BOARD ACTION ITEM: **SUBCONTRACTOR FOR THE STEM HUB GRANT FROM THE DEPARTMENT OF EDUCATION: GOODWILL INDUSTRIES OF NORTH FLORIDA, INC.**

ESSENTIAL SERVICE CATEGORY: **OUT OF SCHOOL TIME**

BOARD MEETING: **DECEMBER 8, 2021**

TO: **KIDS HOPE ALLIANCE BOARD OF DIRECTORS**

FROM: **MICHAEL WEINSTEIN, CHIEF EXECUTIVE OFFICER**

REQUESTED ACTION:

The Board is asked to:

1) Approve funding for Goodwill Industries of North Florida, Inc. to implement a STEM HUB grant from the Department of Education for up to the amount of $225,000.

2) Authorize the CEO of KHA to amend the existing contract with Goodwill Industries of North Florida, Inc. for the period November 1, 2021 through June 30, 2022.

NARRATIVE:

Goodwill Industries applied and were awarded through an RFP in April 2021 to operate the Mayor's Youth at Work Partnership Program (MYAWP), which provides employment opportunities to teens. As part of the work at the NW Jacksonville STEM Center for Teens, teens will be paid for internship work through MYAWP.

The "100 Stars": STEM Center is a training and job shadowing program designed to prepare students for immediate entry-level employment in the STEM field. With a focus on Science, Math and Leadership Training, students will gain STEM, leadership and career development skills that will equip them to train other students within their community.

Goodwill, in partnership with 100 Black Men and I am a STAR, will recruit employers to support MYAWP participants will begin on the first day of the contract being awarded. These partners have existing relationship with employers ready for the youth to begin work.

A dedicated Job Coach will be provided for the youth to support the youth. MYAWP participant engagement will begin with 4 workshops all focused on employment skills and college readiness. Workshops will be either in-person or via Zoom. The first workshop will focus on job preparedness, appropriate dress, cellphone and social media etiquette and communicating with Job Coaches and supervisors. The session will review the importance of timeliness and clocking in and out consistently. Risk management will review safety and emergency protocols. Participants will take their pre-work survey and complete their pay card information. An introduction to financial literacy will teach participants to open and manage their bank account. Following workshops will concentrate on communication, teambuilding, leadership skills, college readiness and further

lessons on financial literacy. Every week MYAWP participants work, they will check-in with their Job Coach twice. This debrief allows participants to maintain a consistent relationship with their coach. One of these sessions will be a group session giving participants the chance to compare experiences with their peers.

The project will serve at least 50 youth.

FISCAL IMPACT:
Goodwill Industries of North Florida, Inc. will receive funding through Kids Hope Alliance in the amount of up to $225,000. This will reflect an increase of the existing contract with Goodwill Industries to provide additional services.

PROGRAMMATIC IMPACT:
The Goodwill STEM Hub programming is a training and job placement program designed to prepare students for immediate entry-level employment in the STEM field. With a focus on Science, Math and Leadership Training, students will gain STEM, leadership and career development skills that will equip them to train other students within their community.

GOVERNANCE/PROGRAM IMPACT:

1. This request requires KHA Board Approval.

OPTIONS:

1. Vote to approve staff recommendations.
2. Decline to approve staff recommendations.

STAFF RECOMMENDATION:
Staff recommends approval.

