Minutes

Ms. Bumbarger moved, with a second by Mr. Rosen, that the **Board approve the minutes of the May 3, 2019 Board meeting.** The motion passed 4-0.

Public Comments

Mr. Ryan Hoover updated the Board on various developments financed by the JHFA. He stated that (1)

Lofts at Jefferson would have move-ins beginning December 2019 and (2) Lofts at Brooklyn would begin construction by September 2019.

Mr. Lotzia introduced the summer associates working in his office that were attending the HFA meeting.

“To-Do” List

Mr. Hendrickson updated the Board on outstanding “to-do” items.

Staff Report and Financial Report

Ms. Stagner updated the Board on JHFA financials and noted that the FY 19-20 JHFA budget was on the agenda for approval. After discussion, Mr. Citrano moved, with a second by Mr. Rosen, that the Board **approve the proposed FY 19-20 JHFA budget**. The motion passed 4-0.

Ms. Stagner also updated the Board on the delays in the Professional Services procurement process (Investment Banker, Bond Counsel, Trustee, and Financial Advisor), stating that the RFP’s should be issued within a week with an August 21 due date. She stated that this would bring the selections to the September JHFA meeting. Mr. Lotzia noted that the current contract extensions expired June 30. After discussion, Mr. Rosen moved, with a second by Mr. Citrano, that the Board **authorize the extension of all professional service contracts until September 30, 2019**. The motion passed 4-0.

The Board **requested that Ms. Stagner bring the analysis of moving funds from the Operating Account to the Loan Account at the August JHFA meeting**.

Board Member Conflicts

No member declared a conflict related to items on the agenda.

Bond Allocation

Ms. Bond-Collins updated the Board on the 2019 bond allocation, stating the 2019 allocation had been received from the Division of Bond Finance.

Single Family

Mr. Hendrickson updated the Board on the single-family program.

Multi-Family Updates

Mr. Hendrickson reported that the Monaco Arms transaction closed on May 31, bringing the total units financed by the JHFA to 2,837 in the past four years.

Mr. Hendrickson explained the timing of various FHFC RFA’s, and the need for the JHFA to have the 2020 Bond NOFA available prior to the submission deadlines for FHFC funds. After discussion, Mr. Citrano moved, with a second by Mr. Rosen, that the Board **authorize publication of a NOFA for 2020 Bond Applications, with dual application (one for SAIL or other FHFC gap financing program applicants, the second for all others)**. The motion passed 4-0.

Mr. Hendrickson noted that the Board had requested at the May meeting that a potential NOFA for Gap Financing be brought to this meeting for consideration. He explained the recent history of JHFA gap financing and stated that Ms. Stagner had concluded that \$2 million could reasonably be made available for this proposed NOFA. The Board requested Ms. Stagner to explain her analysis. After discussion, Ms. Bumbarger moved, with a second by Mr. Rosen, that the Board **authorize publication of a Gap Financing**

NOFA, for applicants using JHFA bonds, and utilizing the selection criteria required by ordinance, plus a detailed explanation of the need for JHFA gap financing, the leveraging of those funds with other resources, and any innovative aspects of the development. The motion passed 4-0.

Local Government Contributions in Conjunction with various FHFC RFA's

Mr. Hendrickson updated the Board on the FHFC process, noting that Jacksonville would have a Geographic Area of Opportunity preference imposed by FHFC this year, in lieu of the successful Local Government Area of Opportunity (Preference) system used the last four years. He stated that FHFC was rotating the requirement for the Geographic Area of Opportunity preference, and that the Local Government Area of Opportunity Funding preference should return next year. Mr. Hendrickson explained that FHFC still required a minimum local government contribution, with points assigned to applicants who received a contribution with a net present value of \$75,000. He stated that the City and JHFA could use this process to effectively select the development that best met City needs and goals, by giving only one applicant the contribution. A discussion on the concept and the Geographic Areas of Opportunity followed. After discussion, Ms. Bumbarger moved, with a second by Mr. Rosen, that the Board **authorize publication of a NOFA and application for the minimum local contribution on 9% Housing Credit applications, layering all non-geographic selection factors from the last LGAOF application/NOFA into this year's local contribution NOFA/application, and including location within a Geographic Area of Opportunity as a mandatory criteria.** The motion passed 4-0.

Mr. Hendrickson stated that the minimum local contribution would also be required for applicants seeking SAIL or other FHFC gap financing. After discussion, Mr. Citrano moved, with a second by Mr. Rosen, that the Board **authorize publication of a NOFA and application for the minimum local contribution on all other FHFC RFA's, including SAIL.** The motion passed 4-0.

Existing Rental Properties

Mr. Hendrickson updated the Board on occupancy of existing developments and the Millennia Portfolio construction issues. Ms. Stagner and Mr. Lotzia updated the Board on the Houston Street Manor request for loan funding.

2019 Legislative Update

Mr. Hendrickson reported on the actions of the Sadowski Education Effort related to the 2019 legislative session. He stated that while progress was made, the legislature still swept \$125 million from the Housing Trust Funds to general revenue. Mr. Hendrickson also reported that the Governor had vetoed the Jacksonville Urban Core Workforce project (\$8 million), with the Governor stating that the veto was due to the proposal circumventing the FHFC selection process rather than the merits of the proposal.

Florida ALHFA Conference

Ms. Leigh updated the Board on the conference, which will be held July 11-14 in Atlantic Beach.

Adjournment

On a motion by Mr. Citrano, seconded by Mr. Rosen, the Board voted unanimously to adjourn the meeting at 12:50 PM.

II. 2013 Single Family Loan Program—Informational

 - First time homebuyers.
 - Income Limit: \$70,386 (1-2 person household) & \$80,944 (3+ person household)
 - Sales Price limit \$199,000.
 - Minimum credit score of 640
 - Interest rate set by the HFA of Hillsborough County, with rate set at level that is anticipated to generate a premium when sold.
 - Loans purchased by the master servicer (US Bank) and converted into MBS.
 - MBS are purchased by the HFA of Hillsborough County, on behalf of all HFA's
 - MBS are sold, with each HFA keeping its pro rata share of any net premium or loss realized from the sale of the MBS.
 - Down payment assistance: \$7,500 second mortgage, due on sale of property, or maturity of first mortgage
 - Mortgage Credit Certificates providing homebuyers a credit in the amount of 50% of mortgage interest paid annually (up to a \$2,000 annually).
2. **DPA Analysis:** The DPA amount was increased to \$7,500 effective March 1, 2019. Because FHFC has a \$15,000 DPA program available, JHFA loan activity will be very low until the FHFC funds are used.

5. **Lender Originations:** Academy (133), SWBC (116), Prime (54), Bank of England (51), Fairway (51), Pacific Union (23), CMG (13), Network Funding (6), Open (5), DHI (4), Ameris Bank (3), Paramount (2), Resource Financial (1), Guild (2) & GSF (1).
6. **MCC's:** The HFA converted \$200.25 million of bond authority into \$50,063,000 of MCC's. Tranche 1 (\$5.25 million) expired at the end of 2015 with \$1,109,274 not utilized. Tranche 2 (\$10.0 million) expired at the end of 2016, with \$9,668,903 not utilized. Tranche 3 (\$14.75 million) expired at the end of 2018, with \$446,149 not used. Tranche 4 (\$20,062,500) expires December 31, 2020.
7. **MCC Program: What Does it Mean to Home Buyer:** With the HFA's average loan of \$132,000 and a 4.125%/30-year mortgage, interest payments in Year 1 = \$6,394. With the 50% MCC rate that the HFA has chosen, **the homebuyer would be able to claim a tax credit of the full \$2,000 per year maximum allowed by federal law** (slightly declining after year 16 as more of monthly payment is principal) until the home buyers sells or moves from the property. The \$2,000 of tax savings lowers the "functional" mortgage rate for the program from 4.125% to approximately 2.25%.
8. **MBS Sales:** The HFA has executed 131 sales, with net revenues of \$1,451,649 (net meaning after payments to RBC and counsel) coming to JHFA.

9. **Hedges & Exposure:** Hillsborough County has 7 hedges totaling \$6.85 million in place. With full delivery, the projected net revenues are estimated at \$219,632 (shared pro rata with counties based upon originations). The unhedged pipeline as of September 4 is \$0 (changes daily).
10. **Size of Program:** The initial legislation wherein City Council authorized the program limited it to no more than \$1.5 million of loans in pipeline at any time. In June, the Board changed the authorization to \$1.5 million of unhedged loans. Loans originated or in **progress are \$62.03 million.**
11. **Recommendation:** None.

 - Official Appointment of RBC Capital Markets LLC as Placement Agent in connection with the sale of the Bonds;
 - Official appointment of First Housing Development Corporation of Florida, as compliance monitor, financial monitor and construction/loan servicer;
 - Official appointment of The Bank of New York Mellon Trust Company as Trustee; and
 - Authorization of appropriate Board members and members of the Issuer to execute documents and take all other actions necessary not inconsistent with the terms of the Resolution and subject to final approval by HUD.
3. The 2019 Bond Application is now “open”, meaning applications are evaluated on a first-come first-evaluated basis.
4. The **2020 Bonds with SAIL NOFA** and application were published, with a due date of September 5. (FHFC tentative due date for SAIL applications is October 17). This application serves as both a bond and local contribution application for developments seeking bonds and any FHFC gap financing (including SAIL) or seeking 9% Housing Credits other than in

conjunction with RFA 2019-114 (the RFA which required the Duval County application to be in a geographic area of opportunity). Two applications were received (**Cedar Station** and **Parkway Commons**). A complete analysis is attached. Susan Leigh has recused herself from any work on the NOFA, Application and Analysis, and has not participated in the deliberations of staff nor in the drafting of this section of the memo or the analysis. She has a developer client that has made application for the Local Government Contribution/Bonds for a SAIL application to FHFC.

5. The **2020 Bonds without SAIL NOFA** and application will be published later this summer.
6. The Board approved **Gap Financing** for developments using JHFA bonds of \$2 million. The NOFA and application were published, with a due date of August 22. Two applications were received (**Sydney Trace** and **Ashley Square**). A complete analysis is attached.
7. **Recommendations:**
 - **The Waves:** Adopt Resolution prepared by bond counsel giving final approvals for bond sale
 - **Cedar Station and Parkway Commons:**
 - ✓ Approve local government contribution of \$115,000 loan for each
 - ✓ 1% interest rate, interest only payments (cashflow), 20-year term
 - ✓ All loan commitment and loans governed by Ordinance 2014-185-E.
 - ✓ Authorize the Chairman to sign loan commitment letter, letter to FHFC confirming that a complete bond application has been received by JHFA, and authorize Chair or other Board member to execute loan documents, including subordinations and extension of loan commitment up to 30 days after senior loan closing date;
 - ✓ Loan to be evidenced by Promissory Note and Mortgage, with anticipated subordinate position behind the first mortgage and all FHFC loans (subject to all loan documents and due diligence necessary to evidence and complete the transaction).
 - ✓ Loan documents to include a Land Use Restriction Agreement with all Applicant commitment (City programs, length of set-aside, income restrictions).
 - ✓ The loan documents shall provide for the standard default provisions; and upon default, the loan shall accrue interest at the highest rate then permissible under Florida law from and after an event of default that remains uncured.
 - ✓ Each loan shall be evidenced by a promissory note in the full-face amount of the loan, and secured in its entirety by a subordinate lien mortgage, and shall include such other standard loan documents as necessary to evidence and complete the transaction.
 - ✓ The loan shall not be disbursed until the following minimum due diligence is received and satisfactory (however, additional requirements may be necessary for the project): mortgagee title insurance policy (or a marked-down commitment for the same), boundary survey certified to the JHFA, environmental site assessments certified to the JHFA, and evidence of concurrency and all permits authorizing construction of the project.
 - ✓ Loan commitment expiration date of September 30, 2020
 - **Sydney Trace:** Adopt Inducement Resolution prepared by bond counsel, including waiver of 50-year set-aside period requirement.

- **Sydney Trace and Ashley Square:**

- ✓ Provide loan commitment of \$1.5 million to Sydney Trace, which would permit the development to move forward, create new affordable units that would not otherwise be built, and lower the deferred developer fee to a workable (with this financing model) 57%,
- ✓ Provide loan commitment of \$500,000 to Ashley Square, which would improve the development's feasibility, and lower the deferred fee to a workable level given the traditional financing model being used (43%). The higher paid fee is necessary because the developer cannot opt out of affordability and convert to market rate after 15 years.
- ✓ For Sydney Trace: 1% interest rate, semi-annual payments, 40-year amortization, balloon in 20 years (or sale/refinance if earlier) and permit Qualified Contract option after Year 19
- ✓ For Ashley Square: 1% interest rate, interest only payments (cashflow), 20-year term (or coterminous with 1st mortgage)
- ✓ All loan commitment and loans governed by Ordinance 2014-185-E.
- ✓ Authorize the Chairman to sign loan commitment letter, and authorize Chair or other Board member to execute loan documents, including subordinations and extension of loan commitment up to 30 days after senior loan closing date;
- ✓ Loan to be evidenced by Promissory Note and Mortgage, with anticipated second mortgage position for Sydney Trace and subordinate position behind the first mortgage and all FHFC loans for Ashley Place (subject to all loan documents and due diligence necessary to evidence and complete the transaction).
- ✓ Loan documents to include a Land Use Restriction Agreement with all Applicant commitment (City programs, length of set-aside, income restrictions).
- ✓ The loan documents shall provide for the standard default provisions; and upon default, the loan shall accrue interest at the highest rate then permissible under Florida law from and after an event of default that remains uncured.
- ✓ Each loan shall be evidenced by a promissory note in the full-face amount of the loan, and secured in its entirety by a subordinate lien mortgage, and shall include such other standard loan documents as necessary to evidence and complete the transaction.
- ✓ The loan shall not be disbursed until the following minimum due diligence is received and satisfactory (however, additional requirements may be necessary for the project): mortgagee title insurance policy (or a marked-down commitment for the same), boundary survey certified to the JHFA, environmental site assessments certified to the JHFA, and evidence of concurrency and all permits authorizing construction of the project.
- ✓ Loan commitment expiration date of September 30, 2020

IV. Local Government Area of Opportunity Funding (Preference)—Informational

1. For the upcoming Housing Credit RFA governing large counties, Duval County will not be able to utilize the LGAOF/Preference system. FHFC is requiring that the deal funded in Duval County be located in a Geographic Area of Opportunity.
2. However, the Geographic Area of Opportunity applicants will still need a minimum local government contribution. Jacksonville can avoid a return to a lottery system by giving the local contribution to only one deal. This was authorized by the Board in June.

3. The Local Government Contribution (in conjunction with FHFC RFA 2019-114, Housing Credits for Large Counties) has been published with a due date of September 19. The applications will be handled at the October JHFA meeting.
4. **Recommendation:** None.

V. Update on Existing Rental Properties—Informational

1. Caroline Arms:

- ✓ The developer has the opportunity to obtain project-based vouchers for 42 units.
- ✓ Having project based rental assistance is extremely beneficial to the economic success of rehabilitation financings of older Section 8 properties.
- ✓ The Jacksonville Housing Authority is declining to administer the PBV contract.
- ✓ If the individual residents are given vouchers, the rental assistance can leave the development at any time, harming development economics.
- ✓ The developer has been unsuccessful in getting a response on the issue from JHA.
- ✓ From the developer's HUD counsel:

As you know, we submitted a request last year that HUD award Project-Based Voucher (PBV) assistance to unassisted residents at Caroline Arms who qualify as "At-Risk" under Notice PIH 2019-01 (the "Notice"). The PBV assistance would be beneficial to both the property and the city of Jacksonville because it would bring a stable source of affordable housing to residents of Jacksonville at a newly rehabilitated property. Based on initial calculations, 42 residents at Caroline Arms appear eligible for PBV assistance under the Notice. The initial PBV contract could be for 20 years and the owner and the housing authority could agree to extend the term of the contract for another 20 years after that. This means that a PBV contract at Caroline Arms has the potential to bring 42 units of affordable housing to Jacksonville for the next 40 years.

We have been informed by HUD that the Jacksonville Housing Authority is the only Housing Authority that has jurisdiction to administer voucher assistance at Caroline Arms, and that the Jacksonville Housing Authority has said that it will not agree to administer a new PBV contract at Caroline Arms. Instead, the Jacksonville Housing Authority will only agree to administer tenant-based Enhanced Voucher assistance to the 42 residents that appear to be eligible for assistance under the Notice. Unlike PBV assistance, Enhanced Vouchers are portable, which means that if the tenant moves that the voucher assistance goes with them, even if the tenant moves outside of Jacksonville. So if a tenant decides that they want to move from Caroline Arms to another city, the tenant will be able to take the voucher with them, causing Jacksonville to lose a valuable affordable housing resource.

Please let me know if you need any additional information.

PRELIMINARY AGREEMENT

This **PRELIMINARY AGREEMENT** (this "Preliminary Agreement") dated as of September __, 2019 between the **JACKSONVILLE HOUSING FINANCE AUTHORITY**, a body corporate and politic of the State of Florida (the "Authority"), and **SYDNEY TRACE, LTD.** a Florida limited liability company and its permitted successors and assigns (the "Company").

W I T N E S S E T H:

SECTION 1. PRELIMINARY STATEMENT. Among the matters of mutual understanding which have resulted in the execution of this Preliminary Agreement are the following:

(a) The Florida Housing Finance Authority Law (Chapter 159, Part IV, Florida Statutes), as amended (the "Act") provides that the Authority may issue its revenue bonds and loan the proceeds thereof to one or more persons, firms or private corporations, or use such proceeds to defray the cost of acquiring, by purchase or construction, certain qualifying facilities.

(b) The Company is considering the acquisition and construction of a multifamily residential housing facility for low, middle or moderate income persons to be located at the Villages of Argyle, North side of Merchants Way, West of intersection of Oakleaf Village Parkway and Merchants Way, Jacksonville, Duval County, Florida, 32222 (the "County") to be more commonly known as Sydney Trace Apartments (the "Project"). It is currently estimated that the cost related to the acquisition and construction of the Project will be approximately \$31,070,899.

(c) The Authority intends this Preliminary Agreement to constitute its official binding commitment for purposes of the Act and applicable federal tax law only, subject to the terms hereof, to issue its Multifamily Housing Revenue Bonds (Sydney Trace Apartments), Series 2020 in a principal amount not to exceed \$21,500,000 (the "Bonds") in one or more series or issues pursuant to the Act in a final amount to be determined by the Authority and to loan the proceeds thereof to the Company, or to use such proceeds, to finance all or a portion of the cost related to the acquisition and construction of the Project, including all costs incurred in connection with the issuance of the Bonds by the Authority.

(d) The Authority considers the issuance and sale of the Bonds, for the purpose hereinabove set forth, consistent with the objectives of the Act. This commitment is an affirmative official action of the Authority toward the issuance of the Bonds as herein contemplated in accordance with the purposes of both the Act and the applicable United States Treasury Regulations provided, however, the commitment is specifically subject to the terms and conditions set forth in this Preliminary Agreement and creates no rights of specific performance on the part of the Company.

SECTION 2. UNDERTAKINGS ON THE PART OF THE AUTHORITY. Subject to the terms hereof, the Authority agrees as follows:

(a) The Authority will authorize the issuance of the Bonds in the aggregate principal amount necessary and sufficient to finance all or a portion of the costs related to the acquisition and construction of the Project as the Authority and the Company shall agree in writing, but in all events, the principal amount of such Bonds shall not exceed the lesser of: (i) the costs related to the Project, as determined by the Authority, or (ii) \$21,500,000.

(b) Such actions and documents may, at the option of the Authority, permit the issuance from time to time in the future of additional bonds on terms which shall be set forth therein, whether *pari passu* with other series of bonds or otherwise, for the purpose of defraying the cost of completion, enlargements, improvements and expansion of the Project, or any segment thereof, or refunding of the Bonds.

(c) The loan or financing agreement between the Authority and the Company (the "Loan Agreement") shall, under the terms agreed upon by the parties, provide for payments to be made by the Company in such sums as shall be necessary to pay the amounts required under the Act including the principal of and interest and redemption premium, if any, on the Bonds, as and when the same shall become due and payable.

(d) In authorizing the loan of the proceeds of the Bonds pursuant to the Loan Agreement, the Authority will make no warranty, either expressed or implied, that the proceeds of the Bonds will be sufficient to pay all costs of the acquisition and construction of the Project or that those facilities encompassed by the Project will be suitable for the Company's purposes or needs.

(e) The Bonds shall specifically provide that they are payable solely from the revenues derived from the Loan Agreement, the Trust Indenture relating to the Bonds (the "Indenture") or other agreements approved by the Authority, except to the extent payable out of amounts attributable to the proceeds of the Bonds. The Bonds and the interest thereon shall not constitute an indebtedness or pledge of the Authority, the general credit of the City of Jacksonville, the County or of the State of Florida (the "State"), and such fact shall be plainly stated on the face of the Bonds.

SECTION 3. UNDERTAKINGS ON THE PART OF THE COMPANY. Subject to the terms hereof, the Company agrees as follows:

(a) The Company will use reasonable efforts to insure that the Bonds in the aggregate principal amount as stated above are sold; provided, however, that the terms of such Bonds and of the sale and delivery thereof shall be mutually satisfactory to the Authority and the Company.

(b) The Company will cooperate with the Authority and with the underwriters or purchasers of the Bonds and the Authority's counsel, financial advisor and bond counsel with

respect to the issuance and sale of the Bonds and will take such further action and authorize the execution of such documents as shall be required by the Authority for the authorization, issuance and sale of such Bonds and the use of the proceeds thereof to finance the cost related to the acquisition and construction of the Project all in accordance with the Authority's policies and procedures.

(c) Prior to the issuance of the Bonds, the Company will enter into the Loan Agreement, consent to the execution by the Authority of the Indenture, approve such other documents related to the Bonds, as shall be determined reasonably necessary by the Authority, providing for, among other things, the issuance, delivery and security for the Bonds and the loan or use of the proceeds of the Bonds to finance the Project. Such documents will provide, among other things, that the Company will be obligated to pay the Authority (or to trustees for holders of the Bonds on behalf of the Authority, as the case may be) sums sufficient in the aggregate to enable the Authority to pay the principal of and interest and redemption premium, if any, on the Bonds, as and when the same shall become due and payable, and all other expenses related to the issuance and delivery of the Bonds inclusive of the Authority's ongoing fees. The Company will agree in such documents that if the cost related to the acquisition and construction of the Project exceeds the amounts allocated therefor, it shall not be entitled to any additional reimbursement or funding for any such excess either from the Authority, the bondholders or the trustee for the bondholders.

(d) The Company shall be responsible for the Authority's up-front issuance fee in effect at the time the Bonds are issued and the fees of the Authority's counsel, underwriters, financial advisor and bond counsel.

(e) The Company shall, in addition to paying the amounts set forth in the Loan Agreement, pay all costs of operation, maintenance, taxes, governmental and other charges which may be assessed or levied against or with respect to the Project.

(f) The Company will hold the Authority free and harmless from any loss or damage and from any taxes or other charges levied or assessed by reason of the issuance, sale or delivery of the Bonds, as well as any mortgaging or other disposition of the Project.

(g) All costs of issuance, including, without limitation, the Authority's fees and counsel fees not paid at the time of application shall be paid in full at the time of the sale and delivery of the Bonds. The Company shall pay, upon request, a reasonable retainer to bond counsel to the Authority to compensate said counsel for legal services which must be performed whether or not the Bonds are actually issued. Any retainers so paid will be credited against the respective counsel fees payable at closing.

(h) The Company shall take all such actions such that the Bonds shall be issued in compliance with the applicable terms and conditions of the Authority's Multifamily Bond Allocation Policies and Procedures (revised September 2018).

(i) The Company will take such further action as may be required to implement its aforesaid undertakings and as it may deem appropriate in pursuance thereof.

(j) Should the Company cancel this Preliminary Agreement in accordance with the terms hereof, the Company shall pay any and all of the Authority's fees and expenses including, without limitation, the fees and expenses of Authority's counsel and bond counsel and financial advisor.

SECTION 4. GENERAL PROVISIONS. All commitments of the Authority under Section 2 hereof and of the Company under Section 3 hereof are subject to the conditions that the following events shall have occurred not later than [June 30, 2020], or such other date as shall be mutually satisfactory to the Authority and the Company:

(a) The Company shall deliver evidence satisfactory to the Authority's counsel and bond counsel (including such opinions issued by counsel to the Company acceptable to the Authority) that the Company is an entity organized and operated under the applicable laws of the State.

(b) The Authority shall have received at least \$21,500,000 of private activity bond allocation from the Division and shall be lawfully entitled to issue the Bonds as herein contemplated.

(c) The Authority and the Company shall have agreed on mutually acceptable terms for the Bonds and the sale and delivery thereof and mutually acceptable terms and conditions of the Indenture, the Loan Agreement or other agreements incidental to the financing or referred to in Sections 2 and 3 hereof.

(d) Such other rulings, approvals, consents, certificates of compliance, opinions of counsel and other instruments and proceedings satisfactory to the Authority as to such matters with respect to the Bonds, the Project, the Indenture, the Loan Agreement, as shall be specified by the Authority, shall have been obtained from such governmental, as well as non-governmental, agencies and entities as may have or assert competence or jurisdiction over or interest in matters pertinent thereto and shall be in full force and effect at the time of issuance of the Bonds.

(e) Notwithstanding the designation as an "official binding commitment" for purposes of the Act and federal tax law, the Company and the Authority each reserve the absolute right to unilaterally cancel this Preliminary Agreement for reasonable cause at any time prior to the time the Bonds are issued by the Authority upon written notice to the other party of cancellation.

(f) If the events set forth in this Section 4 do not take place within the time set forth or any extension thereof, or if the Company or the Authority exercises its rights of cancellation as set forth in this Section 4, the Company agrees that it will pay/forfeit to the Authority the

Deposit (as defined herein) and pay the fees for Authority's counsel and bond counsel and financial advisor.

(g) The Company acknowledges that the Authority may, during the time this Preliminary Agreement is in effect, issue similar "inducement" agreements to other companies for other multifamily projects, and/or may issue bonds or participate jointly with other authorities to issue bonds for multifamily or single family housing. This Preliminary Agreement will create no priority or rights *vis a vis* subsequent agreements for the issuance of multifamily or single family bonds.

SECTION 5. DEPOSIT FROM THE COMPANY. Notwithstanding anything herein to the contrary, the Company has represented to the Authority that it expects to complete the financing of the Project on or before the [June 30, 2020], utilizing not less than \$19,350,000 of the Authority's private activity bond allocation. On the basis of the foregoing representation by the Company, the Authority has agreed to reserve \$21,500,000 of its private activity bond allocation for the Project and issue the Bonds on behalf of the Company, subject to the Company's compliance with, among other things, all other applicable guidelines, policies and procedures of the Authority, as well as the terms and conditions set forth herein. The Company acknowledges and agrees that failure to consummate the sale and delivery of not less than \$19,350,000 of the Bonds on or before [June 30, 2020] will result in substantial damages to the Authority which cannot be easily or adequately measured. Consequently, in addition to the \$7,500 non-refundable application fee paid to the Authority and a fee paid to the Authority's creditor underwriter for the requisite credit underwriting fee to prepare the credit underwriting report, the Company shall deliver to the Authority on or before [____], 2019: (a) a cashier's check in the amount of \$40,000 which reflects the required final document preparation deposit (the "Deposit"), and (b) a cashier's check in the amount of \$500 to cover the initial cost of publishing the TEFRA notice and conducting a hearing, all payable to the Authority and all of which shall be immediately cashed by the Authority. In addition, the Company shall pay a \$10,000 retainer to bond counsel. If Bonds in the principal amount of not less than \$19,350,000 are sold and delivered on or before the [June 30, 2020], the Authority will deliver to the Company a check in the amount of the Deposit simultaneously with the sale and delivery of the Bonds. If for any reason Bonds in the principal amount of not less than \$19,350,000 are not sold and delivered on or before [June 30, 2020], the Deposit shall be retained by the Authority as and for full liquidated damages for any defaults hereunder on the part of the Company. The Authority and the Company hereby agree that time is of the essence and it is the intent of the parties hereto that the provisions of this Preliminary Agreement be strictly construed. Should the Authority cancel this Preliminary Agreement in accordance with Section 4(e) hereof, then the Company shall be entitled to a return of the Deposit less the fees and expenses of the Authority including, without limitation, the fees and expenses of Authority's counsel (other than bond counsel) and financial advisor.

SECTION 6. BINDING EFFECT. All covenants and agreements herein contained by or on behalf of the Authority and the Company shall bind and inure to the benefit of the respective

successors and assigns of the Authority and the Company whether so expressed or not; provided, however, the Company may not assign this Preliminary Agreement.

During any period that the Book-Entry System is in effect, one Bond in the aggregate principal amount of the Bonds and registered in the name of the Securities Depository Nominee will be issued and deposited with the Securities Depository and held in its custody. The Book-Entry System will be maintained by the Securities Depository and the DTC Participants and Indirect Participants and will evidence beneficial ownership of the Bonds in Authorized Denominations, with registration of transfers of ownership effected on the records of the Securities Depository, the DTC Participants and the Indirect Participants pursuant to rules and procedures established by the Securities Depository, the DTC Participants and the Indirect Participants. The principal of and interest on each Bond shall be payable to the Securities Depository Nominee or any other person appearing on the Register as the registered Holder of such Bond or his/her registered assigns or legal representatives at the principal office of the Trustee. So long as the Book-Entry System is in effect, the Securities Depository will be recognized as the Holder of the Bonds for all purposes except as otherwise provided herein. Transfer of principal and interest payments or notices to DTC Participants and Indirect Participants will be the responsibility of the Securities Depository, and transfer of principal and interest payments or notices to Beneficial Owners will

be the responsibility of the DTC Participants and the Indirect Participants. No other party will be responsible or liable for such transfers of payments or notices or for maintaining, supervising or reviewing such records maintained by the Securities Depository, the DTC Participants or the Indirect Participants. While the Securities Depository Nominee or the Securities Depository, as the case may be, is the registered owner of the Bonds, notwithstanding any other provisions set forth herein, payments of principal of and interest on the Bonds shall be made to the Securities Depository Nominee or the Securities Depository, as the case may be, by wire transfer in immediately available funds to the account of said Holder as may be specified in the Register maintained by the Trustee or by such other method of payment as the Trustee may determine to be necessary or advisable with the concurrence of the Securities Depository.

(b) If (i) the Securities Depository determines not to continue to administer a Book-Entry System for the Bonds or (ii) the Borrower, on behalf of the Issuer, with the consent of the Controlling Person, elects to remove the Securities Depository, then the Borrower, on behalf of the Issuer, with the consent of the Controlling Person, may appoint a new Securities Depository.

(c) If (i) the Securities Depository determines not to continue to administer a Book-Entry System for the Bonds or has been removed and the Borrower fails to appoint a new Securities Depository, (ii) the Controlling Person or the Borrower, with the consent of the Controlling Person, determines that continuation of a Book-Entry System of evidence and transfer of ownership of the Bonds would adversely affect the interests of the Beneficial Owners or (iii) 100% of the Bondholders so elect, then the Book-Entry System will be discontinued, in which case the Trustee will deliver replacement Bonds in the form of fully registered certificates in Authorized Denominations in exchange for the Outstanding Bonds as required by the Trustee and the Beneficial Owners.

Section 2.12 Authority. The Issuer represents and warrants that (i) it is duly authorized under the laws of the State to issue the Bonds and to execute, deliver and perform the terms of the Loan Agreement and this Indenture; (ii) all action on its part for the issuance of the Bonds and execution and delivery of the Bond Documents to which it is a party has been duly taken; (iii) the Bonds, upon issuance and authentication, and the Bond Documents to which it is a party, upon delivery, assuming that they are the respective legal, valid, binding and enforceable obligations of the other parties thereto, shall be valid and enforceable obligations of the Issuer in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency or other similar laws affecting the enforcement of creditors' rights generally and general equitable principles; (iv) it has not heretofore conveyed, assigned, pledged, granted a security interest in or otherwise disposed of the Security; (v) it has not received any payments under the Loan Agreement; (vi) without making any independent investigation, it has no knowledge of any right of set-off, defense or counterclaim to payment or performance of the terms or conditions of the Loan Agreement; and (vii) the execution, delivery and performance of the Bond Documents to which it is a party and issuance of the Bonds are not in contravention of law or any agreement, instrument, indenture or other undertaking to which it is a party or by which it is bound and no

other approval, consent or notice from any governmental agency is required on the part of the Issuer.

Section 2.13 No Litigation. The Issuer represents and warrants that there is no action, suit, proceeding, inquiry or investigation at law or in equity or before or by any court, public board or body pending, or, to the best knowledge of the Issuer, threatened against or affecting the Issuer wherein an unfavorable decision, ruling or finding would adversely affect (i) the transactions contemplated by, or the validity or enforceability of, the Bonds, this Indenture or the other Bond Documents to which the Issuer is a party, or (ii) the exclusion from gross income of interest on the Bonds.

Section 2.14 Further Assurances. The Issuer covenants that it will cooperate to the extent necessary with the Borrower and the Trustee in their defenses of the Security against the claims and demands of all Persons and, upon payment or provision for payment of the fees and expenses to be incurred by the Issuer in connection therewith, will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered such indentures supplemental hereto and such further acts, instruments and transfers as the Trustee may reasonably require for the better pledging of the Security. Except for any amendment, modification, supplement, waiver or consent related to the Reserved Rights, the Issuer shall not cause or permit to exist any amendment, modification, supplement, waiver or consent with respect to the Loan Agreement without the prior written consent of the Trustee, which consent shall be governed by Article VIII hereof.

Section 2.15 No Other Encumbrances; No Dissolution. The Issuer covenants that (i) except as otherwise provided herein and in the Loan Agreement, it will not sell, convey, mortgage, encumber or otherwise dispose of any portion of the Security and (ii) to the fullest extent permitted by applicable law, for so long as the Bonds are Outstanding, it will not dissolve, terminate or permit itself to be dissolved or terminated without a successor to its obligations hereunder and under the Bonds having assumed its obligations hereunder and under the Bonds.

Section 2.16 No Personal Liability. No recourse shall be had for the enforcement of any obligation, promise or agreement of the Issuer contained herein or in the Bonds or the other Bond Documents to which the Issuer is a party or for any claim based hereon or thereon or otherwise in respect hereof or thereof against any director, member, officer, agent, attorney or employee, as such, in his/her individual capacity, past, present or future, of the Issuer or of any successor entity, either directly or through the Issuer or any successor entity whether by virtue of any constitutional provision, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise. No personal liability whatsoever shall attach to, or be incurred by, any director, member, officer, agent, attorney or employee as such, past, present or future, of the Issuer or of any successor entity, either directly or through the Issuer or any successor entity, under or by reason of any of the obligations, promises or agreements entered into in the Bonds or between the Issuer and the Trustee, whether herein contained or to be implied herefrom as being supplemental hereto; and all personal liability of that character against every such trustee, member, officer, agent, attorney and employee is, by the execution of this Indenture and as a

condition of, and as part of the consideration for, the execution of this Indenture, expressly waived and released.

ARTICLE III INTEREST RATE AND REDEMPTION OF BONDS

Section 3.1 Authorized Amount of Bonds. No Bonds may be issued under the provisions of this Indenture except in accordance with this Article. The total principal amount of Bonds that may be issued and Outstanding hereunder is expressly limited to \$_____. The Bonds shall be designated "Jacksonville Housing Finance Authority Multifamily Housing Revenue Bonds (The Waves Project), Series 2019." The form of Bonds attached as Exhibit A to this Indenture shall be the form of Bonds referred to herein. The Bonds shall be issued as draw-down Bonds in accordance with Section 3.2(e) below.

Section 3.2 Issuance of Bonds.

(a) The Bonds shall bear interest from the Issue Date until paid or exchanged, as applicable, at the rate set forth in Section 3.3 hereof computed on the basis set forth in the form of the Bonds, and the Bonds shall mature, unless sooner paid, on the Maturity Date, on which date all unpaid principal of and interest on the Bonds shall be due and payable.

(b) The Bonds shall be issued as fully registered bonds without coupons in Authorized Denominations only. The Bonds shall be numbered from R-1 upwards bearing numbers not then contemporaneously outstanding (in order of issuance) according to the records of the Trustee.

(c) The Bonds shall be dated the Issue Date and initially issued as provided herein and in the written instructions from the Issuer. Interest on the Bonds shall be computed from the most recent Interest Payment Date to which interest has been paid or duly provided for or if no interest has been paid or provided for, from the Issue Date. The Bonds shall mature on the Maturity Date, on which date all unpaid principal of and interest on the Bonds shall be due and payable. The Bonds are subject to mandatory sinking fund redemption as provided in Section 3.4(d) hereof. In any case that an Interest Payment Date or Principal Payment Date shall occur on a day that is not a Business Day, such payments shall be made on the next succeeding Business Day.

(d) The principal of and the interest on the Bonds shall be payable in lawful currency of the United States. The principal of the Bonds shall be payable at the principal office of the Trustee upon presentation and surrender of the Bonds; provided, however, that Bonds need not be presented for payment upon redemption pursuant to Section 3.4(d) of this Indenture. Payments of interest on the Bonds will be mailed to the persons in whose names the Bonds are registered on the Register at the close of business on the Record Date next preceding each Interest Payment Date; provided that, any Holder of a Bond or Bonds in an aggregate principal amount of not less than \$250,000 may, by prior written instructions provided to the Trustee (which

instructions shall remain in effect until revoked by subsequent written instructions), instruct that interest payments be made by wire transfer to an account in the continental United States or other means acceptable to the Trustee.

(e) The Bonds are issued as draw-down Bonds. The Initial Purchaser shall fund the purchase price of the Bonds from time to time, in accordance with the Purchase Agreement, to provide funds for deposit in Bond Proceeds Account of the Project Fund for disbursement therefrom pursuant to the Requisitions. Subject to the requirement that the Bonds are issued and remain Outstanding in an Authorized Denomination, the initial purchase of Bonds by the Initial Purchaser on the Issue Date will be in an amount equal to not less than \$51,000. The Trustee shall record amounts funded in such manner in the Bond recordkeeping system maintained by the Trustee. The Holders may request exchange of the Bonds for Bonds reflecting the principal draw-down from time to time in accordance with Section 2.9. Upon deposit by the Purchaser of each installment of the purchase price of each draw-down Bond, the aggregate amount of Bonds purchased shall be deemed Outstanding and shall begin to accrue interest. Notwithstanding anything herein to the contrary, the aggregate purchase price of the Bonds funded by the Initial Purchaser may not exceed the authorized amount set forth in Section 3.1, and no additional amounts may be funded after the last day of the third calendar year following the Issue Date unless there is delivered a Favorable Opinion of Bond Counsel. The Issuer and the Trustee acknowledge that the Borrower and the Initial Purchaser have agreed pursuant to the Purchase Agreement that under certain circumstances the Bonds may be converted from a draw-down bond issue to a fully funded issue, and each of the Issuer and the Trustee agrees to take all actions reasonably required of it in connection with such a conversion of the Bonds to a fully funded bond issue.

