Notice of Protest

RE: Fence and Rail Maintenance and Construction
Bid No.: JCS - 0257 - 21
Mayor: Lenny Curry
Chief of Procurement Division: Gregory Pease
Buyer / Purchasing Analyst: David Klages
Bid Open Date: 9/23/2020
Notice of Recommended Bid Rejection: 9/24/2020
Notice of Protest Date: 9/28/2020

The purpose of this letter is to protest the "Notification of Recommended Bid Rejection" of Newsom Fence's bid proposal for the Fence and Rail Maintenance and Construction Bid according to Division 1 Section 8 of the Bid Invitation. Newsom Fence was the Lowest Bidder of the bids that were submitted and opened by the City of Jacksonville on September 23, 2020.

Newsom Fence protests the "Notification of Recommended Bid Rejection" under the grounds that by creating the 100% JSEB requirement created a barrier against Newsom Fence and the fair and equal opportunity to bid on and be awarded the Contract.

This issue was brought up in the Supreme Court of the United States involving the City of Jacksonville in 1993. *Northeastern Florida Chapter of the Associated General Contractors of America, Petitioner v. City of Jacksonville, Florida, et al.* In this 7-2 decision the Supreme Court of the United States determined that the Northeastern Florida Chapter of the Associated General Contractors of America member's lack of fair opportunity to bid on projects due to a Set-Aside designation of a bid presented a possible injury to its members and that the Set-Aside contracts created a barrier that prevented them from having the ability to bid on specific contracts. We believe this case is relevant to our protest, since the 100% JSEB requirement unjustly prevents Newsom Fence the opportunity to bid on this Project fairly and equally with the other companies that were selectively allowed to bid on the Contact.

If Newsom Fence's bid was not rejected on the grounds that we did not qualify under an exclusionary rule and considered as an equal bid against the other bids that were submitted, our bid was in fact the lowest and should be awarded the contract.

Respectfully,

Charles Jones

RE: Protest: JCS-0257-21 Fence and Rail Maintenance and Construction

Dear Mr. Jones:

I am in receipt of your protest filed via email on September 28, 2020, at 9:08 AM on behalf of Newsome Fence Company, Inc. for the above referenced bid. Please note that the nature of your protest would fall under the specification protest procedures. Pursuant of Section 126.106(e)(3)(b) of the City's Protest Procedures, the window in which to file a specification and/or requirements protest has elapsed. The posting of the solicitation was done on the city's website on August 12, 2020. Also posted on the city's website on August 12, 2020 was Addendum 1 which clarified that this solicitation was only open to certified Jacksonville Small Emerging Businesses (JSEB's) and the Mandatory Prebid meeting held on September 2, 2020 reiterated this fact. Therefore, your protest has been determined to be untimely and cannot be considered in our final agency action.

Mr. Jones, pursuant to Chapter 126, Part 6 of the City's Ordinance Code, the City has the right to set aside any percentage necessary to achieve its overall Jacksonville Small Emerging Business (JESB) Goals. Please understand we recognize and appreciate your years of service to the City under this contract, but in our effort to fulfill the requirements of our JSEB program we must look for opportunities such as this contract to help our small businesses grow. The decision to have 100% participation on this contract is in no way a negative reflection of your company but simply a result of a growing competitive environment within our JSEB community to compete for 100% of this contract.

If you have any questions, comments, or concerns, please do not hesitate to call.

Respectfully,

Gregory Pease, Chief
Procurement Division