ORDINANCE 2021-672-E

AN ORDINANCE APPROPRIATING $1,000,000.00 IN DISCRETIONARY NON-COMPETITIVE FUNDS AWARDED BY THE STATE OF FLORIDA DEPARTMENT OF EDUCATION TO KIDS HOPE ALLIANCE ("KHA") FOR THE CITY OF JACKSONVILLE'S NORTHWEST JACKSONVILLE STEM CENTER FOR TEENS, AS INITIATED BY B.T. 21-128; AMENDING THE REVISED SCHEDULE M TO ORDINANCE 2021-511-E; APPROVING, AND AUTHORIZING THE MAYOR, OR HIS DESIGNEE, AND THE CORPORATION SECRETARY, AND/OR THE CHIEF EXECUTIVE OFFICER OF KIDS HOPE ALLIANCE, TO EXECUTE AND DELIVER CONTRACTS WITH 100 BLACK MEN OF JACKSONVILLE, INC. AND I'M A STAR FOUNDATION, INC. FOR THE PROVISION OF PROFESSIONAL SERVICES AT THE NORTHWEST JACKSONVILLE STEM CENTER FOR TEENS; INVOKING THE EXCEPTION TO SECTION 126.107(G), *ORDINANCE CODE*, WITH RESPECT TO SERVICES TO BE PROVIDED BY 100 BLACK MEN OF JACKSONVILLE, INC. AND I'M A STAR FOUNDATION, INC.; WAIVING THE REQUIREMENTS OF SECTION 77.111(A) (PROVIDER CONTRACTS), CHAPTER 77 (KIDS HOPE ALLIANCE), *ORDINANCE CODE*, TO EXEMPT THE SERVICES TO BE PROVIDED BY 100 BLACK MEN OF JACKSONVILLE, INC. AND I'M A STAR FOUNDATION, INC. FROM COMPETITIVE

PROCUREMENT; PROVIDING FOR OVERSIGHT BY KIDS HOPE ALLIANCE; PROVIDING AN EFFECTIVE DATE.

BE IT ORDAINED by the Council of the City of Jacksonville:

Section 1. Appropriation. For the 2021-2022 fiscal year, within the City's budget, there is hereby appropriated the indicated sum(s) from the account(s) listed in subsection (a) to the account(s) listed in subsection (b):

(B.T. 21-128, attached hereto as **Exhibit 1** and incorporated herein by this reference)

(a) Appropriated from:

See B.T. 21-128 $1,000,000.00

(b) Appropriated to:

See B.T. 21-128 $1,000,000.00

(c) Explanation of Appropriation:

The appropriation above represents an award of $1,000,000.00 in discretionary non-competitive funds from the State of Florida Department of Education for the City of Jacksonville's Northwest Jacksonville STEM Center for Teens (the "STEM Center") for the period commencing July 1, 2021 through June 30, 2022. No City match is required.

Section 2. Purpose. The purpose of the appropriation in Section 1 is to fund the procurement of furniture and fixtures, computer hardware and software, and educational supplies for the STEM Center. In addition, the funds will be used to procure the professional services of 100 Black Men of Jacksonville, Inc. and I'm A Star Foundation, Inc. who will manage the STEM Center and provide STEM industry training and hi-tech programs at the STEM Center in the evenings and on weekends. The overall purpose of the STEM Center is to provide workforce training, academic enrichment and positive youth development. Training and programs funded by these State dollars

will target at-risk youth ages 12 to 18 years from several Title 1 schools and neighborhoods located near the STEM Center. In addition, the STEM Center will provide programming that targets young adults ages 19 to 21 years through the Mayor's Youth at Work Partnership Program. Documentation reflecting the initial State of Florida appropriation of funds for the STEM Center in fiscal year 2019-2020, including the notice of award and Request for Application (RFA Discretionary) terms and conditions applicable to use of the funds, as well as a copy of the relevant portions of State of Florida Senate Bill 2500 reappropriating these funds for the STEM Center for fiscal year 2021-2022, are attached hereto as **Exhibit 2** and incorporated herein by this reference.

Section 3. Amending Revised Schedule M to Ordinance 2020-511-E. There is hereby amended for the fiscal year 2021-2022 budget for Kids Hope Alliance ("KHA") by substituting in the place of the Revised Schedule M, approved by Ordinance 2021-511-E, the Second Revised Schedule M, attached hereto as **Revised Exhibit 3**, labeled as "Revised Exhibit 3, 2nd Rev Schedule M, October 4, 2021 - NCSPHS" and incorporated herein by this reference. The Second Revised Schedule M reflects the funds appropriated herein.