Section 3.3 Interest Rate on Bonds. The Bonds shall bear interest at the Bond Coupon Rate from the Issue Date to the date of payment in full of the Bonds, calculated on the basis of a 360-day year for the actual number of days elapsed in the manner set forth in the form of the Bonds. Interest accrued on the Bonds shall be paid in arrears on each Interest Payment Date and on the Maturity Date and any date of redemption prior to the Maturity Date; provided, however, that in the event that principal of or interest payable on the Bonds is not paid when due, there shall be payable on the amount not timely paid, interest at the Default Rate, as more fully set forth in Section 6.8 hereof. The Indexing Agent will, promptly after each Rate Determination Date, notify the Trustee, the Borrower and the Controlling Person via electronic mail (with follow-up confirmation provided promptly to the Trustee in writing) of the applicable Bond Coupon Rate. The determination of the Bond Coupon Rate by the Indexing Agent, absent manifest error, shall be conclusive and binding on the Bondholders, the Borrower, the Controlling Person and the Trustee.

Section 3.4 Redemption of Bonds.

(a) Optional Redemption of Bonds. The Bonds are subject to optional redemption in whole but not in part, at the direction of the Borrower upon not less than forty-five (45) days written notice to the Trustee and the Controlling Person (which notice shall be

26460/024/01483820.DOCXv5

unconditional and irrevocable), in Authorized Denominations on any Interest Payment Date occurring on or after the First Optional Call Date, at a redemption price equal to 100% of the principal amount thereof, plus accrued interest thereon to, but not including, the redemption date.

(b) Mandatory Redemption of Bonds.

(i) *Surplus Fund.* The Bonds are subject to mandatory redemption from, and to the extent of, amounts on deposit in the Surplus Fund (subject to Section 4.4 hereof) on the first Interest Payment Date for which notice of redemption can be given in accordance with this Indenture, following the deposit of Surplus Bond Proceeds in the Surplus Fund at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus interest accrued thereon to, but not including, the redemption date.

(ii) *Insurance or Condemnation.* The Bonds are subject to mandatory redemption in whole or in part on the First Interest Payment Date for which notice of redemption can be given in accordance with this Indenture after and to the extent that Insurance Proceeds or a Condemnation Award in connection with the Project Facilities are deposited in the Project Fund and are not to be used to repair or restore the Project Facilities at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus interest accrued thereon to, but not including, the redemption date.

(iii) *Achievement of Stabilization.* The Bonds are subject to mandatory redemption in part on the first Interest Payment Date for which notice of redemption can be given in accordance with this Indenture, in the amount as specified by the Controlling Person to the Trustee necessary to cause the Project Facilities to meet the requirements of clause (ii) of the definition of "Stabilization" if the Project Facilities have not achieved Stabilization by the Stabilization Date at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus interest accrued thereon to, but not including, the redemption date.

(iv) *Extraordinary Events.* The Bonds are subject to extraordinary mandatory redemption in whole or in part, at the direction of the Controlling Person to the Trustee and the Borrower, at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus interest accrued thereon to, but not including, the redemption date, on the First Interest Payment Date for which notice of redemption can be given in accordance with this Indenture following receipt by the Trustee of the direction of the Controlling Person, within one hundred eighty (180) days of the occurrence of any of the following events:

(1) the Project Facilities shall have been damaged or destroyed to such an extent that in the reasonable judgment of the Controlling Person (A) it cannot reasonably be restored within a period of six (6) consecutive months to the condition thereof immediately preceding such damage or destruction and losses during such period not covered by insurance, (B) the Borrower is thereby prevented from carrying on its normal operations at the Project Facilities for a

period of six (6) consecutive months and losses during such period not covered by insurance, or (C) it would not be economically feasible for the Borrower to replace, repair, rebuild or restore the same;

(2) title in and to, or the temporary use of, all or substantially all of the Project Facilities shall have been taken under the exercise of the power of eminent domain by any Governmental Authority or any Person acting under Governmental Authority (including such a taking as, in the judgment of the Controlling Person, results in the Borrower being prevented thereby from carrying on its normal operations at the Project Facilities for a period of six (6) consecutive months) and losses during such period not covered by insurance;

(3) as a result of any changes in the Constitution of the State, or the Constitution of the United States or by legislative or administrative action (whether state or federal) or by final decree, judgment, decision or order of any court or administrative body (whether state or federal), any material provision of the Loan Agreement or the Bond Documents, in the judgment of the Controlling Person, shall have become void or unenforceable or impossible of performance in accordance with the intent and purpose of the parties as expressed therein;

(4) unreasonable burdens or excessive liabilities shall have been imposed on the Borrower with respect to the operations of the Project Facilities, including, without limitation federal, state or other ad valorem, property, income or other taxes not being imposed on the date of this Indenture that, in the judgment of the Controlling Person, would cause the Project Facilities not to be able to achieve Final Completion and Stabilization or able to pay debt service and operating expenses;

(5) changes which the Borrower cannot reasonably control or overcome in the economic availability of materials, supplies, labor, equipment and other properties and things necessary for the efficient operation of the Project Facilities for the purposes contemplated by the Loan Agreement shall have occurred or technological changes that the Borrower cannot reasonably overcome shall have occurred that, in the judgment of the Controlling Person, would cause the Project Facilities not to be able to achieve Final Completion and Stabilization or able to pay debt service and operating expenses;

(6) legal curtailment of the Borrower's use and occupancy of all or substantially all of the Project Facilities for any reason other than that set forth in (ii) above, which curtailment shall, in the judgment of the Controlling Person, prevent the Borrower from carrying on its normal operations at the Project Facilities for a period of six (6) consecutive months and losses during such period not covered by insurance; or

(7) the Loan Agreement is terminated prior to its expiration for any reason, including the occurrence of an Event of Default under the Loan Agreement.

(v) *Determination of Taxability.* The Bonds are subject to mandatory redemption in whole at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus interest accrued thereon to, but not including, the redemption date, on the First Interest Payment Date for which notice of redemption can be given in accordance with this Indenture within forty-five (45) days after the occurrence of a Determination of Taxability; provided, however, if mandatory redemption on account of a Determination of Taxability of less than all the Bonds would result, in the opinion of Bond Counsel, in the interest on the Bonds Outstanding following such mandatory redemption being excludable from the gross income of the Holders of such Bonds Outstanding, then the Bonds are subject to mandatory redemption upon the occurrence of a Determination of Taxability in the amount specified in such opinion, provided that such redemption must be in an Authorized Denomination.

(vi) *First Put Date.* The Bonds are subject to mandatory redemption in whole on any Interest Payment Date specified by the Controlling Person on or after the First Put Date, if the Controlling Person directs redemption by providing notice to the Borrower, the Trustee and the Issuer at least one hundred eighty (180) days prior to the Interest Payment Date specified in such notice on which the Bonds are to be redeemed at a redemption price equal to 100% of the principal amount thereof plus interest accrued thereon to, but not including, the redemption date. The direction of the Controlling Person to redeem the Bonds shall be irrevocable and shall be binding on the Holders of all of the Bonds and on any transferee(s) of such Holders.

(vii) *Special Redemption.* The Bonds are subject to mandatory redemption in part on any Interest Payment Date specified by the Controlling Person following Final Completion but not later than the Stabilization Date in the principal amount of [\$_____] at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed without premium or penalty plus interest accrued thereon to, but not including, the redemption date.

(c) Mandatory Sinking Fund Redemption. The Bonds are subject to mandatory sinking fund redemption in part on each Principal Payment Date, from amounts paid by the Borrower to the Trustee for deposit into the Redemption Fund pursuant to Sections 2.3(d) and 8.3 of the Loan Agreement (in the amount set forth on Schedule 3 of the Loan Agreement), at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus interest accrued thereon to, but not including, the redemption date.

(d) Selection of Bonds to be Redeemed. If less than all the Outstanding Bonds shall be called for redemption, the Trustee or, if the Bonds are held in the Book-Entry System, the Securities Depository shall select or arrange for the selection of Bonds to be redeemed by lot or otherwise in accordance with the procedures of the Securities Depository pursuant to its rules and procedures, in Authorized Denominations, provided that any Bond or portion thereof

remaining Outstanding shall be in an Authorized Denomination. If the Bonds are held in the Book-Entry System, the Securities Depository shall, acting pursuant to its rules and procedures, reflect in said system the partial redemption and the Trustee shall either (i) exchange the Bond or Bonds held by the Securities Depository for a new Bond or Bonds in the appropriate principal amount, if such Bond is presented to the Trustee by the Securities Depository, or (ii) obtain from the Securities Depository a written confirmation of the reduction in the principal amount of the Bonds held by such Securities Depository.

(e) Partial Redemption of Bonds; Reamortization. In case part but not all of a Bond shall be selected for redemption, upon presentation and surrender at the operations office of the Trustee of such Bond by the Holder thereof or his attorney duly authorized in writing (with due endorsement for transfer or accompanied by written instrument of transfer in form satisfactory to the Trustee), the Issuer shall execute and the Trustee shall authenticate and deliver to or upon the order of such Holder, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered, a Bond or Bonds, at the option of such Holder, of any Authorized Denomination of like tenor, or if less than the minimum Authorized Denomination, an amount necessary to equal the unredeemed portion of the principal amount of the Bond; provided, however, such surrender of Bonds shall not be required for payment of the redemption price pursuant to Section 3.4(d) hereof. For all purposes of this Indenture (including exchange and transfer), the Bond so issued in less than a minimum Authorized Denomination shall be deemed to have been issued in an Authorized Denomination. Bonds so presented and surrendered shall be canceled in accordance with this Indenture. In the event of a partial redemption of Bonds other than pursuant to Section 3.4(d) hereof, the mandatory sinking fund schedule set forth on Schedule 3 of the Loan Agreement shall be adjusted to provide for level debt service in respect of the Bonds remaining Outstanding after such partial redemption, on the basis of the number of months remaining in the original 480-month amortization schedule. The Controlling Person shall provide the Trustee and the Borrower with a new Schedule 3 reflecting such adjustment promptly following any such partial redemption.

(f) Redemption Price. Other than as described in Section 6.8 hereof, any redemption of Bonds shall be at a redemption price equal to 100% of the principal amount of Bonds to be redeemed plus interest accrued thereon to, but not including, the redemption date, without premium, penalty or charge.

(g) Right of Borrower to Purchase Bonds. Subject to delivery of a Favorable Opinion of Bond Counsel, provided that such opinion shall not be required if the Bonds are held by a Substantial User or Related Person to a Substantial User, the Borrower shall have the option, by written notice to the Trustee and the Controlling Person given not less than five (5) Business Days (forty-five (45) days in case of a redemption pursuant to Section 3.4(c)(vi) hereof) in advance of such redemption date, to purchase the Bonds in lieu of redemption on the redemption date. The purchase price of the Bonds so purchased in lieu of redemption shall be equal to the redemption price thereof, and shall be payable on the redemption date. Bonds so

purchased in lieu of redemption shall be registered to or according to the direction of the Borrower.

Notwithstanding anything to the contrary within this Indenture or the Loan Agreement, the Borrower (and any "related party" to the Borrower as defined in Section 1.150-1(b) of the U.S. Treasury Regulations and Section 144(a)(3) of the Code) and the Issuer (and any "related party" to the Issuer as defined in Sections 1.150-1(b) and 1.150-1(e) of the U.S. Treasury Regulations) shall not be permitted to purchase the Bonds in an amount related to the amount of the Note or the Loan.

Section 3.5 Notice of Redemption. Notice of redemption shall be mailed by the Trustee by first-class mail, postage prepaid, at least thirty (30) days before the redemption date to each Holder of the Bonds to be redeemed in whole or in part at his/her last address appearing on the Register, with a copy to the Controlling Person, but no defect in or failure to give such notice of redemption to any person shall affect the validity of the redemption as to any other person; provided, however, that no notice of redemption shall be required for mandatory sinking fund redemption pursuant to Section 3.4(d) hereof. All Bonds properly called for redemption and for which monies for payment of the redemption price are held by the Trustee will cease to bear interest on the date fixed for redemption, and, thereafter, the Holders of such Bonds called for redemption shall have no rights in respect thereof except to receive payment of the redemption price from the Trustee and a new Bond for any portion not redeemed. Notwithstanding the foregoing, with respect to any Bonds held under the Book Entry System, notices of redemption shall be provided in accordance with the rules and procedures for giving notice established by the Securities Depository, as more fully described in Section 2.11 hereof.

Section 3.6 Payments Due on Non-Business Days. In any case where the date of maturity of, interest on or premium, if any, or principal of the Bonds or the date fixed for redemption of any Bonds shall not be a Business Day, then payment of such interest, premium or principal need not be made on such date but shall be made on the next succeeding Business Day, with the same force and effect as if made on the date of maturity or the date fixed for redemption, and, in the case of such payment, no interest shall accrue for the period from and after such date.

In the event there is a determination pursuant to the Bond Documents not to restore the Project Facilities, such Condemnation Award or Insurance Proceeds shall be either (i) transferred to the Bond Fund and applied to the redemption of Bonds in accordance with Section 3.4 hereof or (ii) released to the Borrower if the Borrower obtains an Opinion of Bond Counsel that such release will not affect the excludability of the interest on the Bonds from gross income for federal income tax purposes, all in accordance with direction of the Controlling Person to the Trustee and subject to the provisions of the Bond Documents.

(f) The Trustee shall transfer moneys between Accounts as directed in writing by the Controlling Person and consented to by the Borrower, provided that no consent shall be required following the occurrence and during the continuance of a Default or Event of Default hereunder. Upon the occurrence and continuation of an Event of Default hereunder, all money and investments in the Project Fund may be disbursed at the direction of the Controlling Person to pay any costs and expenses of the Project Facilities, to pay costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under the Bond Documents, in whatever amounts and whatever order the Controlling Person may determine. Notwithstanding anything to the contrary herein, if the remaining amount in any Fund or Account is less than \$1,000, the Trustee shall, at the direction of the Controlling Person, transfer such remaining amounts to the Bond Fund to pay interest and principal on the Bonds.

(g) The Trustee shall deposit all net swap payments received from the Swap Counterparty under the Swap Agreement into the Swap Payment Account and transfer any such net swap payments to the Bond Fund to make payments of interest on the Bonds. The Trustee shall deposit all net swap payments received from the Borrower under the Swap Agreement into the Swap Payment Account and will transfer any such net swap payments to the Swap Counterparty on behalf of the Borrower as provided in written instructions from the Swap Counterparty. Any net swap payments received from the Swap Counterparty and transferred to the Bond Fund to make payments of interest on the Bonds shall be credited against Borrower's obligations under the Note.

Section 4.4 Surplus Fund. The Surplus Fund shall receive all Surplus Bond Proceeds transferred thereto in accordance with the provisions of this Indenture. The deposit of Surplus Bond Proceeds in the Surplus Fund shall be, and shall be deemed to be, a joint direction by the Borrower and the Controlling Person to the Trustee to redeem the greatest principal amount of

26460/024/01483820.DOCXv5

the Bonds possible to be redeemed from such deposit pursuant to Section 3.4(c)(i) hereof on the earliest redemption date on which the Bonds may be redeemed, and on such redemption date (or, if such day is not a Business Day, the immediately preceding Business Day) an amount equal to the principal amount of Bonds to be redeemed plus interest accrued thereon to the redemption date shall be transferred from the Surplus Fund to the Bond Fund and used for such redemption. After such transfer, if and to the extent that there are moneys remaining in the Surplus Fund, such moneys in the Surplus Fund shall be transferred to the Bond Fund and shall be used for payment of interest on or principal of the Bonds.

Section 4.5 Reserved.

Section 4.6 Use of Certain Additional Funds and Accounts.

(a) Redemption Fund.

(i) There shall be deposited in the Redemption Fund (a) all payments specified in Section 8.3 of the Loan Agreement to be deposited in the Redemption Fund, and (b) all other moneys received by the Trustee under the Loan Agreement or this Indenture for deposit by it in the Redemption Fund. Moneys in the Redemption Fund shall be held in trust for the Holders and, except as otherwise expressly provided herein, shall be used solely for the redemption of Bonds pursuant to Section 3.4 hereof. On each Principal Payment Date or redemption date and as otherwise required hereunder or at the written direction of the Controlling Person, the Trustee shall transfer such amounts from the Redemption Fund to the Bond Fund and call and redeem Bonds as provided in Section 3.4 hereof. After payment in full of the Bonds, or provision for the payment of the Bonds having been made pursuant to Section 5.2 hereof, and the payment of any amounts owing to the United States pursuant to any rebate requirement and any other amounts owing hereunder and under the Loan Agreement, any amounts remaining in the Redemption Fund shall be paid to the Borrower as soon as practicable.

(ii) Upon the occurrence and continuation of an Event of Default hereunder, all money and investments in the Redemption Fund may be disbursed at the direction of the Controlling Person to pay any costs and expenses of the Project Facilities, to pay costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under any of the Bond Documents, in whatever amounts and in whatever order the Controlling Person may determine.

(b) Tax and Insurance Escrow Fund. There shall be deposited in the Tax and Insurance Escrow Fund all moneys received for such purpose by the Trustee from the Borrower pursuant to Section 8.2 of the Loan Agreement. Moneys in the Tax and Insurance Escrow Fund shall be applied to payment of Impositions and insurance premiums at the direction of the Borrower, subject to the prior written consent of the Controlling Person and prior written notice to the Issuer Servicer; provided, however, that upon the occurrence and continuation of an Event of Default hereunder, all money and investments held in the Tax and Insurance Escrow Fund may be disbursed at the direction of the Controlling Person to pay costs and expenses of the

Project Facilities, to pay costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under any of the Bond Documents, in whatever amounts and in whatever order the Controlling Person may determine. The Trustee shall provide the Issuer Servicer with monthly statements evidencing balances and withdrawals from the Tax and Insurance Escrow Fund. Upon the payment in full of the Bonds and the fees, costs and expenses of the Issuer, the Issuer Servicer and the Trustee, or provision for the payment of the Bonds having been made pursuant to Section 5.2 hereof, and upon payment of amounts payable to the United States pursuant to any rebate requirement and any other amounts owing hereunder and under the Loan Agreement, any amounts remaining in the Tax and Insurance Escrow Fund shall be paid to the Borrower as soon as practicable.

(c) Rebate Fund. The Issuer recognizes that investment of the proceeds of the Bonds will be at the written direction of the Borrower but agrees that it will commit no act, or omit any action, that would cause the Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code and the applicable regulations thereunder. There is hereby established with the Trustee a Rebate Fund. Any provisions in this Indenture to the contrary notwithstanding, amounts credited to the Rebate Fund shall be free and clear of any lien hereunder. The Issuer and the Trustee will observe the covenants contained in the Tax Certificate as if fully set forth herein.

(d) Replacement Reserve Fund. There shall be deposited in the Replacement Reserve Fund all moneys received for such purpose by the Trustee from the Borrower pursuant to the Replacement Reserve Agreement. Moneys in the Replacement Reserve Fund shall be disbursed by the Trustee upon receipt of a written request therefor executed by the Borrower and approved in writing by the Controlling Person (such approval not to be reasonably withheld, conditioned or delayed) and prior written notice to the Issuer Servicer, in accordance with the terms of the Replacement Reserve Agreement; provided that, upon the occurrence and continuation of an Event of Default hereunder, all moneys and investments in the Replacement Reserve Fund (other than moneys held to pay costs required to be paid but not yet payable) may be disbursed at the direction of the Controlling Person to pay any costs and expenses of the Project Facilities, to pay costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under the Bond Documents, in whatever amounts and whatever order the Controlling Person may determine. The Trustee shall provide the Issuer Servicer with monthly statements evidencing balances and withdrawals from the Replacement Reserve Fund. Upon the payment in full of the Bonds, or provision for the payment of the Bonds having been made pursuant to Section 5.2 hereof, upon payment of amounts payable to the United States pursuant to any rebate requirement and any other amounts owing hereunder and under the Loan Agreement, any amounts remaining in the Replacement Reserve Fund shall be paid to the Borrower as soon as practicable.

(e) Operating Reserve Fund. There shall be deposited in the Operating Reserve Fund all moneys received for such purpose pursuant to Section 8.4 of the Loan Agreement. Funds shall be disbursed from the Operating Reserve Fund, at the request of the

Borrower, but only with the Controlling Person's and the Investor Limited Partner's written consent, to fund any debt-service payments, operating deficits or expenses of the Borrower or for any other operating or capital needs of the Project Facilities. Upon receipt by the Trustee from the Borrower of a written request together with the written approval of the Controlling Person, which approval shall not be unreasonably withheld or delayed, the Trustee shall disburse funds from the Operating Reserve Fund in accordance with such written request. Upon the occurrence and continuation of an Event of Default all moneys and investments in the Operating Reserve Fund may be disbursed at the direction of the Controlling Person to pay any costs and expenses of the Project Facilities, to pay any costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under the Bond Documents, in whatever amounts and whatever order the Controlling Person may determine. Interest earnings on amounts held in the Operating Reserve Fund shall be released not more frequently than annually to the Borrower upon its written request and with the prior written consent of the Controlling Person. Upon payment in full of the Bonds, or provision for the payment of the Bonds having been made pursuant to Section 5.2 hereof, and upon payment of amounts payable to the U.S. Treasury pursuant to any rebate requirement and any other amounts owing hereunder and under the Loan Agreement, any amounts remaining in the Operating Reserve Fund shall be paid to the Borrower as soon as practicable.

(f) Expense Fund. The Trustee shall deposit amounts received from the Borrower for the purpose of paying Trustee's Fees, the Issuer Fee, the Issuer Servicer Fee and any other fees, costs or expenses required under the Loan Agreement into the Expense Fund. The Trustee shall pay such amounts to the proper persons on the dates and in the amounts due. Amounts on deposit in the Expense Fund shall be withdrawn or maintained, as appropriate by the Trustee to pay (i) to or at the direction of, the Issuer, the Issuer Fee and the Issuer Servicer Fee, (ii) to the Trustee, the Trustee's Fee, (iii) upon receipt, to the Trustee, any amounts due to the Trustee which have not been paid, other than amounts paid in accordance with clause (ii) hereof, and (iv) upon receipt, to, or at the direction of, the Issuer, the Issuer Fee or the Issuer Servicer Fee due and unpaid, other than amounts paid in accordance with clause (i) above. Moneys held in the Expense Fund are not held for the benefit of the Owners and are not part of the Security.

(g) Subordinate Debt Proceeds Account. The Trustee shall deposit amounts received from the Borrower from the Subordinate Debt into the Subordinate Debt Proceeds Account. The Trustee is hereby authorized and directed to use moneys in the Subordinate Debt Proceeds Account for payment or reimbursement to the Borrower upon the receipt of a fully executed Requisition approved in writing by the Controlling Person and the Issuer Servicer in accordance with the provisions of the Loan Agreement and the Construction Loan and Mortgage Servicing Agreement.

Section 4.7 Records.

(a) The Trustee shall cause to be kept and maintained records pertaining to all funds and accounts maintained by the Trustee hereunder and all disbursements therefrom

26460/024/01483820.DOCxv5

and shall periodically deliver to the Borrower, with a copy to Controlling Person, monthly statements of activity and statements indicating the investments made with moneys in all such funds during the applicable period. Upon written request, the Trustee shall provide the Borrower and the Controlling Person, within a reasonable period of time, with a report stating the principal amount of Bonds Outstanding and a list of the registered owners of the Bonds as of the date specified by the Borrower or the Controlling Person in its request.

(b) The Trustee shall provide the Borrower and the Controlling Person with a written report, on a monthly basis through the calendar month in which the last obligation of the Bonds is retired, identifying the Permitted Investments in which the moneys held as part of the Accounts were invested during the preceding period and the dates of such investments, together with such other information as the Trustee ordinarily provides to Persons such as the Borrower and the Controlling Person in its regular monthly investment reports.

Section 4.8 Investment of Funds. Subject to the provisions of Section 4.9 and Article V hereof, all moneys held hereunder shall be invested and reinvested in Permitted Investments as instructed in writing by the Borrower (with the prior written consent of the Controlling Person provided to the Trustee); provided, however, that any moneys held by the Trustee to pay the principal of or interest that has become payable with respect to the Bonds shall not be invested. All Permitted Investments shall be held in the name of Trustee, as Trustee under this Indenture, and by or under the control of the Trustee, and investment earnings shall be deemed at all times to be a part of the fund and account which was used to purchase the same. The Trustee may act as principal or agent in the making or disposing of any investment and may make any and all such investments through its own bond or investment department or the bond or investment department of any trust company under common control with the Trustee and may charge its ordinary and customary fees for such trades, including cash sweep account fees. Ratings of investments, for the purposes of determining whether such investments constitute Permitted Investments, shall be determined at the time of purchase of such investments and without regard to ratings subcategories. Although the Issuer and the Borrower each recognizes that it may obtain a broker confirmation or written statement containing comparable information at no additional cost, the Issuer and the Borrower hereby agree that confirmations of Permitted Investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month. All Permitted Investments shall be deemed at all times to be a part of the fund or account which was the source of the moneys used to acquire such investments and any interest accruing thereon, and any profit realized from Permitted Investments shall be credited to the respective fund or account, and any loss resulting from Permitted Investments shall be similarly charged. The Trustee is authorized to cause to be sold and reduced to cash a sufficient amount of Permitted Investments whenever the cash balance in any fund or account hereunder is or will be insufficient to make a requested or required disbursement. The Trustee shall not be responsible for any depreciation in the value of any Permitted Investment or for any loss resulting from such sale, so long as the Trustee performs its obligations hereunder in accordance with the terms of this Indenture. The Trustee shall be entitled to rely on the

investment direction of the Issuer or Borrower as to both the suitability and legality of the directed investments. Absent specific, written instructions from the Borrower approved by the Controlling Person to invest cash balances in Permitted Investments hereunder, the Trustee shall not be responsible or liable for keeping the moneys held by it hereunder fully invested in Permitted Investments.

Section 4.9 Yield Restriction. Funds representing proceeds of the Bonds in (a) the Project Fund (other than the Capitalized Interest Account therein) remaining on the third anniversary of the Issue Date and (b) the Bond Fund, the Redemption Fund and the Capitalized Interest Account which do not qualify as a bona fide debt service fund, in excess of \$100,000, the allowable minor portion, will not be invested at an overall yield in excess of the yield on the Bonds, which has been computed to be not greater than ____% per annum, unless the Borrower, the Trustee, the Controlling Person and the Majority Owner receive an Opinion of Bond Counsel that the investment of such funds at an overall yield in excess of such amount does not adversely affect the excludability of interest on the Bonds by the Holders thereof for federal income tax purposes.

Section 4.10 Guaranties. Any amounts realized by the Trustee under the Guaranty of Completion, the Guaranty of Debt Service and Stabilization, the Guaranty of Recourse Obligations, the Environmental Indemnity, the Swap Agreement or the Issuer Guaranties shall be used or applied or invested by the Issuer or the Trustee as directed in writing by the Issuer or the Controlling Person, as applicable.

ARTICLE V DISCHARGE OF LIEN

Section 5.1 Discharge of Lien and Security Interest. Upon payment in full of all of the Bonds and all other amounts payable under the Loan Agreement and other Bond Documents, these presents and the Security Interests shall cease, determine and be discharged, and thereupon the Trustee shall, upon receipt by the Trustee of a no-adverse-effect opinion of Counsel and an opinion of Counsel stating that all conditions precedent to the satisfaction and discharge of this Indenture have been complied with, (a) cancel and discharge this Indenture and the Security Interests; (b) execute and deliver to the Issuer and the Borrower, at the Borrower's expense, such instruments in writing as shall be required to cancel and discharge this Indenture and the Security Interests and reconvey to the Issuer and the Borrower the Security and assign and deliver to the Issuer and the Borrower so much of the Security as may be in its possession or subject to its control, except for moneys and Government Obligations held in the Bond Fund for the purpose of paying Bonds; and (c) mark as cancelled the Note and satisfy, discharge and release the Mortgage; provided, however, that the cancellation and discharge of this Indenture pursuant to this Section 5.1 shall not terminate the powers and rights granted to the Trustee with respect to the payment, registration of transfer and exchange of the Bonds; provided, further, that the rights of the Issuer and the Trustee to indemnify, non-liability and payment of all reasonable fees, costs and expenses shall survive the cancellation and discharge of this Indenture pursuant to this Section 5.1.

26460/024/01483820.DOCXv5

Section 5.2 Defeasance.

(a) Bonds shall be deemed to have been paid within the meaning of Section 5.1 hereof if:

(i) there shall have been irrevocably deposited in the Bond Fund sufficient money or Government Obligations of such maturities and interest payment dates and bearing such interest as will, in the opinion of a nationally recognized firm of certified public accountants, without further investment or reinvestment of either the principal amount thereof or the interest earnings thereon (said earnings also to be held in trust), be sufficient for the payment at their respective maturities or redemption dates prior to maturity of the principal of the Bonds not later than the earliest redemption date possible under Section 3.4 (and any earlier partial redemption date required herein) and interest to accrue thereon, and redemption premium, if any, through such maturity or redemption dates, as the case may be;

(ii) there shall have been paid or provision duly made for the payment of all fees, costs and expenses of the Issuer and the Trustee, due or to become due; and

(iii) if any Bonds are to be redeemed on any date prior to their maturity, the Trustee shall have received in form satisfactory to it irrevocable instructions from the Borrower to redeem such Bonds on such date and either evidence satisfactory to the Trustee that all redemption notices required by this Indenture have been given or irrevocable power authorizing the Trustee to give such redemption notices has been granted to the Trustee.

(b) Limitations set forth elsewhere herein regarding the investment of moneys held by the Trustee in the Bond Fund shall not be construed to prevent the depositing and holding in the Bond Fund of the Government Obligations described in this Section 5.2 for the purpose of defeasing the lien of this Indenture as to Bonds which have not yet become due and payable. Notwithstanding any other provision of this Indenture to the contrary (but subject to Section 5.2(a)(i) hereof), all funds deposited with the Trustee as provided in this Section may be invested and reinvested, at the direction of the Borrower, in Government Obligations (or in a money market fund that invests solely in Government Obligations and is rated no lower than the second highest category by one of Fitch, Moody's or S&P and, if more than one of such rating agencies then rates such money market fund, is rated no less than the second highest rating category by each of such rating agencies then rating such money market fund) maturing in the amounts and times as hereinbefore set forth, and all income from all Government Obligations (or money market fund) in the hands of the Trustee pursuant to this Section which is not required for the payment of the Bonds and interest and redemption premium, if any, thereon with respect to which such moneys shall have been so deposited shall be deposited in the Bond Fund as and when realized and collected for use and application as are other moneys deposited in the Bond Fund.

Section 5.3 Discharge of this Indenture. Notwithstanding the fact that the lien of this Indenture upon the Security may have been discharged and cancelled in accordance with Section

5.1 hereof, this Indenture and the rights granted and duties imposed hereby, to the extent not inconsistent with the fact that the lien upon the Security may have been discharged and cancelled, shall nevertheless continue and subsist after payment in full of the Bonds or the deemed payment in full of the Bonds in accordance with Section 5.2 hereof until the Trustee shall have returned to the Borrower all funds held by the Trustee which the Borrower is entitled to receive pursuant to this Indenture after all Bonds have been paid at maturity or redeemed on the date set for redemption. Upon payment in full or defeasance of the Bonds, payment of amounts payable to the United States pursuant to any rebate requirement and payment of all other amounts owing hereunder and under the Loan Agreement, all remaining amounts held by the Trustee shall be paid to the Borrower. If the Swap Agreement remains outstanding following discharge of this Indenture, the Trustee shall at the written request of the Swap Counterparty, execute such assignment, agreement or other documents reasonably necessary to assign the Mortgage, the Environmental Indemnity and the Guaranty of Recourse Obligations to the Swap Counterparty.

ARTICLE VI

DEFAULT PROVISIONS AND REMEDIES

Section 6.1 **Events of Default.** Any one of the following shall constitute an Event of Default hereunder:

- (a) Failure to pay interest on any Bond when and as the same shall have become due;
- (b) Failure to pay the principal of or any premium on any Bond when and as the same shall become due, whether at the stated maturity or redemption date thereof or by acceleration;
- (c) Failure to observe or perform any other of the covenants, agreements or conditions on the part of the Issuer included in this Indenture or in the Bonds and the continuance thereof for a period of thirty (30) days after written notice to the Issuer and the Borrower (with a copy to the Investor Limited Partner) has been given by the Controlling Person, the Majority Owner (with a copy to the Trustee) or the Trustee; or
- (d) The occurrence and continuance of an Event of Default under the Loan Agreement or the failure by the Borrower to perform or comply with any of the other terms or conditions contained in any other Bond Documents to which the Borrower is a party and continuation of such failure beyond the expiration of any notice, grace or cure period provided in the Loan Agreement or the Bond Documents (as applicable).

Section 6.2 **Acceleration.**

- (a) Upon the direction of the Controlling Person after an Event of Default has occurred, the Trustee shall immediately, by notice in writing sent to the Issuer, the Borrower, the Majority Owner, the Investor Limited Partner and the Controlling Person, declare the principal

of all Bonds then Outstanding (if not then due and payable) and the interest accrued thereon to be due and payable immediately, and, upon said declaration, such principal and interest shall become and be immediately due and payable. Upon any declaration of acceleration hereunder, the Trustee shall immediately exercise such rights as it may have under the Loan Agreement and the Note to declare all Repayments to be immediately due and payable. In such event, there shall be due and payable on the Bonds an amount equal to the total principal amount of all such Bonds, plus all interest accrued thereon (including Default Interest, if any) and which will accrue thereon to the date of payment and all unpaid interest on the Bonds on the date of payment, and the acceleration premium described in Section 6.8 hereof (if applicable). The Investor Limited Partner shall have the right, but not the obligation to cure any Event of Default of the Borrower under the Bond Documents within the same applicable cure periods as the Borrower and such cure shall be accepted or rejected as if made or tendered by the Borrower.

(b) Immediately following any such declaration of acceleration, the Trustee shall cause to be mailed notice of such declaration by first-class mail, postage prepaid, to each Holder of a Bond at his/her last address appearing on the Register. Any defect in or failure to give such notice of such declaration shall not affect the validity of such declaration.

Section 6.3 Other Remedies; Rights of Holders.

(a) Upon the happening and continuance of an Event of Default hereunder, the Trustee may, with the prior written consent of the Controlling Person, and shall upon the direction of the Controlling Person, with or without taking action under Section 6.2 hereof, pursue any available remedy to enforce the performance of or compliance with any Bond Documents.

(b) No remedy by the terms of this Indenture conferred upon or reserved to the Trustee, the Controlling Person, the Majority Owner or the Holders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee, the Majority Owner, the Controlling Person or to the Holders hereunder or now or hereafter existing.

(c) No delay or omission to exercise any right or power accruing upon any Default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

(d) No waiver of any Default or Event of Default hereunder, whether by the Trustee or by the Holders, shall extend to or shall affect any subsequent Default or Event of Default or shall impair any rights or remedies consequent thereon.

(e) The Trustee, as the assignee of substantially all right, title and interest of the Issuer in and to the Loan Agreement and the Note, shall be empowered to enforce each and

every right granted to the Issuer under the Loan Agreement and the Note other than Reserved Rights.

(f) Notwithstanding anything contained herein or in the Mortgage to the contrary, upon the occurrence and continuance of an Event of Default, the Trustee will not be required to foreclose if doing so will subject it to environmental liability for which it is not adequately indemnified, or will require the approval of a governmental regulator that cannot be obtained, and before taking any foreclosure action or any action which may subject the Trustee to liability under any Environmental Laws, the Trustee may require that a satisfactory indemnity bond, indemnity or environmental impairment insurance be furnished for the payment or reimbursement of all expenses to which it may be put and to protect it against all liability resulting from any claims, judgments, damages, losses, penalties, fines, liabilities (including strict liability) and expenses which may result from such foreclosure or other action.

Section 6.4 Right of Controlling Person to Direct Proceedings.

(a) Anything in this Indenture to the contrary notwithstanding, the Controlling Person shall have the right at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or any other proceedings hereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

(b) No Holder shall have the right to institute any proceeding for the enforcement of this Indenture unless (1) such Holder has given the Trustee and the Borrower and the Investor Limited Partner written notice of an Event of Default, (2) the Controlling Person shall have requested the Trustee in writing to institute such proceeding, (3) the Trustee shall have been afforded a reasonable opportunity to exercise its powers or to institute such proceeding, (4) there shall have been offered to the Trustee indemnity satisfactory to it against the cost, expense and liability to be incurred in connection with such request and (5) the Trustee shall have thereafter failed or refused to exercise such powers or to institute such proceeding within sixty (60) days after receipt of notice with no inconsistent direction given during such sixty (60) days by the Holders of a majority in aggregate principal amount of the Bonds then Outstanding. Nothing in this Indenture shall affect or impair any right of enforcement conferred on any Holder by the Act or otherwise to enforce (i) the payment of the principal of, acceleration premium, if any, and interest on Bonds at and after the maturity thereof, or (ii) the obligation of the Issuer to pay the principal of, acceleration premium, if any, and interest on Bonds to such Holder at the time, place, from the sources and in the manner as provided in this Indenture.

Section 6.5 Discontinuance of Default Proceedings. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver or otherwise and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely, then and in every such case the Issuer and the Trustee shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of

the Issuer and the Trustee shall continue as if no such proceedings had been taken subject to the limits of any adverse determination.

Section 6.6 Waiver. The Trustee, with the consent of the Controlling Person may, and shall upon the written direction of the Controlling Person, waive any Default or Event of Default hereunder and its consequences and rescind any declaration of acceleration of maturity of principal; provided, however, that there shall be no such waiver or rescission unless all principal of, acceleration premium, if any, and interest on the Bonds in arrears, together with interest thereon (to the extent permitted by law) at the applicable rate of interest borne by the Bonds and all fees, costs and expenses of the Trustee and the Issuer shall have been paid or provided for.

