RE: **REQUEST FOR PROPOSALS – CONSTRUCTION ENGINEERING AND INSPECTION SERVICES FOR THE DEMOLITION OF THE OLD COUNTY COURTHOUSE AND THE OLD CITY HALL ANNEX**
RFP NO. P-26-18

No proposals were received for the subject RFP. Public Works has contacted several Consultants that we expected would submit proposals and learned that they either did not feel they could be competitive or they were busy preparing other proposals. The consultants have indicated that they will give serious consideration to submitting proposals, if we re-advertise the project. Therefore we request that P-26-18 be rescinded and re-advertised as P-36-18. The only revisions to the RFP, other than the RFP Number, is the deadline for questions, the submittal date and the incorporation of the P-26-18, Addendum 1 language to the scope of services.
