TO: **Dustin Freeman, Chief**
Procurement Division

THROUGH: **Thomas Walker, Interim Director**
Neighborhoods Department

FROM: **Daniel Nasr, Finance Manager**
Neighborhoods Department

SUBJECT: **Sole Source Request – Purina Shelter Champions Program**

The Animal Care & Protective Services Division (ACPS) respectfully requests the approval of Purina Shelter Champions Program as a source of high-quality dog/cat food and cat litter purchases for the shelter.

During the course of this partnership, ACPS has experienced great customer service, the availability of high-quality food, timely delivery, and continued support from Purina. This is a partnership we at ACPS are proud of and choose to continue.

The Purina Shelter Program is exclusive to animal shelters and is offered by invitation only. The quality of food is important to maintaining the health of the animals in ACPS's care, and the price is lower than can be provided elsewhere. We estimate approximately $40,000.00 in savings with the continued partnership of the Purina Shelter Champion Program. The contract period is from January 1, 2024 thru December 31, 2024.

Please contact me at 255-8831 if you have any questions. Thank you for your consideration of this request.

SINGLE SOURCE JUSTIFICATION FORM (SSJF)	
Pursuant to the City of Jacksonville Procurement Code 126.306(a) (8) & The Procurement Operating Manual, when requesting to purchase from a Supplier subject to the referenced sections, this form is to be completed and must be submitted to the Procurement Division with applicable attachments via 1Cloud Smart Form Requisition.	
1. Requesting Agency:	Animal Care & Protective Services Division
2. Nature and/or description of the requirement being requested. ***Identify each item, component or service being procured. (Attach quote/proposal):*** ***Why does the city need these particular goods or services?***	The ACPS shelter requires wet and dry food for dogs and cats, along with cat litter, to support the animal population. A price list is attached, offering these items at a more affordable price and with improved availability than can be obtained elsewhere.
3. Provide a detailed justification as to why the requested goods/services can only be efficiently and effectively procured through the recommended Single Source Supplier:	Purina is a source of high quality animal food. Purina invited ACPS to participate in the Purina Shelter Champion program. This program is exclusively for animal shelters and provides high quality food at a price point lower than can be obtained elsewhere. Alternative vendors would provide a lower quality food, at a significantly higher price with unstable delivery times. ACPS anticipates a cost savings of approximately $40,000.00 in savings with the continued partnership of the Purina Shelter Champion Program.
4. Date of Request	2/7/2024

5. Summary of Market Research

[Provide a description of the market research performed, how it was performed, by whom, and market research results. Please spell out acronyms.]

[One other manufacturer was found to provide a similar program but it had requirements that ACPS was unable to fulfill. ACPS has found no other source of high quality food, at the pricing available through the Purina Championship Program. .]

a. Purchase of Additional Purina Products: SHELTER may purchase Purina® Pro Plan Veterinary Diets products for sale or use at Purina's then current recommended clinic prices applicable to veterinary hospitals and clinics. If the SHELTER has a retail space, the SHELTER will make Purina® products available for sale, excluding Purina® products purchased with SHELTER's Pet Products Discount.
