SUBJECT: Justification Letter for Bibliotheca, LLC Annual Maintenance

The Jacksonville Public Library requests a purchase order in the amount of $173,760.00 for the purchase of an annual support and maintenance renewal. This will be funded from General Fund sub-object 04661.

Bibliotheca is the sole authorized provider of support and maintenance of the library's 3M equipment, including the SelfCheck machines and theft detection system currently used by the library. A 3M tattle-tape strip is attached to all items that can be checked out at the library and cause the security gates to alarm when not checked out. The 3M SelfCheck system allows library customers to use a self-service kiosk to check out library material and review personal library account information.

With your approval, this request would ensure adequate funding the fiscal year 2018 for the Jacksonville Public Library to provide this service.