Section 4. Approval and Authorization to Execute Agreements with 100 Black Men of Jacksonville, Inc. and I'm A Star Foundation, Inc. The Mayor, or his designee, and the Corporation Secretary, and/or the Chief Executive Officer of KHA, are hereby authorized to execute and deliver an agreement between KHA and 100 Black Men of Jacksonville, Inc. in a not to exceed amount of $200,000.00, and an agreement between KHA and I'm A Star Foundation, Inc. in a not to exceed amount of $200,000.00, for the provision of professional services at the STEM Center, to include management of the STEM Center and providing STEM industry training and hi-tech programs, as more particularly described in **Exhibit 4**, attached hereto and incorporated

herein by this reference, for the contract period commencing July 1, 2021 through June 30, 2022, with up to two (2) one (1) year renewal options. The agreements may include such extensions, renewals, additions, deletions and changes as may be reasonable, necessary and incidental for carrying out the purposes thereof, as may be acceptable to the Mayor, or his designee, and/or the Chief Executive Officer of KHA, with such inclusion and acceptance being evidenced by the execution of the agreements by the Mayor, or his designee, and/or the Chief Executive Officer of the Kids Hope Alliance; provided, however, no modifications to the agreements may increase the financial obligations or liability of the City to an amount in excess of the amounts stated in the agreements or decrease the duties and obligations of 100 Black Men of Jacksonville, Inc. or I'm A Star Foundation, Inc., and any such modifications shall be technical only and shall be subject to appropriate legal review and approval by the Office of General Counsel and the Office of Risk Management for appropriate insurance and indemnification terms. For the purposes of this Ordinance, the term "tenchical changes" is defined as those changes having no financial impact to the City or any other non-substantive changes that do not substantively increase the duties and responsibilities of the City under the provisions of the agreements.

Section 5. Invoking the exception to Section 126.107(g), *Ordinance Code*. KHA is hereby authorized to procure professional services from 100 Black Men of Jacksonville, Inc. and I'm A Star Foundation, Inc. for the provision of services described in Exhibit 4, as authorized in Section 4 above. Pursuant to Section 126.107(g) (Exemptions), Part 1 (General Regulations), Chapter 126 (Procurement Code), *Ordinance Code*, such services are exempted from competitive solicitation because the services to be provided are being approved via authorizing legislation pursuant to this Ordinance.

Section 6. Waiver of the requirements of Chapter 77 (Kids

Hope Alliance), Section 77.111(a) (Provider Contracts), *Ordinance Code*. The City hereby waives the requirements of Chapter 77 (Kids Hope Alliance), Section 77.111(a) (Provider Contracts), *Ordinance Code*, with respect to the contracts with 100 Black Men of Jacksonville, Inc. and I'm A Star Foundation, Inc. approved and authorized in Section 4 of this Ordinance. Section 77.111(a) requires contracts for children's services provided by third parties to be competitively procured by KHA via an evaluated bid process. This waiver is needed in order to allow KHA to directly contract with 100 Black Men of Jacksonville, Inc. and I'm A Star Foundation, Inc. to manage the STEM Center and provide the training and program services described in Exhibit 4.

Section 7. Oversight Department. Kids Hope Alliance shall oversee administration and disbursement of the State funds, the agreements authorized by this Ordinance, and all programming at the STEM Center.

Section 8. Effective Date. This Ordinance shall become effective upon signature by the Mayor or upon becoming effective without the Mayor's signature.

State of Florida, Executive Order 11-116

The employment of unauthorized aliens by any contractor is considered a violation of section 274A(c) of the Immigration and Nationality Act. If the contractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of the contract. In addition, pursuant to Executive Order 11-116, for all contracts providing goods or services to the state in excess of nominal value; (a) the Contractor will utilize the E-verify system established by the U.S. Department of Homeland Security to verify the employment eligibility of all new employees hired by the contractor during the Contract term, (b) require that Contractors include in such subcontracts the requirement that subcontractors performing work or providing services pursuant to the state contract utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the contract term. Executive Order 11-116 may be viewed at http://www.flgov.com/wp-content/uploads/orders/2011/11-116-suspend.pdf.

