PROVIDE A DETAILED JUSTIFICATION AS TO WHY THE REQUESTED GOODS/SERVICES CAN ONLY BE EFFICIENTLY AND EFFECTIVELY PROCURED THROUGH THE RECOMMENDED PROPRIETARY/SOLE SOURCE PROVIDER:
Due to the proprietary matching hardware components, proprietary matching algorithms and workstation applications software, NEC is the only vendor that can provide ten print and latent workstations to search against JSO's AFIS.

Dear Ms. Fraser,

This letter is to confirm the sole source availability for maintenance on the NEC Corporation of America (NECAM) Automated Fingerprint Identification System (AFIS) located at the Jacksonville Sheriff's Office Facility.

The software, as well as some of the hardware, comes from NEC Corporation in Tokyo, Japan. NEC Corporation of America, a wholly owned American subsidiary of NEC Corporation, is the only provider of software application support services in the United States.

NECAM is the sole provider with access to certain spare parts, documentation, system software support from the factory, and other items which are needed to provide adequate maintenance services.

We do appreciate your confidence in NEC and our AFIS equipment. We are extremely glad to be able to provide remedial and preventative maintenance and support services to the Jacksonville Sheriff's Office.

Please do not hesitate to call me at 404-308-1166 if you have any further questions.

Sincerely,

Tom Markham