Section 6.7 Application of Moneys. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall be deposited in the Bond Fund and, after payment (out of moneys derived from a source other than moneys held for the redemption of Bonds) of (i) the cost and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee, including reasonable attorneys' fees, and all other outstanding fees, costs and expenses of the Trustee and (ii) any sums due to the Issuer under the Loan Agreement (other than Repayments), such moneys shall be applied in the order set forth below:

(a) Unless the principal of all Bonds shall have become or been declared due and payable, all such moneys shall be applied:

First: To the payment of all installments of interest then due on the Bonds in order of priority first to installments past due for the greatest period and, if the amount available shall not be sufficient to pay in full any particular installment, then to the ratable payment of the amounts due on such installment;

Second: To the payment of the unpaid principal of and acceleration premium, if any, of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), with interest on such Bonds from the respective dates upon which they became due (at the rate borne by the Bonds, to the extent permitted by law) and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such acceleration premium, then to the ratable payment of the amounts due on such date;

Third: To the payment of all amounts owed under the Swap Agreement;

Fourth: To the payment of the amounts required to reimburse the Issuer and the Owners of the Bonds for any legal or other out-of-pocket costs incurred by them in connection with exercising their remedies hereunder; and

Fifth: The balance shall be paid to the Borrower (subject to any required deposits to the Rebate Fund).

(b) If the principal of all the Bonds shall have become or been declared due and payable, then all such moneys shall be applied to the payment of the principal, acceleration premium, if any, and interest then due and unpaid upon the Bonds, without preference or priority as between principal, premium, interest, installments of interest or Bonds, ratably according to the amounts due respectively for principal, premium and interest to the persons entitled thereto.

(c) If the principal on all Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded under this Article, then, subject to subsection (b) of this Section in the event that the principal of all the Bonds shall again become or be declared due and payable, the moneys shall be applied in accordance with subsection (a) of this Section.

(d) Notwithstanding anything contained herein to the contrary, the Controlling Person may, with express written consent of the Majority Owner, by written notice to the Trustee direct the application of funds other than in the manner set forth in Section 6.7(a) above, including, without limitation, the application of funds between the principal or acceleration premium of or interest on the Bonds.

(e) Whenever moneys are to be applied pursuant to this Section, the Trustee shall fix the date, which shall be not more than seven (7) calendar days after such acceleration, upon which such application is to be made, and upon such date interest on the principal amount of Bonds to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date.

Section 6.8 Default Interest and Acceleration Premium. In the event that principal or interest payable on the Bonds is not paid when due, there shall be payable on the amount not timely paid interest at the Default Rate, to the extent permitted by law. This interest shall accrue at the Default Rate until the unpaid amount, together with interest thereon, shall have been paid in full. In the event there shall have occurred an acceleration of the Bonds or the Borrower's obligations under the Loan Agreement following an Event of Default on or before the First Optional Call Date, any tender of payment of any amount necessary to pay the Bonds in full shall include the acceleration premium set forth in Section 2.3(c) of the Loan Agreement.

ARTICLE VII THE TRUSTEE

Section 7.1 Appointment of Trustee. The Trustee is hereby appointed and does hereby agree to act in such capacity, and to perform the duties of the Trustee under this Indenture, but only upon and subject to the following express terms and conditions (and no implied covenants or other obligations shall be read into this Indenture against the Trustee):

(a) The Trustee may execute any of its trusts or powers hereunder and perform any of its duties either directly or by or through attorneys, agents, custodians, nominees, receivers or employees appointed with due care. The Trustee shall be entitled to advice of Counsel concerning all matters hereunder, and the advice of such Counsel or any opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by the Trustee hereunder in good faith and in reliance thereon. The Trustee may in all cases pay such reasonable compensation to all such attorneys, agents, custodians, nominees, receivers and employees. The Trustee may act upon the opinion or advice of Counsel, accountants, engineers or surveyors selected by it in the exercise of reasonable care or, if the same are selected by the Issuer, approved by the Trustee in the exercise of reasonable care. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) Except as provided in Section 7.8 hereof, the Trustee shall not be responsible for any recital herein or in the Bonds, or for the recording, re-recording, filing or re-filing of this Indenture, of any Financing Statements or continuation statements, or for insuring the Security or the Project Facilities, except as instructed by the Controlling Person, or collecting any insurance moneys, or for the validity of this Indenture or of any supplements hereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value of or title to the Project Facilities or otherwise as to the maintenance of the Security. The Trustee shall not be liable to the Borrower, any Holder, any Beneficial Owner or any other Person for any loss suffered in connection with any investment of funds made by it in accordance with Section 4.8 or Article V hereof as instructed by the Borrower in accordance with the provisions of this Indenture, and with the prior written consent of the Controlling Person, as applicable. The Trustee shall have no duty or responsibility with respect to any information, statements or recital in any preliminary or final placement memorandum, offering memorandum, official statement, offering circular or similar disclosure material prepared or distributed with respect to the Bonds (except for information expressly provided by the Trustee concerning itself for inclusion therein) and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds. If any Bond Document requires that a party deliver financial statements to the Trustee, the Trustee shall have no duty or obligation to review such statements, shall not be considered to have notice of the content of such statements or any Default or Event of Default based on such content and shall have no duty to verify the accuracy of such statements.

(c) The Trustee shall not be accountable (x) for the use of any Bonds authenticated or delivered hereunder after such Bonds shall have been delivered in accordance with instructions of the Issuer, (y) for the use or application by the Borrower of the proceeds of the Bonds advanced to the Borrower as provided in the Loan Agreement in accordance with the provisions of this Indenture or (z) for the use and application of money received by any paying agent. The Trustee may become the owner of Bonds secured hereby with the same rights as any other Holder.

(d) The Trustee shall be protected in acting upon opinions of Counsel and upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any notices, directions, consents, approvals or requests provided to the Trustee pursuant to the terms of this Indenture or any of the Bond Documents shall not be effective until provided in writing. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any Person who at the time of making such request or giving such authority or consent is the Holder of any Bond shall be conclusive and binding upon all future Holders of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(e) The permissive right of the Trustee to do things enumerated in this Indenture or the Loan Agreement shall not be construed as duties. The Trustee shall only be responsible for the performance of the duties expressly set forth herein and shall not be answerable therefor other than to the extent of its gross negligence, bad faith or willful misconduct in the performance of those express duties.

(f) The Trustee shall not be personally liable for any debts contracted or for damages to persons or to personal property injured or damaged, or for salaries or non-fulfillment of contracts, relating to the Project Facilities.

(g) The Trustee shall not be required to give any bond or surety in respect of the execution of said trust and powers or otherwise in respect of this Indenture.

(h) Before taking any action requested hereunder by the Holders which may require it to expend its own funds, the Trustee may require satisfactory security or indemnification for the reimbursement of all expenses to which it may be put and to protect it against such liability, except such liability which is adjudicated to have resulted from its gross negligence, bad faith or willful misconduct in connection with any action so taken. The Trustee shall not be entitled to indemnification as a precondition to giving notices of default or taking other actions at the direction of the Majority Owner or the Controlling Person which do not require the Trustee to expend its own funds or for which funds have been advanced by the Majority Owner or the Controlling Person to the Trustee in advance of its taking such action.

(i) All moneys received by the Trustee, until used or applied or invested as herein provided, shall be held as special trust funds for the purposes specified in this Indenture

and for the benefit and security of the Holders of the Bonds as herein provided. Such moneys need not be segregated from other funds except to the extent required by law or herein provided, and the Trustee shall not otherwise be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(j) The Trustee shall not be bound to ascertain or inquire as to the performance of the obligations of the Borrower or the Issuer under the Loan Agreement or this Indenture, and shall not be deemed to have, or be required to take, notice of default under this Indenture (other than under Section 6.1(a) or (b), or Section 6.1(c) if written notice thereof has been received by the Trustee) or the occurrence of a Determination of Taxability, except (i) in the event the Borrower fails to pay any Repayment when due, (ii) in the event of an insufficient amount in the Bond Fund (or any account therein) to make a principal or interest payment on the Bonds, (iii) in the event of written notification of a Determination of Taxability by the Holder of any Bonds, (iv) in the event of written notification of such Default by the Controlling Person, the Majority Owner or two or more Holders with combined holdings of not less than twenty-five percent (25%) of the principal amount of Outstanding Bonds, or (v) in the event of receipt of an Opinion of Bond Counsel concluding that a Determination of Taxability has occurred, and in the absence of such notice the Trustee may conclusively presume there is no Determination of Taxability and no default except as aforesaid. The Trustee may nevertheless require the Issuer and the Borrower to furnish information regarding performance of their obligations under the Loan Agreement and this Indenture but is not obligated to do so.

(k) The Trustee shall, prior to any Event of Default and after the curing of all Events of Default which may have occurred, perform such duties and only such duties of the Trustee as are specifically set forth in this Indenture. The Trustee shall, during the existence of any Event of Default which has not been cured, exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his/her own affairs.

(l) In addition to the Trustee's other duties hereunder, the Trustee shall authenticate and cancel Bonds as provided herein, keep such books and records relating to such duties as shall be consistent with prudent industry practice and make such books and records available for inspection by the Issuer and the Borrower at all reasonable times. All Bonds shall be made available for authentication, exchange and registration of transfer at the principal office of the Trustee.

(m) The Trustee shall have no duty to inspect or oversee the construction or completion of the Improvements or to verify the truthfulness or accuracy of the certifications made by the Borrower in any Requisition.

(n) Without limiting the duties of the Trustee expressly set forth herein, the Trustee shall have no obligation or responsibility whatsoever in connection with (i) any federal or state tax-exempt status of the Bonds or the interest thereon, (ii) the consequences of the investment or non-investment of any funds or accounts relating to the Bonds under Section 148

of the Code or (iii) the calculation of any amount required to be rebated to the United States under Section 148 of the Code.

(o) No provision of this Indenture, the Loan Agreement or the Bonds shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(p) Whenever in the administration of this Indenture the Trustee deems it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee may, in the absence of bad faith on its part and except as otherwise expressly set forth herein, rely upon a written certificate of the Controlling Person or the Majority Owner.

(q) In the absence of a direction from the Controlling Person or the Majority Owner, if the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders of the Bonds, each representing less than a majority in aggregate principal amount of the Bonds Outstanding, pursuant to the provisions of this Indenture, then the directions given by the group of Holders which holds the largest percentage of the principal amount of the Bonds shall be controlling, and the Trustee shall follow such directions.

(r) The Trustee's immunities and protections from liability and its rights to indemnification in connection with the performance of its duties under this Indenture shall likewise extend to the Trustee's officers, directors, agents, attorneys and employees. Such immunities and protections and rights to indemnification, together with the Trustee's rights to compensation, shall survive the Trustee's resignation or removal, the discharge of this Indenture and the final payment of the Bonds.

(s) The Trustee, in its commercial banking or in any other capacity, may in good faith buy, sell, own, hold or deal in any of the Bonds and may join in any action that any Holder may be entitled to take with like effect as if it were not the Trustee. The Trustee, in its commercial banking or in any other capacity, may also engage in or be interested in any financial or other transaction with the Borrower and may act as depository, trustee or agent for any committee of Holders secured hereby or other obligations of the Borrower, as freely as if it were not the Trustee hereunder. The provisions of this paragraph shall extend to the affiliates of the Trustee.

(t) The Trustee may conclusively rely upon and shall be fully protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram, Requisition, direction, opinion or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the Owner of the Bonds shall be conclusive and binding upon all future owners of the same Bonds and upon Bonds issued in exchange therefor or in place thereof. The Trustee shall have the right to accept and act upon

directions or instructions given pursuant to this Indenture or any other document reasonable relating to the Bonds and delivered using Electronic Means (as defined below); provided, however, that the Issuer, the Borrower, the Controlling Person or the Majority Owner, as the case may be, shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such directions and instructions (each an "Authorized Officer") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended whenever a person is to be added or deleted from the listing. If the Issuer, the Borrower, the Controlling Person or the Majority Owner elects to give the Trustee directions or instructions using Electronic Means and the Trustee in its discretion elects to act upon such direction or instructions, the Trustee's understanding of such directions or instructions shall be deemed controlling. The Issuer, the Borrower, the Controlling Person and the Majority Owner each understand and agree that the Trustee cannot determine the identity of the actual sender of such directions or instructions and that the Trustee shall conclusively presume that directions or instructions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Issuer, the Borrower, the Controlling Person and the Majority Owner, as the case may be, shall each be responsible for ensuring that only Authorized Officers transmit such directions or instructions to the Trustee and that all Authorized Officers treat applicable user and authorization codes, passwords and/or authentication keys as confidential and with extreme care. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such directions or instructions notwithstanding such directions or instructions conflict or are inconsistent with a subsequent written direction or written instruction. Each of the Issuer, the Borrower, the Controlling Person and the Majority Owner agree: (i) to assume all risks arising out of the use of Electronic Means to submit directions or instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized directions or instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting directions or instructions to the Trustee and that there may be more secure methods of transmitting directions or instructions; (iii) that the security procedures (if any) to be followed in connection with its transmission of directions or instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures. "Electronic Means" shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys, or another method or system specified by the Trustee as available for use in connection with its services hereunder.

(u) The Trustee shall have no responsibility or obligation to DTC Participants, to Indirect Participants, or to the Persons for whom they act as nominees with respect to the Bonds, or to any Beneficial Owner of Bonds in respect of (1) the accuracy of any records maintained by the Securities Depository, the Securities Depository Nominee or any DTC Participant or Indirect Participant, (2) the payment by the Securities Depository, the Securities Depository Nominee or any DTC Participant or Indirect Participant of any amount in respect of

the principal of or interest on the Bonds, (3) any notice which is permitted or required to be given under this Indenture, (4) the selection by the Securities Depository, the Securities Depository Nominee or any DTC Participant or Indirect Participant of any Person to receive payment in the event of a partial redemption of the Bonds or (5) any consent given or other action taken by the Securities Depository or the Securities Depository Nominee as Holder.

(v) Whether or not expressly so provided, each and every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to the provisions of this Section.

Section 7.2 Compensation and Indemnification of Trustee; Trustee's Prior Claim.

(a) The Loan Agreement provides that the Borrower will pay the reasonable fees, costs and expenses of the Trustee under this Indenture and all other amounts which may be payable to the Trustee under this Section, such fees, costs and expenses to be paid when due and payable by the Borrower directly to the Trustee for its own account. Except as set forth in Section 6.7, the Trustee shall not have a lien on the Security for the payment of its fees, costs or expenses and shall not be entitled to pay its fees, costs and expenses from amounts held in the funds and accounts hereunder. When the Trustee incurs expenses or renders services after the occurrence of an Event of Default, such expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

(b) The Borrower shall (i) pay the Trustee from time to time, and the Trustee shall be entitled to, reasonable compensation (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust), (ii) pay or reimburse the Trustee upon request for all reasonable costs, expenses, disbursements and advances incurred or made, in accordance with any of the provisions of this Indenture and the Loan Agreement (including the reasonable compensation and the reasonable expenses and disbursements of its Counsel and of all agents and other persons not regularly in its employ), except to the extent that any such expense, disbursement or advance is due to its own gross negligence, willful misconduct or bad faith, and (iii) indemnify the Trustee and its officers, directors, agents and employees (each, a "Trustee Indemnified Party") for, and to hold each such Trustee Indemnified Party harmless against, any loss, liability, expense, losses or damages whatsoever (including reasonable costs and fees of counsel, auditors or other experts) asserted or arising out of or in connection with the acceptance or administration of this Indenture or the trusts hereunder or the performance of such Trustee Indemnified Party's duties hereunder or under the Loan Agreement, including the reasonable costs and expenses (including the reasonable fees, costs and expenses of its counsel) of defending itself against or investigating any claim of liability in the premises, except to the extent that any such loss, liability or expense was due to such Trustee Indemnified Party's own gross negligence, willful misconduct or bad faith. "Trustee," for purposes of this Section shall include any predecessor Trustee, but the gross negligence, willful misconduct or bad faith of any Trustee, shall not affect the indemnification of any other Person. The obligations of the Borrower under this Section shall survive the termination of this Indenture.

Section 7.3 Intervention in Litigation. In any judicial proceedings to which the Issuer is a party, the Trustee may intervene on behalf of Holders, and shall so intervene if requested in writing by the Controlling Person, the Majority Owner or the Holders of at least twenty-five percent (25%) in aggregate principal amount of Bonds then Outstanding.

Section 7.4 Resignation; Successor Trustees.

(a) The Trustee and any successor Trustee may resign at any time upon giving prior written notice to the Issuer, the Borrower, the Controlling Person and each Holder of Bonds then Outstanding as shown on the Register. Such resignation shall take effect only upon the appointment of a successor Trustee by the Issuer with the consent of the Controlling Person and the acceptance of such appointment by the successor Trustee. If no successor is appointed within sixty (60) days after the notice of resignation, the Controlling Person may appoint a Trustee or the resigning Trustee may petition any court of competent jurisdiction to appoint a successor Trustee, until a successor shall have been appointed as provided above. Upon appointment of a successor Trustee, the resigning Trustee shall assign all of its right, title and interest in this Indenture and the Security to the successor Trustee. The successor Trustee shall be a bank or trust company with trust powers organized under the laws of the United States or any state of the United States, or the District of Columbia, having a combined capital stock, surplus and undivided profits aggregating at least \$50,000,000. Any successor Trustee shall accept in writing its duties and responsibilities hereunder, and such writing shall be provided to the Issuer, the Controlling Person and the Borrower.

(b) Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, reorganization or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or any material part of the corporate trust business of the Trustee that includes this Indenture, shall be the successor of the Trustee hereunder without the execution or filing of any paper of any further act on the part of any Person, anything herein to the contrary notwithstanding, provided that such successor Trustee shall be eligible to serve as Trustee under the provisions of this Indenture. If the Trustee is not the successor corporation in any such merger or consolidation, the Trustee shall give notice of such event to the Borrower and shall take such action as may be required to effect a transfer of the trust included in this Indenture to such successor corporation.

Section 7.5 Removal of Trustee. The Trustee may be removed [upon thirty (30) days prior written notice,] by an instrument or concurrent instruments in writing delivered to the Trustee, the Issuer, the Controlling Person and the Borrower and signed by the Majority Owner. During such time that no Event of Default has occurred and is continuing under this Indenture, the Trustee may also be removed by an instrument or concurrent instruments in writing delivered to the Trustee and the Issuer and signed by the Controlling Person, with notice to the Borrower. Such removal shall take effect only upon the appointment of a successor Trustee by the Issuer with the consent of the Controlling Person and the acceptance of such appointment by the successor Trustee. [If no successor is appointed within sixty (60) days after the notice of removal, the Controlling Person may appoint a Trustee or the removed Trustee may petition any court of

26460/024/01483820.DOCXv5

competent jurisdiction to appoint a successor Trustee, until a successor shall have been appointed as provided above.] Upon such removal, the Trustee shall assign to the successor Trustee all of its right, title and interest in this Indenture and the Security in the same manner as provided in Section 7.4 hereof.

Section 7.6 Instruments of Holders.

(a) Any instrument required by this Indenture to be executed by Holders may be in any number of writings of similar tenor and may be executed by Holders in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds given in any of the following forms shall be sufficient for any of the purposes of this Indenture:

(i) A certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him/her the execution thereof; and

(ii) A certificate executed by any trust company or bank stating that at the date thereof the party named therein did exhibit to an officer of such trust company or bank, as the property of such party, the Bonds therein mentioned.

(b) The Trustee may rely on such an instrument of Holders unless and until the Trustee receives notice in the form specified in clauses (a) (i) or (ii) above that the original such instrument is no longer reliable. In the absence of direction from the Controlling Person, if the Trustee shall receive conflicting directions from two or more groups of Holders, each with combined holdings of not less than twenty-five percent (25%) of the principal amount of Outstanding Bonds, then the directions given by the group of Holders which holds the largest percentage of the principal amount of the Bonds shall be controlling and the Trustee shall follow such directions.

Section 7.7 Power to Appoint Co-Trustees.

(a) At any time or times, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Project Facilities may at the time be located, the Issuer and the Trustee shall have power to appoint and, upon the request of the Trustee or of the Holders of a majority of the aggregate principal amount of the Bonds then Outstanding, the Issuer shall for such purpose join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper (i) to appoint one or more persons approved by the Trustee and the Borrower either to act as co-trustee or co-trustees, jointly with the Trustee, of all or any part of the Project Facilities or to act as a separate co-trustee or separate co-trustees of all or any part of the Project Facilities and (ii) to vest in such person or persons, in such capacity, such title to the Project Facilities or any part thereof, and such rights, powers, duties, trusts or obligations as the Issuer and the Trustee may consider necessary or desirable, subject to the remaining provisions of this Section.

(b) Any co-trustee or separate trustee shall be a bank or trust company with trust powers organized under the laws of the United States or any state of the United States or the District of Columbia, having a combined capital stock, surplus and undivided profits aggregating at least \$50,000,000.

(c) The Trustee and co-trustees, if any, may by written instrument between or among them, as applicable, designate and assign either the Trustee or any one of the co-trustees or any combination of the foregoing to perform all or any part of the responsibilities and duties of the Trustee under this Indenture.

(d) If the Issuer shall not have joined in such appointment within thirty (30) days after the receipt by it of a written request to do so, or in case an Event of Default shall have occurred and be continuing, the Trustee and the Borrower shall have the power to make such appointment.

(e) The Issuer shall execute, acknowledge and deliver all such instruments as may be required by any such co-trustee or separate trustee for more fully confirming such title, rights, powers, trusts, duties and obligations to such co-trustee or separate trustee.

(f) Each co-trustee or separate trustee appointed pursuant to this Section 7.7, to the extent permitted by law or any applicable contract, shall be subject to the following terms, namely:

(i) This Indenture shall become effective at the time the Bonds shall be authenticated and delivered, and thereupon such co-trustee or separate trustee shall have all rights, powers, trusts, duties and obligations by this Indenture conferred upon the Trustee in respect of the custody, control or management of moneys, papers, securities and other personal property.

(ii) All rights, powers, trusts, duties and obligations conferred or imposed upon the trustees shall be conferred or imposed upon and exercised or performed by the Trustee, or by the Trustee and such co-trustee or co-trustees, or separate trustee or separate trustees, as shall be provided in the instrument appointing such co-trustee or co-trustees or separate trustee or separate trustees, except to the extent that, under the law of any jurisdiction in which any particular act or acts are to be performed, the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such act or acts shall be performed by such co-trustee or co-trustees or separate trustee or separate trustees.

(iii) Any request in writing by the Trustee to any co-trustee or separate trustee to take or to refrain from taking any action hereunder shall be sufficient warrant for the taking, or the refraining from taking, of such action by such co-trustee or separate trustee.

(iv) Any co-trustee or separate trustee, to the extent permitted by law, may delegate to the Trustee the exercise of any right, power, trust, duty or obligation, discretionary or otherwise.

(v) The Trustee at any time, by an instrument in writing, with the consent of the Issuer, may accept the resignation of any co-trustee or separate trustee appointed under this Section, and, in case an Event of Default shall have occurred and be continuing, the Trustee shall have power to accept the resignation of, or remove, any such co-trustee or separate trustee without the consent of the Issuer. Upon the request of the Trustee, the Issuer shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to effectuate such resignation or removal. A successor to any co-trustee or separate trustee so resigned or removed may be appointed in the manner provided in this Section.

(vi) No co-trustee or separate trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder.

(vii) Any moneys, papers, securities or other items of personal property received by any such co-trustee or separate trustee hereunder shall forthwith, so far as may be permitted by law, be turned over to the Trustee.

(g) Upon the acceptance in writing of such appointment by any such co-trustee or separate trustee, it or he shall be vested with the security interest in the Security and with such rights, powers, duties, trusts or obligations as shall be specified in the instrument of appointment jointly with the Trustee (except insofar as applicable law makes it necessary for any such co-trustee or separate trustee to act alone), subject to all the terms of this Indenture. A copy of every such acceptance shall be filed with the Trustee.

(h) In case any co-trustee or separate trustee shall die, become incapable of acting, resign or be removed, the security interest in the Security and all rights, powers, trusts, duties and obligations of said co-trustee or separate trustee shall, so far as permitted by law, vest in and be exercised by the Trustee unless and until a successor co-trustee or separate trustee shall be appointed in the same manner as provided for with respect to the appointment of a successor Trustee pursuant to Section 7.4 hereof.

Section 7.8 Filing of Financing Statements.

(a) Upon the issuance of the Bonds, the Borrower shall file or record or cause to be filed or recorded all Financing Statements that are required in order fully to protect and preserve the Security Interests and the priority thereof and the rights and powers of the Trustee in connection therewith. Thereafter, the Trustee, at the direction of the Controlling Person, shall file or record or cause to be filed or recorded all Financing Statements that are required in order fully to protect and preserve the Security Interests and the priority thereof and the rights and powers of the Trustee in connection therewith, including without limitation all continuation statements, provided that a copy of the filed original Financing Statement is timely delivered to

the Trustee, for the purpose of continuing without lapse the effectiveness of (i) those Financing Statements which shall have been filed at or prior to the issuance of the Bonds in connection with the security for the Bonds pursuant to the authority of the U.C.C., and (ii) any previously filed continuation statements that shall have been filed as required herein. The Trustee, at the direction of the Controlling Person, shall also file the financing and continuation statements required under Section 3.2 of the Loan Agreement, provided that a copy of the filed original financing statement is timely delivered to the Trustee. The Trustee shall not be responsible for any initial filings of any financing statements or the information contained therein (including the exhibits thereto), the perfection of any such security interests, or the accuracy or sufficiency of any description of collateral in such initial filings or for filing any modifications or amendments to the initial filings required by any amendments to Article 9 of the Uniform Commercial Code. In addition, unless the Trustee shall have been notified in writing by the Issuer or Controlling Person that any such initial filing or description of collateral was or has become defective, the Trustee shall be fully protected in (i) relying on such initial filing and descriptions in filing any financing or continuation statements or modifications thereto pursuant to this Section 7.8 and (ii) filing any continuation statements in the same filing offices as the initial filings were made. The Borrower will pay all costs of filing the Financing Statements and all financing and continuation statements required under Section 3.2 of the Loan Agreement.

(b) To the extent not inconsistent with paragraph (a) above, the Borrower agrees (i) to cause all Financing Statements related to this Indenture and all supplements hereto and all continuations thereof to be recorded and filed in such manner and in such places as may from time to time be required by law in order to preserve and protect fully the security of the Owners of the Bonds and the rights of the Trustee hereunder and (ii) to take or cause to be taken any and all other action necessary to perfect the security interest created by this Indenture shall be filed in accordance with Section 3.B.4 of that certain Construction Loan and Mortgage Servicing Agreement.

ARTICLE VIII

AMENDMENTS, SUPPLEMENTAL INDENTURES

Section 8.1 Supplemental Indentures.

(a) The Issuer and the Trustee, with the prior written consent of the Controlling Person, but without the consent of or notice to any Holders, may enter into an indenture or indentures supplemental to this Indenture that do not materially adversely affect the interest of the Holders for one or more of the following purposes:

(i) to grant to or confer upon the Trustee for the benefit of the Holders, any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Holders or the Trustee;

(ii) to grant or pledge to the Trustee for the benefit of Holders, any additional security other than that granted or pledged under this Indenture;

(iii) to modify, amend or supplement this Indenture or any indenture supplemental hereto in such manner as to permit the qualification thereof under the Trust Indenture Act of 1939 or any similar federal statute then in effect or to permit the qualification of the Bonds for sale under the securities laws of any of the states of the United States;

(iv) to appoint a successor Trustee or co-trustees in the manner provided in Article VII hereof;

(v) to modify, amend or supplement this Indenture to permit a transfer of Bonds from one Securities Depository to another or the discontinuance of the Book-Entry System and issuance of replacement Bonds to the Beneficial Owners;

(vi) to cure any ambiguity or to correct or supplement any provision contained herein or in any supplemental indenture that may be defective or inconsistent with any provision contained herein or in any supplemental indenture, or to make such other provisions in regard to matters or questions arising under this Indenture which shall not materially adversely affect the interest of the Holders; or

(vii) to make any change herein necessary, in the opinion of Bond Counsel, to maintain the exclusion of the interest on any Outstanding Bonds from gross income of the Holders thereof for federal income tax purposes.

(b) When requested by the Issuer, and if all conditions precedent under this Indenture have been met, and there shall have been delivered to the Trustee an opinion of Bond Counsel to the effect that such supplemental indenture is authorized or permitted by this Indenture and complies with its terms and will not adversely affect the excludability of interest on the Bonds from the gross income of the Holders thereof for federal income tax purposes, the Trustee will join the Issuer in the execution of such supplemental indenture, but shall not be required to join the Issuer in the execution of any such supplemental indenture unless it is reasonably compensated for additional obligations on the Trustee not initially contemplated and the indemnification rights of the Trustee cover any changes in the Trustee's rights and immunities under this Indenture or otherwise. Any additional compensation or the expansion of any indemnity obligation shall be the sole responsibility of the Borrower.

(c) The Trustee shall provide copies of all such supplemental indentures to the Borrower. The Trustee shall cause notice of any supplemental indenture described above to be given by first-class mail, postage prepaid, to the Borrower and the Holders of the Outstanding Bonds then shown on the Register.

Section 8.2 Amendments to Indenture; Consent of Majority Owner, Holders, and Borrower.

(a) Exclusive of supplemental indentures covered by Section 8.1 hereof and subject to the terms and provisions contained in this Section 8.2 and not otherwise, anything

contained in this Indenture to the contrary notwithstanding, no indenture or indentures supplemental hereto for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture shall be effective without delivery of a Favorable Opinion of Bond Counsel, the written consent of the Majority Owner and execution and delivery by the Trustee (acting upon the direction of the Majority Owner) and the Issuer; provided, however, that nothing contained in this Section shall permit, or be construed as permitting, without the prior written consent of the Holders of all Outstanding Bonds, (i) an extension of the maturity of the principal of, or the optional, extraordinary or mandatory redemption date of, or interest on, any Bond, (ii) a reduction in the principal amount of or the rate of interest on, any Bond, (iii) a preference or priority of any Bond or Bonds over any other Bond or Bonds, (iv) the creation of a lien on the Security prior to the lien of this Indenture, or (v) a reduction in the aggregate principal amount of the Bonds required for any consent to any supplemental indenture; provided further, however, that without the prior written consent of the Trustee, the Trustee shall not be required to join the Issuer in the execution of any supplemental indenture unless it is reasonably compensated for additional obligations on the Trustee not initially contemplated and the indemnification rights of the Trustee covering any changes in the Trustee's rights and immunities under this Indenture or otherwise. Any additional compensation or the expansion of any indemnity obligation shall be the sole responsibility of the Borrower. The giving of notice to and consent of the Holders to any such proposed supplemental indenture shall be obtained pursuant to Section 8.5 hereof.

(b) Anything herein to the contrary notwithstanding, a supplemental indenture, amendment or other document described under this Article that affects any rights or obligations of the Borrower shall not become effective unless and until the Borrower shall have consented to the execution of such supplemental indenture, amendment or other document.

Section 8.3 Amendments to the Loan Agreement or the Note Not Requiring Consent of Holders.

(a) The Issuer shall not cause or permit to exist any amendment, modification, supplement, waiver or consent with respect to the Loan Agreement, the Note or the Mortgage without the prior written consent of the Trustee, the Borrower and the Controlling Person. The Issuer may, with the consent of the Controlling Person, but without the consent of or notice to any other Holders, enter into or permit (and the Trustee shall consent to) any amendment of the Loan Agreement or the Note acceptable to the Borrower as may be required (i) for the purpose of curing any ambiguity or formal defect or omission that shall not adversely affect the interest of the Holders, (ii) to grant or pledge to the Issuer or Trustee, for the benefit of the Holders any additional security, (iii) to make any change therein necessary, in the opinion of Bond Counsel, to maintain the exclusion of interest on any Outstanding Bonds from gross income of the Holders thereof for federal income tax purposes or (iv) in connection with any other change therein which, in the judgment of the Trustee acting in reliance upon an opinion of Counsel, is not materially prejudicial to the interests of the Trustee and the Holders of the Bonds;

provided, however, that without the written consent of the Trustee, the Trustee shall not be required to join in the execution of any such amendment that affects the rights, duties, obligations or immunities of the Trustee or that imposes additional obligations on the Trustee.

(b) The Issuer and the Borrower shall provide copies of any such amendments to the Loan Agreement, the Note or the Mortgage to the Trustee and the Controlling Person.

Section 8.4 Amendments to the Loan Agreement or the Mortgage Requiring Consent of Holders. Except as provided in Section 8.3 hereof, the Issuer shall not enter into, and the Trustee shall not consent to, any other modification or amendment of the Loan Agreement, the Note or the Mortgage, nor shall any such modification or amendment become effective, without delivery of a Favorable Opinion of Bond Counsel and the prior written consent of the Majority Owner, such consent to be obtained in accordance with Section 8.5 hereof. No such amendment may, without the consent of the Holders of all the Outstanding Bonds, reduce the amounts or delay the times of payment of Repayments under the Loan Agreement, the Note or the Mortgage. The Issuer and the Borrower shall provide copies of all such amendments to the Loan Agreement, the Note or the Mortgage to the Trustee, the Controlling Person and the Majority Owner.

Section 8.5 Notice to and Consent of Holders. If consent of the Controlling Person, the Majority Owner or any other Holder is required under the terms of this Indenture for the amendment of this Indenture, the Loan Agreement, the Note or for any other similar purpose, the Trustee shall cause notice of the proposed execution of the amendment or supplemental indenture to be given by first-class mail, postage prepaid, to the Controlling Person, the Majority Owner or any other applicable Holder then shown on the Register. Such notice shall briefly set forth the nature of the proposed amendment, supplemental indenture or other action and shall state that copies of any such amendment, supplemental indenture or other document are on file at the principal office of the Trustee for inspection by all Holders. If, within forty-five (45) days or such longer period as shall be prescribed by the Trustee following the mailing of such notice, the Controlling Person, the Majority Owner or the Holders of all, as the case may be, of the principal amount of the Bonds Outstanding by instruments provided to the Trustee shall have consented to the amendment, supplemental indenture or other proposed action, then the Trustee may execute such amendment, supplemental indenture or other document or take such proposed action and the consent of the Holders shall thereby be conclusively presumed.

ARTICLE IX CONTROLLING PERSON; SERVICING

Section 9.1 Majority Owner to Appoint Controlling Person. The Majority Owner may engage a Person, collaterally assign some or all of its rights hereunder to a Person, or otherwise provide for a Person, at the Majority Owner's sole cost and expense, to act on behalf of the Majority Owner under the Bond Documents as the "Controlling Person" and the "Indexing Agent". The Majority Owner may at any time and from time to time terminate or remove and

replace any such Controlling Person or Indexing Agent. The Majority Owner shall give written notice to the Trustee, the Issuer and the Borrower of its appointment, termination, removal or replacement of any Controlling Person or Indexing Agent, and the parties may rely on any such notice until any subsequent notice is given. Initially, the Majority Owner will act as Indexing Agent and has engaged R4 Servicer LLC to act as the “Controlling Person” hereunder and R4 Servicer LLC has accepted such engagement. The Majority Owner is under no obligation to appoint a Controlling Person or an Indexing Agent; if at any time a Controlling Person or Indexing Agent has not been designated by the Majority Owner, all references to the “Controlling Person” and “Indexing Agent” herein and in the other Bond Documents shall refer to the Majority Owner. Any opinion or certificate provided for herein, in the Loan Agreement or in any other Bond Document that is directed to the Controlling Person shall also be directed to, and may be relied upon by, the Majority Owner. The Majority Owner will have no liability to the Issuer, the Borrower, the Trustee or any other Person for any act or omission of the Controlling Person or Indexing Agent unless the Controlling Person or Indexing Agent is the Majority Owner or such act or omission was expressly approved by the Majority Owner in each particular case.

Section 9.2 Servicing.

(a) The Majority Owner has appointed the Controlling Person to be the servicer of the Loan, and the Controlling Person has accepted such appointment. Satisfactory arrangements have previously been made for the payment of servicing fees and expenses in connection with the Controlling Person’s servicing obligations hereunder, and the Borrower, the Majority Owner and the Trustee have no obligation for such payments. Without limiting the foregoing, the Controlling Person shall have no right or claim to any transfer or assumption fees, late charges, acceleration premium or Default Interest payable under this Indenture or the Bond Documents; provided, however that, to the extent permitted under the Bond Documents, the Controlling Person shall be entitled to collect from the Borrower its normal and customary incidental fees and charges for any requested review, approval or other action, including, without limitation, in connection with any proposed transfer, loan assumption, easement, subordinate financing, release of collateral, condemnation proceeding, non-disturbance agreement or other similar action, unless such review, approval or other action is performed solely by the Majority Owner.

(i) The Controlling Person shall perform the duties expressly given to the Controlling Person under the Bond Documents and this Indenture.

- (1) The principal and interest due and payable on the Note;
- (2) Amounts due and payable under the Swap Agreement;
- (3) The Trustee's Fee, Issuer Fee, and the Issuer Servicer Fee, as applicable;

- (i) To the principal and interest due and payable on the Note;
- (ii) To the Issuer Fee, the Trustee's Fee and the Issuer Servicer Fee, as applicable;

- (viii) To other escrow or reserve deposits required by this Indenture or the other Bond Documents;

- (ix) To Default Interest and any late fees; and
- (x) To other amounts due under the Bond Documents.

(d) Any payment received by the Controlling Person from or on behalf of the Borrower under this Indenture or the Bond Documents shall be remitted by the Controlling Person to the Trustee no later than the second (2nd) Business Day after receipt by the Controlling Person or sooner if so required under this Indenture or Bond Documents. The Controlling Person shall make any remittance to the Trustee by wire transfer in accordance with the instructions received from the Trustee or to any other party entitled to such remittances pursuant this Indenture or the Bond Documents in accordance with the instructions received from the Majority Owner.

(e) The Controlling Person shall review the Tax and Insurance Escrow Fund and the Replacement Reserve Fund on an annual basis and adjust required monthly escrow payments in accordance with terms of Bond Documents. The Controlling Person shall notify the Majority Owner and the Trustee of such adjustment.

(f) Upon request of the Majority Owner, the Controlling Person shall furnish to the Majority Owner, monthly account statements received from the Trustee with respect to the Accounts under this Indenture, including disbursements from the Accounts under this Indenture, loan history schedules, outstanding loan balances and escrow balances.

