**SUBJECT: CDB-0006-16 – Design-Build Services for Horizontal/Civil Engineering Projects**

---

The current expiration for Contract 6533-54, awarded under CDB-0006-16 is May 2, 2021 to J.B. Coxwell Contracting, Inc. The RFP to replace this contract is under review so that it can be advertised. Once advertised, it will then need to be graded, negotiated, awarded and a contract processed. Continued Design Build services are needed until the replacement contract is executed. In addition, the maximum indebtedness established for Contract 6533-54 is at $30,000,000. Projects that have been assigned to date have almost reached the current limit and there are a number of additional projects and amendments to current projects that cannot be processed until the upper limit is raised. There is no rate increase associated with this amendment. J.B. Coxwell Contracting, Inc. is committed to meeting the 10% JSEB participation goals established for this contract.

We therefore recommend that Contract 6533-54, originally executed May 2, 2016, be amended to extend the expiration from May 2, 2021 thru November 1, 2021 and to increase the upset limit by $3,000,000.00 to a new limit of $33,000,000.00.
