SUBJECT: P-06-18 Professional Services for Miscellaneous Dredge and Waterway Infrastructure Projects Citywide Contract 3140-34 Amendment 1

Contract #3140-34 with RS&H, Inc. was established for an initial maximum indebtedness of $1,000,000.00. Projects that have been assigned to date have almost reached this limit and there are a number of additional projects that cannot be assigned until the upper limit is raised. JSEB goals of 20% continue to be met with this amendment.

Accordingly, this is to recommend that Contract No. 3140-34, originally executed September 28, 2018, between the City and RS&H, Inc. for Miscellaneous Architectural/Engineering Services, be amended to increase the maximum indebtedness by $1,000,000.00, to a new maximum of $2,000,000.00, with all other terms and conditions of the Agreement remaining unchanged.