(g) The Controlling Person shall provide immediate written notice to the Majority Owner of any Event of Default of which it receives notice or has actual knowledge or any event which, with the giving of notice or the passage of time, or both, would constitute any Event of Default of which it receives notice or has actual knowledge.

(h) The Controlling Person shall refer to the Trustee all Borrower requests for a quote of a payoff amount for the Loan, shall request a copy of any such quote from the Trustee, and shall notify the Majority Owner of the Borrower's request. The Controlling Person shall prepare payoff letters and delinquency and default notices when necessary, as required by the Bond Documents or this Indenture or otherwise as directed by the Majority Owner.

(i) The Controlling Person shall use its best efforts to obtain financial statements and other reports from the Borrower at the times and to the extent required under the Bond Documents and deliver the same to the Majority Owner.

(j) The Controlling Person shall obtain, and shall provide to the Majority Owner a copy of the Borrower's certificates of compliance with the Land Use Restriction Agreement or other evidence of such compliance submitted by the Borrower to the Issuer or the Issuer's designee within thirty (30) days after the later of (i) the date it is required to be submitted to the Issuer or the Issuer's designee and (ii) the date it is actually so submitted.

(k) The Controlling Person may perform additional duties with respect to the Loan during construction of the Project Facilities or during the period following an Event of Default at the request of the Majority Owner.

Section 9.3 The Issuer Servicer. Notwithstanding anything in this Indenture to the contrary and without limiting the Issuer's obligations under this Indenture, the Loan shall be serviced for compliance and other monitoring duties on behalf of the Issuer by the Issuer Servicer pursuant to the Land Use Restriction Agreement and the Issuer Servicer Documents.

The Jacksonville Housing Finance Authority (the "Issuer"), a public body corporate and politic duly created, organized and existing under the laws of the State of Florida, for value received, hereby promises to pay (but only out of the revenues and other assets pledged under the Indenture (hereinafter defined)) to the Registered Owner specified above or registered assigns (subject to any right of prior redemption), (A) on each Principal Payment Date and the Maturity Date specified above, the applicable portion of the Principal Amount specified above, and (B) interest thereon, at the Bond Coupon Rate (as defined in the Indenture), payable on the first Business Day of each month, commencing [October 1, 2019] to the person whose name appears on the registration books on the day before such day (whether or not a Business Day) (a "Record Date") and to pay any other amounts as specified in the Indenture (hereinafter defined).

This Bond is one of an issue of duly authorized Jacksonville Housing Finance Authority Multifamily Housing Revenue Bonds (The Waves Project), Series 2019 issued in the aggregate principal amount of \$_____ (the "Bonds"), pursuant to the provisions of the Act as such term is defined in the Indenture.

This is a draw-down Bond. The principal amount of this Bond as of any given date shall be equal to (i) the total amount of principal advanced by the Initial Purchaser, less (ii) any payment of principal on the Bonds received by the Holders thereof. Principal amounts advanced by the Initial Purchaser shall be noted on the recordkeeping system maintained by the Trustee.

The proceeds from the Bonds are to be used for the purpose of making a leasehold mortgage loan pursuant to a Loan Agreement, dated as of September 1, 2019 (as amended, modified or supplemented from time to time, the "Loan Agreement"), between the Issuer and the Borrower, to finance the construction and equipping of the Project Facilities. The Borrower's payment obligations under the Loan Agreement will be evidenced by the Note and secured by the Mortgage.

The Bonds are issued under and are equally and ratably secured by an Indenture of Trust, dated as of September 1, 2019 (as amended, modified or supplemented from time to time, the "Indenture"), between the Issuer and the Trustee. All capitalized terms not defined herein shall have the meaning set forth in the Indenture.

Notice of redemption shall be given in the manner set forth in the Indenture.

THE BONDS ARE SPECIAL LIMITED OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE REVENUES, INCOME AND RECEIPTS OF THE ISSUER PLEDGED TO THE PAYMENT THEREOF. THE BONDS DO NOT CONSTITUTE, WITHIN THE MEANING OF ANY STATUTORY OR CONSTITUTIONAL PROVISION, AN INDEBTEDNESS, AN OBLIGATION OR A LOAN OF CREDIT OF THE STATE, THE SPONSORING POLITICAL SUBDIVISION, OR ANY OTHER MUNICIPALITY, COUNTY OR OTHER MUNICIPAL OR

POLITICAL CORPORATION OR SUBDIVISION OF THE STATE. THE BONDS DO NOT CREATE A MORAL OBLIGATION ON THE PART OF THE STATE, THE SPONSORING POLITICAL SUBDIVISION OR ANY OTHER MUNICIPALITY, COUNTY OR OTHER MUNICIPAL OR POLITICAL CORPORATION OR SUBDIVISION OF THE STATE AND EACH OF SUCH ENTITIES IS PROHIBITED BY THE ACT FROM MAKING ANY PAYMENTS WITH RESPECT TO THE BONDS. THE ISSUER HAS NO TAXING POWER.

The registered owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default thereunder, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

By its purchase of this Bond, the registered owner hereof agrees to the appointment of the Controlling Person as provided in the Indenture and authorizes the Controlling Person to exercise such rights and remedies afforded to the Controlling Person on behalf of the Bondholder as provided in the Bond Documents.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

This Bond may be exchanged, and its transfer may be effected, only by the registered owner hereof in person or by his attorney duly authorized in writing at the designated corporate trust office of the Trustee, but only in the manner and subject to the limitations provided in the Indenture. Upon exchange or registration of such transfer a new registered bond or bonds of the same series, maturity and interest rate and of an Authorized Denomination or Authorized Denominations for the same aggregate principal amount will be issued in exchange therefor.

The Issuer and the Trustee may deem and treat the person in whose name this Bond shall be registered on the bond register, as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes and neither the Issuer nor the Trustee shall be affected by any notice to the contrary.

All acts, conditions and things required by the laws of the State to exist, happen and be performed precedent to and in the execution and delivery of the Indenture and the issuance of the Bonds do exist, have happened and have been performed in due time, form and manner as required by law.

Neither the trustees, officers, agents, employees or representatives of the Issuer nor any person executing the Bonds shall be personally liable hereon or be subject to any personal liability by reason of the issuance hereof, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty, or otherwise, all such liability being expressly released and waived as a condition of and in consideration for the execution of the Indenture and the issuance of the Bonds.

This Bond shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until the Trustee shall have executed the Certificate of Authentication appearing hereon.

IT IS HEREBY CERTIFIED, RECITED AND REPRESENTED that the issuance of this Bond is duly authorized by law; that all acts, conditions and things required to exist and to be done precedent to and in the issuance of this Bond to render the same lawful and valid have been properly done and performed and have happened in regular and due time, form and manner as required by law; and that all acts, conditions and things necessary to be done or performed by the Issuer or to have happened precedent to or in the execution and delivery of the Indenture have been done and performed and have happened in regular and due form as required by law.

Re: \$_____ Jacksonville Housing Finance Authority Multifamily Housing
Revenue Bonds (The Waves Project), Series 2019 (the "Bonds")

The undersigned, as purchaser (the "Purchaser") of the above-referenced Bonds issued pursuant to the Indenture of Trust dated as of September 1, 2019 (the "Indenture"), between the JACKSONVILLE HOUSING FINANCE AUTHORITY (the "Issuer") and THE BANK OF NEW YORK MELLON TRUST COMPANY, N.A., as trustee (the "Trustee"), hereby represents that:

The Purchaser has authority to purchase the Bonds and to execute this letter and any other instruments and documents required to be executed by the Purchaser in connection with the purchase of the Bonds.

2. The Purchaser is a "qualified institutional buyer" (a "Qualified Institutional Buyer") under Rule 144A of the Securities Act of 1933, as amended (the "Securities Act"), or an "accredited investor," as defined in Regulation D under the Securities Act, and, as such, is an Approved Buyer, as defined in the Indenture, and therefore has sufficient knowledge and experience in financial and business matters, including purchase and ownership of municipal obligations, to be able to evaluate the risks and merits of the investment represented by the Bonds.

3. The Bonds are being acquired by the Purchaser for its own account for investment purposes and not with a present view to or for resale thereof. The Purchaser understands that it may need to bear the risks of this investment for an indefinite time, since any sale prior to maturity may not be possible. Nothing in the prior sentences, however, shall limit the Purchaser's right to sell and transfer the Bonds at any time subject to the terms of the Indenture.

4. Any disposition by the Purchaser at this time of all or any part of the Bonds shall

be only to an institution or entity that is an Approved Buyer or that Purchaser reasonably believes is an Approved Buyer (or otherwise in accordance with the terms of paragraph 9 of this letter); provided, however, the Purchaser reserves the right to deposit such Bonds into a trust, custodial or securitization arrangement in which all of the beneficial ownership interests would be owned by one or more other Approved Buyers; it being understood and agreed that, under such circumstances, each such beneficial owner, in connection with its acquisition of an interest in such arrangement, would be required to represent to the relevant trustee or custodian that it was acquiring such interest for its own account and for investment purposes, and not with a present view to or for resale.

5. The Purchaser understands that the Bonds are not registered under the Securities Act and that such registration is not legally required as of the date hereof; and further understands that the Bonds (a) are not being registered or otherwise qualified for sale under the “Blue Sky” laws and regulations of any state, (b) will not be listed in any stock or other securities exchange, (c) will not carry a rating from any rating service and (d) will be delivered in a form which may not be readily marketable. The Purchaser agrees that it will comply with any applicable state and federal securities laws then in effect with respect to any disposition of the Bonds by it, and further acknowledges that any current exemption from registration of the Bonds does not affect or diminish such requirements.

6. The Purchaser understands that (a) the Bonds are not secured by any pledge of any moneys received or to be received from taxation by the State of Florida or any political subdivision thereof and that the Issuer has no taxing power, (b) the Bonds do not and will not represent or constitute a general obligation or a pledge of the faith and credit of the Issuer, the State of Florida or any political subdivision thereof; and (c) the liability of the Issuer with respect to the Bonds is limited to the Security as set forth in the Indenture.

7. The Purchaser acknowledges that to its knowledge it has either been supplied with or been given access to information, including financial statements and other financial information, to which a reasonable investor would attach significance in making investment decisions, and the Purchaser has had the opportunity to ask questions and receive answers from knowledgeable individuals concerning the Borrower, the Project Facilities and the Bonds and the security therefor so that, as a reasonable investor, the Purchaser has been able to make its decision to purchase the Bonds.

8. The Purchaser has made its own inquiry and analysis with respect to the Bonds and the security therefor, and other material factors affecting the security and payment of the Bonds. The Purchaser is aware that the business of the Borrower involves certain economic variables and risks that could adversely affect the security for the Bonds.

9. The Purchaser acknowledges that the Issuer, its Counsel and its advisors bear no responsibility for the accuracy or completeness of information with respect to the Borrower and the Project contained in any disclosure document related to the purchase of the Bonds.

10. The Purchaser acknowledges that it has the right to sell and transfer the Bonds in Authorized Denominations: (i) to an Affiliate of the Purchaser; (ii) to an institution or entity it reasonably believes is a Qualified Institutional Buyer; (iii) to an Approved Buyer other than a Qualified Institutional Buyer in a transaction that is in compliance with, or exempt from, the registration requirements of the Securities Act and other applicable securities laws and subject to the delivery to the Trustee of a purchaser's letter from the transferee to the same effect as this Purchaser's Letter, with no revisions except as may be approved in writing by the Issuer; or (iv) by deposit into a trust, custodial or securitization arrangement as described in paragraph 4 of this letter.

11. Re: \$_____ Jacksonville Housing Finance Authority Multifamily Housing
Revenue Bonds (The Waves Project), Series 2019 (the "Bonds")

This letter is to provide you with certain representations and agreements with respect to the Bonds referred to above, dated their date of issuance, issued by Jacksonville Housing Finance Authority (the "Issuer") for the benefit of The Waves of Jacksonville, Ltd. (the "Borrower"). The Bonds are issued under the terms of an Indenture of Trust dated as of September 1, 2019 (the "Indenture") by and between the Issuer and The Bank of New York Mellon Trust Company, N.A., as trustee (the "Trustee") and are secured in the manner set forth in the Indenture and in the Loan Agreement, dated as of September 1, 2019 (the "Loan Agreement"), between the Issuer and the Borrower. Capitalized terms used herein and not defined shall have the meanings ascribed to such terms in the Indenture. In consideration of the issuance of the Bonds and as an inducement thereto, the undersigned (the "Investor") hereby represents and warrants to you and agrees with you as follows:

1. The Investor is (i) a sophisticated investor with experience evaluating obligations similar to the Bonds, and (ii) an "accredited investor" under Regulation D of the Securities Act of 1933 (the "'33 Act") or a "qualified institutional buyer" as defined in Rule 144A under the '33 Act.
2. The Investor has sufficient knowledge and experience in financial and business matters, including the purchase and ownership of obligations similar to the Bonds, to be able to evaluate the risks and merits of the investment represented by the purchase of the Bonds, and the Investor is able to bear the economic risks of purchase and ownership of the Bonds and has made such inquiry and analysis with respect to the Bonds and the security therefor, and other material factors affecting the security and payment of the Bonds as it considered necessary. The Investor is aware that the business of the Borrower involves certain economic risks that could adversely affect the security for the Bonds.

3. The Investor understands and acknowledges that the Bonds may be sold or transferred only to “qualified institutional buyers” or “accredited investors” who sign an investor letter in the form required under the Indenture.

4. The Investor is duly and legally authorized to purchase the Bonds and to execute this Investor Letter. The Investor has satisfied itself that the Bonds are a lawful investment for it under all applicable laws.

5. The Bonds are being acquired by the Investor for its own account for investment purposes and not with a present view to, or for resale in connection with, any distribution of the Bonds other than to another “qualified institutional buyer”, and the Investor does not intend, at this time, to dispose of all or any part of the Bonds except in accordance with the restrictions contained in and as permitted by the terms of the Indenture and Federal securities laws.

6. The undersigned acknowledges that it has made the decision to purchase the Bonds based on such independent investigation regarding the Bonds, the Borrower, the Project Facilities, and other information as it considered necessary to make an informed decision to purchase the Bonds. The undersigned acknowledges that it has not relied upon the Issuer, its Counsel and advisors for any information in connection with the undersigned's acquisition of the Bonds (except for closing opinions and certificates addressed to the Investor or upon which the Investor may rely).

7. The Investor acknowledges that the Issuer, its Counsel and its advisors bear no responsibility for the accuracy or completeness of information with respect to the Borrower and the Project contained in any disclosure document related to the purchase of the Bonds.

8. In entering into this transaction the undersigned has not relied upon any representations or opinions made by the Issuer, its Counsel and advisors relating to the legal consequences or other aspects of the transactions (except for closing opinions and certificates addressed to the Investor or upon which the Investor may rely), nor has it looked to, nor expected, the Issuer to undertake or require any credit investigation or due diligence reviews relating to the Borrower, its financial condition or business operations, the Project Facilities (including the refinancing, operation or management thereof), or any other matter pertaining to the merits or risks of the transaction, or the adequacy of any collateral pledged to secure repayment of the Bonds.

9. The Investor understands that in connection with any proposed transfer or exchange of Bonds, other than a deposit or sale of the Bonds in or to a trust/custodial entity or arrangement each of the beneficial owners of which are required to be “qualified institutional buyers” or “accredited investors”, there must be delivered to the Trustee a letter of the transferee to substantially the same effect as this Investor Letter.

No such termination, expiration or release shall affect the survival of the indemnification provisions of this Agreement, which provisions shall survive any such termination, expiration or release.

(b) The Loan may be prepaid by the Borrower, and the Bonds shall be optionally redeemed pursuant to Sections 3.4(a) and (b) of the Indenture, on any Interest Payment Date on or after the First Optional Call Date, upon the payment of the principal amount of the Bonds plus interest accrued thereon to, but not including, the date of redemption, without premium or penalty.

The Borrower understands and

agrees that no payment by it under any other agreement (whether voluntary or otherwise) shall constitute a defense to its obligations hereunder, except to the extent that the Loan evidenced hereby has been indefeasibly paid in full, whether owing under this Agreement or under the other Bond Documents.

Section 2.5 Indemnification. The Borrower covenants to defend, indemnify and hold harmless the Issuer, the Trustee, the Controlling Person, the Majority Owner, and each of their respective Affiliates and each of their and their Affiliates' respective directors, officers, employees, representatives and agents (collectively, the "Indemnified Parties"), except as limited below, from and against any and all claims, damages, losses, liabilities, costs or expenses (including reasonable, out-of-pocket attorneys' fees for counsel of each of the Indemnified Parties' choice) whatsoever which the Indemnified Parties may incur (or which may be claimed against any of the Indemnified Parties by any person or entity whatsoever) by reason of or in connection with:

(c) the involvement of any of the Indemnified Parties in any legal suit, investigation, proceeding, inquiry or action as a consequence, direct or indirect, of the Controlling Person or the Majority Owner's actions taken pursuant to this Agreement or any of the other Bond Documents or any other event or transaction contemplated by any of the foregoing;

(d) any untrue statement of the Borrower or alleged untrue statement contained or incorporated by reference in any offering or reoffering materials prepared in respect of the Bonds, or any supplement or amendment thereof, or the omission or alleged omission to state therein a material fact necessary to make such statements in light of the circumstances in which they are or were made not misleading;

(e) the acceptance or administration of the Bond Documents or the Security Interests thereunder or the performance of duties under the Bond Documents or any loss or damage to property or any injury to or death of any person that may be occasioned by any cause whatsoever pertaining to the Project Facilities or the use thereof, including without limitation any lease thereof or assignment of its interest in this Agreement;

operation of the Project Facilities, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition or construction of, the Improvements or any part thereof;

(g) any Lien (other than a Permitted Encumbrance) or charge upon payments by the Borrower to the Issuer and the Trustee hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Issuer or the Trustee in respect of any portion of the Project Facilities;

(i) the enforcement of, or any action taken by the Issuer or any Indemnified Party, related to remedies under, this Agreement, the Indenture and the other Bond Documents;

(j) any action, suit, claim, proceeding, audit, inquiry, examination, or investigation of a judicial, legislative, administrative or regulatory nature concerning or related to interest payable on the Bonds not being excludable from gross income for purposes of federal income taxation or exempt from state income taxation;

(k) any action, suit, claim or demand contesting or affecting the title of the Project Facilities;

(l) the investigation of, preparation for or defense of any litigation, proceeding or investigation in connection with the Project Facilities or the transactions to be consummated in connection therewith of any nature whatsoever, commenced or threatened against the Borrower, the Project Facilities or any Indemnified Party; and

(m) any brokerage commissions or finders' fees claimed by any broker or other party in connection with the Bonds or the Project.

The indemnification shall include the reasonable costs and expenses of defending itself or investigating any claim of liability and other reasonable, out-of-pocket expenses and attorneys' fees incurred by the Indemnified Parties, provided the Borrower shall not be required to indemnify any of the Indemnified Parties for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by the willful misconduct or gross negligence of any Indemnified Party. The obligations of the Borrower under this Section shall survive the termination of this Agreement and the Indenture. Notwithstanding any other provision of this Agreement or the Indenture to the contrary, the Borrower agrees (i) not to assert any claim or institute any action or suit against the Trustee or its employees arising from or in connection with any investment of funds made by the Trustee in good faith as directed by the Borrower, the Controlling Person or the Majority Owner and (ii) to indemnify and hold the Trustee and its employees harmless against any liability, losses, damages, costs, expenses, causes

of action, suits, claims, demands and judgments of any nature arising from or in connection with any such investment direction of the Borrower. Amounts payable to the Issuer hereunder shall be due and payable five (5) Business Days after demand and will accrue interest at the Default Rate, commencing with the expiration of the five (5) Business Day period. When the Issuer incurs expenses or renders service in connection with any bankruptcy or insolvency proceeding, such expenses (including the reasonable, out-of-pocket fees and expenses of its counsel) and the compensation for such services are intended to constitute expenses of administration under any bankruptcy law or law relating to creditors rights generally. The obligations of Borrower to the Indemnified Parties under this Section shall not be subject to the recourse limitations of Section 10.13 hereof.

Section 2.6 Amounts Remaining on Deposit Upon Payment of the Bonds. The Borrower acknowledges that a security interest in the policies of property and casualty insurance required by Section 6.4(a) and the net proceeds thereof is being granted to the Trustee pursuant to the Mortgage. Upon request of the Trustee, the Borrower will assign and deliver (which assignment shall be deemed to be automatic and to have occurred upon the

occurrence of an Event of Default hereunder) to the Trustee the policies of property and casualty insurance required under Section 6.4(a) so and in such manner and form that the Trustee shall at all times, upon such request and until the payment in full of the Bonds, have and hold said policies and the net proceeds thereof as collateral and further security under the Mortgage for application as provided in the Mortgage. The policies under Section 6.4(a) hereof shall contain appropriate waivers of subrogation.

(c) Copies of the policy or certificate (or binder) of insurance required by Section 6.4(a) hereof shall be delivered to the Trustee, with a copy to the Controlling Person on or before the Issue Date. The Borrower shall deliver to the Issuer and the Trustee before the first (1st) Business Day of each calendar year thereafter a certificate dated not earlier than thirty (30) days prior to such 1st Business Day reciting that there is in full force and effect insurance of the types and in the amounts required by this Section 6.4. Prior to the expiration of each such policy, the Borrower shall furnish the Trustee, with a copy to the Controlling Person, with evidence that such policy has been renewed or replaced or is no longer required by this Agreement. The Borrower shall provide such further information with respect to the insurance coverage required by this Agreement as the Controlling Person may, from time to time, reasonably require.

(d) The net proceeds of the property and casualty insurance carried pursuant to the provisions of Section 6.4(a) hereof shall be applied as provided in the Mortgage, and the net proceeds of the liability insurance required by Section 6.4(a) hereof shall be applied, with the prior written consent of the Controlling Person, toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

Section 6.5 Compliance with Other Contracts and Bond Documents. The Borrower will comply with all of its covenants and agreements under the Bond Documents to which it is a party, as the same may hereafter be amended or supplemented from time to time, and each of such covenants is incorporated herein by reference as if fully set forth herein. The Borrower acknowledges that the Indenture imposes certain obligations upon the Borrower and the Borrower agrees to discharge such obligations as if they were fully set forth herein (notwithstanding that the Borrower is not a party to the Indenture). The Borrower shall comply in all material respects with all of its covenants and agreements under the Swap Agreement and the Subordinate Debt Documents. The Borrower shall comply in all materials respects with, or cause to be complied with, all requirements and conditions of all Material Contracts and insurance policies which relate to the Borrower or the Project Facilities.

Section 6.6 Maintenance of Project Facilities. The Borrower will, at its sole expense and as one of the Expenses (including use of the funds on deposit in the Accounts, in accordance with the terms of the Indenture and the Replacement Reserve Agreement), in all material respects (i) maintain and preserve the Project Facilities in good working order and repair; (ii) not permit, commit or suffer any waste or abandonment of the Project Facilities; (iii) not use (and use reasonable efforts to not permit tenants to use) the Project Facilities for any unlawful purpose and use reasonable efforts to not permit any nuisance to exist thereon; (iv) promptly make such repairs or replacements (structural or nonstructural, foreseen or unforeseen) as are required for

the proper operation, repair and maintenance of the Project Facilities in an economical and efficient manner and consistent with customary and prudent practices, standards and procedures applicable to properties of like size and type; (v) perform all repairs or replacements in a good and workmanlike manner, and in compliance with all applicable Governmental Actions and Legal Requirements; (vi) keep and maintain abutting grounds, sidewalks, roads, parking and landscape areas which may be owned by the Borrower in good and neat order and repair; (vii) not take (or fail to take) any action, which if taken (or not so taken) would increase in any way the risk of fire or other hazard occurring to or affecting the Project Facilities; and (viii) not sell, lease (other than pursuant to residential leases), cause a Sale of or otherwise dispose of any part of the Project Facilities, except as otherwise permitted hereunder and under the other Bond Documents and except for Permitted Encumbrances.

Section 6.7 Inspection Rights.

(a) The Borrower will, from time to time (with reasonable advance notice and during normal business hours), permit the Controlling Person, the Trustee, the Issuer, and the agents or representatives of the Controlling Person, the Trustee and the Issuer, to examine and copy and make abstracts from the records and books of account of, and visit the properties of, the Borrower, and to discuss the affairs, finances and accounts of the Borrower with the General Partner and the Accountant. Upon reasonable prior notice, and subject to the rights of tenants, the Borrower will permit the Engineering Consultant to inspect, or cause to be inspected, the Project Facilities at any reasonable time or times as the Controlling Person may direct. The Borrower shall pay or reimburse the Controlling Person, the Issuer and the Trustee on demand for fees, costs and expenses incurred in connection with such inspections. Any information provided hereunder shall not give rise to a waiver of any privilege that may be asserted by the Borrower or the General Partner.

(b) After the Engineering Consultant shall have inspected or caused to have been inspected the Project Facilities, the Engineering Consultant shall send written notice to the Borrower and the Controlling Person notifying each of the nature and extent of capital needs of the Project Facilities, if any, which are, in the Engineering Consultant's professional judgment, necessary to maintain and preserve the Project Facilities in accordance with the standards set forth in Section 6.6 hereof and which are not addressed in the Annual Budget for the Project Facilities. After considering the Engineering Consultant's recommendation, the Controlling Person shall notify the Borrower of the work which the Engineering Consultant recommends be performed in order to comply with the requirements of Section 6.6 hereof and the time period over which, in its professional judgment, such work should be commenced and completed.

(c) The Borrower shall promptly commence and diligently complete the work recommended by the Engineering Consultant within the time period set forth in the report. If the Borrower fails to complete the work within such time period, the Controlling Person, at the Controlling Person's discretion, may, with notice to the Borrower, complete such work for and on the Borrower's behalf and may do any act or thing the Controlling Person deems necessary or appropriate to that end. The reasonable expenses incurred by the Controlling Person in

completing such work shall bear interest at the Default Rate, shall be borne by the Borrower and reimbursed to the Controlling Person immediately upon demand. All work performed by the Borrower shall be performed in a good and workmanlike manner in all material respects, shall be free and clear of any mechanics or materialman's liens and encumbrances and shall be subject to the requirements of Section 6.6 hereof.

Section 6.8 Keeping of Books. The Borrower will keep proper books of record and account, in which full and correct entries shall be made of financial transactions and the assets and operations of the Borrower in accordance with GAAP, and have a complete audit of such books of record and account made by the Accountant for each Fiscal Year.

Section 6.9 Reporting Requirements. The Borrower will furnish or cause to be furnished to the Controlling Person the following in form satisfactory to the Controlling Person and in such number of copies as the Controlling Person may reasonably require:

(4) notwithstanding the foregoing, if the Issue Date occurred between November 15, the Borrower may elect, by written notice to Controlling Person, to include the period from the Issue Date through the end of such Fiscal Year in the subsequent Fiscal Year audited financial statements in lieu of providing audited annual statements for the Fiscal Year in which the Issue Date occurred.

(f) As soon as possible and in any event within fifteen (15) days after receipt of notice thereof, notice of any pending or threatened litigation, investigation or other proceeding involving the Borrower, the General Partner, the Guarantor or the Project Facilities; (i) which could have a Material Adverse Effect on the operations or financial condition of the Borrower, the General Partner, the Guarantor, the Issuer Guarantors or the Project Facilities; (ii) wherein the potential damages, in the reasonable judgment of the Borrower based upon the advice of counsel experienced in such matters, are not fully covered by the insurance policies maintained by the

Borrower (except for the deductible amounts applicable to such policies); or (iii) which challenges the exclusion from gross income of interest on the Bonds for purposes of federal income taxation;

Section 6.10 Tax-Exempt Status.

(a) The Borrower covenants, represents and agrees (i) that it will not take or omit to take or permit any action that, if taken or omitted, respectively, would adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes and, if it should take or permit any such action, the Borrower will take all lawful actions that it can take to rescind such action promptly upon having knowledge thereof and (ii) that the Borrower will take such action or actions, including amendment of this Agreement, the Mortgage and the Land Use Restriction Agreement, as may be necessary, in the Opinion of Bond Counsel, to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the U.S. Treasury or the IRS applicable to the Bonds or affecting the Project Facilities.

(b) The Borrower will not make or permit any use, and will not direct the Trustee to make any investment or use of the proceeds of any of the Bonds, which would cause any of the Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code and the regulations thereunder as the same may be applicable to the Bonds at the time of such action, investment or use and agrees to take and cause the Issuer and Trustee to take all actions required to comply with the provisions of Section 148 of the Code. The representations contained in the Tax Certificate (which is incorporated herein by reference) are true and correct, and the Borrower and the Issuer will observe the applicable covenants therein as if set forth herein.

(c) The Borrower further covenants and agrees that it will comply with and will take all action reasonably required to insure that the Trustee complies with all applicable requirements of Section 148 of the Code and the rules and regulations thereunder relating to the Bonds and the interest thereon, including the employment of a Rebate Analyst for the calculation of any rebatable amount (the “Rebate Amount”) to the U.S. Treasury. The Borrower agrees that it will cause a qualified rebate analyst reasonably acceptable to the Controlling Person (the “Rebate Analyst”) to calculate the Rebate Amount not later than forty-five (45) days after the fifth (5th) anniversary of the Issue Date and each five (5) years thereafter and agrees that the Borrower will pay all costs associated therewith. Within fifteen (15) days of the date of each such calculation, the Borrower shall promptly (i) deliver a report or letter from the Rebate Analyst setting forth the Rebate Amount, if any, then due and the methods used to calculate such amount (each, a “Rebate Report”) to the Issuer, the Controlling Person and the Trustee, (ii) deliver the Rebate Amount to the Trustee, and (iii) deliver to the Trustee any forms required by the IRS to be submitted with the Rebate Amount, if any, and the addresses to which such forms must be sent.

(d) Neither the Borrower nor any related person shall, pursuant to any arrangement, formal or informal, purchase any of the Bonds, unless the Borrower or such related

person delivers a Favorable Opinion of Bond Counsel to the Trustee, the Controlling Person and the Issuer.

(e) No changes will be made to the Project Facilities, no actions will be taken by the Borrower; and the Borrower will not omit to take any actions, in each case, which will in any way adversely affect the exclusion from gross income of interest on the Bonds for purposes of federal income taxation.

(f) The Borrower will not make any changes in the Project Facilities that would, at the time made, cause the average reasonably expected economic life of the Project Facilities, determined pursuant to Section 147(b) of the Code, to be less than the average reasonably expected economic life of the Project Facilities set forth in such certificates or letters of representation of the Borrower, unless the Borrower files with the Trustee and the Controlling Person a Favorable Opinion of Bond Counsel.

(g) No portion of the proceeds of the Bonds will be used to acquire existing property or any interest therein unless such acquisition meets the rehabilitation requirements of Section 147(d) of the Code.

(h) The Project Facilities will be owned, managed and operated as a “qualified residential rental property” as such phrase is utilized in Section 142(d) of the Code. To that end, the Borrower hereby represents and covenants and agrees that it will comply with the terms, conditions and provisions of the Tax Certificate and the Land Use Restriction Agreement.

(i) The Borrower will permit any duly authorized representative of the Trustee, the U.S. Treasury or the IRS and the Controlling Person to inspect the books and records of the Borrower pertaining to the incomes of qualifying tenants residing in the Project Facilities upon reasonable notice (given at least 5 days in advance) and at reasonable times during business hours on Business Days.

(j) The Borrower will promptly notify the Trustee and the Controlling Person if at any time the dwelling units in the Project Facilities are not available for occupancy as required by the Land Use Restriction Agreement, and, upon request, the Borrower will provide the Trustee and the Controlling Person a copy of the compliance certificates required to be filed by the Borrower under and at the times provided by the Land Use Restriction Agreement.

Section 6.11 Single Purpose Entities.

(a) Single Purpose Status. The Borrower and the General Partner shall (i) not engage in any business or activity, other than the ownership, renovation, operation and maintenance of the Project Facilities and activities incidental thereto; and (ii) not acquire, own, hold, lease, operate, manage, maintain, develop or improve any assets other than the Project Facilities and such personal property as may be necessary for the operation of the Project Facilities and shall conduct and operate its business as presently conducted and operated.

(b) Specific Activities. The Borrower and the General Partner shall (i) not maintain their assets in a way difficult to segregate and identify; (ii) ensure that business transactions between the Borrower and any Affiliate of the Borrower or any Affiliate of the General Partner shall be entered into upon terms and conditions that are substantially similar to those that would be available on an arms-length basis with a third Person other than the General Partner or any respective Affiliate thereof; (iii) not incur or contract to incur any obligations, secured or unsecured, direct or contingent (including guaranteeing any obligation), other than, in the case of the Borrower, the Obligations evidenced by this Agreement, the other Bond Documents, the Swap Agreement and the Subordinate Debt Documents, or unsecured loans or guaranty payments made by the partners of the Borrower or Guarantors pursuant to the Partnership Agreement, or unsecured trade payables or the Developer Fee; (iv) not make any loans or advances to any third Person (including any Affiliate of the Borrower or the General Partner), except as otherwise permitted under this Agreement or the Bond Documents; (v) do or cause to be done all things necessary to preserve its existence; (vi) not amend, modify or otherwise change its partnership certificate, Partnership Agreement, articles of organization or operating agreement without obtaining the prior written consent of the Controlling Person, not to be unreasonably withheld, conditioned or delayed (and which Controlling Person will endeavor to accept or reject within ten (10) Business Days of request), provided that no consent shall be required for changes or amendments to the Partnership Agreement to the extent such change or amendment is solely required to effect a Permitted Transfer, and provided that any changes with respect to installments of capital contributions which constitute Required Equity Funds or the timing thereof or that otherwise, except for a change or amendment solely required to effect a Permitted Transfer, materially and adversely affect the rights and interests of the Holders, also require Majority Owner consent, which consent shall not be unreasonably withheld, conditioned or delayed; (vii) conduct and operate its business as presently conducted and operated; (viii) maintain its books and records and bank accounts separate from those of its Affiliates; (ix) be, and at all times shall hold itself out to the public as, a legal entity separate and distinct from any other Person (including any Affiliate); (x) file its own tax returns; (xi) maintain adequate capital for the normal obligations reasonably foreseeable in a business of its size and character and in light of its contemplated business operations and in any event not less than that required under State law in order to remain a separate legal entity, provided that the foregoing shall not obligate any partner of the Borrower to make capital contributions to Borrower in excess of the amount required under the Partnership Agreement; (xii) not seek or consent to the dissolution or winding up, in whole or in part, of the Borrower or the General Partner; (xiii) not (A) consent to the dissolution or liquidation in whole or in part of the Borrower, (B) permit the General Partner to dissolve or (C) consent to the dissolution or liquidation of the General Partner; (xiv) not commingle the funds and other assets of the Borrower with those of the General Partner, any Affiliate thereof or any other Person; and (xv) not enter into any transaction with an Affiliate without the prior written consent of the Controlling Person or as permitted pursuant under the Loan Documents.

Section 6.12 Negative Pledge; No Sale.

(a) Negative Pledge. The Borrower will not create, incur, assume or permit to exist any mortgage, pledge, security interest, encumbrance or other Lien upon the Project Facilities or any property, tangible or intangible, now owned or hereafter acquired (including without limitation property leased to or being acquired by the Borrower under capital leases or installment sale agreements) by the Borrower (the sale with recourse of receivables or any “sale and lease back” of any fixed assets being deemed to be the giving of a Lien thereon for money borrowed), other than Permitted Encumbrances.

(b) No Sale. Other than Permitted Transfers and the making of residential leases, the Borrower shall not sell, assign, transfer, convey or otherwise dispose of the Project Facilities, or any part thereof, or permit or consent to a Sale without in each instance (i) obtaining the express prior written consent of the Controlling Person, which consent may be withheld or granted (and is subject to the payment of such fees and the satisfaction of other conditions as set forth in Section 1.12 of the Mortgage) in the Controlling Person’s sole and absolute discretion and (ii) complying with the applicable requirements of the Land Use Restriction Agreement.

Section 6.13 Payment of Indebtedness and Obligations; Accounts Payable; Restrictions on Indebtedness.

(a) Payment of Obligations. The Borrower will pay, discharge or otherwise satisfy at or before maturity or before they become delinquent, as the case may be, all of the Borrower’s Indebtedness under the Bond Documents and all of its other Obligations, whether now existing or hereafter arising, and comply with all covenants and agreements set forth in agreements evidencing Obligations of the Borrower.

(b) Accounts Payable. The Borrower shall pay or cause to be paid the Expenses, and capital expenditures and its other accounts payable with respect to and costs of operation and maintenance of the Project Facilities within thirty (30) days of receipt of an invoice therefor, or when the same shall otherwise be due and payable. The Borrower shall make no distribution of funds to its partners unless no Default or Event of Default exists, such distribution is in accordance with the provisions of the Partnership Agreement, and all current accounts payable that are not being contested in good faith shall have been paid and funds shall have been set aside for the payment of accounts payable becoming due within thirty (30) days of said distribution.

(c) Restrictions on Indebtedness and Obligations. Other than the Subordinate Debt, without obtaining the prior written consent of the Controlling Person, the Borrower will not create, incur, assume, guarantee or be or remain liable for any indebtedness or Obligations other than (i) Indebtedness under the Bond Documents; (ii) Indebtedness in respect of the Swap Agreement or the Subordinate Debt Documents; (iii) current liabilities of the Borrower relating to the Project Facilities incurred in the ordinary course of business but not incurred through the borrowing of money or obtaining of credit; and (iv) any unsecured loans or guaranteed payments from partners or their Affiliates or the Guarantor pursuant to the Partnership Agreement.

The Borrower will obtain all Governmental Actions and will make all notifications, as required by Environmental Laws, and will, at all times, comply with the terms and conditions of any such Governmental Actions or notifications. During the term of this Agreement, if requested by the Controlling Person, the Borrower will provide to the Controlling Person copies of (i) applications or other materials submitted to any Governmental Authority in compliance with Environmental Laws, (ii) any notifications submitted to any Person pursuant to Environmental Laws, (iii) any Governmental Action granted pursuant to Environmental Laws, (iv) any record or manifest required to be maintained pursuant to Environmental Laws, and (v) any correspondence, notice of violation, summons, order, complaint or other document received by the Borrower, its lessees, sub-lessees or assigns, pertaining to compliance with any Environmental Laws.

(b) *Hazardous Substances.* The Borrower will, at all times during the term of this Agreement, cause Hazardous Substances used at the Project Facilities to be handled, used, stored and disposed in accordance with all Environmental Laws and in a manner which will not cause an undue risk of Contamination.

