Bid #CS-0240-19 – Traffic Signal Unit Price Construction Countywide
James D. Hinson Electrical Contracting Co., Inc. (Amendment 5 – 7029-16)
Traffic Control Devices, Inc. (Amendment 5 – 10150-01)
Internal Services Account 00111.158001

The Department of Public Works, Traffic Engineering Division has received letters from both James D. Hinson Electrical Contracting Co., Inc. and Traffic Control Devices, Inc. agreeing to extend Bid #CS-0240-19 for Traffic Signal Unit Price Construction Countywide from January 1, 2022, through March 31, 2022. It is also requested this be ratified to January 1, 2022.

This extension will allow time for the new Traffic Engineering bid to be advertised and a formal contract to be put in place. The first two attempts at renewal have resulted in all bids being rejected due to lack of JSEB participation and the need for two contractors to cover the City.

The total estimated expenditure for James D. Hinson Electrical Contracting Co., Inc. will be $1,500,000 for a not to exceed of $7,000,000. Total estimated expenditure for Traffic Control Devices, Inc., will be $1,500,000 for a not to exceed of $7,000,000. The overall not to exceed for this award is $14,000,000.

The funding source for this award will be through various accounts/projects as needed and funds are available. POA-9A02676 will be updated for James D Hinson Electrical Contracting Co, Inc., and POA-9A02688 will be updated for Traffic Control Devices, Inc.

Re: TRAFFIC SIGNAL UNIT PRICE CONSTRUCTION 2020/2021
CS-0240-19

Dear Mr. Copeland:

We would appreciate your consideration of extending the existing Unit Price Contract for an additional three months until March 31, 2022. Unit Prices will remain the same only for maintenance or accident/emergency work. Due to the extreme increases in Materials, we cannot hold prices on mast arm poles, concrete, and long conduit installations (Over 30'), pull boxes.

Thank you very much for the opportunity to work with your division on the contract.

Please call me at (904) 262-3805 if I can be of further assistance.

Sincerely,

J. Daniel Hinson

Hey Brian,

It's the timing of events. The second contractor produced the information Dinah was requesting the day AFTER John signed & I sent over the memo.

We are NOT going to rebid, but we DO need to extend so the work will continue.

Is there anything I should do to have this go through more smoothly?

Hi Fay,

I am going to move forward with the memo provided but the language included says we will need to readvertise the solicitation. From my understanding CP-0027-22 (The Current Solicitation) will be recommended for award per the attached email. Please confirm this.

Thanks,

Bryan
