Redistricting is expected to have an effect on the number of precincts serviced; therefore, it is in the best interest of the City of Jacksonville to issue a new solicitation after the redistricting has been finalized.

Re: Bid # SC – 0322-21 (Transportation of Election Equipment)

Gregory Pease, Chief,
Procurement Division
117 West Duval St, Suite 335

Dear Gregory,

There have been several developments since we decided to go to bid on this item. Most importantly, the census data for redistricting expected in the spring has been pushed back until November. That is going to delay the city council redistricting which will have an effect on the number of precincts we have. The number will not be the same as the 199 we are using for the bid, it may be as many as 50 less which could definitely affect the price. There will be no elections until the end of this redistricting process, until next August at least. As a result of this we have decided not to award the bid to either vendor but will rebid again next February.

Thanks for all your help on this,

Please do not hesitate to contact me if I can provide any further information or assistance.

Sincerely,

Robert Phillips
Senior Elections Officer
Duval County Supervisor of Elections
