

Summary of Benefits for Covered Services

Important things to keep in mind when reviewing this Summary of Benefits

- This Summary of Benefits is only a partial description of the many benefits and services provided or authorized by Florida Blue HMO and is not considered a contract. For a complete description of benefits and exclusions, please see the Florida Blue HMO BlueCare Benefit Booklet and Schedule of Benefits; its terms prevail.
- For the lowest out-of-pocket costs, choose doctors, hospitals, pharmacies, and other health care providers who are considered in-network. To find in-network providers, visit our online provider directory at FloridaBlue.com and select the plan name.
- The amount a member pays for covered services add up and count toward deductibles, out-of-pocket maximums, and any listed benefit maximums per person per benefit period (PBP).

Family	\$4,000	Not Applicable	
Coinsurance (Coinsurance is the percentage of the costs of a covered health care service a member pays, typically after the deductible is paid.)	20%	Not Applicable	
Out-of-Pocket Maximum Embedded (Out-of-pocket maximum includes DED, coinsurance, copayments and prescription drugs)			
Individual	\$4,000	Not Applicable	
Family	\$8,000	Not Applicable	

Important information about Deductibles and Out-of-Pocket Maximums

Deductible

- **Embedded** - If more than one person is covered under the plan, each person only has to meet the individual deductible, and not the entire family deductible before Florida Blue HMO will begin to pay for covered services for that person.
- **Shared** - The entire family deductible is shared with all members on the plan. Florida Blue HMO will begin to pay for covered services after the total family amount is met. One person or a combination of family members can contribute to the total deductible amount.

Out-of-Pocket Maximum

- **Embedded** - Once an individual with family coverage meets the individual out-of-pocket maximum, the plan will pay 100% of all covered services for the rest of the benefit period for that person.
- **Shared** - The entire family out-of-pocket maximum amount is shared with all members on the plan. Any one person or a combination of family members can meet the family out-of-pocket maximum. Once the family out-of-pocket maximum is met, the plan will pay 100% of all covered services for all covered members for the rest of the benefit period.

Note: If there is only one person on a plan and a family deductible and out-of-pocket are listed, only the individual amounts apply.
