Subject: RE: Xerox renewal

Meg:
The contract done with the City, and that is scheduled to expire in December of this year, says the following about the contract term:

4. Term. The initial term of this Contract shall commence on the Effective Date and shall expire on thirty-six months thereafter, unless sooner terminated by either party in accordance with the terms of the RFP. This Contract may be renewed for up to three (3) additional one (1) year periods by (i) the CITY in it its sole discretion, upon written notice to CONTRACTOR at least sixty (60) days prior to end of the then-current term, or (ii) upon the mutual agreement of the parties.

So, the customer has the unilateral right to extend this annually for up to three such extensions. Based on this, no approval from Xerox is required, and, therefore, you can use this mail note as the official notification by the City, and its acceptance by Xerox, of the City's exercise of the first one year renewal option under the same terms and conditions.

Please let me know if there are any questions, or if you need anything additional.

Thanks!

Gary R.