Narrative Section

Scope of Work/Narrative

The funding will be used to supply the dedicated career teen technology hub with hardware, software, educational supplies, furniture and fixtures in order to provide support, exposure and necessary talent development in STEM industry sectors. The STEM Center will provide hands on exploration of STEM industry training to at-risk youth in their own neighborhoods will ensure growth and development of a highly trained talent pipeline in our community. This project would provide access to high-tech programs and skills training at an intentional and under-resourced neighborhood location on evenings and weekends. The hub location will service neighborhoods with access need to workforce training, academic enrichment, and positive youth development. The expected benefit of this project is to diversify Jacksonville's economic mobility, promote socio-economic mobility and target generational poverty eradication.

Return on Investment (State funded projects only)

The recipient is required to provide quarterly return on investment program activities reports to the Department. Return on investment reports should describe programmatic results that are consistent with the expected outcomes, tasks, objectives and deliverables detailed in the executed grant agreement. Beginning at the end of the first full quarter following execution of the grant agreement, the recipient shall provide these quarterly reports to the Department within 30 days after the end of each quarter and thereafter until notified that no further reports are necessary. This report shall document the positive return on investment to the state resulting from the funds provided under the agreement. These reports will be summarized and submitted to the Office of Policy and Budget and are requested so Legislative staff can review the project results throughout the year and develop a basis for budget review in the event subsequent funding is requested for future years.

Reports should summarize the results achieved by the project for the preceding quarter and be cumulative for succeeding quarters. Although there may be some similarity between activity reports and deliverables submitted to the Department as specified in the grant agreement for payment purposes, please note, that this return on investment report is separate and apart from those requirements.

All reports shall be submitted to the designated project manager for the Department. All questions should be directed to the project manager.

Support for Strategic Plan

Describe how the project will incorporate one or more of the Goals included in the State Board of Education's K-20 Strategic Plan.
URL: http://www.fldoe.org/policy/state-board-of-edu/strategic-plan.html.

The COJ Northwest Jacksonville STEM Center for Teens will provide hands on exploration of STEM industry training to at-risk youth in their own neighborhoods and will ensure growth and development of a highly trained talent pipeline in the community. One of the goals of the State Board of Education's K-20 Strategic Plan is to have a skilled workforce and economic development. This project supports that goal and hopes to diversify Jacksonville's economic mobility, promote socio-economic mobility and target generational poverty eradication.

Project Performance Accountability Information, Instructions, and Form

NOTE: The following pages are included in the RFA (DOE 900D) template and are to be completed by the applicant.

The Florida Department of Education has a standardized process for preparing applications for discretionary funds. This section of the RFA, Project Performance Accountability, is to assure proper accountability and compliance with applicable state and federal requirements.

The Department's project managers will:

- track each project's performance based on the information provided and the stated criteria for successful performance
- verify the receipt of required deliverables prior to payment

For projects funded via Cash Advance, the Department's project managers will verify that the project activities/deliverables are progressing in a satisfactory manner, consistent with the Scope of Work/Project Narrative and Performance Expectations, on a quarterly basis.

The Scope of Work/ Project Narrative must include the specific tasks that the grantee is required to perform.

Deliverables must:

- be directly linked to a specific line item/cost item that in turn links to the specific task/activity/service
- identify the minimum level of service to be performed
- be quantifiable, measureable, and verifiable. Effectiveness. Evidence or proof that the activity took place.

The applicant must complete the information related to the required tasks to be performed and timelines/due dates for the respective tasks/deliverables consistent with the provided instructions. Per Chapter 215.971 F.S. financial consequences will be applied if the subrecipient fails to perform the minimum level of services required by the agreement. Unit cost is not necessary for each item but can be used to establish a methodology for reduction in the event minimum performance is not met.