(c) *Radon.* The Borrower will cause all construction of new structures at the Project Facilities during the term of this Agreement to use design features which safeguard against or mitigate the accumulation of radon or radon products in concentrations exceeding the Environmental Protection Agency's recommended threshold of 4.0pCi/L.

(d) *Storage Tanks.* The Borrower shall not install or permit to be installed any temporary or permanent tanks for storage of any liquid or gas above or below ground, except after obtaining written permission from the Controlling Person to do so and in compliance in all material respects with Environmental Laws.

(e) *Mold Program.* The Borrower shall implement a moisture management and control program (the "Moisture Management Program") for the Improvements at the Project Facilities to prevent the occurrence of mold, dangerous fungi, bacterial or microbial matter contamination or pathogenic organisms that reproduces through the release of spores or the splitting of cells (collectively, "Mold"), at, on or under the Project Facilities, which Moisture Management Program shall include, at a minimum: (a) periodic inspections of the Improvements at the Project Facilities for Mold, (b) removing or cleaning up any Mold and in a manner consistent with best industry practices and utilizing an experienced remediation contractor acceptable to and approved by the Controlling Person, and (c) in the event that the Mold identified at the Improvements at the Project Facilities cannot be removed or cleaned from any impacted building materials (e.g., porous materials such as carpeting, certain types of ceiling materials) and/or equipment, removing all such impacted building materials and/or equipment from the Project Facilities, all in accordance with the procedures set forth in the United States

Environmental Protection Agency's ("EPA") guide entitled "Mold Remediation in Schools and Commercial Buildings," EPA No. 402-K-01-001, dated March 2001, and in a manner consistent with best industry practices and utilizing an experienced remediation contractor acceptable to and approved by the Controlling Person. The Borrower shall include as part of every new residential lease a Mold/Mildew Addendum in the form attached hereto as Exhibit C. The Borrower further covenants and agrees that, in connection with any mold remediation undertaken by or on behalf of the Borrower hereunder, the source (e.g., leaking pipe, water damage, water infiltration, etc.) of any Mold at the Improvements at the Project Facilities shall be promptly identified and corrected to prevent the occurrence or re-occurrence of any Mold.

(f) *Default, Violation.* Upon the occurrence and continuation of an Event of Default, or if the Controlling Person has evidence that there has occurred and is continuing a violation of Environmental Law or that there exists a condition that could give rise to any Governmental Action, the Controlling Person may, at its discretion, commission an investigation at the Borrower's expense of (i) compliance at the Project Facilities with Environmental Laws, (ii) the presence of Hazardous Substances or Contamination at the Project Facilities, (iii) the presence at the Project Facilities of materials which are described in clause (b) of Section 5.12, (iv) the presence at the Project Facilities of Environmentally Sensitive Areas, (v) the presence at the Project Facilities of radon products, (vi) the presence at the Project Facilities of tanks of the type described in paragraph (e) of Section 5.12 or in paragraph (d) of Section 6.14 above, or (vii) the presence of substantial Mold at the Project Facilities. In connection with any investigation pursuant to this paragraph, the Borrower, and its lessees, sub-lessees and assigns, will comply with any reasonable request for information made by the Controlling Person or its agents in connection with any such investigation. Any response to any such request for information will be full and complete. The Borrower will assist the Controlling Person and its agents to obtain any records pertaining to the Project Facilities or to the Borrower and the lessees, sub-lessees or assigns of the Borrower in connection with an investigation pursuant to this paragraph. The Borrower will permit the Controlling Person and its agents access during business hours to all areas of the Project Facilities subject to tenants rights with 24 hours' notice, during business hours and in reasonable manners in connection with any investigation pursuant to this paragraph. No investigation commissioned pursuant to this paragraph shall relieve the Borrower from any responsibility for its representations and warranties under Section 5.12 hereof or under the Environmental Indemnity.

(g) *Contamination.* In the event of any Contamination affecting the Project Facilities, whether or not the same originates or emanates from the Project Facilities or any contiguous real estate, or if the Borrower otherwise shall fail to comply with any of the requirements of Environmental Laws, the Controlling Person may, at its election, but without the obligation so to do, give such notices, cause such work to be performed at the Project Facilities (after reasonable notice and opportunity to cure by the Borrower and the Investor Limited Partner), and take any and all other actions as the Controlling Person shall deem reasonably necessary or advisable in order to remedy said Contamination or cure said failure of compliance, and any amounts paid as a result thereof, together with interest thereon at the Default Rate from the date of payment by the Controlling Person, shall be immediately due and payable by the

Borrower and until paid shall be added to and become a part of the Indebtedness created hereunder and shall have the benefit of the Lien hereby created as a part thereof prior to any right, title or interest in or claim upon the Project Facilities attaching or accruing subsequent to the Lien of the Mortgage on the Project Facilities.

Section 6.15 Controlling Person. Section 6.17 Leases. The Borrower hereby represents that there are no leases or agreements to lease all or any part of the Project Facilities now in effect except for leases to residential tenants in compliance with the Land Use Restriction Agreement. Except for leases to residential tenants in compliance with the Land Use Restriction Agreement and leases for services associated with residential rental properties (such as laundry and cable lease), the Borrower shall not enter into or become liable under, any leases or agreements to lease all or any part of the Project Facilities without the prior written approval thereof and of the prospective tenant by the Controlling Person (such approval not to be unreasonably withheld). Each lease of residential units in the Project Facilities to a residential tenant shall be on a form of lease approved by the Controlling Person and shall be in compliance with the requirements of the Land Use Restriction Agreement.

Section 6.18 Further Assurances. The Borrower will promptly and duly execute, acknowledge and deliver from time to time such further instruments and take such further actions as may be reasonably required by the Issuer, the Trustee or the Controlling Person to carry out the purposes and provisions of this Agreement and the other Bond Documents, to confirm the priority and/or perfection of any lien, pledge, assignment or security interest created or intended to be created by this Agreement and to assure the Controlling Person and the Majority Owner of the subrogation and security rights in favor of the Trustee for the benefit of the Holders of the Bonds contemplated by this Agreement, by the other Bond Documents and by the Indenture, provided, however such instruments or notes shall not contain a change in material economic terms of the Loan or expand the rights and responsibilities of the parties hereunder. The Borrower shall obtain any approvals required under the Swap Agreement, the Ground Lease or the Subordinate Debt Documents in connection with any of the foregoing.

Section 6.19 Management Agreement. The Borrower has entered into a property management agreement in a form approved by the Controlling Person with the Managing Agent (together with any extension and replacements thereof and as the same may be amended, modified or supplemented from time to time the "Management Agreement"). Under the Management Agreement, the Managing Agent shall provide certain management services and shall be entitled to receive as compensation for those services an amount not in excess of the Underwritten Management Fee. Any amounts due the Managing Agent in excess of the Underwritten Management Fee shall be subordinated to the payment by the Borrower of all principal of, premium, if any, and interest due on the Bonds, all Third Party Costs and all required deposits into the Accounts and all payments due under the Ground Lease. The Borrower shall not replace the Managing Agent for the Project Facilities without the Controlling Person's prior written approval (such approval not to be unreasonably withheld), and the Management Agreement shall not be terminated or modified without the Controlling Person's prior written approval (such approval not to be unreasonably withheld). In the event the Managing Agent resigns or is removed, the Borrower shall promptly seek a replacement Managing Agent and submit the name of such replacement Managing Agent and its proposed form of Management Agreement to the Controlling Person for approval (such approval not to be unreasonably withheld); if the Borrower has not done so within thirty (30) days of becoming aware of such resignation or removal, the Controlling Person may (but shall not be required to) engage a new Managing Agent on terms satisfactory to the Controlling Person in its sole discretion and at the expense of the Borrower. The sole and exclusive compensation (exclusive of reimbursement for expenses pursuant to the applicable Management Agreement) paid to manage the Project Facilities under the Management Agreement shall be as described in this Section 6.19. The Borrower shall have no employees whatsoever. The Managing Agent shall execute a consent to the Assignment of the Management Agreement pursuant to which the Managing Agent shall confirm the subordination provisions described above and agree that the Management Agreement shall be terminable by the Controlling Person, with or without cause, on thirty (30) days' notice following and during the existence of an Event of Default.

Section 6.20 Determination of Taxability. Promptly after the Borrower first becomes aware of any Determination of Taxability or an event that could trigger a Determination of Taxability, the Borrower shall give written notice thereof to the Issuer, the Trustee, the Controlling Person and the Majority Owner.

Section 6.21 List of Bondholders. Upon the written request of the Controlling Person, the Borrower shall exercise any right it may have under the Indenture to request a list of Bondholders and shall deliver such list to the Controlling Person. Any costs associated with obtaining the list of Bondholders at the Controlling Person's request shall be paid by the Controlling Person.

Section 6.22 Use of Proceeds. The Borrower agrees that the proceeds of the Bonds will be allocated exclusively to pay Project Costs and that, for the greatest possible number of buildings, the Bond proceeds will be allocated on a pro rata basis to each building in the Project Facilities and the land on which such building is located, so that each building and the land on which it is located will have been financed fifty percent (50%) or more by the proceeds of the Bonds for the purpose of complying with Section 42(h)(4)(B) of the Code.

Section 6.23 Compliance With Anti-Terrorism Regulations. Neither the Borrower, the General Partner nor any Person holding any legal or beneficial interest whatsoever in the Borrower shall at any time before the Maturity Date be described in, covered by or specially designated pursuant to or be affiliated with any Person described in, covered by or specially designated pursuant to Executive Order 13224 –Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism, as amended, or any similar list issued by OFAC or any other department or agency of the United States. Notwithstanding the foregoing, the Borrower and the General Partner hereby each confirm that if it becomes aware or receives any notice of any violation of the foregoing covenant and agreement (an “OFAC Violation”), the Borrower or the General Partner, as applicable, will immediately (i) give notice to the Controlling Person of such OFAC Violation and (ii) comply with all Legal Requirements applicable to such OFAC Violation, including, without limitation, Executive Order 13224; the International Emergency Economic Powers Act, 50 U.S.C. Sections 1701-06; the Iraqi Sanctions Act, Pub. L. 101-5 13, 104 Stat. 2047-55; the United Nations Participation Act, 22 U.S.C. Notwithstanding anything to the contrary in this Section, the Borrower shall not be deemed to be in violation of the covenants and agreements set forth in the first sentence of this Section if the Borrower timely complies with all requirements imposed by the foregoing sentence and all requirements of the Anti-Terrorism Regulations and all other applicable Legal Requirements relating to such OFAC Violation.

Section 6.24 Delivery of Capital and Operating Budgets.

(a) On or before December 1 of each Fiscal Year, the Borrower shall submit to the Controlling Person for approval a proposed capital and operating budget with respect to the Project Facilities to be effective for the next following Fiscal Year (the “Proposed Budget”). The Controlling Person shall have the right to approve or disapprove any Proposed Budget, which approval shall not be unreasonably withheld or delayed. Third party costs not within the Borrower’s control and costs associated with remediation of emergency conditions shall be

permitted variances to the Annual Budget. If any Proposed Budget is not disapproved by the Controlling Person within thirty (30) days following submission by the Borrower, such budget shall be deemed approved. If any budget is disapproved, the Borrower shall thereafter consult with the Controlling Person in an effort to achieve a mutually acceptable Annual Budget for an additional thirty (30) days. To the extent the proposed operating budget is disapproved, the operating budget for the previous Fiscal Year shall remain in effect increased by five percent (5%) over the previous Fiscal Year (except for costs of utilities, Impositions and insurance and other third-party costs or cost associated with remediation of emergency conditions which shall be permitted variances to the Proposed Budget) until the parties resolve their differences. In addition to, and not in limitation of the foregoing, each Annual Budget may be revised from time to time with approval of Controlling Person to reflect changes to Expenses and proposed Capital Expenditures set forth in the then-current Annual Budget.

(b) Without limiting the generality that each Proposed Budget must be approved by the Controlling Person, each Proposed Budget:

The Borrower (a) understands that the Issuer will, pursuant to the Indenture and as security for the payment of the principal of, acceleration premium, if any, and the interest on the Bonds, assign and pledge to the Trustee, and create a security interest in favor of the Trustee in certain of its rights, title and interest in and to this Agreement (including all payments hereunder), reserving, however, the Reserved Rights (b) hereby agrees and consents to such assignment and pledge, (c) acknowledges that it has received a copy of the Indenture for its examination and review, (d) by its execution of this Agreement, acknowledges that it has approved, has agreed to and is bound by the applicable provisions of the Indenture, and (e) agrees that the Trustee shall be entitled to enforce and to benefit from the terms and conditions of this Agreement that relate to it notwithstanding the fact that it, is not a signatory hereto.

Section 6.26 Conditions Precedent; Payment of Certain Fees, Deposits and Expenses. On the date of execution and delivery hereof, (a) the Controlling Person shall have received, in

immediately available funds, an amount equal to the sum of the fees set forth in Section 2.2(a) and Section 2.2(d) hereof and the fees of the Engineering Consultant set forth in Section 2.2(b) hereof incurred as of the date of the execution and delivery hereof and (b) the Trustee shall have received the deposits required to be made in the Accounts on such date pursuant to Article 8 hereto.

Section 6.27 Additional Conditions Precedent. The rights of the Borrower to draw the initial advance of funds from the Project Fund under this Agreement shall be subject to the conditions precedent set forth in Section 9.12 hereof and on Schedule 7 hereto.

Section 6.28 Construction of Improvements. The Borrower (a) shall cause construction of the Project Facilities in a good and workmanlike manner, substantially in accordance with the Plans and Specifications and in compliance in all material respects with all applicable Governmental Actions and Legal Requirements, (b) shall provide, or cause to be provided at the Borrower's expense, all manner of materials, labor, implements and cartage of every description for the due completion of construction of the Project Facilities, (c) shall take all necessary steps to assure that commencement of construction of the Project Facilities shall begin within thirty (30) days following the Issue Date, shall proceed continuously and diligently and in a commercially reasonable manner, and shall be completed free of Liens (except for Permitted Encumbrances) in a timely manner substantially in accordance with the Plans and Specifications and in all instances in compliance with all applicable Governmental Actions and Legal Requirements, on or before the Completion Date, subject to delays caused by a Force Majeure.

Section 6.29 Evidence of Payment of Costs. If requested by the Controlling Person, the Borrower shall furnish, before each Advance agreed to be made and on completion of construction, all receipted bills, certificates, affidavits, conditional releases of lien and other documents which may be reasonably required by the Controlling Person as evidence of full payment for all labor and materials incident to the construction of the Project Facilities for each requested Advance with copies of unconditional releases of lien from each prior Advance and will promptly secure the release of the Project Facilities from all Liens by payment thereof or transfer to bond or other security.

Section 6.30 Correction of Deficiencies in Improvements. The Borrower agrees that it will correct or cause to be corrected any work performed and replace any materials that do not comply with the Plans and Specifications in any material respect. In the event of any dispute between the Borrower and the Controlling Person with respect to the interpretation and meaning of the Plans and Specifications, the same shall be determined by an independent engineer selected by the Borrower from the list of engineers approved by the Controlling Person.

Section 6.31 Loan Rebalancing. If, for any reason, the Controlling Person shall, in the reasonable exercise of the Controlling Person's judgment, determine that the combined total of (i) the remaining proceeds of the Loan, (ii) the capital contributions from Borrower's partners, (iii) any other source of funds shown in the Development Budget attached hereto and (iv) any other sums deposited by the Borrower with the Trustee are insufficient to pay through

completion of the Project Facilities all of the following sums: (x) all remaining costs of construction, rehabilitating, marketing, ownership, maintenance and leasing of the Project Facilities; and (y) all remaining interest and all other remaining sums which may accrue or be payable under the Bond Documents, then the Controlling Person may require the Borrower to deposit with the Trustee for deposit into the Project Fund, within ten (10) days after written request by the Controlling Person, the projected deficiency, and such deposit shall be first disbursed in the same manner as the Loan is to be disbursed as provided herein before any further disbursements of the proceeds of the Loan shall be made. Notwithstanding the foregoing, if, at any time, the Controlling Person determines, in the Controlling Person's reasonable discretion, that it is unlikely that Borrower will receive all or a portion of the sources of funds shown on the Development Budget (other than Loan proceeds), the Controlling Person may exclude such amount from its determination of whether the Loan is "in balance" as provided above.

Section 6.32 Use of Loan Proceeds. All labor and materials contracted for and in connection with the construction of the Project Facilities shall be used and employed solely for the Improvements and in said construction and only in accordance with the Plans and Specifications. Moneys disbursed from Accounts held under the Indenture to or for the account of the Borrower under this Agreement shall constitute a trust fund in the hands of the Borrower or other payee and shall be used solely by such payee for the payment of the Qualified Project Costs and for no other purpose unless another use is specifically provided for in this Agreement or consented to in writing by the Controlling Person. Nothing in this paragraph shall be deemed to impose a trust on the undisbursed portion of the Loan or any other amounts held under the Indenture or to impose any duty on the Controlling Person with respect thereto.

Section 6.33 Special Servicing Costs. The Controlling Person, as servicer of the Loan, may charge the Borrower additional servicing fees and costs for special servicing requests made by the Borrower. The Borrower shall pay as and when due all such special servicing fees or costs.

Borrower shall take such action and require such performance as Controlling Person deems reasonably necessary under the Payment and Performance Bonds. In the event that any payments under any Payment and Performance Bonds are issued jointly to Borrower and Trustee or Borrower and Controlling Person, Borrower shall endorse any such jointly issued payments to the order of Trustee or Controlling Person, as determined by Controlling Person in its discretion, promptly upon Controlling Person's demand.

Notwithstanding the foregoing, provided no Default or Event of Default exists, the Borrower may request that Controlling Person consent in writing to the release of the Payment and Performance Bonds following achievement of Substantial Completion.

Section 6.36 No Amendments. The Borrower shall not amend, modify or otherwise change the Swap Agreement, Ground Lease or the Subordinate Debt Documents without the prior written consent of the Controlling Person which consent shall not be unreasonably withheld, conditioned or delayed.

Section 6.37 Substitution of Guarantor. The Borrower and the Guarantors shall, within sixty (60) days of the death or dissolution of an individual Guarantor, provide a substitute guarantor (the "Substitute Guarantor") who shall assume and perform the obligations of a Guarantor under the Bond Documents if the remaining Guarantors shall not then satisfy the Minimum Net Worth Requirement set forth below. The Substitute Guarantor shall: (i) be a person or entity reasonably acceptable to Controlling Person; (ii) be a person or entity for which no OFAC Violation (as set forth in Section 6.23 hereof) shall have occurred; (iii) together with the other remaining Guarantors, satisfy the Minimum Net Worth Requirement set forth below immediately following the substitution; (iv) satisfy the Controlling Person's credit underwriting standards at the time of substitution; and (v) execute and deliver instruments of assumption in form and substance acceptable to the Controlling Person. The Substitute Guarantor and each remaining Guarantor must provide the Controlling Person with a written certification, under penalty of perjury as true and complete, of the net worth and liquid assets of such Guarantor, derived in accordance with customarily acceptable accounting practices together with such other evidence as the Controlling Person may request.

Section 6.38 Maintenance of Swap Agreement. Unless otherwise consented to by the Controlling Person, the Borrower shall, at its sole cost and expense, maintain or cause to be maintained the Swap Agreement or a replacement Swap Agreement approved in form and substance by the Controlling Person at all times throughout the term hereof such that the entire outstanding principal amount of the Bonds is fully hedged.

In addition to the foregoing, upon the occurrence of an Event of Default under Sections 7.1(k), (l) and (m) arising with respect to the Guarantor, the Investor Limited Partner shall have thirty (30) days to provide a substitute guarantor reasonably acceptable to the Controlling Person and satisfying the conditions of Section 6.37 hereof so long as Borrower is not otherwise in default hereunder and such cure period will not materially impair Trustee's ability to exercise remedies against Guarantor.

Section 7.8 Default Rate; Acceleration Premium. In the event there shall have occurred an acceleration of the Obligations following an Event of Default on or before the First Optional Call Date, any tender of payment of an amount necessary to satisfy the Indebtedness created hereunder shall include the acceleration premium set forth in Section 2.3(c) hereof. In addition, in the event that principal or interest payable hereunder is not paid when due, there shall be payable on the amount not timely paid, interest at the Default Rate until the unpaid amount, together with interest thereon, shall have been paid in full.

Section 7.9 Reserved Rights; Regulatory Agreement Defaults.

(a) Notwithstanding anything to the contrary contained herein, the Issuer may enforce its Reserved Rights under the Bond Documents and exercise the permitted remedies with respect thereto against the Borrower, subject to the provisions of subparagraph (c) below.

(b) If there shall have occurred and be then continuing an event of default under the Land Use Restriction Agreement which would, in the reasonable judgment of the Issuer or the Trustee, jeopardize the exclusion from gross income of interest on the Bonds (a "Regulatory Agreement Default") and such Regulatory Agreement Default remains uncured or unwaived for a period of sixty (60) days after the Borrower, the Controlling Person and the Majority Owner receive written notice from the Trustee or the Issuer stating that a Regulatory Agreement Default has occurred and specifying the nature of such default, then, if authorized by the Bond Documents, the Issuer and the Trustee may, without the consent of the Controlling Person or the Majority Owner, exercise the remedy of pursuing specific performance of the Bond Documents on account of such Regulatory Agreement Default, unless:

(i) The Issuer and the Trustee, prior to the end of such sixty (60) day period, are provided with an Opinion of Bond Counsel to the effect that the failure to cure such default will not have an adverse effect on the exclusion from gross income for federal income tax purposes of interest on the Bonds (which Opinion of Bond Counsel may be requested and obtained by the Controlling Person or the Majority Owner);

(ii) The Controlling Person, the Majority Owner or the Borrower institutes action to cure such Regulatory Agreement Default within such sixty (60) day period and diligently pursues such action thereafter until such Regulatory Agreement Default is cured; or

(iii) (A) Such Regulatory Agreement Default is not reasonably curable by the Controlling Person or the Majority Owner without the Trustee's first securing possession of the Project Facilities and/or operational control of the Borrower and (B) the Controlling Person or the Majority Owner (subject to extension during any stay on account of the bankruptcy of the Borrower) (x) instructs the Trustee, subject to the terms of the Indenture, to institute, within such sixty (60) day period, proceedings or other action for the purposes of obtaining

such possession or control pursuant to the Bond Documents, (y) thereafter instructs the Trustee, pursuant to the terms of the Indenture, to pursue diligently such proceedings until such possession or control is obtained; and (z) diligently pursues action to cure such Regulatory Agreement Default after the Trustee or other designee of the Controlling Person or the Majority Owner obtains possession or control of the Project Facilities until such Regulatory Agreement Default is cured; provided, however, that any extension of the period within which a Regulatory Agreement Default must be cured shall only be effective if and to the extent that, in the Opinion of Bond Counsel provided to the Trustee, such extension will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds; provided, further, that the Trustee, upon five (5) Business Days' prior written notice to the Controlling Person and the Majority Owner following any such Regulatory Agreement Default, may reduce the 60-day period provided above to such shorter period of time as is specified in such notice (but in no event less than fifteen (15) Business Days), but only if the Trustee, the Controlling Person and the Majority Owner shall have been provided with an Opinion of Bond Counsel to the effect that such reduction of such period is necessary to preserve the exclusion from gross income for federal income tax purposes of interest on the Bonds.

(c) In the event of a Default in respect of Reserved Rights or a Regulatory Agreement Default which remains uncured after written notice thereof to the Borrower, the Controlling Person and the Majority Owner, nothing in this Section 7.9 shall restrict or in any way limit the right of the Issuer or the Trustee to take any action for specific performance available under the Land Use Restriction Agreement or at law or in equity in order to enforce the terms of the Land Use Restriction Agreement or to enforce Reserved Rights hereunder, so long as neither the Issuer nor the Trustee takes any action (i) to declare the outstanding balance of the Bonds or the Loan to be due on account of such Default or Regulatory Agreement Default, (ii) to have a receiver appointed in respect of the Project Facilities, (iii) to foreclose any Liens upon or the security interests in or to enforce any other similar remedy against any of the property described in the Mortgage, or (iv) to enforce any other similar remedy which would cause such Liens or security interests to be discharged or materially impaired thereby.

(a) On the Issue Date, the Borrower shall pay, or cause to be paid, to the Trustee, to be deposited in the Tax and Insurance Escrow Fund, the amount specified in Section 4.1 of the Indenture, if any.

(b) Thereafter, unless otherwise directed by the Controlling Person, two Business Days before each Interest Payment Date commencing the First Interest Payment Date, and continuing each month thereafter, the Borrower shall pay, or cause to be paid, to the Trustee an amount equal to the Monthly Tax and Insurance Amount for the Project Facilities to be deposited in the Tax and Insurance Escrow Fund.

Section 8.3 Deposits to Redemption Fund. Two Business Days before each Principal Payment Date, commencing on the First Principal Payment Date and continuing thereafter until the date on which the Bonds are no longer Outstanding or have been defeased, the Borrower shall pay to the Trustee the monthly amount shown on Schedule 3 hereto for deposit into the Redemption Fund pursuant to Section 4.6(a) of the Indenture. Following any partial redemption of Bonds (other than pursuant to Section 3.4(c) of the Indenture), the Controlling Person shall adjust the monthly amount due pursuant to this provision to account for any partial redemption of the Bonds in the manner set forth in Section 3.4(e) of the Indenture and shall provide the Borrower and the Trustee with the revised Schedule 3. The Borrower shall also pay to the Trustee for deposit in the Redemption Fund all amounts required to redeem the Bonds pursuant to Section 3.4(b)(vi) of the Indenture on or before the Interest Payment Date specified in the notice of the Controlling Person as provided in Section 3.4(b)(vi) of the Indenture. Section 8.5 Investment. Funds in the Accounts shall be invested in Permitted Investments upon the written direction of the Borrower with the consent of the Controlling Person, as set forth in Section 4.8 of the Indenture. The Trustee shall not be liable for any loss sustained as a result of any liquidation of any collateral prior to its

maturity. Any income or gain realized on such investments shall be credited to and become part of the respective Account and reinvested and applied as provided in the Indenture. Provided that no Default or Event of Default exists, the Borrower from time to time may request the Controlling Person to consent to the disbursement to or upon the order of the Borrower of the investment income previously credited to the Accounts, which consent by the Controlling Person shall not be unreasonably withheld or delayed.

Section 8.6 Security Interest in Accounts. The Borrower hereby assigns and pledges to the Issuer, and grants the Issuer a security interest in, as additional collateral security for the Borrower's obligations to the Issuer hereunder (and the Borrower acknowledges and agrees that the Issuer shall have a continuing security interest in) all of the Borrower's right, title and interest, if any, in all Accounts, all cash, cash equivalents, instruments, investments and other securities at any time held in the Accounts, all proceeds of the foregoing, and all of the Borrower's rights associated with such Accounts, if any. Within ten (10) days of a written request of the Borrower to such effect, the Trustee shall deliver to the Borrower an accounting of receipts, disbursements and balances in one or more of the Accounts as necessary and appropriate to assist the Borrower in complying with its covenants to calculate and pay any rebate amount or yield reduction payments due and owing to the United States with respect to the Bonds.

Section 8.8 No Liability of Trustee. In performing any of its duties hereunder, the Trustee shall not incur any liability to anyone for any damages, losses or expenses, except for its gross negligence, bad faith or willful misconduct; and the Trustee shall not incur any liability with respect to any action taken or omitted in good faith in the performance of its duties and responsibilities under this Agreement.

In connection with the issuance of the Bonds, certain moneys may be deposited with the Trustee before the Issue Date pursuant to one or more letters of instruction from the provider or providers of such moneys. The Borrower shall commence performance of the Work in respect of the Improvements no later than thirty (30) days following the Issue Date, and shall achieve Substantial Completion by the Substantial Completion Date and Final Completion of such Work in accordance with the Plans and Specifications on or before the Completion Date; provided, however, that at the request of the Borrower and with the prior written approval of the Controlling Person, the Substantial Completion Date or the Completion Date may be extended one or more times for such periods as the Controlling Person may approve in its reasonable discretion and upon delivery of such other information and funds as the Controlling Person may require in its reasonable discretion; provided, further, that the Substantial Completion Date and/or the Completion Date may be extended to accommodate any delays cause by Force Majeure.

Section 9.2 Making The Advances.

(a) At such time as the Borrower desires to obtain an Advance from the Project Fund, an Authorized Person shall complete, execute and deliver a Requisition to each of the Controlling Person and the Issuer Servicer for approval; no Requisition shall be delivered to the Trustee until it has been approved by the Controlling Person and the Issuer Servicer, and each Advance by the Trustee of the amounts in the Project Fund shall be subject to the prior approval of the Requisition by the Controlling Person and the Issuer Servicer not to be unreasonably withheld, conditioned or delayed. The Controlling Person shall endeavor to approve or object to any Requisition within ten (10) Business Days of its submission and the submission of all additional information required in connection with such Requisition and shall endeavor to provide specific information concerning the nature of any objection it may have.

(b) Each Requisition shall be submitted to the Controlling Person and the Issuer Servicer at least fifteen (15) Business Days prior to the date of the requested Advance, and no more frequently than once each month (excluding the month in which the initial Advance is requested). The Borrower shall open and maintain a checking account with a financial institution reasonably satisfactory to the Controlling Person. Except as otherwise provided for herein, the Controlling Person shall direct the Trustee to deposit the proceeds of each Requisition into such account.

Section 9.3 Advances to Contractors; to Others. At its option during the existence of any Event of Default or Default, the Controlling Person may direct the Trustee to make any or all advances: (a) for costs incurred under any construction contract directly to a contractor, subcontractor or vendor, (b) through the Title Company or (c) to any Person to whom the Controlling Person in good faith determines payment is due.

Section 9.4 Requisition. Each Requisition shall be in the form set forth on Exhibit B hereto, shall be signed on behalf of the Borrower by an Authorized Person, shall be subject to

approval by the Controlling Person and the Issuer Servicer, not to be unreasonably withheld, conditioned or delayed prior to payment and shall state with respect to each disbursement to be made: (a) the number of the Requisition; (b) the amount to be disbursed; (c) that each obligation therein for which such disbursement is being requested has been properly incurred and has not been the basis for any previous disbursement; and (d) that such disbursement, when added to all previous disbursements, will result in not less than ninety-five percent (95%) of all disbursements having been used to pay or reimburse the Borrower for Qualified Project Costs. Upon the approval of a requisition by the Controlling Person as provided herein and the Issuer Servicer as provided in the Construction Loan and Mortgage Servicing Agreement, the Borrower shall submit the approved Requisition to the Trustee without attachments.

Section 9.5 Project Costs. The Development Budget reflects the purposes and the amounts for which funds to be advanced by the Trustee from the Project Fund are to be used. Subject to Section 9.7 hereof, the Controlling Person shall not be required to approve any Requisition requiring disbursement of funds from the Project Fund for any item of Work in an amount exceeding the amount specified for any item in the Development Budget. Subject to Section 9.7 hereof, in no event shall the Controlling Person approve any Advance in an amount exceeding (a) the total cost (as determined by the Controlling Person) of the labor, materials, fixtures, machinery and equipment completed, approved and incorporated into the Project Facilities prior to the date of such Requisition, less (b) Retainage (if required) less (c) the total amount of any Advances previously made by the Trustee from the Project Fund for such costs.

Section 9.6 Retainage. The Controlling Person shall approve disbursement of Retainage upon completion of the Work or category of Work by the contractor or subcontractor under the contract for which the Retainage was held, not to be unreasonably withheld, conditioned or delayed. No disbursement of Retainage shall be approved unless all Work done at the date the Requisition for such Retainage is submitted is done in a good and workmanlike manner and without defects, as confirmed by a report of the Engineering Consultant pursuant to Section 9.13(g).

Section 9.7 Contingency Reserve. The amount allocated to "contingency" in the Development Budget is not intended to be disbursed without, and will only be disbursed upon, the prior approval of the Controlling Person, not to be unreasonably withheld. The disbursement of a portion of the contingency reserve shall in no way prejudice the Controlling Person from directing the Trustee to withhold disbursement of any further portion of the contingency reserve.

Section 9.8 Stored Materials. The Controlling Person shall approve Requisitions for funds for materials, furnishings, fixtures, machinery or equipment not yet incorporated into the Improvements, provided that any such disbursement shall be subject to and shall be contingent upon the Controlling Person's receiving satisfactory evidence that:

(a) such materials are components in a form ready for incorporation into the Improvements and shall be so incorporated within a period of thirty (30) days; and

(b) such materials are stored at the Project Facilities, or at such other site as the Controlling Person shall approve, and are insured and protected against theft and damage.

Section 9.9 Cost Overruns and Savings.

(a) If the Borrower becomes aware of any change in the costs of the Work which will increase or decrease the projection of the costs reflected on the Development Budget by \$50,000 or more, the Borrower shall immediately notify the Controlling Person in writing and promptly submit to the Controlling Person for its approval a revised Development Budget. If the Controlling Person otherwise becomes aware of any such change in costs of the Work, the Controlling Person shall have the right to prepare and to authorize disbursements on the basis of a revised Development Budget.

(b) If the revised Development Budget indicates an increase in costs of the Work for the Project Facilities (in excess of the aggregate contingency amount and savings), no further Requisitions for the Work at the Project Facilities need be approved by the Controlling Person unless and until the Borrower has deposited with the Trustee any required funds necessary to cause the amount remaining on deposit in the Project Fund and any Required Equity Funds yet to be deposited with the Trustee to be sufficient to complete fully the construction of the Improvements in accordance with the Plans and Specifications to the extent applicable, and to pay all other Projected costs in connection with the Work.

(c) If the revised schedule indicates a decrease in costs of the Work for the Project Facilities, no savings may be reallocated by the Borrower unless and until the Borrower has furnished the Controlling Person and the Engineering Consultant with evidence reasonably satisfactory to them that the labor performed and materials supplied in connection with such line item of costs have been satisfactorily completed and paid for in full, or will be able to be completed for the decreased amount. At such time, such savings may be reallocated by the Borrower, with the consent of the Controlling Person, to not to be unreasonably withheld other line items.

(d) The Issuer does not make any warranty, either express or implied, that the moneys paid into the Project Fund and available for payment of the Project Costs will be sufficient to pay all of the Project Costs. The Borrower agrees that if after exhaustion of the moneys in the Project Fund, the Borrower should pay any portion of the Project Costs as required herein, then the Borrower shall not be entitled to any reimbursement therefor from the Issuer, nor shall the Borrower be entitled to any diminution of the amounts payable under this Agreement or under the Note.

Section 9.10 Right to Retain the Engineering Consultant.

(a) The Controlling Person shall have the right to retain at the Borrower's cost and expense the Engineering Consultant to perform various services on behalf of the Controlling Person, including, without limitation, to make periodic inspections for the purpose of assuring that construction of the Improvements as of the date of any such inspection is in accordance with

the Plans and Specifications, to advise the Controlling Person of the anticipated cost of and time for completion of construction of the Improvements and to review all construction contracts and subcontracts.

The above parties may change the address to which notices to it are to be sent by written notice given to the other persons listed in this Section. All notices shall, when sent as aforesaid, be effective when received.

Section 10.2 Successors and Assigns; Third Party Beneficiaries. This Agreement shall inure to the benefit of and shall be binding upon the parties hereto and their respective successors and assigns, including, without limitation, the Trustee. The Controlling Person and the Majority Owner are express third party beneficiaries of this Agreement and the rights of the Trustee (as assignee of the Issuer) hereunder, with full rights of enforcement thereof. The Borrower may not assign its interests in or its rights, duties or obligations under this Agreement without the prior written consent of the Controlling Person. The Borrower and the Issuer intend that no person other than the parties hereto, the Majority Owner, the Controlling Person, and their respective successors and assigns as permitted hereunder, shall have any claim or interest under this Agreement or right of action hereon or hereunder.

Section 10.3 Survival of Covenants. All covenants made by the Borrower herein and in any document delivered pursuant hereto shall survive the issuance, sale and delivery of the Bonds, the delivery of this Agreement and the payment of any amounts under the Bond Documents.

Section 10.4 Counterparts; Electronic Signature. The execution hereof by each party hereto shall constitute a contract between them for the uses and purposes herein set forth, and this Agreement may be executed in any number of counterparts, with each executed counterpart constituting an original and all counterparts together constituting one agreement. To the fullest extent permitted by applicable law, facsimile or electronically transmitted signatures shall be treated as original signatures for all purposes hereunder.

Section 10.5 Costs, Expenses and Taxes. The Borrower agrees to pay on the Issue Date and thereafter within thirty (30) days after demand, all reasonable costs and expenses of the

Issuer, the Trustee, the Controlling Person and the Majority Owner in connection with the preparation, execution, delivery and administration of this Agreement, the other Bond Documents and any other documents that may be delivered in connection with this Agreement or the other Bond Documents or any amendments or supplements thereto, including, without limitation, the reasonable fees and expenses of the Engineering Consultant as provided under Section 2.2(b), the reasonable cost of an annual appraisal (but only upon the occurrence and during the continuation of an Event of Default) of the Project Facilities by an appraiser selected by the Controlling Person, the reasonable fees and expenses of counsel for the Majority Owner and the Controlling Person with respect thereto and with respect to advising the Majority Owner and the Controlling Person as to their respective rights and responsibilities under this Agreement, the other Bond Documents and such other documents, and all costs and expenses, if any, (including, without limitation, reasonable, out-of-pocket counsel fees and expenses of the Controlling Person and the Majority Owner) in connection with the enforcement of this Agreement, the other Bond Documents and such other documents.

Section 10.6 Severability; Interest Limitation. If any provision hereof is found by a court of competent jurisdiction to be prohibited or unenforceable in any jurisdiction, then it shall be ineffective as to such jurisdiction only to the extent of such prohibition or unenforceability, and such prohibition or unenforceability shall not invalidate the balance of such provision as to such jurisdiction to the extent it is not prohibited or unenforceable nor invalidate such provision in any other jurisdiction nor invalidate the other provisions hereof, all of which shall be liberally construed in favor of the Issuer in order to effect the provisions of this Agreement. Notwithstanding anything to the contrary herein contained, the total liability of the Borrower for payment of interest pursuant hereto shall not exceed the maximum amount, if any, of such interest permitted by applicable Legal Requirements to be contracted for, charged or received, and if any payments by the Borrower to the Trustee include interest in excess of such a maximum amount, the Trustee shall apply such excess to the reduction of the unpaid principal amount due pursuant hereto, or, if none is due, such excess shall be refunded to the Borrower; provided that, to the extent permitted by applicable Legal Requirements, in the event the interest is not collected, is applied to principal or is refunded pursuant to this sentence, and interest thereafter payable pursuant hereto shall be less than such maximum amount, then such interest thereafter so payable shall be increased up to such maximum amount to the extent necessary to recover the amount of interest, if any, theretofore uncollected, applied to principal or refunded pursuant to this sentence. Any such application or refund shall not cure or waive any Event of Default. In determining whether or not any interest payable under this Agreement exceeds the highest rate permitted by applicable Legal Requirements, any non-principal payment (except payments specifically stated in this Agreement to be "interest") shall be deemed, to the extent permitted by applicable Legal Requirements, to be an expense, fee, premium or penalty rather than interest.

