RE: **P-50-16 Public Liability Surveillance and Special Investigations Unit (SIU) Subcommittee Report**

The subcommittee received seven (7) proposals for the **Workers' Compensation Surveillance and Special Investigations Unit** and found six (6) to be responsive, interested, qualified and available and one (1) to be non-responsive. The six (6) are able to provide the services required by the Request for Proposal (RFP). The proposals were evaluated using the selection criteria outlined in the Purchasing Code and augmented by the RFP (see attached matrix).

Based on the above, the following firms listed alphabetically were determined to be the most qualified of those submitting proposals. The ranking of first, second, and third designates the order of qualifications of these firms to perform the required services:

3. Advantage Surveillance
1. Command Investigations
2. G4S

Please advise us when this item is placed on your agenda so we may be present. After a full committee review we request these rankings be forwarded to the Mayor's office for final review and confirmation.
