Please find attached survey from Weather Engineers. The system is not going to work correctly until these items are corrected and I do not have any ides of the cost but do not think it be a major expense. COJ may want VRL's Engineers to review and see what they think.

Good Morning!

Daryl Joseph,

Re: Cecil Commerce Center Athletic Facility Renovation Project No. 6880-17 COP # 5 - Miscellaneous Items

There is only $22,422.28 remaining in the Cecil Gym account. Do you expect more with the new budget or do you have another account to use to fund the additional work of $60,145.00?

Thanks!