Section 10.7 Conflicts. Insofar as possible the provisions of this Agreement shall be deemed complementary to the terms of the other Bond Documents, but in the event of conflict the terms hereof shall control to the extent such are enforceable under applicable Legal Requirements.

Section 10.8 Complete Agreement. Taken together with the other Bond Documents and the other instruments and documents delivered in compliance herewith, this Agreement is a complete memorandum of the agreement of the Borrower, the General Partner, the Guarantors, the Controlling Person, the Trustee, the Issuer and the Holders from time to time, with respect to the subject matter hereof.

Section 10.9 Consent to Jurisdiction; Venue; Waiver of Jury Trial. The parties hereby irrevocably (i) agree that any suit, action or other legal proceeding arising out of or relating to this Agreement or the other Bond Documents may be brought in any federal court located in the State and consent to the jurisdiction of such court in any such suit, action or proceeding; (ii) agree that any suit, action or other legal proceeding relating to the Bond Documents shall be brought solely in a federal or state court located in the State and (iii) waive any objection which it may have to the laying of venue of any such suit, action or proceeding in any such court and any claim that any such suit, action or proceeding has been brought in an inconvenient forum. The parties hereby irrevocably consent to the service of any and all process in any such suit, action or proceeding by mailing of copies of such process to such party at its address provided under or pursuant to Section 10.1 hereof. The parties agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable legal requirements. All mailings under this Section shall be by certified or registered mail, return receipt requested. Nothing in this Section shall affect the right of the Controlling Person and the Majority Owner to serve legal process in any other manner permitted by applicable Legal Requirements. **THE PARTIES HERETO HEREBY WAIVE THE RIGHT TO TRIAL BY JURY IN ANY ACTION ARISING UNDER THIS AGREEMENT, ANY OF THE OTHER BOND DOCUMENTS OR OTHERWISE IN CONNECTION HEREWITH.**

Section 10.10 Governing Law; Venue. This Agreement shall be governed by, and construed in accordance with, the Legal Requirements of the State without reference to its principles of conflicts of law. Venue shall be in Duval County, Florida.

Section 10.11 Headings. Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 10.12 Sale of Bonds and Secondary Market Transaction.

(a) At the Controlling Person or Majority Owner's reasonable request (to the extent not already required to be provided by the Borrower under this Agreement), the Borrower shall use reasonable efforts to satisfy the market standards to which the Controlling Person or Majority Owner customarily adheres or which may be reasonably required in the marketplace or by the Controlling Person or Majority Owner in connection with obtaining a rating or one or more sales or assignments of all or a portion of the Bonds or participations therein or securitizations of single or multi-class securities (the "Securities") secured by or evidencing ownership interests in all or a portion of the Bonds (each such sale, assignment and/or securitization, a "Secondary

Market Transaction"); provided that neither the Borrower nor the Issuer shall incur any third party or other out-of-pocket costs and expenses in connection with a Secondary Market Transaction, including the costs associated with the delivery of any Provided Information (as defined below) or any opinion required in connection therewith, and all such costs including, without limitation, any costs associated with receiving a rating on the Bonds, shall be paid by the Controlling Person or the Majority Owner and shall not materially modify the Borrower's rights or the obligations. Without limiting the generality of the foregoing, the Borrower and the Issuer shall, so long as the Loan is still outstanding:

(i) (1) provide financial and other information with respect to the Bonds and with respect to the Project Facilities, the Borrower, the General Partner, the Managing Agent or the Contractor, (2) provide financial statements, audited, if available, relating to the Project Facilities with customary disclaimers for any forward looking statements or lack of audit and (3) at the expense of the Controlling Person or Majority Owner, perform or permit or cause to be performed or permitted such site inspection, appraisals, surveys, market studies, environmental reviews and reports (Phase I's and, if appropriate, Phase II's), engineering reports, termite and other insect infestation reports and other due diligence investigations of the Project Facilities, the Borrower, General Partner, Guarantors, Managing Agent, Contractor and other third parties in connection with the Bonds, as may be reasonably requested from time to time by the Controlling Person or Majority Owner or the Rating Agencies or as may be necessary or appropriate in connection with a Secondary Market Transaction or Exchange Act requirements (the items provided to the Controlling Person or Majority Owner pursuant to this paragraph (i) and the other information provided pursuant to this Agreement and the other Bond Documents used in connection with a Secondary Market Transaction being called the "Provided Information"), together, if customary, with appropriate verification of and/or consents to the Provided Information through letters of auditors or opinions of counsel of independent attorneys acceptable to the Controlling Person or Majority Owner and the Rating Agencies;

(ii) make such representations and warranties as of the Issue Date of any Secondary Market Transaction with respect to the Project Facilities, the Borrower, General Partner, Guarantors, Managing Agent, Contractor or other third parties and the Bond Documents reasonably acceptable to the Controlling Person or Majority Owner, consistent with the facts covered by such representations and warranties as they exist on the date thereof, including a "bringdown" of the representations and warranties contained in the Bond Documents as of the date thereof and a representation that no Default or Event of Default has occurred and is continuing; and

(iii) execute such amendments to the Bond Documents to accommodate such Secondary Market Transaction so long as such amendment does not affect

the material economic terms of the Bond Documents and is not otherwise adverse to such party in its reasonable discretion.

(b) The Borrower understands that certain of the Provided Information and the required records may be included in disclosure documents in connection with a Secondary Market Transaction, including a prospectus or private placement memorandum (each, a “Secondary Market Disclosure Document”), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies and service providers or other parties relating to the Secondary Market Transaction. In the event that the Secondary Market Disclosure Document is required to be revised, the Borrower shall cooperate, subject to Section 10.12(c) hereof, with the Controlling Person and Majority Owner in updating the Provided Information or required records for inclusion or summary in the Secondary Market Disclosure Document or for other use reasonably required in connection with a Secondary Market Transaction by providing all current information pertaining to the Borrower and the Project Facilities necessary to keep the Secondary Market Disclosure Document accurate and complete in all material respects with respect to such matters. The Borrower hereby consents to any and all such disclosures of such information.

(c) In connection with a Secondary Market Disclosure Document, the Borrower, General Partner or Guarantors shall provide, or in the case of a Borrower-engaged third party such as the Managing Agent, cause it to provide, information reasonably requested by the Controlling Person or the Majority Owner pertaining to the Borrower, General Partner or Guarantors, the Project Facilities or such third party (and portions of any other sections reasonably requested by the Controlling Person or the Majority Owner pertaining to the Borrower, General Partner or Guarantors, the Project Facilities or the third party). The Borrower shall, if requested by the Controlling Person or the Majority Owner, certify in writing that the Borrower has carefully examined those portions of such Secondary Market Disclosure Document, pertaining to the Borrower, General Partner or Guarantor, the Project Facilities or the third party, and such portions (and portions of any other sections reasonably requested and pertaining to the Borrower, the Project Facilities or the third party) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading; provided that the Borrower shall not be required to make any representations or warranties regarding any Provided Information obtained from a third party except with respect to information it provided to such third parties; provided, further, that the Borrower will be required to cause such third parties to provide similar certification with respect to any information not so certified by the Borrower. Furthermore, the Borrower hereby indemnifies the Majority Owner, the Controlling Person, the Trustee and the Issuer, and issuer, sponsor, Guarantors and the underwriter group for any securities and their affiliates, officers, directors, partners, members, agents, attorneys and controlling persons (the “Underwriter Group”), for any liabilities to which any such parties may become subject to the extent such liabilities arise out of or are based upon the use of the Provided Information in a Secondary Market Disclosure Document.

(d) In connection with filings under the Exchange Act or the Securities Act, the Borrower shall (i) defend and indemnify the Controlling Person, the Majority Owner, the Trustee, the Issuer, its members and the Underwriter Group for any liabilities to which the Majority Owner, the Controlling Person, the Issuer, the Trustee or the Underwriter Group may become subject insofar as such liabilities arise out of or are based upon the omission or alleged omission to state in the Provided Information of a material fact required to be stated in the Provided Information in order to make the statements in the Provided Information, in the light of the circumstances under which they were made, not misleading and (ii) reimburse the Controlling Person, the Majority Owner, the Trustee, the Underwriter Group and other indemnified parties listed above for any legal or other expenses reasonably incurred by the Controlling Person, the Majority Owner, the Trustee or the Underwriter Group in connection with defending or investigating such liabilities; provided that the Borrower shall not provide any indemnification regarding any Provided Information obtained from unrelated third parties except with respect to information it provided to such parties, but shall require such third parties to provide such indemnification with respect to information they certify.

(e) Promptly after receipt by an indemnified party under this Section 10.12 of notice of the commencement of any action for which a claim for indemnification is to be made against the Borrower, such indemnified party shall notify the Borrower in writing of such commencement; provided, that the omission to so notify the Borrower will not relieve the Borrower from any liability that it may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the Borrower. In the event that any action is brought against any indemnified party, and it notifies the Borrower of the commencement thereof, the Borrower will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice of commencement, to assume the defense thereof with counsel selected by the Borrower and reasonably satisfactory to such indemnified party in its sole discretion. After notice from the Borrower to such indemnified party under this Section 10.12 and provided that the Borrower duly provides the defense and indemnity herein described, including payment of all required fees, expenses and liabilities, the Borrower shall not be responsible for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnified party shall settle or compromise any claim for which the Borrower may be liable hereunder without the prior written consent of the Borrower.

(f) In order to provide for just and equitable contribution in circumstances in which the indemnity provided for in this Section 10.12 is for any reason held to be unenforceable in respect of any liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under this Section 10.12, the Borrower shall contribute to each indemnified party to whom any amount would have been paid or payable in connection with such liabilities the amount paid or payable by the indemnified party as a result of such liabilities (or action in respect thereof); provided, however, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person not guilty of such fraudulent misrepresentation. In determining the amount of contribution to

which the respective parties are entitled, the following factors shall be considered: (i) the indemnified parties and the Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; and (iii) any other equitable considerations appropriate in the circumstances. The parties hereto hereby agree that it may not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.

Section 10.13 Nonrecourse.

(a) Collateral Only Recourse. Notwithstanding anything to the contrary contained in this Agreement (other than Sections 10.13(b) through (e) hereof) or the other Bond Documents, the Issuer agrees that, in connection with the exercise of any rights or remedies available to the Issuer under this Agreement or any of the other Bond Documents (other than the Environmental Indemnity and the other guaranty agreements of the Guarantors and the Issuer Guarantors), the Issuer shall look solely to the enforcement of the Lien and security interests created by this Agreement and the other Bond Documents and to the collateral and other security held by the Trustee.

(b) Partial Recourse Events. Notwithstanding the preceding subsection, the Borrower and the Guarantors (subject to the limitations of the Jacksonville Housing Authority as to its non-federal assets) shall have full recourse and personal liability for, and be subject to, judgments and deficiency decrees arising from and to the extent of any loss or damage suffered or incurred by the Issuer, the Trustee, the Majority Owner, the Controlling Person or the Bondholders as a result of the occurrence of any of the following events:

(i) the Borrower fails to pay to the Trustee upon demand after an Event of Default all Rents to which the Trustee is entitled under Section 2 of the Mortgage and the amount of all security deposits collected by Borrower from tenants then in residence. However, Borrower will not be personally liable for any failure described in this Section 10.13(b)(i) if Borrower is unable to pay to the Trustee all Rents and security deposits as required by the Mortgage because of a valid order issued in a bankruptcy, receivership, or similar judicial proceeding;

(ii) the Borrower fails to apply all insurance proceeds or casualty or condemnation proceeds as required by the Bond Documents. However, Borrower will not be personally liable for any failure described in this Section 10.13(b)(ii) if Borrower is unable to apply insurance or casualty or condemnation proceeds as required by the Bond Documents because of a valid order issued in a bankruptcy, receivership, or similar judicial proceeding;

(iii) if an Event of Default has occurred and is continuing, the Borrower fails to deliver all books and records relating to the Mortgaged Property or its operation in accordance with the provisions of Section 6.8 or 6.9 of this Agreement;

(iv) the Borrower engages in any willful act of material waste of the Project Facilities;

(v) the Borrower or the General Partner fails to comply with any provision of Section 6.11(b) hereof;

(vi) the occurrence of any of the following transfers:

(A) any Person that is not an Affiliate creates a mechanic's lien or other involuntary lien or encumbrance against the Project Facilities that is not permitted by the provisions of this Agreement;

(B) a transfer of any part of the Project Facilities by devise, descent or operation of law occurs upon the death of a natural person that is not permitted by the provisions set forth in the Bond Documents;

(C) the Borrower grants an easement on any part of the Project Facilities that is not permitted by the provisions set forth in the Bond Documents; and

(D) a Lease is executed in connection with any part of the Project Facilities that is not permitted by the provisions set forth in the Bond Documents.

(vii) any act of fraud or willful misconduct or any criminal act of the Borrower, the General Partner or the Guarantors; or

(viii) the Borrower's misappropriation of funds or other Collateral; or

(ix) any litigation or other legal proceeding related to the Obligations filed by any of the Borrower, Guarantor, or any of their Affiliates, or any other action of any such Person that delays, opposes, impedes, binds, enjoins or otherwise interferes with or frustrates the efforts of Trustee to exercise any rights and remedies available to Trustee provided herein or in the other Bond Documents.

(c) Full Recourse Events. The Borrower, the Guarantor (subject to the limitations of the Jacksonville Housing Authority as to its non-federal assets) and the Issuer Guarantors shall have full recourse and personal liability for all of the Indebtedness (and the limitation on liability in the first sentence of Section 10.13(a) hereof shall be null and void) as a result of the occurrence of any of the following:

(i) a violation of Section 6.11(a), 6.12(b) or 6.13(c) hereof, other than transfers by or within the Investor Limited Partner;

(ii) the Borrower's taking any action which adversely affects the exclusion from gross income of interest on the Bonds for federal income tax purposes, or the Borrower's omitting or failing to take any action required to maintain the exclusion from gross income of interest on the Bonds for federal income tax purposes;

(iii) the Borrower or the General Partner fails to comply with any provision of Section 6.11(b) hereof and a court of competent jurisdiction holds or determines that such failure or combination of failures is the basis, in whole or in part, for the substantive consolidation of the assets and liabilities of the Borrower or the General Partner with the assets and liabilities of a debtor pursuant to Title 11 of the Bankruptcy Code;

(iv) a transfer that is an Event of Default under Section 7.1 hereof occurs (other than a transfer described in Section 10.13(b)(vi) above, for which Borrower will have personal liability for any loss or damage); provided, however, that Borrower will not have any personal liability for a transfer consisting solely of the involuntary removal or involuntary withdrawal of the General Partner or for transfers by or within the Investor Limited Partner;

(v) there was fraud or written material misrepresentation by the Borrower or any officer, director, partner, member or employee of the Borrower in connection with the application for or creation of the Indebtedness or there is fraud in connection with any request for any action or consent by the Issuer, Trustee, Controlling Person or the Bondholders;

(vi) the Borrower or the General Partner voluntarily files for bankruptcy protection under the Bankruptcy Code;

(vii) the Borrower or the General Partner voluntarily becomes subject to any reorganization, receivership, insolvency proceeding, or other similar proceeding pursuant to any other federal or state law affecting debtor and creditor rights;

(viii) the Project Facilities or any part of the Project Facilities becomes an asset in a voluntary bankruptcy or becomes subject to any voluntary reorganization, receivership, insolvency proceeding, or other similar voluntary proceeding pursuant to any other federal or state law affecting debtor and creditor rights;

(ix) an order of relief is entered against the Borrower or the General Partner pursuant to the Bankruptcy Code or other federal or state law affecting debtor and creditor rights in any involuntary bankruptcy proceeding initiated or joined in by a Related Party as defined in the Code; or

(x) an involuntary bankruptcy or other involuntary insolvency proceeding is commenced against the Borrower or the General Partner (by a party other than the Trustee or the owner of any Bonds) but only if the Borrower or the General Partner, as applicable, has failed to use commercially reasonable efforts to dismiss such proceeding or has consented to such proceeding. "Commercially reasonable efforts" will not require any direct or indirect interest holders in the Borrower or the General Partner to contribute or cause the contribution of additional capital to the Borrower or the General Partner.

(d) Other Partial Recourse Obligations. The Borrower and the Guarantors (subject to the limitations of the Jacksonville Housing Authority as to its non-federal assets) shall have full recourse and personal liability for all of the following:

(i) the performance of and compliance with all of Borrower's obligations under Sections 5.12 and 6.14 of this Agreement (relating to environmental matters) or the Borrower's failure to comply with the provisions of the Environmental Indemnity;

(ii) the costs of any audit under Section 6.8 of this Agreement;

(iii) any costs and expenses incurred by the Issuer, Trustee, the Controlling Person and the Majority Owner in connection with the collection of any amount for which Borrower is personally liable under this Section 10.13, including attorneys' fees and costs and the costs of conducting any independent audit of Borrower's books and records to determine the amount for which Borrower has personal liability; and

(iv) Borrower's indemnity obligations pursuant to Section 2.5 and 10.12.

(e) No Modification. Further, nothing contained in this Section 10.13 shall be deemed to limit, vary, modify or amend any obligation owed under any guaranty, master lease or indemnification agreement, including the Environmental Indemnity and the other guaranty agreements of the Guarantors (subject to the limitations of the Jacksonville Housing Authority as to its non-federal assets), furnished in connection with financing of the acquisition, construction and equipping of the Project Facilities, recourse under which is not, by its terms, expressly limited in accordance with this Section 10.13.

(f) No Waiver. Notwithstanding anything to the contrary, Issuer, Trustee, Controlling Person and Holders shall not be deemed to have waived any right such Persons may have under Section 506(a), 506(b), 1111(b) or any other provisions of the Bankruptcy Code to file a claim for the full amount of Borrower's and Guarantor's Obligations under the Bond Documents or to require that all collateral shall continue to secure all Obligations under the Bond Documents.

Section 10.14 Publicity. The Borrower hereby authorizes the Controlling Person or the Majority Owner and their respective affiliates, without further notice or consent, to use the Borrower's and its affiliates' name(s), logo(s) and photographs related to the Project Facilities in its advertising, marketing and communications materials on a national and/or international basis. Such materials may include web pages, print ads, direct mail, various types of brochures or marketing sheets, and various media formats other than those listed (including without limitation video or audio presentations through any media form). In these materials, the Controlling Person or the Majority Owner also may discuss at a high level the types of services and solutions the Controlling Person or the Majority Owner has provided the Borrower. This authorization shall remain in effect unless the Borrower notifies the Controlling Person in writing in accordance with the notice provisions set forth herein that such authorization is revoked. The Controlling Person or the Majority Owner shall also have the right to publicize its involvement in the financing of the Project Facilities, including the right to maintain a sign indicating such involvement at a location at the Project Facilities reasonably acceptable to the Borrower and Controlling Person.

Section 10.15 Determinations by the Majority Owner and Controlling Person. Subject to specific provisions in this Agreement to the contrary, in any instance under this Agreement where the consent or approval of the Controlling Person or the Majority Owner may be given or is required, or where any determination, judgment or decision is to be rendered by the Controlling Person or the Majority Owner under this Agreement, the granting, withholding or denial of such consent or approval and the rendering of such determination, judgment or decision shall be made or exercised by the Controlling Person or the Majority Owner (or its designated representative) at its sole and absolute discretion. The Trustee may, and shall at the written direction of the Holders of all Outstanding Bonds, by separate instrument delegate, assign, transfer and set over unto the Controlling Person any or all of the rights, remedies, duties and obligations of the Trustee under this Indenture and the other Bond Documents, in which event the Controlling Person shall have each of the rights, remedies, duties and obligations delegated to it as if specifically named herein and in the other Bond Documents, as applicable, and shall be entitled to act in its own name, but if necessary in the name and stead of the Trustee, to enforce each of the remedies provided to the Trustee hereunder or under the other Bond Documents.

Section 10.16 Further Assurances. The Borrower will promptly and duly execute, acknowledge and deliver from time to time such further instruments and take such further actions as may be reasonably required by the Issuer, the Trustee or the Controlling Person to carry out the purposes and provisions of this Agreement and the other Bond Documents, to make elections or take actions (or, as requested, to refrain from making elections or taking actions) related to the audit procedures involving the Borrower and/or its partners set forth in the Bipartisan Budget Act of 2015 so that the Borrower's members, equityholders, shareholders and partners will be directly responsible for any audit adjustments, changes or modifications rather than the Borrower, to confirm the priority and/or perfection of any lien, pledge, assignment or security interest created or intended to be created by this Agreement and the other Bond Documents and to assure the Controlling Person and the Majority Owner of the subrogation and security rights in favor of the Trustee for the benefit of the Holders of the Bonds contemplated by

this Agreement and the other Bond Documents in connection with any of the foregoing, and such approvals shall be in form satisfactory to the Controlling Person.

IN WITNESS WHEREOF, the Issuer and the Borrower have caused this Agreement to be duly executed and delivered on the day and year first above written.

(c) The titles and headings of the sections of this Regulatory Agreement have been inserted for convenience of reference only, and are not to be considered a part hereof and shall not in any way modify or restrict any of the terms or provisions hereof or be considered or given any effect in construing this Regulatory Agreement or any provisions hereof or in ascertaining intent, if any question of intent shall arise.

Section 2. Residential Rental Property. The Owner hereby declares its understanding and intent that, during the term of this Agreement, the Project is to be owned, managed, and operated, as a "project for residential rental property" as such phrase is utilized in Section 142(d) of the Code and as a "qualifying housing development" as defined in Section 159.603(6), Florida Statutes. To that end, the Owner hereby represents, covenants, and agrees as follows:

(a) The Owner will acquire, construct, equip, own and operate the Project for the purpose of providing multifamily rental housing, and the Owner shall own, manage, and operate the Project as a qualified residential rental project, all in accordance with Section 142(d) of the Code and Treasury Regulations Section 1.103-8(b), as the same may be amended from time to time.

(b) Each residential unit in the Project (tested for this purpose separately for each non-contiguous parcel) shall be contained in one or more buildings or structures located on the Land and shall be similarly designed, furnished and constructed (except as to number of bedrooms and bathrooms), each of which will contain separate and complete facilities for living, sleeping, eating, cooking and sanitation for an individual or a family, including a living area, a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range or microwave oven, refrigerator and sink, all of which are separate and distinct from the other units.

(c) None of the units in the Project will at any time be (1) utilized on a transient basis, (2) used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, nursing home, hospital, sanitarium, rest home, trailer court or park, or (3) rented for initial lease periods of less than six (6) months. No part of the Project will, at any time, be owned or used by a cooperative housing corporation or converted to condominiums.

(d) All of the units will be rented or available for rent on a continuous basis to members of the general public (other than units for a resident manager or maintenance personnel), and the Owner will not give preference to any particular class or group of persons in renting the units in the Project, except to the extent that units are Exempt Elderly Units or are required to be leased or rented to Lower-Income Persons. Lower-Income Persons who are residents of the Project will have equal access to and enjoyment of all common facilities of the Project at all times. The Owner will not discriminate against children of any age when renting the units in the Project (except for units that are Exempt Elderly Units).

(e) Each non-contiguous parcel of Land consists separately of a parcel of real property or parcels of real property that are contiguous except for the interposition of a road, street, stream or similar property, and the Project comprises buildings, structures and facilities that are

geographically contiguous and functionally related. Any common facilities financed with proceeds of the Series 2019 Bonds (such as swimming pools, recreational facilities, parking areas and other facilities which are reasonably required for the Project, for example, heating and cooling equipment, trash disposal equipment or units for resident managers or maintenance or security personnel) are functionally related and subordinate to the Project and are commensurate with its size and intended use.

(f) The Owner or an Affiliated Party of the Owner shall not occupy any of the units in the Project; provided, however, that the employee of the Owner or an Affiliated Party of the Owner may occupy a unit in a building or structure in the Project that contains five or more units if such employee of the Owner or an Affiliated Party of the Owner is a resident manager or other necessary employee (e.g., maintenance and security personnel). No more than two units in the Project shall be occupied by resident managers or maintenance or security personnel.

(g) None of the proceeds of the Series 2019 Bonds (including investment earnings) may be used to provide a skybox or any other private luxury box, an airplane, or a store the principal business of which is the sale of alcoholic beverages for consumption off premises or a facility used primarily for gambling.

The requirements of this Section 2 shall remain in effect during the term of this Regulatory Agreement (as defined in Section 13 below).

Section 3. Lower-Income Persons. The Owner hereby represents, warrants and covenants as follows:

(a) At all times during the Qualified Project Period, with respect to the non-contiguous parcels and buildings thereon constituting the Project, individually, not less than one hundred percent (100%) of the residential units in the Project, other than those units occupied by the Owner or an Affiliated Party to the Owner pursuant to subsection 2(f) above, shall be occupied (or held available for occupancy) on a continuous basis by persons or families at the Applicable Income Limit who are Lower-Income Persons with not less than thirteen (13) of which units shall be occupied (or held available for occupancy) on a continuous basis by persons or families at 33 percent (33%) of the area median gross income. This occupancy requirement is referred to herein as the "Lower-Income Requirement").

(b) For purposes of paragraph (a) of this Section 3, a unit occupied by an individual or family who at the commencement of the occupancy of such unit is a Lower-Income Person shall be counted as occupied by a Lower-Income Person, as applicable, during such individual's or family's tenancy in such unit, even though such individual or family ceases to be a Lower-Income Person. However, a Lower-Income Person whose income as of the most recent Income Certification (as described in Section 4(a) below) exceeds one hundred forty percent (140%) of the Applicable Income Limit shall not continue to be treated as a Lower-Income Person if after delivery of such Income Certification, but before the delivery of the next Income Certification, any unit in the building (within the meaning of Section 42 of the Code) is occupied by a new

resident who is not a Lower-Income Person. In addition, a unit that was occupied by a Lower-Income Person shall be counted as occupied by a Lower-Income Person until it is reoccupied other than for a temporary period of not more than thirty-one (31) days, at which time the unit shall be considered to be occupied by a Lower-Income Person only if the individual or family then occupying the unit satisfies the definition of a Lower-Income Person.

Section 4. Reporting Requirements.

(a) Income certifications ("Income Certifications") in the form attached hereto as Exhibit "B" shall be obtained by the Owner from each Eligible Person and delivered to the Issuer Servicer (i) at the time of initial occupancy for all tenants, (ii) upon the vacancy and reoccupancy of any unit in the Project, and (iii) as often as necessary to comply with the requirements of Section 142(d) of the Code.

(b) The Owner shall file with the Issuer Servicer and the Issuer, on the tenth business day of each month, copies of the Income Certifications specified in Section 4(a) hereof obtained by the Owner during the previous month.

(c) The Owner shall maintain complete and accurate records pertaining to the incomes of (as of the date of initial occupancy of each tenant) and rentals charged to Lower-Income Persons residing in the Project, and shall permit, during regular business hours, upon 5 business days' notice to the Owner, any duly authorized representative of the Issuer or the Issuer Servicer to inspect the books and records of the Owner pertaining to the incomes of and rentals charged to all tenants residing in the Project.

(d) The Owner shall prepare and submit to the Issuer Servicer and the Issuer at the beginning of the Qualified Project Period, and on the tenth business day of each month thereafter, rent rolls and a Certificate of Continuing Program Compliance in the form attached hereto as Exhibit "C" executed by the Owner, stating (i) the percentage of units (separately for each non-contiguous parcel and buildings thereon) that were occupied by Lower-Income Persons as of the last day of the previous month, (ii) that, other than those units occupied by the Owner or an Affiliated Party to the Owner pursuant to Section 2(f) above, at all times during the previous month one hundred percent (100%) of the residential units were occupied by (or held available for occupancy by) Lower-Income Persons (as determined in accordance with Section 3 of this Regulatory Agreement), and (iii) that no default has occurred under this Regulatory Agreement and the Owner has not failed to comply with any provisions of this Regulatory Agreement, or, if such a default or failure has occurred, the nature of such default or failure and the steps, if any, the Owner has taken or proposes to take to correct such default.

(e) The Owner shall render a yearly report to the Secretary of the Treasury as required by Section 142(d)(7) of the Code.

(f) In lieu of Income Certifications required pursuant to paragraph (b) and the Certificate of Continuing Program Compliance required pursuant to paragraph (d), the Issuer and the Issuer Servicer agree to accept copies of income certification forms prepared by the

Owner at the direction of HUD in compliance with the HAP Contract until the earlier of (i) termination of the HAP Contract or the Owner's reporting requirement thereunder or (ii) receipt by the Owner of a written direction from the Issuer directing the Owner to begin providing the Income Certifications and the Certificate of Continuing Program Compliance required by paragraph (b) and (d) above.

Section 5. Indemnification. The Owner hereby covenants and agrees that it shall indemnify and hold harmless the Issuer, its past, present and future members, employees, agents and representatives, the Issuer, its past, present and future officers of its governing body, employees, attorneys, agents and representatives, and the Trustee, and its past, present and future officers, directors, officials, employees and agents (any or all of the foregoing being hereinafter referred to as the "Indemnified Persons") from and against any and all losses, costs, damages, expenses and liabilities of whatsoever nature or kind (including but not limited to, reasonable attorneys' fees, litigation and court costs related to trial and appellate proceedings, amounts paid in settlement and amounts paid to discharge judgments) directly or indirectly resulting from, arising out of, or related to, the issuance, offering, sale, remarketing or delivery of the Series 2019 Bonds, or the acquisition, design, construction, equipping, installation, operation, use, occupancy, maintenance or ownership of the Project other than for such Indemnified Persons' own grossly negligent, illegal or unlawful acts or omissions. In the case of any action or proceeding brought against an Indemnified Person in respect of which indemnity may be sought hereunder, the party seeking indemnity promptly shall give notice of that action or proceeding to the Owner, and the Owner upon receipt of that notice shall have the obligation and the right to assume the defense of the action or proceeding; provided, that failure of a party to give that notice shall not relieve the Owner from any of its obligations under this Section except to the extent that failure prejudices the defense of the action or proceeding by the Owner. Any Indemnified Person shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but the fees, costs and expenses of such counsel shall be at the expense of such Indemnified Person unless the named parties to any such action (including any impleaded parties) include both an Indemnified Person and the Owner or one or more other Indemnified Persons, and such Indemnified Person shall have been advised by counsel that a conflict of interest between the Owner and such Indemnified Person, or between Indemnified Persons, exists, and for this reason it is not desirable for the same counsel to represent both the Owner and such Indemnified Person or Indemnified Persons, in which case the Owner shall not have the right to assume the defense of such action on behalf of such Indemnified Person and the fees, costs and expenses of such separate counsel shall be paid by the Owner; it being understood, however, that, in connection with any one such action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, the Owner shall not be liable for the reasonable fees, costs and expenses of more than one separate firm of attorneys for each such Indemnified Person. The Owner shall not be liable for any settlement effected without its consent, unless the named parties to any such action (including any impleaded parties) include both an Indemnified Person and the Owner, and such Indemnified Person shall have been advised by counsel that a conflict of interest between the

Owner and such Indemnified Person exists. This indemnity shall not be construed to cause the Owner to be personally liable for the principal of or interest on the Series 2019 Bonds or the Loan.

Section 6. Reliance. The Issuer and the Owner hereby recognize and agree that the representations and covenants set forth herein may be relied upon by the owners from time to time of the Series 2019 Bonds, the Issuer, Bond Counsel and the other parties to transactions involving the issuance, sale or remarketing of the Series 2019 Bonds and their respective counsel. In performing their duties and obligations hereunder, the Issuer, the Issuer Servicer and the Trustee may rely upon statements and certificates of the Owner or Lower-Income Persons reasonably believed by the Issuer, Issuer Servicer or the Trustee, as applicable, or their respective agents, officers, directors, officials or employees to be genuine and to have been executed by the proper person or persons, and upon audits of the books and records of the Owner pertaining to occupancy of the Project. In addition, the Issuer, the Issuer Servicer and the Trustee may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection with respect to any action taken or suffered by the Issuer, the Issuer Servicer or the Trustee hereunder in good faith and in conformity with the opinion of such counsel. In performing its duties and obligations hereunder, the Owner may rely upon certificates of Lower-Income Persons reasonably believed to be genuine and to have been executed by the proper person or persons.

Section 7. Fair Housing Laws; Home Ownership Opportunity Program; Social Service Programs.

(a) The Owner will comply with all fair housing laws, rules, regulations or orders applicable to the Project and shall not discriminate on the basis of race, creed, color, sex, age (except for units that are Exempt Elderly Units), familial status (except for units that are Exempt Elderly Units) or national origin in the lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the operation and management of the Project. All advertising and promotional material used in connection with the Project shall contain the phrase "Fair Housing Opportunity."

(b) The Owner hereby covenants and agrees to provide the tenant services and residential programs and amenities indicated in Exhibit "D" attached hereto which are located on site of the Project.

Section 8. Tenant Lists. All tenants lists, applications, and waiting lists relating to the Project shall at all times be kept separate and identifiable from any other business of the Owner which is unrelated to the Project, and shall be maintained, as required by the Issuer or the Issuer Servicer from time to time, in a reasonable condition for proper audit and subject to examination during business hours upon reasonable notice by representatives of the Issuer, the Issuer Servicer or the Trustee. Failure to keep such lists and applications or to make them available to the Issuer, the Issuer Servicer or Trustee after written request therefor will be a default hereunder.

Section 9. Tenant Lease Restrictions. All tenant leases shall be expressly subordinate to the Mortgage and subject to this Regulatory Agreement, and shall contain clauses, among others, wherein each individual lessee:

- (a) Certifies the accuracy of the statements made in the Income Certification;
- (b) Agrees that the family income, family composition and other eligibility requirements shall be deemed substantial and material obligations of such lessee's tenancy; that such lessee will comply promptly with all requests for information with respect thereto from the Owner, the Trustee or the Issuer, and that such lessee's failure to provide accurate information in the Income Certification or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of such lessee's tenancy; and
- (c) Agrees not to sublease to any person or family who does not expressly accept the lessee's obligations under this Section 9 and execute and deliver to the Issuer Servicer an Income Certification.

Section 10. Sale and Conversion of Project.

(a) The Owner shall not sell, assign, convey or transfer any material portion of the Land, fixtures or improvements constituting a part of the Project, or any material portion of the personal property constituting a portion of the Project during the term of this Regulatory Agreement, without (i) the prior written consent of the Issuer, which consent shall not be unreasonably withheld, and (ii) the Trustee and the Issuer having received an opinion of Bond Counsel to the effect that, in reliance upon such factual certificates as it deems appropriate and subject to such qualifications as may be generally acceptable in the industry, such sale, conveyance, transfer, or assignment will not result, under then-existing law, in interest on the Series 2019 Bonds, or any part thereof, becoming includable in the gross income of the holders thereof for federal income tax purposes. If a material portion of the Project financed with proceeds from the Loan is sold during the term hereof and such material portion of such Project consisted of personal property or equipment, the proceeds from the sale thereof may be used by the Owner to purchase property of similar function to be used in connection with the Project. If such material portion of such Project consists of real property and improvements, the purchaser thereof must execute and deliver to the Owner and the Trustee a document in form and substance reasonably satisfactory to the Issuer pursuant to which such purchaser shall agree to operate such property in compliance with the terms and conditions of this Regulatory Agreement.

The Owner shall not sell or otherwise transfer the Project in whole, nor shall there be substituted a new general partner of the Owner or a change in the controlling ownership interest in the general partner of the Owner, or other merger, transfer or consolidation of the Owner, unless (A) the Owner has received the prior written consent of the Issuer (which shall respond within a reasonable period of time and shall not unreasonably withhold such consent), (B) the Owner shall not be in default hereunder, (C) it is reasonably expected that continued operation of the Project will comply with the requirements of this Regulatory Agreement, (D) the

subsequent purchaser or assignee shall execute any document reasonably requested by the Issuer with respect to assuming the obligations of the Owner under this Regulatory Agreement, (E) the Issuer shall not have any reason to believe that the purchaser or assignee is incapable, financially or otherwise, of complying with or may be unwilling to comply with, the terms of all agreements binding on such purchaser or assignee relating to the Project, (F) the purchaser or assignee, or new general partner or entity acquiring a controlling interest in the general partner of the Owner, shall have satisfied such other conditions as may be reasonably required by the Issuer under the circumstances, (G) the purchaser or assignee shall have first executed a document in recordable form addressed to the Issuer and the Trustee to the effect that such purchaser or assignee will comply with the terms and conditions of this Regulatory Agreement and the Loan Agreement (to the extent still in effect), (H) the Trustee and the Issuer shall receive an opinion of counsel reasonably acceptable to the Issuer to the effect that the purchaser's or assignee's obligations under this Regulatory Agreement, the Loan Agreement, the Note, and any other financing documents to the extent that such documents are still in effect relating to the Series 2019 Bonds (collectively, the "Loan Documents") are enforceable against such purchaser or assignee in accordance with their terms, and (I) the Trustee and the Issuer shall have received an opinion of Bond Counsel to the effect that, in reliance upon such factual certificates as it deems appropriate and subject to such qualifications as may be generally acceptable in the industry, such sale, transfer, disposition or assignment will not result, under then-existing law, in interest on the Series 2019 Bonds, or any part thereof, not being excludable from the gross income of the holders thereof for federal income tax purposes.

It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section shall be ineffective to relieve the Owner of its obligations under the Loan Documents. In the event that the purchaser or assignee shall assume the obligations of the Owner under the Loan, the Loan Agreement and this Regulatory Agreement, the Owner shall be released from its obligations thereunder and hereunder, other than its obligations hereunder and under the Loan Agreement arising prior to such date of assumption (unless such obligations are assumed by the purchaser or transferee).

