SUBJECT: CDB-0112-21 – Design-Build Services - Active and Passive Parks Projects – Marine Pump Out Station Relocation AMENDMENT 19A

Based on the Design Criteria Package (DCP) developed by the Department of Parks, Recreation and Community Services, in accordance with Design/Build CDB-0112-21, Contract 71629-22 has completed negotiations with Acon Construction Co., Inc., to relocate an existing city owned and operated pump out station at Metro Park. Negotiations have resulted in the GMP amount of $53,157.50, with $3,500.00 in contingency, as indicated on the attached Scope & Fee Summary, Exhibit T-1 and allowing for the completion of the work within 120 days from the Notice to Proceed. Acon Construction Co., Inc. is committed to meeting the 20% JSEB participation goals established for this contract.

Accordingly, this is to recommend that Contract #71629-22, originally executed March 8, 2022, between the City and

Acon Construction Co., Inc. for Design-Build Services- Active and Passive Parks, be amended to incorporate the attached Scope and Fee Summary, Exhibit T-1 for Marine Pump Out Station Relocation for the GMP amount of $53,157.50 known as Amendment 19A.

To be encumbered as follows:

Attention: Mr. Robin G. Smith, P.E.
City Engineer
Reference: Marine Pumpout Station Relocation
DB Contract #71629-22

Mr. Smith,

We are pleased to provide this proposal for the work on the subject project under the guidelines of the referenced contract.

The scope of this project is to relocate an existing city owned and operated pump out station from the marina on west end of Metro Park and relocate to the East end of the park. The proposal is structured so that relocation is made to allow the city to have the system pumped out under its separate contract with a pumpout vendor. Specific breakdowns of work to be performed are provided in attached proposals. The contingency of $3,500.00 as included is limited to well below the 15% as allowed in the contract. It will be used should any additional hurdles develop that are unknown at the present time and to clean up any disrupted areas.

Our Guaranteed Maximum Price (GMP) for the project scope as stated is $53,157.50.

The Guaranteed Completion Date (GCD) will be 120 days from date of NTP.

Breakdowns follow this letter. Please contact me if you have any questions or need further information.

Sincerely,

Frank Anderson
Construction Manager

ACON Construction Company

RE: **AGREEMENT FOR PROFESSIONAL SERVICES**
Scope and Fee: Marine Pump Out Station Relocation

Dear Mr. Anderson:

Hanson Professional Services Inc. (Hanson) is pleased to submit our proposal to provide civil design plans for relocation of the existing marine pump out station, currently near Metropolitan Park in Jacksonville, FL.

The abbreviated project description, scope of services and compensation are as follows:

I. ABBREVIATED PROJECT DESCRIPTION

An existing marine pump out station, used to remove sewage waste from boat holding tanks, is located in the marina along the St. Johns River at the western end of Metropolitan Park. The unit will require relocation to a future dock system located on the eastern end of Metropolitan Park. The station will draw power from a nearby source and discharge the waste to an adjacent temporary holding tank.

II. SCOPE OF SERVICES

A. Surveying

1. Set Horizontal and Vertical Control
2. Provide topographic survey at proposed site

B. Civil Design

1. Data collection and review
2. Field Reviews
3. Pump Station Site Design
4. Miscellaneous Details for Installation
5. Stormwater Pollution Prevention and Erosion Control Design
6. Submit to a City of Jacksonville Site Development Plan Review
7. Submittals to FDEP or Duval County Health Department, if required
8. Deliverables include Civil Engineering Plans

III. SCHEDULE

Upon receipt of a fully executed agreement and notice to proceed, Hanson will perform its services in a prompt and timely manner and as expeditiously as is consistent with professional skill and care and the orderly progress of the work. We also acknowledge that the City pf Jacksonville and ACON are to be regularly and routinely consulted in connection with the performance hereunder.

IV. EXCLUDED SERVICES

Hanson's Scope of Services expressly does not include the following services which are the obligation of the CLIENT or Owner, as the case may be:

1. Electrical, Environmental or Geotechnical Services.
2. Design of Fixed or Floating Dock Systems
3. City of Jacksonville 10 Set Design Review – This work does not meet the criteria for Affected Projects
4. Construction administrative duties entailing construction observation, confirmation of contractor's pay requests and change order reviews.

V. FEE SCHEDULE

Our fees for the described services are outlined in the following table:

Scope of Services	Lump Sum Fee
Civil Design	$17,550.00
Topographic Survey	$2,900.00
Total	**$20,450.00**

We look forward to working with City of Jacksonville representatives and ACON Construction on this project. We can proceed with this effort upon final written authorization from you. Thank you.

Sincerely,

Randy Downing

PROPOSAL

February 15, 2023

Proposal Submitted to: **ACON Construction / Attn: Frank Anderson**
Phone #'s: **(904) 565-9060 / (904) 813-4065 (cell)** E-mail: fanderson@aconcci.com

Work to be performed at: **Relocate - Pump-out Station**
(Liberty St., Metropolitan Park & A. Randolph Park)

We hereby propose to furnish all the materials and perform the labor necessary for the completion of:

- **Relocate existing pump at station from Metro Park floating docks to 100 Festival Park Avenue.**
- **A 500-gallon tank will be set by A1-Septic for service by City of Jacksonville.**
- **Includes dismantle and reinstall power and sewage lines. Tanks to be within 100 FT of pump-out station.**

TOTAL PRICE: $18,225

Payment terms to be discussed at signing of a contract.

**** Note to Customers: *** The proposal provided is based upon current costs and availability of materials. Due to COVID 19 we may experience increases in material costs that are beyond our control. We will address this with you prior to beginning your project if it is necessary.*

*****Excludes any sod, surveys, as builts, electrical, plumbing, permitting and/or engineering fees*****
*****Prices subject to change due to engineering requirements and/or unforeseen site conditions*****
*****Although every effort will be taken to prevent any damages when accessing the worksite; HCG is not responsible for any damage to landscape/sod, irrigation, utilities and/or existing concrete/asphalt or pavers*****

Prices are based upon sand bottom, in the event there are adverse conditions, such as limerock, coquina, concrete, etc., an additional charge will be required. Materials and workmanship installed or performed by Hayward Construction shall be guaranteed under normal conditions for a period of one year from the date of installation; excluding accidents and/or Acts of God. The above work will be performed in accordance with the drawings and/or specifications submitted by the owner for the above project and completed in a timely and professional manner. Should any of the work not be performed or supervised by Hayward Construction Group, we cannot be held responsible for any damage and/or malfunction.

Any alteration or deviation from the above specifications involving additional costs, will be executed only upon written agreement from both parties, and will become an extra charge over and above the estimate. All agreements are contingent upon strikes, accidents and/or delays beyond our control. Owner will carry fire, tornado/storm damage and other insurance necessary for the job listed above. Worker's Compensation and General Liability Insurance for the above estimate will be carried by Hayward Construction Group.
