SUBJECT: P-23-16 Miscellaneous Architectural/Engineering Services
Contract # 10288 Amendment 1
Consultant Services Account Nos.: N/A
Internal Services Account No.: PWEN011AD

Contract #10288 between the City and TTV Architects, Inc. is set to expire March 20, 2019. All work has been performed satisfactorily for the past two years. Section 1.2 of the contract allows for two @ two year renewals. Therefore, we wish to extend the contract for the 1st of the two year renewals. Additionally, projects planned in the coming year require that the maximum contract amount be increased to allow for continuation of services. There is no rate increase associated with this amendment. EBO goals of 15% continue to be met with this amendment.

Accordingly, this is to recommend that Contract # 10288, originally executed March 20, 2017, between the City of Jacksonville and TTV Architects, Inc. for Miscellaneous Architectural/Engineering Services be amended to increase the maximum indebtedness by $2,000,000.00, to a new maximum of $4,000,000.00, and to extend the period of service from March 20, 2019 thru March 20, 2021, with all other terms and conditions of the Agreement remaining unchanged.

RE: Misc. Architectural/Engineering Services - Annual Contract #10288 (P-23-16) – Request for 1st renewal option

Dear Lori:

TTV Architects has been pleased to have the opportunity to perform work under the above-mentioned contract. We humbly request the City of Jacksonville exercise the first of two renewal options on this contract so that we continue our working relationship.

No modification to our professional rates is required or requested at this time.

Please let me know if you have any questions.

Sincerely,

TTV Architects, Inc.