(b) Notwithstanding anything in this Section 10 to the contrary, the restrictions set forth above on the sale, transfer or other disposition or encumbrance of the Project or any portion thereof shall not be applicable to any of the following: (i) leases of apartment units as contemplated by this Regulatory Agreement, (ii) grants of utility related easements and service or concession related leases or easements, including, without limitation, coin-operated laundry service leases and/or television cable easements on the Project, providing same are granted in connection with the operation of the Project as contemplated by this Regulatory Agreement, (iii) any sale or conveyance to a condemning governmental authority as a direct result of the condemnation or a governmental taking or a threat thereof, (iv) the placing of a mortgage lien, assignment of rents or security interests on or pertaining to the Project after the payment of all Series 2019 Bonds and the release of the Mortgage, (v) any transfer of partnership interests in the Owner, other than with respect to the general partner, or in the entities which are members in the Owner, other than with respect to the general partner, or (vi) the removal or substitution of the general partner of the Owner, for cause, in certain events as set forth in the Partnership

Agreement, with a designee of the investor limited partner, provided however, that such general partner shall be an affiliate of the investor limited partner and provided, further, that the Owner retains ownership of the Project.

Section 11. Negative Covenants. During the term of this Regulatory Agreement, the Owner shall not:

(a) Except pursuant to and as permitted by the provisions of the Loan Documents, or except upon a sale or transfer of the Project in accordance with the terms of the Loan Documents, encumber any of the mortgaged property, including the grant of commercial leases (other than for vending machines, coin operated laundry facilities and similar amenities functionally related and subordinate to the Project and granted in connection with the day to day operation of an apartment complex), or permit the conveyance, transfer or encumbrance of such property (except for such leases and for apartment leases) for the Qualified Project Period. Nothing in this paragraph shall prohibit the granting of easements for the purpose of providing utility services (including cable television or private satellite television) to the Project.

(b) Demolish any part of the Project necessary for the operation thereof for its intended purposes or substantially subtract from any real or personal property of the Project; or

(c) Permit the use of the dwelling accommodations of the Project for any purpose except rental residences in compliance with Section 142(d) of the Code.

Section 12. Covenants to Run with the Land. This Regulatory Agreement and the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the Land and, except as provided in Section 13 hereof, shall pass to and be binding upon the Owner's assigns and successors and all subsequent owners of the Land or the Project or any interest therein; provided, however, that upon the termination of this Regulatory Agreement in accordance with the terms hereof said covenants, reservations and restrictions shall expire. Except as provided in Section 13 hereof, each and every contract, deed or other instrument hereafter executed covering or conveying the Land or the Project or any portion thereof or interest therein shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. If a portion or portions of the Land or the Project are conveyed, all of such covenants, reservations and restrictions shall run to each portion of the Land or the Project.

Section 13. Term. This Regulatory Agreement shall remain in full force and effect until the expiration of the Qualified Project Period; provided, however, that this Regulatory Agreement shall automatically terminate in the event of involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire or other casualty, seizure, requisition, foreclosure or transfer by deed in lieu of foreclosure, change in a federal law or an action of a federal agency that prevents the Issuer from enforcing the provisions hereof, or condemnation or a similar event (as determined by Bond Counsel), but only if within a reasonable period thereafter (i) the Series

2019 Bonds are retired in full or (ii) the proceeds received as a result of such event are used to finance a development that complies with the provisions hereof and any other applicable requirements of the Code and the Regulations. In the case of foreclosure or transfer of title by deed in lieu of foreclosure or similar event (as determined by Bond Counsel), such termination will cease to be in effect if, at any time during the remainder of the Qualified Project Period following such event, the Owner or an Affiliated Party to the Owner, obtains an ownership interest in the Project for federal tax purposes.

Section 14. Correction of Noncompliance. The failure of the Owner to comply with any of the provisions of this Regulatory Agreement shall not be deemed a default hereunder unless such failure has not been corrected during the 60-day period immediately following the date that the Owner, or with respect to the requirements of Sections 2 or 3 hereof, any of the parties hereto, learned of such failure or should have learned of such failure by the exercise of reasonable diligence (which 60-day period will be extended if (i) such failure cannot reasonably be corrected within such 60-day period, (ii) diligent action to correct such failure commences within such 60-day period, (iii) such action is diligently pursued until such failure is corrected, and (iv) with respect to a failure to comply with any of the requirements of Sections 2 or 3 hereof, the Owner delivers to the Issuer and the Trustee an opinion of Bond Counsel to the effect that such longer cure period will not adversely affect the exclusion of interest on the Series 2019 Bonds from gross income for federal income tax purposes). Not later than the third business day next succeeding the day on which the Trustee or the Issuer Servicer learns of such failure, the Trustee or the Issuer Servicer, as applicable, shall attempt with reasonable diligence to notify the Owner of such failure by telephonic communication; provided, that failure of the Trustee or the Issuer Servicer to notify the Owner shall not relieve the Owner from any of its obligations under this Regulatory Agreement. The Owner's investor limited partner shall have the right, but not the obligation, to cure any default. The Issuer Servicer shall give written notice to the Owner's investor limited partner of such default.

Section 15. Modification of Tax Covenants. Notwithstanding the provisions of Section 22(b) hereof, to the extent any amendments, modifications or changes to the Regulations or the Code shall, in the written opinion of Bond Counsel addressed to the Issuer, the Owner and the Trustee, impose requirements upon the ownership, occupancy or operation of the Project different than those imposed by the Regulations or the Code and stated herein, and the Owner's failure to comply with such different requirements would produce a material and substantial risk that interest on the Series 2019 Bonds will become subject to federal income taxation, then this Regulatory Agreement shall be amended and modified in accordance with such requirements. The parties hereto agree to execute, deliver, and record, if applicable, any and all documents or instruments necessary in the opinion of and in the form approved by Bond Counsel to effectuate the intent of this Section 15.

Section 16. Burden and Benefit. The Issuer, the Trustee and the Owner hereby acknowledge their respective understanding and intent that the burden of the covenants set forth herein touch and concern the Land in that the Owner's legal interest in the Land and the Project is rendered less valuable thereby. The Trustee, the Issuer and the Owner hereby further

acknowledge their respective understanding and intent that the benefit of such covenants touch and concern the Land by enhancing and increasing the enjoyment and use of the Land and the Project by Lower-Income Persons, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Series 2019 Bonds were issued. The Owner hereby expressly acknowledges that this Regulatory Agreement is necessary to preserve the exclusion from gross income for federal income tax purposes of interest on the Series 2019 Bonds issued by the Issuer to finance the Loan and covenants and agrees that in connection with the acquisition, construction, equipping, ownership and operation of the Project, it shall and shall require any subsequent purchaser of the Project, to fully comply with all terms and conditions of this Regulatory Agreement.

Section 17. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project.

Section 18. Application of Insurance and Condemnation Proceeds. Subject to the provisions of the Loan Agreement and the Loan Documents (as defined in Section 10 hereof), if during the Qualified Project Period, the Project is damaged or destroyed or if all or a portion thereof is taken through eminent domain proceedings, or under the threat thereof, proceeds from insurance on the Project or any condemnation awards pertaining to such eminent domain proceedings shall be applied as provided in the Loan Agreement.

Section 19. Remedies; Enforceability. (a) The benefits of this Regulatory Agreement shall inure to, and may be enforced by, respectively, (i) the Issuer and the Trustee, (ii) the holders of the Series 2019 Bonds and their successors and assigns to the extent permitted by the Indenture, and (iii) solely as to Sections 2, 3 and 7 of this Regulatory Agreement, the Lower-Income Persons and their successors who shall reside or be eligible to reside in units set aside for their occupancy pursuant to Section 3 of this Regulatory Agreement for the period set forth in Section 13 hereof, whether or not the Loan may be paid in full, and whether or not the Series 2019 Bonds are Outstanding. If a material violation of any of the provisions hereof occurs and is not cured within the period provided by Section 14 hereof, any or all of such parties may institute and prosecute any proceeding at law or in equity to abate, prevent or enjoin any such violation or attempted violation, or to compel specific performance hereunder, it being recognized that the beneficiaries of the Owner's obligations hereunder cannot be adequately compensated by monetary damages in the event of the Owner's default. The remedies of the beneficiaries of this Regulatory Agreement other than the Issuer (as provided in Section 19(b)) shall be limited to those described in the preceding sentence.

(b) In addition to such other remedies as may be provided for herein, if a violation of any of the provisions of this Regulatory Agreement occurs which is not corrected during the period provided in Section 14 hereof, the Issuer (and only the Issuer) shall have the right (but not the obligation), and is specifically authorized by the Owner, to terminate the property manager and subject to the approval of the Owner's investor limited partner during the 15-year tax credit compliance period, appoint a new property manager of the Project to operate the Project in accordance with this Regulatory Agreement and the Loan Agreement and take all actions

necessary, in the reasonable judgment of the Issuer, to cure any default by the Owner hereunder, and such new property manager assuming such management hereunder shall be paid by or on behalf of the Owner, from the rents, revenues, profits and income from the Project, a management fee not to exceed the prevailing management fee paid to managers of similar housing projects in the area of the County. Subject to Section 13 hereof, the provisions hereof are imposed upon and made applicable to the Land and shall run with the Land and shall be enforceable against the Owner or any other person or entity that has or had an ownership interest in the Project at the time of such violation or attempted violation. No delay in enforcing the provisions hereof as to any breach or violation shall impair, damage or waive the right of any party entitled to enforce the provisions hereof or to obtain relief against or recover for the continuation or repetition of such breach or violation or any similar breach or violation hereof at any later time or times. All rights and remedies provided in this Regulatory Agreement are cumulative, non-exclusive and in addition to any and all rights and remedies that the parties and beneficiaries hereof may otherwise have.

The Owner hereby agrees that the appointment of a new property manager may be necessary to serve the public purpose for which the Series 2019 Bonds were issued and to preserve the exclusion from gross income for federal income tax purposes of interest on the Series 2019 Bonds following a violation of the provisions of this Regulatory Agreement which is not cured within the period provided in Section 14 hereof. The Owner hereby expressly consents to, and agrees not to contest, the appointment of a new property manager to operate the Project following a violation by the Owner of the provisions of this Regulatory Agreement which is not cured as provided in Section 14 hereof and hereby waives any and all defenses and objections that might otherwise be raised to any such appointment of a new property manager in accordance with the terms hereof. The Owner further agrees that the Issuer shall have the right to require the Owner to remove any manager or managing agent whose actions or inactions present a material risk of a breach of the agreements of the Owner herein, including, without limitation, a material risk of an adverse impact on the excludability from gross income for federal income tax purposes of interest on the Series 2019 Bonds and which action or inaction is not being corrected as provided in Section 14 hereof, upon such manager or managing agent being given thirty (30) days' written notice of any violation hereof, and such right shall be expressly acknowledged in any contract between the Owner and any such manager or managing agent. The Owner covenants and agrees to diligently and in good faith pursue the appointment and, if required, approval of such a replacement manager or managing agent.

Section 20. Filing. Upon execution and delivery by the parties hereto, the Owner shall cause this Regulatory Agreement and all amendments and supplements hereto to be recorded and filed in the official public deed records of the County, and in such manner and in such other places as the Issuer or the Trustee may reasonably request, and shall pay all fees and charges incurred in connection therewith.

Section 21. Governing Law; Venue. This Regulatory Agreement shall be governed by the laws of the State. Venue shall be in Duval County, Florida.

Section 22. Amendments.

(a) The interest of the Issuer in this Regulatory Agreement shall be assigned to the Trustee and the rights of the Issuer hereunder shall be enforceable by the Trustee. The Owner shall not assign its interest hereunder, except by writing and in accordance with the provisions of Section 10 hereof.

(b) This Regulatory Agreement shall not be amended, revised, or terminated except by a written instrument, executed by the parties hereto (or their successors in title), and duly recorded in the official public records for the County. Anything to the contrary notwithstanding, the parties hereby agree to amend this Regulatory Agreement to the extent required in the opinion of Bond Counsel, in order for interest on the Series 2019 Bonds to remain exempt from federal income taxation under Section 103 of the Code. The Owner agrees, from time to time, to take such other actions and steps necessary to comply, and to cause the Project to comply, with the requirements of Section 142(d) of the Code and to enter into modifications and amendments to this Regulatory Agreement to the extent required by federal law, by any amendment to the Code or by any Regulation promulgated thereunder, in each case so that interest on the Series 2019 Bonds remains exempt from federal income taxes. Any such amendment, revision or termination shall be effected only in accordance with the Indenture.

(c) On the first business day immediately after the date on which no Bonds remain outstanding, as provided in the Indenture, the Trustee shall no longer have any duties or responsibilities under the Regulatory Agreement and all references to the Trustee in this Regulatory Agreement shall be deemed references to the Issuer.

Section 23. Notice. Any notice required to be given hereunder shall be given by certified or registered mail, postage prepaid, return receipt requested, to the Issuer, the Trustee and the Owner at their respective addresses set forth in the first paragraph hereof, or at such other addresses as may be specified in writing by the parties hereto. A copy of any notice sent to the Owner shall also be sent to R4 Servicer LLC, 155 Federal Street, Suite 1004, Attention: Greg Doble, with a copy to Kutak Rock LLP, Two Liberty Plaza, Suite 28B, 50 South Sixteenth Street, Philadelphia, Pennsylvania 19102, Attention: Andrew P. Kennedy Boulevard, Suite 600, Tampa, Florida 33602, Attention: Bernice S. Saxon.

Notice shall be deemed given on the third business day after the date of mailing.

Section 24. Severability. If any provision hereof shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

Section 25. Multiple Counterparts. This Regulatory Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

1. They shall do and perform all things reasonably necessary to assist the Issuer Servicer in servicing the Loan;

2. Borrower shall direct investment of the proceeds of the Bonds in accordance with the Indenture in such manner as will insure that such proceeds will be available to be disbursed at such reasonable times as proceeds of the Loan are required to be disbursed by the Trustee under this Agreement and substantially in accordance with the Draw Schedule attached hereto as Exhibit "B" and by this reference made a part hereof.

4. COLLECTION AND DEPOSIT OF PAYMENTS. The Issuer Servicer shall confirm that the Trustee has received each payment due under the Note and Mortgage, as due, and if not, shall assist the Issuer and the Trustee, or the Bondholder in the event that payments are being made directly to the Bondholder, in the enforcement of their rights pursuant to the Loan Documents. The Trustee, or the Bondholder in the event that payments are being made directly to the Bondholder, shall receive each payment made under the Loan Documents and the Trustee shall notify the Issuer Servicer and the Borrower in writing if payment is not made when due.

5. ADVANCES DURING CONSTRUCTION. The Issuer and the Trustee agree to make or cause to be made disbursements to the Borrower under the Indenture, the Loan Agreement and this Agreement of the proceeds of the Bonds in accordance with the Indenture, the Loan Agreement, the Budget, and in accordance with and subject to the procedures set forth below. The Budget may be amended by the Issuer Servicer from time to time, upon the written request of the Borrower with the consent of the Controlling Person; approval of such requests shall not be unreasonably withheld or delayed.

A. Requisition Request to be submitted to the Trustee, the Controlling Person, and the Issuer Servicer:

(1) At such time as the Borrower shall desire to obtain an advance, the Borrower shall complete, execute and deliver a Requisition Request, in the form as provided for in the Loan Agreement, to the Controlling Person and the Issuer Servicer. Each Requisition Request submitted by Borrower to obtain an advance under the Loan shall be signed by an authorized signatory of the Borrower (or the Borrower Designee). The Borrower shall not submit any Requisition Request to the Trustee until it has been approved by the Controlling Person and the Issuer Servicer, and each Advance by the Trustee of the proceeds of the Bonds shall be subject to the prior approval of the Requisition Request by the Controlling Person and the Issuer Servicer, except as provided in (2) below and to the other conditions precedent set forth in the Indenture and the Loan Agreement. Requisition Requests should be submitted to the Trustee without attachments, except as provided in the Indenture or the Loan Agreement. The Issuer Servicer shall approve or object to any Requisition Request within ten (10) Business Days of its submission together with all additional information required in connection with such advance. If the Issuer Servicer neither approves nor objects within such time, its approval shall be deemed given; in such instances, the Issuer Servicer must sign the Requisition Request by the tenth (10th) Business Day and forward it, as if it had been approved. Failure to approve a Requisition Request on the part of the Controlling Person shall not be deemed to be an approval of the Controlling Person and under no circumstances shall the Trustee disburse a Requisition Request unless signed by the Controlling Person.

(2) Notwithstanding the foregoing, if a Requisition Request has been approved by the Controlling Person and (a) (i) has been approved by the Consulting Engineer, (ii) complies with the Budget, as amended in accordance with the terms of the Loan Documents, (iii) is for work that is in substantial accordance with the Plans and Specifications, and (iv) is accompanied by lien waivers with respect to the prior Requisition Request or by evidence that any liens which have been filed or for which notices of filing have been sent have been bonded to the satisfaction of the Title Company, or (b) if not approved, would jeopardize the coverage afforded by any Payment and Performance Bond, the Issuer Servicer shall not have the right to withhold its approval of any Requisition Request approved by the Controlling Person unless, in the opinion of the Issuer Servicer, such Requisition Request would violate the terms of

the Loan Documents. In addition, the Issuer Servicer shall not unreasonably withhold its approval of any Requisition Request otherwise approved by the Controlling Person. In the event the Issuer Servicer withholds its approval of a Requisition Request which does not meet the requirements of subsections (a) and (b) of this paragraph, but which has otherwise been approved by the Controlling Person, no funds shall be advanced for the disputed items (however, funds allocable to the items on such Requisition Request which are not disputed shall be available to be advanced) and the Controlling Person and the Issuer Servicer shall submit the dispute to binding arbitration by a mutually acceptable single arbitrator experienced in the type of construction contemplated in this Agreement, selected by the Controlling Person and the Issuer Servicer. The Controlling Person and the Issuer Servicer shall use all reasonable efforts to complete such arbitration proceedings and obtain a decision within thirty (30) days.

B. The Issuer Servicer shall review each Requisition Request for compliance with this Agreement, the Land Use Restriction Agreement, draw schedule, budgets and time lines and all other Loan Documents; for compliance with the Plans and all legal requirements; and for compliance with the customary and usual construction and on disbursement practices for the geographical area in which the Property is located.

(1) Where the Requisition Request includes amounts to be paid to the Contractor, such Requisition Request shall be accompanied by forms the same as or similar to AIA Form G702 and G703, to be reviewed and approved by the Issuer Servicer and executed by the Contractor and the Architect.

(2) Where the Requisition Request relates to items other than payments for work performed under the Construction Contract or a subcontract, there shall be included a statement of the purpose for which the advance is desired and/or invoices for the same, as the Issuer Servicer shall reasonably require.

(3) The Requisition Request shall be subject to the Inspecting Engineer verifying that the work has been accomplished in substantial accordance with the Plans so as to entitle the Borrower to the disbursement required.

(4) The Issuer shall retain from each Requisition Request a sum equal to ten percent (10%) of the amount of each Requisition Request (less any soft costs which shall be fully funded) as retainage. The Requisition Request shall specify the amount of retainage. Upon completion of fifty percent (50%) of the Improvements (as certified by the Inspecting Engineer) no further retainage shall be withheld from subsequent requisitions. All retainage shall be released when the Improvements are one hundred percent (100%) complete and all conditions of paragraph G herein have been met. The final payment of any balance due the Contractor or any subcontractor (including materialman or suppliers within the term "subcontractor") shall be made after full and final completion subject to punch list of the work on the Improvements being done by the Contractor or such subcontractor, as certified by the Borrower, the Issuer Servicer

and the Inspecting Engineer, and delivery to the Issuer Servicer of a final mechanic's lien waiver and the other documents required in subparagraph G hereof, in a form reasonably approved by the Issuer Servicer and its counsel, at the time of final disbursement.

C. It is specifically understood and agreed that the making of any advance or advances, or part of any advance, shall not be construed as an approval or acceptance by the Issuer and the Trustee of the work theretofore done.

D. Each Requisition Request shall be submitted to the Issuer Servicer at least ten (10) business days prior to the date of the requested advance; disbursements shall be made no more frequently than monthly at the principal office of Trustee or at such other place as Trustee may designate. The provisions of this Paragraph shall not restrict the ability of the Trustee to make interest payments in accordance with the Indenture.

E. If an Event of Default has occurred and is continuing and all applicable cure periods have expired, the Trustee (at the direction of the Issuer but only with the written consent of the Controlling Person) may make any or all advances for construction expenses directly to the Contractor for deposit in an appropriately designated special bank account and the execution of this Agreement by the Borrower shall, and hereby does, constitute an irrevocable authorization so to advance the proceeds of the Loan, subject, however, to the applicable provisions of this Agreement including, but not limited to the Controlling Person's approval of all advances. No further authorization from the Borrower shall be necessary to warrant such direct advances to Contractor and all such advances shall satisfy pro tanto the obligations of the Issuer and the Trustee hereunder and shall be secured by the Mortgage as fully as if made directly to the Borrower.

F. All advances or parts of advances including the initial advance will be made subject to the approval of the Issuer Servicer and to the following conditions precedent as to each advance (each of which the Borrower covenants to fulfill), satisfaction of which shall be evidenced by the Issuer Servicer's approval which are in addition to and not in replacement of the requirements for advances of the Controlling Person as set forth in the Loan Agreement:

(1) That the Borrower has fully complied with all of the provisions of the Loan Documents and is entitled to such advance, it being understood that the making of any advance or portion thereof when the Borrower is not so entitled will not constitute waiver of such compliance and that no event has occurred and is continuing which constitutes a "Default" or an "Event of Default" under any Loan Document.

(2) That the Mortgage is a good and valid leasehold first lien for the full amount then and theretofore advanced, and good, marketable and insurable title to the Borrower's leasehold interest in the Land is vested in the Borrower, free and clear of all encumbrances, except Permitted Encumbrances as defined in the Indenture and except

for encumbrances being properly contested under the Mortgage, as evidenced by an updated title insurance endorsement.

(3) That the Improvements constructed through the date of the Requisition Request have been constructed in substantial accordance with the Plans and all legal requirements, and that the Inspecting Engineer has made an inspection of and approves the work completed as represented in the current Requisition Request.

(4) That the Issuer Servicer has been furnished with an affidavit executed by an authorized representative of the Borrower or its agent as to whether or not the Borrower has been served with written notice that a lien may be claimed for any amounts unpaid for materials furnished or labor performed by any person, firm, entity or corporation furnishing materials or performing labor of any kind in the construction or installation of any of the Improvements. The date and manner of service shall be stated in such affidavit and a true and correct copy of each such notice shall be attached to the affidavit.

(5) That the Borrower has procured or will procure verified and proper mechanic's lien waivers and receipted bills or receipts from the Contractor, any subcontractor or materialmen in a form reasonably satisfactory to the Issuer or the Issuer Servicer, showing payment of all parties who have furnished materials or performed labor of any kind pertaining to the construction or installation of any of the Improvements, except for claims bonded off, insured over or being contested under the terms of the Mortgage, through the date of the previous disbursement. The Issuer, the Trustee, and the Issuer Servicer shall not be required nor be responsible to ascertain that any such bills are, in fact, paid. In the event a lien has been filed against the leasehold interest in the Land, the Issuer Servicer shall require such lien to be satisfied or bonded before approving a Requisition Request.

(6) That the Borrower has furnished the Issuer Servicer reasonably satisfactory evidence that the undisbursed proceeds of the Loan together with projected earnings on invested funds under the Indenture and other identifiable funds available to the Borrower, including but not limited to capital contributions made or to be made under the Borrower's partnership agreement will be sufficient to pay the cost of completing the Improvements (other than the deferred developer fee and other deferred fees to parties related to the Borrower) as required by the Loan Documents.

(7) That the Improvements are not being constructed in violation of the Land Use Restriction Agreement or any covenants, restrictions, codes, or zoning ordinances affecting the leasehold interest in the Land.

(8) That the Borrower has caused the Issuer Servicer to be provided with a title endorsement with respect to the Title Insurance Policy theretofore delivered, indicating that since issuance of the Title Insurance Policy there has been no change in

the state of title to the leasehold interest in the Land which is not permitted under the terms of the Mortgage or which not otherwise accepted by the Mortgagee.

(9) That the Borrower and/or the Contractor have caused the Issuer Servicer to be provided with a list of all subcontractors and materialmen to be used on the Property, to be updated with each Requisition Request, and if requested by the Issuer Servicer, copies, certified by the Borrower and/or the Contractor to be true and correct, material, equipment and furnishings to complete the Improvements.

(10) That the Requisition Request is accompanied by a certificate on the part of the Architect that the work has been accomplished in substantial accordance with the Plans so as to entitle the Borrower to the disbursement requested.

G. Prior to approving the final advance and release of any Retainage being held back hereunder, the Issuer Servicer shall have received (those items with * are necessary for releasing Retainage):

*(1) each of the items specified in the foregoing subparagraphs F(2) through (10);

*(2) such documents, if any, as may be required by Duval County, Florida (the "County"), as appropriate for the issuance of a final certificate of occupancy;

*(3) a certificate of substantial completion in a form reasonably acceptable to the Issuer (the AIA form G704 is acceptable to the Issuer);

*(4) final lien waivers from all subcontractors and materialmen;

*(5) updated title insurance endorsements insuring the lien of the Mortgage as of the Completion Date to be a valid first leasehold lien on the Property, subject only to Permitted Encumbrances (as defined in the Indenture) other than mechanic's liens, and otherwise providing the title insurance coverage required under the Mortgage as of the Completion Date;

*(6) a set of "as-built" Plans;

H. The Trustee may rely upon the approval of a Requisition Request by the Controlling Person and the Issuer Servicer to establish compliance by the Borrower with subparagraphs A, B, E, F and G above.

6. COMPENSATION OF THE ISSUER SERVICER. The Borrower shall provide for payment to the Issuer Servicer for the services rendered by the Issuer Servicer hereunder in accordance with the following provisions:

include:

A. Servicing Fees. The Borrower shall pay the Issuer Servicer fees, which

- (1) Compensation payable to the Issuer Servicer for construction servicing shall be paid directly by the Borrower to the Issuer Servicer in the following amounts:
 - (a) an on-site inspection fee of \$181 per hour for services rendered during the construction of the Property, but not in excess of \$1,793 per disbursement.
 - (b) an in-house review fee of \$181 per hour for services rendered during the construction of the Property.

An additional fee of \$181 per hour shall be paid by Borrower for extraordinary construction servicing services.

- (2) Compensation payable to the Issuer Servicer for compliance monitoring shall be paid and deposited by the Borrower with the Trustee on the semi-annual dates established in the Compliance Monitoring Agreement.
- (3) Compensation payable to the Issuer Servicer for permanent loan servicing shall be deposited by the Borrower with the Trustee on each June 1 and December 1 in an amount of 2.3 basis points (0.023%) per annum of the outstanding principal amount of the Bonds, with a minimum monthly fee of \$216, payable in arrears commencing on [September] __, 2019. On January 1st of each year, the minimum fee shall be adjusted, but not decreased, based on the South Region Consumer Price Index for the twelve month period ending each November 30th. This automatic increase shall not exceed 3% of the prior year's fees.

An additional fee of \$181 per hour shall be paid by Borrower for extraordinary permanent loan servicing services.

Notwithstanding anything in this Agreement or any of the other Loan Documents to the contrary, permanent loan servicing services related to the review, inspection and/or consideration of requests for disbursements from the replacement reserve account shall not be considered extraordinary permanent loan servicing services, unless otherwise approved in advance by the Issuer.

B. Termination of Compensation. The Issuer Servicer's right to compensation hereunder (except for accrued, unpaid compensation and unreimbursed, previously incurred costs and expenses) for servicing the Loan shall cease upon the occurrence of any of the following events:

1. the Loan shall be paid in full and the Qualified Project Period shall have expired;

2. an Event of Default under the Note, Mortgage or the Loan Agreement unless the Issuer Servicer is directed to assist in foreclosure of the Mortgage by the Trustee;

3. notification by the Trustee to the Issuer Servicer that its services or this Agreement shall be terminated by the Issuer or the Trustee at the written direction of the Issuer, with or without cause;

4. assignment of all right, title and interest of the Trustee in and to the Mortgage.

C. Deductions of Unpaid Fees.

D. Any fees not paid by the Borrower may be deducted from a subsequent draw request.

7. TITLE INSURANCE UPDATE FEES. The Borrower shall be responsible for payment to the Title Insurance Company for periodic title update charges as required by the Issuer or the Trustee.

8. BUILDER'S RISK AND HAZARD INSURANCE. The Issuer Servicer shall see to it that at all times during the term of this Agreement and the other Loan Documents, all buildings and improvements making up the Property are insured, under standard mortgagee clauses, for the benefit of the Trustee and the Issuer, against loss or damage by fire and from such other insurable risks and hazards, all as more specifically set forth in the Mortgage and other Loan Documents. Subject to the applicable provisions of the Loan Agreement, fire insurance and extended coverage shall be in an amount at least equal to the full replacement value of the Property less applicable deductibles. Subject to the applicable provisions of the Loan Agreement, in the event of the failure by the Borrower to maintain such insurance in full force and effect, and upon the written authorization of the Issuer, such insurance shall be maintained by the Issuer Servicer, and the Trustee shall advance necessary funds (from amounts available for such purposes pursuant to the Indenture) to the Issuer Servicer at the direction of the Issuer Servicer. The Issuer Servicer shall retain and safely store, service and continually maintain all such policies and documents related thereto as are required by this Paragraph. All insurance coverage maintained pursuant to this Paragraph shall be without contribution by the Trustee and shall be issued by insurance companies having a general policyholder's rating and financial rating acceptable to the Issuer.

9. INSURANCE TO BE MAINTAINED BY THE ISSUER SERVICER. The Issuer Servicer shall maintain at all times during the existence of this Agreement, at its own expense, blanket fidelity insurance and errors and omissions insurance covering the Issuer Servicer's officers and employees and other persons acting on behalf of the Issuer Servicer relating to the

Issuer Servicer's performance of this Agreement. The amount of coverage of such policies shall be at least equal to the coverage that would be required by the Controlling Person with respect to the Issuer Servicer if the Issuer Servicer were servicing mortgage loans for the Controlling Person relating to the Issuer Servicer's performance of its obligations under this Agreement. All such policies of insurance shall be issued by an insurance company, with coverage satisfactory to the Issuer and the Issuer Servicer and shall name the Issuer and the Trustee as the insured under said policies. All premiums for such insurance shall be paid by the Issuer Servicer at its own expense as a cost of doing business.

10. NOTIFICATION TO THE TRUSTEE. The Issuer Servicer shall promptly notify the Issuer, the Borrower, the Controlling Person and the Trustee of any of the following which may come to the attention of the Issuer Servicer with respect to the Mortgage:

A. Any failure of the Borrower to perform any covenant of obligation, applicable to it, under the Loan Documents (of which the Issuer Servicer has knowledge) if such failure continues for a period of fifteen (15) days, or lesser period, if so provided in any Loan Document.

B. Abandonment of the Property.

C. Any lack of repair or the deterioration or waste suffered or committed in respect to the Property.

D. Any other matter which would adversely or materially affect or result in diminution of value of the security described herein and in the Mortgage.

E. Any loss or damage by fire or any hazard to the mortgaged property requiring repairs costing in excess of FIFTEEN THOUSAND AND 00/100 (\$15,000.00) DOLLARS to restore the Property of its condition prior to such loss or damage.

11. DEFAULT OF BORROWER. The Issuer Servicer shall not at any time, without the express written consent of the Issuer, the Controlling Person and the Trustee, consent to a postponement of compliance on the part of the Borrower with any of the terms and provisions of the Loan Agreement, the Mortgage, or any other Loan Document, or in any manner grant an extension or waiver to the Borrower, subject to the applicable provisions of the Indenture and Loan Agreement. The Issuer Servicer shall only act at the written direction given to it by the Trustee or the Issuer. The Trustee, at the direction of the Controlling Person, shall have the right to institute and prosecute any foreclosure proceedings of the Mortgage through an attorney selected and directed by the Trustee and the Issuer Servicer agrees to cooperate with such proceedings.

12. TRUSTEE ACTION. The Trustee shall conduct all such foreclosure proceedings and take title to the leasehold interest in the Property in the name of such other party as designated in the Mortgage and Indenture.

In such event, the Issuer Servicer shall be released from the obligations to conduct and be responsible for such foreclosure proceedings.

13. REPRESENTATIONS OF THE ISSUER SERVICER. The Issuer Servicer covenants, warrants and represents to the Issuer and the Borrower as follows:

A. The Issuer Servicer is a duly organized corporation under the laws of the State of Minnesota, is in good standing in such jurisdiction and in the State of Florida, and is authorized to conduct business in the State of Florida; that it is authorized to execute, deliver and perform this Agreement and all other documents and agreement required hereunder, and in so doing, that it will not violate any law, any provision of its charter or bylaws or any other agreement of instrument binding upon it.

B. The Issuer Servicer shall comply with all applicable laws and the provisions of the Loan Documents.

C. The Issuer Servicer shall cause any funds advanced to the Issuer Servicer by the Trustee under this Agreement to be deposited with a financial institution the deposits of which are insured by FDIC or by any successor agency or instrumentality of the United States government; and will cause such financial institution to designate said funds as escrow funds for the benefit of the Trustee; and will cause such financial institution to execute an agreement providing that it will not exercise any powers of right of offset or banker's lien against such escrow funds.

D. The Issuer Servicer hereby waives and releases any lien or encumbrances which it might at any time have or be able to claim against any property or funds held by the Trustee or the Issuer, except monies on deposit in the Administrative Expense Account (or similar account under the Indenture) and available for such payment under the Indenture.

14. BORROWER'S REPRESENTATIONS AND WARRANTIES. As of the Closing Date, the Borrower represents and warrants to the Issuer, the Trustee and the Issuer Servicer as follows:

A. Valid Existence. That it is a duly organized and validly existing limited partnership in good standing under the laws of the State, with full power and authority to consummate the transactions contemplated hereby.

B. Unencumbered Land. That the Borrower is indefeasibly seized of a leasehold interest in the Land and has full power and lawful right to mortgage the same, and that the Land is free and clear of all encumbrances, except current taxes and assessments which are not yet due and payable and Permitted Encumbrances as defined in the Indenture.

C. No Mechanic's Liens. That no materials of any kind have been placed on the leasehold interest in the Land by anyone, and no work or labor has been performed, thereon that has not been paid for; there are no unpaid bills for labor, materials, supplies or services

furnished upon the leasehold interest in the Land; and no notice of commencement or claim of lien affecting the leasehold interest in the Land or the Improvements has been filed in the public records of the County which has not been provided to and approved by the Issuer, and no such notice of commencement or claim of lien will be so filed prior to the recording of the Mortgage. The Borrower covenants, however, that it will, immediately upon notification of recordation of the Mortgage, cause to be executed and filed of record among the public records of the County, a notice of commencement, as required by Chapter 713, Florida Statutes, as amended, and a certified copy thereof to be posted on the Land and to remain so posted during the period of construction, all in accordance with the applicable provisions of Chapter 713, Florida Statutes, as amended.

D. Plans Approved. Except as provided in the next succeeding sentence, by the date of commencement of construction, the Plans shall have been approved by the Issuer Servicer and the Inspecting Engineer on behalf of the Issuer, and to the extent required by applicable law or any effective restrictive covenant, by all governmental authorities having jurisdiction thereover and the beneficiary of any such covenant, respectively.

E. Utilities. That all utilities services necessary for the construction of the Improvements and the operation thereof for their intended purpose, are or will be available prior to commencement of construction, for the use of the Borrower at the Land, including water supply, storm and sanitary sewer facilities, electric, and telephone services.

F. Access. That adequate vehicular, pedestrian and utility access for reasonably direct ingress, egress and service, to and from the Land from publicly owned and maintained paved roadways are or will be available when needed at the Land.

G. Licenses and Permits. That all necessary licenses and permits will be obtained as soon as each is reasonably obtainable so as to permit the construction and completion of the Improvements, and operation of the Property.

H. Labor and Materials. That all labor and materials contracted for or utilized in connection with the construction of the Improvements shall be used and employed solely on the Land and in said construction and shall be substantially in accordance with the Plans.

I. Monies in Trust. That the monies disbursed under this Agreement shall constitute a trust fund and shall be used solely for the payment of the Costs of the Improvements and for no other purpose, unless another use is specifically provided for in this Agreement or another Loan Document, or is consented to in writing by the Issuer and Trustee prior to any such usage.

J. No Suits Pending. That there are no actions, suits, or proceedings pending, or, to the knowledge of the Borrower, threatened against or affecting it or the leasehold interest in the Land or involving the validity or enforceability of the Mortgage or the priority of the leasehold lien thereof, at law or in equity, or before or by any governmental

authority except actions, suits and proceedings fully covered by insurance or which, if adversely determined, would not substantially impair the ability of the Borrower to pay when due any amounts which may become payable in respect to the Loan Agreement; and to the Borrower's knowledge it is not in default with respect to any order, writ, injunction, decree or demand of any court or any governmental authority.

K. No Violation of Agreements. That the consummation of the transactions hereby contemplated and performance of this Agreement and the Mortgage will not result in any breach of, or constitute default under, any mortgage, lease, bank loan or credit agreement, corporate charter, bylaws, partnership agreement, operating agreement, joint venture agreement, or other instrument to which the Borrower or its General Partner are a party or by which they may be bound or affected.

L. No Event of Default Under Loan Agreement. That no Event of Default presently exists under the Note, the Loan Agreement, the Mortgage, this Agreement or any other Loan Document, and no event has occurred and is continuing which with notice or the passage of time or either would constitute a default under the Note, the Loan Agreement, the Mortgage or this Agreement or any other Loan Document.

M. No Financial Impediments. That Borrower has no known or contingent liabilities, and no material financial obligations under other agreements to which Borrower is a party or by which the leasehold interest in the Land is bound other than those obligations incurred with regard to the acquisition of the leasehold interest in the Land or in the ordinary course of the operation of the Property and those obligations arising out of or specified in the Mortgage, the other Loan Documents, the Bond Documents and the Borrower's partnership agreement.

N. Continuing Warranties. That each of the representations and warranties set forth in this Paragraph will be true on the date of each advance hereunder and the acceptance of any advance hereunder by the Borrower shall be deemed to be a reaffirmation of each and every one of said representations and warranties.