Scope of Services

100 Black Men of Jacksonville, Inc.
I'm A Star Foundation, Inc.

100 Black Men of Jacksonville, Inc. and I'm A Star Foundation, Inc. (collectively, the "Contractors") shall provide the following professional services at the **"100 Stars" STEM Center**, located at 5656 Moncrief Road, Jacksonville, Florida (the "STEM Center") – a training and internship program designed to prepare students for immediate entry-level employment in the technology field. With a focus on software and IoT (Internet of Things) Development, students will gain industry skills while building business applications for other students within their community.

Leadership Meets STEM Careers
Mentoring and Leadership Development is at the core of program activities. Students participating in the "100 Stars" STEM Center will be tasked with developing and maintaining a Mental Wellness student application with connected monitoring devices under the Contractors' oversight.

Participants in grades 8th-12th will develop Software Engineering and Internet of Things (IoT)/Robotics skills, in addition to business finance, videography, project management, and more through programming administered by the Contractors at the STEM Center.

Measurable Outcomes
The "100 Stars" STEM Center is committed to student STEM employment with an academic focus on improved math scores.

Contractors will provide training and programming at the center, currently planned for Monday-Thursday afterschool and Saturday mornings. Contractors will also be available for scheduled appointments and walk-ins for math tutoring during these times.

Software Development
Leveraging live instruction and project-based assignments, Contractors will train students on industry standard software development skills.

.

Expanding on curriculum from the "Coding in Color" summer camp hosted by the 100 Black Men of Jacksonville, Contractors will prepare students for entry-level employment to various fields of Software Engineering.

Robotics and IoT Training
Contractors will partner with the National Society of Black Engineers and others to help develop basic robotics and hardware knowledge.

Expanding on their robotics foundation, Contractors will train students how to setup and operate Arduino open-source tools to communicate with devices and master Internet of Things technologies.

Student Employment
The "100 Stars" STEM Center is focused on preparing students for STEM careers. Competitive paid internships will be available and reserved for juniors and seniors that maintain above a 'B' average in all math courses. Other students may also participate as slots are available.

Contractors will also provide math tutoring services for promising students seeking employment but in need of improvement.

The STEM Center will also provide programming that targets young adults up to age 21 through the Mayor's Youth at Work Partnership Program. The STEM Center will act as an employment site for youth who participate in the program and they will be paid for their work and training for that work.

Project Narrative

Scope of Work/Narrative

The STEM Hub Center is a dedicated career pre-teen and teen program. This program is provided in the Moncrief, Jacksonville, Florida neighborhood and will provide hands on exploration of STEM industry training. The purpose of the program is to provide underrepresented students with opportunities beyond exposure to computer science programs.

For youth ages 16-19, the STEM Center is a training and internship program designed to prepare students for immediate entry-level employment in the technology field. With a focus on software and IoT Development, students will gain industry skills while building business applications for other students within their community. These youth will receive training, career development opportunities and job placement.

For youth ages 11-15, the STEM Center is a training and job shadowing program designed to prepare students for entry-level employment in the STEM field. With a focus on Science, Math and Leadership Training, students will gain STEM, leadership and career development skills that will equip them to train other students within their community.

The program center will be open in the evening and weekends.

The program will have oversight at the Kids Hope Alliance, a department of the City of Jacksonville, which will contract with three community providers that will provide the STEM curriculum, Workforce Development, Youth Development, and Internships to 100 youth. These contractors are 100 Black Men, Inc. (STEM curriculum), I am a STAR Foundation, Inc. (workforce and youth development skills) and Goodwill, (internships and Job Coaching).

Through grant management and oversight, the City of Jacksonville, through the Kids Hope Alliance staff will be responsible for subcontractors that provide the direct services:

- Implementation of STEM center related programming including the identification of neighborhoods to receive programming
- Implementations of STEM center programming and performance success metrics as related to Jacksonville's Workforce and Economic Development needs
- Use of the systems to use for student registration & applications

- Facilitation of community events & programming

Youth Served

The project will serve 100 youth.

