Report #747B

Honorable Members of the City Council
City of Jacksonville

The purpose of this report is to document our follow-up review of our past report #747, Audit of Indirect Cost Allocation, to determine whether corrective action has been taken in response to our findings and recommendations. We are providing this special written report in accordance with Ordinance Code Section 102.102. This report does not represent an audit or attestation conducted pursuant to Government Auditing Standards. The initial audit report and prior follow-up report can be found on our website.

We sent a follow-up letter to the City's Chief Administrative Officer on April 9, 2019 inquiring as to the status of the remaining original audit report recommendations. We reviewed the recommendations from our audit report, the auditees' responses to the recommendations, and the auditees' responses to our follow-up letter. We then performed limited testing to verify the responses.

Based on the responses received and our follow-up testing, it appears that the responsible parties complied with our recommendations without exception. Here is a table detailing the original number of issues noted and the number of issues resolved as of this follow-up.

Types of Issues	Original Number of Issues	Issues Cleared Prior to This Follow-Up	Remaining Issues Prior to this Follow-Up	Issues Cleared During This Follow-Up	Remaining Issues
Internal Control Weaknesses	1	0	1	1	0
Findings	5	4	1	1	0
Opportunities for Improvement	0	0	0	0	0
Total	6	4	2	2	0

We would like to thank the Budget Office for their cooperation in conducting this follow-up review.

Sincerely,

Kyle S. Billy
