The Jacksonville Housing Finance Authority RFP subcommittee received one (1) response for the above referenced item and found one (1) to be responsive, interested, qualified and available to provide the services required by the RFP. The proposals were independently evaluated by the subcommittee members utilizing the criteria outlined in the Purchasing Code as augmented by the RFP (see attached scoring matrix). The subcommittee members provided their scoring to Authority staff for calculation of the average scores for each vendor in each of the ten (10) categories.

Based on the above, the following firms, listed alphabetically, were determined to be the most qualified of those submitting proposals. The ranking of first, second, and third designates the order of qualifications of these firms to perform the required services:
