6) The Proposer shall obtain any necessary permits or permit modifications not already provided.

2.6 Award of Design-Build Contract.

A. The process for contract award is set forth in Section 287.055, Florida Statutes, and Jacksonville Ordinance Code Chapter 126, Part 7. Generally, City will evaluate, select and rank, based on the highest to lowest evaluation score, Design-Build Firms determined based on the evaluation to the most qualified and advantageous to the City. Interviews will be conducted as part of the evaluation process as set forth in the evaluation criteria. The relative importance (i.e., maximum scoring points) assigned to the Evaluation Criteria is set forth on Attachment B.

B. Section 3 submittal forms including, Tables A and Table B, Section 3 Business Application Certification Form (To be completed by both the Contractor and Sub-contractors), Letters of Intent, Section 3 Economic Opportunities Plan, Appendix "A", List of Subcontractors and Shop Fabricators, Training and Apprenticeship Program Memo in accordance with 24 CFR, Part 135 will be used for Section 3 Evaluation Criteria.

C. Once the City has ranked the Firms, the City will open the sealed Pricing Proposal of the three top ranked DB Firms meeting the minimum qualifications and the Section 3 Criteria. Based upon the Pricing Proposal only, the City will again rank the Firms with the lowest priced DB Firm ranked first, second lowest ranked second and so on. The price shall be established based upon the Bid Price Proposal as described on FORM 1 "Bid Price Proposal Form". Once the price rankings are completed, the CSPEC will forward their recommendation of rankings (first, second, and third ranked DB Firms) to the Mayor's Office for approval.

D. The City may make an award within sixty (60) days after the date of the Responses are due, during which period the Responses shall remain firm and shall not be withdrawn. Any Response that expresses a shorter duration may, in City's sole discretion, be accepted or rejected. If award is not made within sixty (60) days, the Response shall remain firm until either the Contract is awarded or City receives from Contractor written notice that the Response is withdrawn. [Note: Withdrawal of a Response may be requested within 72 hours (excluding State holidays, Saturdays and Sundays) after the date and time Responses are due. City will not accept an amended Response after the date and time Responses are due.]

E. Except as may otherwise be expressly set forth in the RFP, City intends to award one contract, but reserves the right to enter into a contract with multiple Contractors or to reject all Responses.

F. Based on the evaluation results, City shall electronically post a notice of intended award at City's website. Please contact the Contact Person if you are uncertain of City's website address or if you experience problems accessing it. Any person who is adversely affected by the decision shall file with City a notice of protest in accordance with the Protest provisions of the RFP. City does not intend to provide tabulations or notices of award by telephone.

2.7 Terms of Agreement. After award to the successful Contractor, City and Contractor will promptly enter into a written agreement (the "Contract") incorporating the terms of the RFP, the successful Response, and other terms and conditions as may be agreed to between the parties. To the extent the Response contains exceptions to or modifications of the RFP, such exceptions or modifications are stricken unless City affirmatively accepts the exceptions or modifications in the Contract. The Contract will be substantially in the form set forth in Form 5 to the RFP, subject to additional modifications required by the City's Office of General Counsel to further the City's purpose of this RFP. City will not be obligated to pay Contractor for the RFP services until the Contract is signed by both parties. City retains the right to reject all bids and/or amend its notice of award at any time prior to the full execution of the Contract.

Regarding: **Supplemental Letter of Price Proposal**

Please be advised that since this project is a Design-Build, we would be remiss to not provide this disclaimer.

While we have provided a package and price to comply with the RFP, we feel that value engineering can be negotiated into the project to save a large percentage of the cost while keeping the intent totally intact.

We hope to be able to meet with the owners to discuss these ideas.

Sincerely,

ACON CONSTRUCTION CO., INC.