Baseline data

Baseline data against which performance will be measured will be collected. The project will have the expectation for establishing baseline date for the project once youth are identified for program and collected throughout the program. The program baseline and results are outlined in the Performance measures which include quantity, quality, quantitative and qualitative data. KHA has a data sharing agreement with the Duval County Public Schools which can provide baseline and outcome data related to DOE Strategic Plan: Measure 5 (K-12) Continued Achievement Growth on Florida Assessments b. Mathematics. % of youth making learning gains in Mathematics.

Project Outcomes

KHA uses the Results Based Accountability format for an to evaluate project outcomes both qualitatively and quantitatively and reported in the KHA utilized performance measure system, SAMIS. Results based accountability utilizes data to improve performance outcome measures to achieve the desired customer result. When applied, performance measurement answers the following key questions: **How Much Did We Do? How Well Did We Do It? and Is Anybody Better Off?.**

The program and subcontractors will submit client performance measure data, in the SAMIS Performance Measure (PM) Module, within the time frames specified by KHA. The Contractor will report any barriers experienced in performance measure achievement, as required. The report will also include any noteworthy activities that have occurred during the term of this Agreement, as requested. Contractors will use the KHA Data Quality Assurance Report to ensure administration points are completed and service components are attached.

PERFORMANCE MEASURES				
***DESIRED RESULT**: Prepare student for immediate entry-level employment in the technology field.*

Project Deliverables

Project Deliverables are provided on the Project Performance Accountability (PPA) form for KHA and the subcontractors that follow the grant objectives.

Other

Selection of the Subcontractors for Direct Services

Two subcontractors, 100 Black Men of Jacksonville, Inc. and I am a STAR Foundation have Executive Authority for implementation as they are referenced in the City of Jacksonville Ordinance 2021-672-E provided in Exhibit E.

Goodwill Industries of North Florida, Inc. responded to a Request for Proposal to implement the Workforce Development programming in 2021 and was the awarded bidder. This contractor will provide the STEM Workforce development for the 50 participants as a contract expansion.

Kids Hope Alliances' Experience and Capacity/ Program Administration and Capacity

KHA (formally the Jacksonville Children's Commission) has extensive experience in obtaining and administering large federal, state and local grant dollars now totally over $10 million. The following grants are examples: 21st CCLC, Florida Department of Education, State funded at $500,000 (2019) and $700,000 (2019): Ounce of Prevention through the Florida Department of Children and Families, State funded, $1,094.500 Afterschool Food Program, USDA FL Department of Health, State funded. $3.100.00 : Summer Food, USDA FL Department of Health, State funded, $1,100,000 (2019); Department of Justice; INSPIRE funded $300,000 (2020), Florida Department of Children and Families: Criminal Justice Reinvestment Grant, $1,200,000 (2021) and Substance Abuse and Mental Health Services, Federal: ReCAST funded $5M (2021),. All programs funded have both program monitoring and audit findings satisfactory or in compliance with few recommendations.

Grant Management within KHA

KHA has a Director of Grants which oversees KHA grants awarded. The project will have an assigned contract manager for the grant for adherence to the grant requirements and oversight of the program deliverables and reimbursements. The KHA contract manager will provide grant oversight of the administration and fiscal programming at KHA. The grant program delivery will be managed by the direct service subcontractors because they are the best equipped to understand the needs of the target population and community.

Support for Strategic Plan

The project will incorporate three of the Goals included in the State Board of Education's K-20 Strategic Plan, outlined at: http://www.fldoe.org/policy/state-board-of-edu/strategic-plan.stml.

DOE Strategic Plan: Measure 8 (K-12) -High School Graduation Rate Plus
% of youth who obtained workforce certification (development certification).

DOE Strategic Plan: Measure 5 (K-12) Continued Achievement Growth on Florida Assessments b. Mathematics.
% of youth making learning gains in Mathematics.
