT MARKINGS –LONG LINES AND INTERSECTIONS - REBID

30.1 **SCOPE:**

The work covered by these specifications consists of furnishing all labor, materials and equipment, including traffic control equipment necessary for the lay out application of thermoplastic pavement markings, temporary paint pavement markings and raised pavement markers on existing roads and issued by purchase order throughout the fiscal year as needed by the City.

30.2 **JOB SITE LOCATION:**

The project is located within the City of Jacksonville, Florida, and confined to the publicly owned right-of-way easements or properties associated with each project site. The sites or roadway segments are at various locations throughout the City. The Traffic Engineering Division Chief reserves the right to add or delete sites or roadways from the project as needed. It is anticipated that some sites or roadways will be along an identified corridor or within an area or zone; therefore, the Contractor may be able to work concurrently at several locations.

30.3 **JOB SITE PREPARATIONS:**

The Contractor shall be responsible for all measuring, marking and layout work as well cleaning the roadway pavement of debris, dirt, grass, weeds, and anything over the pavement as required by the Traffic Engineering Division prior to application of all pavement markings.

30.5 **WORK NOTIFICATION:**

The Striping Inspector will provide notice to begin work. Contractor may not start any work without notice to begin work from the Striping Inspector or City Traffic Engineer. The Contractor shall notify the City Striping Inspector a minimum of 24 hours prior to beginning work on all City job site locations. If contractor fails to notify the City Striping Inspector a minimum of 24 hours prior to the date listed on the Notice to Proceed, the work order is considered abandoned. The work order will be issued to another city contractor. Any work performed by Contractor without notification to City Striping Inspector in the required minimum 24 hours, will not be paid or compensated.

30.6 **INTENT OF PROJECT:**

It is the intent of these Contract Documents to establish in advance of issuing a blanket order, the Contract Unit Price for all items of work and materials which may be needed to apply thermoplastic pavement markings or other such work as required by the Traffic Engineering Division Chief; such items will be described in work orders and will be used to determine compensation for all work covered by the blanket order. These specifications are intended to establish the standard construction methods and criteria necessary for completion of the work.

Work orders will be issued throughout the life of the project.

31.3.4 Where ENGINEER appears in the FDOT specifications, it shall be defined according to the City of Jacksonville Standards

31.3.5 Delete Division I of FDOT in its entirety

31.3.6 Section 970-1.2.1 Florida Standard Specifications
The Contractor shall use Class B Reflective Pavement Markers (RPM's installed per FDOT Standards

31.4 CONTRACTORS QUALIFICATIONS:

The contractor must have a local office in Duval County or the surrounding counties: Baker, Clay, Flagler, Nassau, Putnam and St. Johns.

The contractor shall have sufficient equipment and personnel to complete the required work as specified herein. The contractor shall have at least one supervisor who is IMSA certified in Level 2 Traffic Signs and Markings including Work Zone Safety in his employ and available upon request. All flaggers responsible for traffic control shall be properly trained and certified in Work Zone Safety.

Contractor Qualification will require submittal of the following documents at the time of bid opening:

- List of all equipment that will be available throughout the City Fiscal Year and length of this contract
- Company qualifications and years in business
- Resume and qualifications of primary manager of this contract
- Resume and qualification of all supervisors assigned to this contract activities
- Resume and qualifications of all flaggers
- Availability of all personnel assigned to perform work under this contract
- Availability of all equipment assigned under this contract
- All ongoing and scheduled projects and contracts during the term of this contract
- All subcontractors resume, qualifications, and equipment

31.5 FAILURE OF CONTRACTOR TO PERFORM WORK WITHIN SPECIFIED TIME FRAME:

The primary contractor will be issued two (2) work orders, and subsequent work orders will be issued to the primary or the secondary contractor at the discretion of the City Traffic Engineer. If it is determined the primary contractor will not be able to perform the project, fail to notify the City Striping Inspector at least 24 hours in advance of the scheduled work, the project may be issued to the secondary contractor. The City has the right to reject any and all bids.

31.6 PERFORMANCE BOND:

The Qualified Bidder for this project will be required to furnish a performance bond in the amount equal to 100% contract price.