15. COVENANTS OF THE BORROWER. As of the Closing Date, and thereafter, the Borrower covenants and agrees with the Issuer, the Trustee and the Issuer Servicer as follows:

A. Survey. The Borrower shall forthwith, and prior to the initial disbursement of any funds hereunder, furnish to the Issuer Servicer, at the Borrower's expense, a current survey, which survey shall meet all requirements of the Title Insurance Company (including any flood requirements), so as to enable the Title Insurance Company to eliminate any exception for survey matters from the Title Insurance Policy, and which survey shall locate all recorded restrictions and easements by recording references. Upon the completion of the Improvements, the Borrower shall furnish to the Issuer Servicer and the Trustee a final completion survey showing the Improvements completed and properly located on the Land. Such survey shall be

made by a civil engineer or surveyor reasonably acceptable to the Issuer Servicer and the Issuer and shall be paid for by the Borrower and shall be on a form and contain such matters as may reasonably be required by the Issuer Servicer and the Issuer.

B. Insurance. The Borrower shall furnish and pay, or cause to be furnished and paid, the premiums for fire and extended coverage insurance as well as insurance against such other hazards (i) as required under the Loan Agreement and the Mortgage, or (ii) if greater, as may be reasonably required by the Issuer and the Issuer Servicer, including flood insurance if required, with a company or companies meeting the reasonable requirements of the Issuer and the Mortgage, said policies to be in full replacement value of the Improvements and covering the same, said policies to be in such amount, in such form and with such deductibles as are reasonably acceptable to the Issuer and the Issuer Servicer. Loss under such insurance policies shall be payable in accordance with the relevant provisions of the Mortgage and the Subordination Agreement and said policies shall provide that they shall not be cancelable without at least thirty (30) days' prior written notice by the insurer to the Trustee and the Issuer. The Borrower shall also furnish at the Borrower's expense, or cause to be furnished, such workers' compensation insurance as may be reasonably required by law. Evidence of the foregoing shall be provided to the Trustee prior to the initial disbursement of funds. All insurance policies identified herein shall be renewed at least twenty (20) days prior to expiration with notice of renewal provided the Trustee. The provisions herein are intended to be consistent with and to impose the same insurance obligations as set forth in the Loan Agreement and the Mortgage.

C. Construction in Workmanlike Manner. The Borrower shall construct, or cause to be constructed, the Improvements on the Land in a true, thorough and workmanlike manner and in substantial accordance with the Plans. The Borrower shall provide, or cause to be provided, at the Borrower's cost, all manner of materials, labor, scaffolding, implements and other items of every description as are required for the complete construction of the Improvements. The Borrower shall not make any material changes in the Plans or materially deviate therefrom, except with the prior written consent of the Issuer and the Issuer Servicer which approval will not be unreasonably withheld or delayed and except with respect to change orders that do not require the consent of the Issuer or the Issuer Servicer pursuant to Section 17D. The question of materiality will be solely and reasonably decided by the Issuer or the Issuer Servicer in light of the Plans submitted, existing building standards and the public purpose of the Property.

D. Lien Releases. The Borrower shall furnish all receipted bills, certificates, affidavits, receipts, releases of lien, approved bonds and any other documents which may be required or allowed by the lien laws of the State, or which may be reasonably required by the Issuer, the Issuer Servicer, the Trustee or the Title Insurance Company providing the Title Insurance Policy, as evidence of full payment or acceptable bond for all labor and materials incident to the construction of the Improvements, and will promptly secure the release (except for liens which are the subject of a bond as herein described) of the leasehold interest in the Land from any and all liens that might be imposed thereon. The Borrower specifically reserves

the right to contest any such liens, provided such liens are properly transferred to a surety bond or cash deposit in accordance with Florida law.

E. Compliance with Loan Agreement. The Borrower shall comply with and perform each and every one of the provisions, terms, conditions, requirements and contingencies embodied in the Loan Agreement and the other Loan Documents required to be complied with by Borrower and shall execute all instruments required to completely comply with and perform the same, and shall abide by, complete and carry out all of the Borrower's representations, proposals and commitments made in the Loan Documents.

F. No Further Encumbrances. The Borrower will not convey, encumber or impose a security interest on its leasehold interest in the Land or the Improvements in any way without the consent of the Issuer and the Trustee, except as permitted in the Mortgage; nor shall the Borrower assign any rights under this Agreement or any advance or portion of any advance to be made hereunder without the Issuer's and the Trustee's prior written consent. All proposed easements affecting the leasehold interest in the Land shall be submitted to the Issuer Servicer for its reasonable approval prior to the execution thereof by the Borrower and shall be accompanied by a drawing or survey adequate to show the proposed location thereof.

G. Right of Entry. The Borrower will permit the Issuer, the Trustee and the Issuer Servicer and their authorized employees, agents or representatives to enter upon the Land after reasonable prior notice during normal business hours, to inspect the Improvements and all materials to be used in the construction thereof, and to examine all detailed plans and shop drawings which are or may be kept at the construction site and all books and records of the Borrower and the Contractor relating to the Land, and will cooperate and cause the Contractor to cooperate with the Issuer, the Trustee and/or the Issuer Servicer and their representatives to enable them to perform their functions hereunder. It is expressly agreed that any inspection made by the Issuer, the Trustee or the Issuer Servicer or their representatives shall be made solely and exclusively for the protection and benefit of each of them and neither the Borrower nor any third party shall be entitled to claim any loss or damage either against the Issuer, the Trustee or the Issuer Servicer or its employees, agents or representatives for failure to properly discharge any alleged duties of the Issuer, the Trustee or the Issuer Servicer and they shall have no duty to make such inspections.

H. Correct Non-Complying Work. The Borrower agrees that it will cause to be corrected at no cost to the Issuer, the Trustee, or the Issuer Servicer, any work performed and replace any material that does not substantially comply with the Plans.

I. Additional Documents. The Borrower agrees to execute any and all such other and further instruments as may reasonably be required by the Issuer or Trustee from time to time in order to carry out the provisions of this Agreement, the Loan Documents or for the purpose of protecting, maintaining, or enforcing the Issuer's and the Trustee's security for the Loan.

J. Insufficiency of Loan Proceeds. Unless otherwise agreed in writing by the Issuer and the Issuer Servicer, the Borrower covenants, warrants and agrees that it will provide from its own funds such amounts as may be necessary to pay for all Costs of the Improvements which are in excess of the disbursements required to be made by the Trustee hereunder and other available and identified funds (as approved by the Issuer Servicer), and in the event of any default hereunder (subject to any applicable notice and cure periods), the Issuer Servicer shall not be required to approve any disbursement hereunder if the undisbursed proceeds of the Loan together with all other available and identified funds shall be less than the amount necessary to pay for the completion of the Improvements. If the Issuer or the Issuer Servicer at any time determine in their reasonable judgment from any certification, report, cost projection, work stoppage, price or wage change or from any other source or for any reason, that the Cost of the Improvements will exceed those costs and projections estimated by the Borrower or the Issuer and certified to the Issuer Servicer from time to time, and that the undisbursed proceeds of the Loan (plus any and all funds of the Borrower deposited with the Trustee together with all other available and identified funds) shall be less than the amount necessary, in the Issuer's or the Issuer Servicer's reasonable judgment, to pay for all work done or to be done and all other expenses for completion of the Improvements, or that any amount specified in the Budget may be less than the amount necessary (taking into account all other available and identified funds which are so approved by the Issuer Servicer), in the Issuer's or the Issuer Servicer's reasonable judgment, to pay for all work done or to be done and all expenses incurred or to be incurred in connection with the Improvements, then in such event, the Trustee shall, if directed by the Issuer, withhold further disbursements to the Borrower until the Borrower shall have provided a sufficient plan to pay for all work done or to be done and expenses incurred or to be incurred in connection with the Improvements, to the reasonable satisfaction of the Issuer, including but not limited to the requirement that collateral sufficient to cover such costs be posted with or for the benefit of the Trustee.

K. Construction Contract. Except as otherwise provided herein with respect to change orders that do not require consent, the Borrower shall not amend the Construction Contract in any manner without the prior written consent of the Issuer, the Controlling Person and the Issuer Servicer.

16. TERMINATION.

A. By the Trustee. The Trustee, at the direction of the Issuer, shall have the right to terminate the Issuer Servicer's rights and obligations under this Agreement, without cause, upon ten (10) days' written notice to the Issuer Servicer, and with cause, upon such written notice as the Issuer deems reasonable under the circumstances. If the Issuer Servicer shall be terminated pursuant to this Section 16.A., the Issuer shall cause notice of such termination to be sent to the Borrower and the Controlling Person.

B. Automatic Termination. Upon the occurrence of any one or more of the following events, the Issuer Servicer's rights and obligations under this Agreement shall be automatically terminated:

(1) The Issuer Servicer shall assign or attempt to assign its rights or obligations under this Agreement.

(2) The Issuer Servicer shall institute proceedings for voluntary bankruptcy or shall file a petition seeking reorganization under the Federal Bankruptcy Laws or for relief under any other law for the relief of debtors or shall consent to the appointment of a receiver of all or substantially all of its property, or make a general assignment for the benefits of its creditors, or shall admit in writing its inability to pay its debts as they become due, or shall be adjudicated bankrupt or insolvent by a court of competent jurisdiction, or if an order shall be made by a court of competent jurisdiction appointing a receiver, liquidator or trustee of the Issuer Servicer or of all or substantially all of its property or approving any petition filed against the Issuer Servicer for its reorganization, and such adjudication or order shall remain in force or unstayed for a period of thirty (30) days.

(3) The Issuer Servicer shall fail to perform any of its obligations hereunder and shall fail, within thirty (30) days after written notice from the Trustee or the Issuer, to correct or cure such failure.

(4) The Property is no longer subject to any federal regulation dealing with tax-exempt financed housing projects.

(5) The amounts owed by the Borrower under the Loan Documents are paid in full.

C. Effect of Termination. In the event this Agreement is terminated pursuant to this Paragraph 16, then the rights and obligations of the Issuer Servicer and its right to compensation hereunder shall immediately terminate, the Issuer Servicer shall forthwith deliver to the Issuer or to whomever the Issuer directs, all documents relating to the Loan and shall do such other acts as may reasonably be required by the Issuer to facilitate the termination hereof.

D. Upon termination of the rights and duties of the Issuer Servicer hereunder (other than pursuant to Section 16B(5) hereof, the Trustee and the Borrower shall join the Issuer in entering into a substantially similar agreement with a replacement Issuer Servicer designated by the Issuer.

17. AGREEMENTS RELATING TO CONTRACTORS.

A. Rights Inferior. The rights of all contractors, subcontractors, sub-subcontractors, laborers, suppliers and materialmen performing any work in connection with the Improvements, or furnishing any services, labor or materials thereto or to the leasehold interest in the Land, shall be subordinate and inferior to the Mortgage. Neither the Trustee nor the Issuer shall be liable to materialmen, contractors, subcontractors, sub-subcontractors, laborers, suppliers or others for goods or services delivered by them in or upon the Land or

employed in the construction of the Improvements, or for any debts or claims accruing to any of said parties against the Borrower or against the leasehold interest in the Land, and it is distinctly understood and agreed that there is no contractual relationship, either express or implied, between either the Issuer, the Trustee or the Issuer Servicer and any materialmen, contractors, sub-contractors, sub-subcontractors, craftsmen, laborers or any person supplying any work, labor or material. The Borrower is not, and shall not be, the agent of either the Issuer, the Trustee or the Issuer Servicer for any purpose, nor shall any of them be the agent of Borrower for any purpose, except, as to both, as may be specifically set forth herein. It is specifically understood and agreed that no party shall be a third party beneficiary hereunder, except and unless it is specifically provided herein that any provision shall operate or inure to the use and benefit of a party, i.e., no subcontractor, sub-subcontractor or materialman, laborer or supplier shall have any rights hereunder against the Issuer, the Trustee or the Issuer Servicer or be entitled to the protection of any of the covenants herein contained.

B. Borrower's Rights Assigned. The Borrower hereby assigns to the Issuer and Trustee, effective, however, only after an Event of Default and the expiration of applicable cure periods, all rights of the Borrower under its contract with the Contractor and under its contract with the Architect and the Issuer or the Trustee shall have the option after an Event of Default, and the expiration of applicable cure periods, in its sole discretion and in addition to any other rights and remedies the Issuer or the Trustee may have, to exercise their rights under this assignment. Nothing herein shall be construed, however, to require the Issuer or the Trustee to exercise any rights under this Paragraph.

C. No Other Contracts. Except for items set forth and approved by the Issuer Servicer in the Budget, the Borrower represents that it has not and agrees that it will not enter into any significant contract or agreement (in excess of \$50,000) relating to the construction, purchase or installation of the Improvements other than the contracts with the property manager, the Developer, the Architect and the Contractor and a contract with its surveyors or engineers, nor will the Borrower agree to any material modification or amendment in its contract with the property manager, the Contractor or the Architect without first obtaining the Issuer Servicer's written approval of and consent to such contract, agreement or amendment, which consent shall not be unreasonably withheld or delayed for more than five (5) days after receipt of said notice.

D. Change Orders. The Borrower covenants and warrants that any change order of \$25,000 or more, or \$50,000 in the aggregate for the Project Facilities, shall require the prior written approval of the Issuer Servicer, which approval shall not be unreasonably withheld or delayed. Notwithstanding the foregoing, the Issuer Servicer shall be provided with copies of all change orders, regardless of amount. Change orders that do not require the consent of the Issuer Servicer shall not be deemed material.

E. No Joint Venture. Nothing herein nor the acts of the parties hereto shall be construed to create a partnership or joint venture between the Borrower and the Issuer, the Trustee or the Issuer Servicer with respect to the Loan.

18. EVENTS OF DEFAULT.

A. Subject in all instances to the provisions of subparagraph B of this Section 18 and the provisions of the Indenture, including but not limited to the right of the Controlling Person to control all proceedings under Section 6.4 of the Indenture, and Section 7.9 of the Loan Agreement, an Event of Default under this Agreement shall, at the Issuer's option, be deemed to have occurred hereunder if:

(1) Default Under Loan Documents. Any Event of Default, as defined therein, shall occur under any of the other Loan Documents which is not cured within any applicable grace or cure period; or

(2) Breach of Covenant. The Borrower shall breach or fail to perform, observe or meet any material covenant or condition in this Agreement within thirty (30) days after written notice thereof or such longer period of time in the reasonable discretion of the Issuer Servicer if such default cannot reasonably be cured within thirty (30) days and Borrower is diligently prosecuting a cure to completion; or

(3) Filing of Liens Against the Land. Any lien for labor, materials, or taxes (except for ad valorem taxes not yet due and payable) or otherwise shall be filed against Borrower's leasehold interest in the Land and not be either released (by payment, bonding or otherwise) within the earlier of forty (40) days after the date of filing thereof or thirty (30) days after the Borrower receives actual notice thereof or properly contested as provided for in the Mortgage, except as disclosed in the pending litigation schedule attached hereto as Exhibit "C" and made a part hereof; or

(4) Judgment Against Borrower. Any final judgment shall be entered against the Borrower or the General Partner, which the Borrower or the General Partner has not appealed and which could reasonably be expected to impair the ability of the Borrower to perform each and every one of its respective obligations under and by virtue of the Loan Documents; or

(5) Levy Upon The Property. A levy shall be made under any process on, or a receiver be appointed for, the Property or any part thereof and not dismissed within thirty (30) days; or

(6) Bankruptcy. The Borrower or the General Partner shall commit any act of bankruptcy; or any proceeding under bankruptcy laws or other debtor-relief or similar laws shall be brought against the Borrower or the General Partner which is not dismissed within sixty (60) days; or the Borrower or the General Partner shall file for or take advantage of any form of reorganization or arrangement under any bankruptcy law or other debtor-relief or similar law or proceeding; or

(7) Assignment for the Benefit of Creditors. The Borrower or the General Partner shall make a general assignment for the benefit of creditors; or

(8) Abandonment or Cessation of Construction. Construction of the Improvements shall cease and not be resumed within thirty (30) days thereafter, unless the Borrower is prevented from resuming same as a result of Force Majeure, or shall be abandoned for more than thirty (30) days; or

(9) Denial of Inspection. The Issuer, the Trustee or the Issuer Servicer or representatives shall not be permitted, at all reasonable times and after reasonable notice, to enter upon the Land, to inspect the Improvements and the construction thereof and all materials, fixtures, and articles used or to be used in the construction of the Improvements, and to examine all detailed plans, shop drawings, specifications and other records which relate to the Improvements, or the Borrower shall fail to furnish to the Issuer, the Trustee or the Issuer Servicer or to their authorized representatives, when reasonably requested, copies of such plans, shop drawings, specifications, and records; or

(10) Improper Materials. Any of the materials, fixtures, machinery, equipment, articles and/or personal property used in the construction of the Improvements or the appurtenances thereto, or to be used in the operation thereof, shall not, in the reasonable opinion of the Issuer Servicer or the Issuer, confirmed by the Inspecting Engineer, substantially comply with the Plans as approved by the Issuer and such default is not cured by the Borrower within forty-five (45) days after the Issuer Servicer or the Trustee has given notice to the Borrower to cure same; or

(11) Materials Not Free and Clear. The Borrower shall not, except in the case of leased washing machines, dryers, vending machines, office telephones, office equipment, office communications equipment and model furniture and other items normally used in common by tenants, execute (other than to the Issuer or the Trustee or any mortgage constituting a Permitted Encumbrance) any conditional bill of sale, chattel mortgage, security agreement or other security instrument covering any materials, fixtures, machinery, equipment, articles, and/or personal property intended to be incorporated in the Improvements or the appurtenances thereto, or placed in the Improvements, or if a financing statement publishing notice of such security instrument shall be filed, or if any of such materials, fixtures, machinery, equipment, articles, and/or personal property shall not be purchased so that the ownership thereof will vest unconditionally in the Borrower, free from encumbrances other than the Issuer and the Trustee or any mortgage constituting a Permitted Encumbrance, on delivery at the Land, or if the Borrower shall not produce to the Issuer, the Trustee or the Issuer Servicer upon demand the contracts, bills of sale, statements, receipted vouchers or agreements, or any of them, under which the Borrower claims title to any thereof; or

(12) Failure to Complete Improvements. The Improvements, in the reasonable judgment of the Issuer Servicer or the Issuer, are not, or cannot reasonably be, completed on or before the Completion Date (as defined in the Indenture), subject, however, to force majeure; or

(13) False Representation or Warranty. At any time any representation, warranty or statement made by the Borrower in any Loan Document shall be incorrect or misleading in any material respect when made and such matter not be cured within thirty (30) days of the giving of notice thereof to the Borrower by the Issuer or the Trustee.

Notwithstanding anything herein to the contrary, this Paragraph shall in no way be construed to limit the Issuer's, the Trustee's or the Issuer Servicer's right to seek specific performance of this Agreement against the Borrower or to enforce its remedies under Paragraph 20 hereof or to, unless the Controlling Person has elected to control all proceedings following an Event of Default as provided in Section 6.4 of the Indenture, withhold approval of a Requisition until the Borrower is in compliance with this Agreement.

B. Notice of Default; Opportunity to Cure. Except as set out below no default under the preceding Section shall constitute an Event of Default hereunder until:

(1) The Issuer Servicer by registered or certified mail, shall give notice to the Issuer, the Controlling Person, the Borrower, the Borrower's investor limited partner and the Trustee of such default specifying the same and stating that such notice is a "Notice of Default"; and

(2) The Borrower shall have had thirty (30) days (or such extended period as permitted by the Issuer and the Controlling Person when curative action is being diligently pursued (approved in writing with notice to the Trustee and the Issuer Servicer) after receipt of such notice to correct the default and shall not have corrected it or, if such default cannot be corrected within thirty (30) days, shall have failed to initiate and diligently pursue (in the sole reasonable judgment of the Issuer) appropriate corrective action. The Borrower's investor limited partner shall have the right, but not the obligation to cure any default.

Notwithstanding the foregoing, notice of and opportunity to cure any default arising from a default under the other Loan Documents shall be governed by the terms of such agreements, and no additional notices of or opportunity to cure any default under such agreements shall be required hereunder to complete the notice and cure procedure provided in such agreements.

19. MISCELLANEOUS PROVISIONS:

A. No Waiver. Nothing herein shall be construed to waive or diminish any right or security of the Issuer, Controlling Person or the Trustee under the Loan Agreement and the Mortgage. It is the purpose and intent hereof to provide safeguards, protections and rights for the Issuer, Controlling Person and the Trustee in addition to those provided in the Loan Agreement and Mortgage.

B. Cumulative Remedies. The remedies provided herein shall be in addition to and not a substitution for the rights and remedies which would otherwise be vested under any Loan Document or in law or equity, all of which rights and remedies are specifically reserved. The remedies herein provided or otherwise available to the Issuer, the Trustee, Controlling Person or the Issuer Servicer shall be cumulative and may be exercised separately or concurrently and as often as the occasion therefor may arise. The failure to exercise any of the remedies herein shall not constitute a waiver thereof, nor shall use of any of the remedies hereby provided prevent the subsequent or concurrent use of any other remedy or remedies. It is intended that this clause shall be broadly construed so that all remedies herein provided or otherwise available to the Issuer, the Trustee, Controlling Person or the Issuer Servicer shall continue and be each and all available until all sums due by reason of the Loan Agreement or the Mortgage are paid in full and all obligations incurred by the Borrower in connection with the construction or operation of the Improvements have been fully discharged.

C. Binding Effect. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their heirs, legal representatives, successors and assigns. The Borrower may be released from obligations and agreements hereunder only by a written instrument of the Trustee and the Issuer specifically providing for such release. The Borrower shall be released from any and all liability hereunder, upon payment of the Loan in full and the expiration of the Qualified Project Period. The Controlling Person shall be an express third party beneficiary hereof.

D. Assignability. This Agreement shall not be assignable by the Borrower or the Issuer Servicer without the prior written consent of the Issuer, the Controlling Person and the Trustee. If the Issuer and the Trustee approve an assignment hereof by the Borrower, the Trustee shall be entitled to make advances to such assignee and such advances shall be secured by the Loan Documents.

E. Governing Law. This Agreement shall be construed under the laws of the State of Florida, regardless of where it may have been executed or delivered.

F. Construction. Whereas this Agreement was negotiated with input from all parties hereto, this Agreement shall not be construed more strongly against any party regardless of who was more responsible for its preparation.

G. [Reserved].

H. Invalid Provisions. All rights, powers and remedies provided herein may be exercised only to the extent that the exercise thereof does not violate any applicable law and are intended to be limited to the extent necessary so that they will not render this Agreement invalid, illegal, or unenforceable under any applicable law. If any term of this Agreement shall be held to be invalid, illegal or unenforceable, the validity of the other terms of this Agreement shall in no way be affected thereby, nor shall such terms be invalid or unenforceable under other, dissimilar facts and circumstances.

I. Headings. The paragraph headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning, content, or interpretation hereof.

J. Amendments. This Agreement shall not be amended or modified except by an amendment in writing, executed by all parties hereto in the same form as this Agreement.

K. Time of Essence. Time is of the essence of this Agreement.

L. Right to Publicize. The Issuer and the Issuer Servicer shall have the right to publicize its involvement in the financing of the Property and may require the Borrower to name the Issuer as its mortgage lender in all publicity releases and promotional materials issued in connection with the Property.

M. Dealings with the Issuer Servicer. The Issuer Servicer shall be protected and shall incur no liability in acting or proceeding in good faith upon resolution, notice, telegram, consent, wavier, certificate, affidavit, voucher, bond, title insurance commitment or policy or endorsement thereto or other paper or document which it shall in good faith reasonably believe (i) to be genuine and, (ii) to have been passed or prepared and furnished pursuant to the provisions of the Indenture, the Land Use Restriction Agreement, the Mortgage or the Loan Agreement, and the Issuer Servicer shall be under no duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument, but may accept and rely upon the same as conclusive evidence of the truth and accuracy of such statements unless the instrument on its face reasonably indicated that the Issuer Servicer should inquire further or unless the Issuer Servicer has actual knowledge or information which reasonably should cause the Issuer Servicer to inquire further. The Issuer Servicer shall not be held liable under this Agreement except for its own negligence or willful misconduct or gross negligence. The Borrower shall indemnify and hold the Issuer Servicer harmless from any claim, action or liability of any kind or character whatsoever arising from or in any way related to acts or omissions of the Borrower or any of its agents, employees, consultants, counsel, or independent contractors. This Paragraph shall in no way be construed to relieve the Issuer Servicer of the normal and usual duties of a reasonably prudent loan servicer or monitoring agent.

N. Terms. Wherever used herein, the terms utilized shall include masculine, feminine, neuter, singular and/or plural, as the context admits or requires.

O. Conflicts. Notwithstanding anything herein to the contrary, the terms and conditions of the Note, the Loan Agreement and the Mortgage shall govern, control and prevail, in the event of any conflict between the terms and conditions hereof and those contained in the Note, the Loan Agreement and the Mortgage.

20. REMEDIES. Subject to the terms of the Land Use Restriction Agreement and the Subordination Agreement, upon the occurrence of any Event of Default which is not cured within the applicable cure period, the Issuer (or the Trustee or the Issuer Servicer), shall be

entitled to seek specific performance hereof against the Borrower, and/or in addition to any other right or remedy available to it in law or equity. It is specifically agreed by the Borrower that a violation of this Agreement or the Land Use Restriction Agreement could cause harm for which no damages could be calculated, therefore entitling the Issuer to immediate equitable relief, including without limitation a temporary restraining order or mandatory injunction without notice.

21. [RESERVED.]

22. EXERCISE OF RIGHTS BY ISSUER. Notwithstanding any provision herein to the contrary, the Issuer Servicer shall approve or disapprove all advances requested hereunder by the Borrower and in accordance with the Loan Documents and in accordance with the credit underwriting guidelines of the Issuer.

23. INCORPORATION OF LIMITED RECOURSE PROVISIONS. The provisions of Section 10.13 of the Loan Agreement, dated September 1, 2019, are hereby incorporated into and made a part hereof.

24. NOTICES. Any notice required to be given hereunder shall be given by personal delivery, by registered U.S. mail or by expedited service at the addresses specified below or at such other addresses as may be specified in writing by the parties hereto, and any such notice shall be deemed received on the date of delivery if by personal delivery or expedited delivery service, or upon actual receipt of sent by registered U.S. Mail.

11.3 Any Indemnified Party shall notify the Borrower of the existence of any Liability to which this indemnification obligation would apply and shall give to the Borrower an opportunity to defend the same at the Borrower’s expense and with counsel reasonably satisfactory to the Indemnified Party, provided that the Indemnified Party shall at all times also have the right to fully participate in the defense but not to take any action to settle the same without the approval of the Borrower which approval shall not be unreasonably withheld. Each Indemnified Party shall have the right to engage separate counsel in any such action or proceeding and participate in the investigation and defense of the action or proceeding and the Borrower shall be obligated to pay the reasonable fees and expenses of such separate counsel if the Indemnified Party reasonably determines that a conflict of interest exists between the interests of the Indemnified Party and the interests of the Borrower. If the Borrower shall, after this notice and within a period of time necessary to preserve any and all reasonable defenses to any claim asserted, fail to assume the defense or to employ counsel for that purpose satisfactory to the Indemnified Party, the Indemnified Party shall have the right, but not the obligation, to undertake the defense of, and to compromise or settle the claim or other matter on behalf of, for the account of, and at the risk, cost and expense of, the Borrower.

11.4 In order to provide for just and equitable contribution in circumstances in which the indemnity provided for in Section 11.1 or 11.2 hereof is for any reason held to be unavailable, the Borrower and the Underwriter shall contribute proportionately to the aggregate Liabilities to which the Borrower and the Indemnified Parties may be subject, so that the Underwriter is responsible for that portion represented by the percentage that the fees paid by the Borrower to the Underwriter in connection with the issuance and administration of the Bonds bear to the aggregate offering price of the Bonds, with the Borrower responsible for the balance; provided, however, that in no case shall the Underwriter be responsible for any amount in excess of the fees paid by the Borrower to the Underwriter in connection with the issuance and administration of the Bonds and provided further that the Borrower shall not be required to contribute for Liabilities to an Indemnified Party arising from the gross negligence or willful misconduct of such Indemnified Party. No person guilty of fraudulent misrepresentation (within the meaning of Section 10(b) of the Securities Act of 1933) shall be entitled to contribution from any person who was not guilty of such misrepresentation.

11.5 The Indemnified Parties, other than the Issuer and the Underwriter, shall be considered to be third-party beneficiaries of this Agreement for purposes of this Section 11. The

provisions of this Section 11 will be in addition to all liability that the Borrower may otherwise have under law or any other Borrower Document and shall survive any termination of this Agreement, the offering and sale of the Bonds and the payment or provisions for payment of the Bonds.

11.6 The indemnification hereunder shall be in addition to, and shall not limit, any indemnity granted by the Borrower pursuant to the Loan Agreement or any other document.

11.7 The Borrower shall be subrogated to an Indemnified Party's rights of recovery to the extent of any liabilities satisfied by Borrower. Such Indemnified Party shall execute and deliver such instruments and papers as are necessary to assign such rights and assist in the exercise thereof.

11.8 Nothing herein shall be construed to create recourse debt to the Borrower or any of its partners for the Loan or the Bonds, except as set forth in Section 10.13 of the Loan Agreement.

12.3 This Agreement may not be assigned by the Issuer or the Borrower. This Agreement may be assigned by the Purchaser upon written notice of such assignment from the Purchaser to the Issuer and the Borrower. The Purchaser may designate the entity in whose name the Bonds are to be registered at Closing by providing registration information to the Trustee on or prior to the Closing Date.

12.4 This Agreement may not be amended without the prior written consent of the Issuer, the Borrower and the Purchaser.

12.5 The representations, covenants and agreements of the Issuer and the Borrower will not be deemed to have been discharged, satisfied or otherwise rendered void by reason of the Closing and regardless of (a) any investigations made by or on behalf of the Purchaser (or statements as to the results of such investigations) concerning such representations, covenants and agreements and (b) delivery of and payment for the Bonds.

To the fullest extent permitted by applicable law, electronically transmitted or facsimile signatures shall constitute original signatures for all purposes under this Agreement.

12.7 This Agreement supersedes and replaces all prior negotiations, agreements and understandings between the parties hereto in relation to the sale of the Bonds.

12.8 This Agreement will become effective and binding upon the respective parties hereto upon the execution and delivery hereof by the parties hereto and will be valid and enforceable as of the time of such execution and delivery.

12.9 If any provision of this Agreement is held or deemed to be or is, in fact, inoperative, invalid or unenforceable as applied in any particular case in any jurisdiction or jurisdictions, or in all jurisdictions because it conflicts with any provision of any constitution, statute, rule of public policy, or any other reason, such circumstances will not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance or of rendering any other provision or provisions of this Agreement invalid, inoperative or unenforceable to any extent whatever.

12.10 This Agreement will be governed by and construed in accordance with the laws of the State applicable to agreements to be performed wholly therein, without regard to conflict of laws principles.

12.11 The obligations of the Purchaser hereunder shall be without recourse to any shareholder, trustee, officer, employee, agent or manager of the Purchaser and no shareholder, trustee, officer, employee, agent or manager of the Purchaser shall be personally liable for the payment of any obligation of the Purchaser hereunder. In the event any legal actions or proceedings are brought in respect of such obligations, any judgment against the Purchaser shall be enforced only against the assets of the Purchaser and not against any property of any trustee or manager of the Purchaser.

12.12 As an inducement to the agreement of the Purchaser to purchase the Bonds pursuant to the terms of this Agreement, the Borrower agrees not to obtain or seek to obtain financing or credit of any kind or nature whatsoever from any other sources in lieu of the financing to be provided by the issuance of the Bonds by the Issuer and the purchase of the Bonds by the Purchaser. In the event of a breach of this covenant, the Purchaser shall be entitled to all remedies available to it, at law and in equity, including specific performance and damages. As a further inducement, the Borrower agrees to indemnify and hold harmless the Purchaser from any and all litigation or claims arising out of transactions contemplated herein, except for any litigation or claims directly resulting from the gross negligence or willful misconduct of the Purchaser.

12.13 The Issuer and the Borrower acknowledge and agree that (i) the purchase and sale of the Bonds pursuant to this Agreement is an arm's length commercial transaction between the Issuer and the Purchaser, (ii) in connection with such transaction, the Purchaser is acting solely as a principal and not as an advisor (including, without limitation, a Municipal Advisor (as such term is defined in Section 975(e) of the Dodd-Frank Wall Street Reform and Consumer Protection Act)), agent or a fiduciary of the Issuer or the Borrower, (iii) the Purchaser has not assumed a fiduciary responsibility in favor of the Issuer or the Borrower with respect to the offering of the Bonds or the process leading thereto (whether or not the Purchaser, or any affiliate of the Purchaser, has advised or is currently advising the Issuer or the Borrower on other matters) or any other obligation to the Issuer or the Borrower except the obligations expressly set forth in this Agreement, (iv) the Purchaser has financial and other interests that differ from those of the Issuer and the Borrower, and (v) each of the Issuer and the Borrower has consulted with its own legal and financial advisors to the extent it deemed appropriate in connection with the offering of the Bonds.

Section 14. Definitions. Capitalized terms used herein and not defined shall have the meanings ascribed to such terms in the Indenture.

Section 15. Contingency Draw Down. In the event either the Originator or the Borrower, with the consent of the Originator, determines that legislative, judicial or other developments have occurred or other circumstances have emerged which could result in interest on the Bonds not being excluded from gross income for federal income tax purposes or otherwise determines that it is in the requesting party's best interest to cause the remaining authorized amount of the Bonds to be fully funded (the "Remaining Authorized Amount") in order to assure that interest on the Bonds will remain excluded from gross income for federal income tax purposes, and, in the case of such determination by the Borrower, such action will resolve the uncertainty with respect to the exclusion of interest on the Bonds from gross income for federal income tax purposes and will not jeopardize receipt of previously committed unfunded debt or equity funding for the Project, then the Majority Owner may provide a written letter of direction (a "Draw-Down Notice") to the Trustee, with a copy to the Borrower and the Purchaser, to cause the Remaining Authorized Amount of the Bonds to be funded. The Draw-Down Notice, if given, shall take effect on the fifth (5th) Business Day following the date of such notice (or such greater number of Business Days to which the Originator, Borrower and the Purchaser may agree in writing, with written notice to the Trustee) and contain substantially the following words: ***"The Majority Owner elects to fund the Remaining Authorized Amount of the Bonds (\$_____) to be funded effective _____ (the "Draw-Down Date")."*** The Draw-Down Notice will be delivered in the manner provided for notices under the Indenture and the Loan Agreement. After the delivery of a Draw-Down Notice, the Purchaser shall advance proceeds of the Bonds in the Remaining Authorized Amount to the Trustee for deposit in the Bond Proceeds Account of the Project Fund and, if applicable, the Capitalized Interest Account of the Project Fund, to be held and disbursed pursuant to the Indenture and

the Loan Agreement. The Borrower agrees to pay to the Trustee, on the Draw-Down Date, an amount of funds to be agreed upon by the Originator and the Borrower prior to the Draw-Down Date to cover the expected interest costs for the period between the Draw-Down Date and the date of each expected draw in accordance with the then-approved draw schedule set forth on Exhibit B hereto (the “Capitalized Interest Deposit”), to be deposited by the Trustee into the Capitalized Interest Account of the Project Fund.

4. Project Selection Criteria

Those in **BLACK** are from Ordinance 2014-185-E

Those in **RED** are from JHFA Board

Project feasibility as determined by:

- ✓ Applicant's development and construction experience;
- ✓ Applicant's management experience; and
- ✓ Financial feasibility to complete and operate the project (including, but not limited to, cost estimates, cash flows, debt service, coverage ratios, the percentage of public monies requested compared to project cost; leveraging)
- Applicant's performance and/or compliance (including any prior defaults) of any prior loans or contracts with the JHFA or the City;
- The extent to which social services and assistance is offered to occupants (including, but not limited to, job training, computer training, home purchase assistance, health-related support);
- The extent to which there is temporary (for any rehabilitation projects) or permanent displacement of existing tenants (then in which event either shall be scored as a negative factor); and,
- The following shall receive emphasis in scoring:
 - Existing projects with either expiring Section 8 rental assistance contracts, or
 - The preservation of projects that have expiring affordable housing land use restrictions.
- **The JHFA established the following funding priorities for Applicants applying for the Local Government Area of Opportunity Funding:**
 - **Utilizing JHFA Bonds**
 - **Need for JHFA Gap Financing**
 - **Leveraging of JHFA Funds with other Funds**
 - **Innovative Aspects of the Development**

5. **Analysis of Developments Using Project Selection Criteria:**

CRITERIA	APPLICATIONS
Development, construction & management experience	Both Applicants have extensive experience
Financial feasibility to complete and operate the development	Both deals appear economically feasible Ashley Square has higher costs (due to building design, which is necessary for downtown location), which are offset by subsidy funds from FHFC and City. Sydney Trace has lower costs related to garden style and larger development size. Viability is achieved with lower costs and innovative financing structure that does not involve FHFC funds.
Applicant's performance and/or compliance on any prior loans or contracts with JHFA or the City	Both have successful bond and JHFA loans outstanding
Social services and assistance offered to residents (job training, computer training, home purchase assistance, health-related support, and others)	Both will have to meet JHFA standards. Ashley Square providing extensive services in conjunction with co-owner Aging True, including wellness clinic, free lunch three days/week, service coordinators, transportation to shopping, medical & events, financial planning & health nutrition classes, various resident activities, resident assurance check-in program, and computer training. Both provide list of amenities and programs
Temporary or permanent displacement of existing tenants (negative factor)	None
Priority for developments with expiring Section 8 contracts or affordable housing land use restriction agreements	None
CRITERIA	APPLICATIONS
Utilizing JHFA Bonds	Both using JHFA bonds

<p>Need for JHFA Gap Financing</p>	<p>Ashley Square: without the \$1.5 million of Gap Financing, would be deferring \$2,102,642 of \$3,707,668 (57%) developer fee. With requested Gap Financing, deferred fee would be reduced to 16%.</p> <p>Sydney Trace: without the \$1.5 million of Gap Financing, would be deferring \$3,437,043 of \$3,609,029 (95%) developer fee. With the requested Gap Financing, deferred fee would be reduced to 54%.</p>
---	--

CRITERIA	APPLICATIONS
<p>Leveraging of JHFA funds with other Funds</p>	<p>Ashley Square has \$8.53 million of FHFC SAIL, ELI & NHTF funds committed and \$1 million of City HOME funds with preliminary commitment</p> <p>Sydney Trace has \$1 million of City HOME funds with preliminary commitment and the owner is purchasing \$2.5 million of subordinate bonds through a related entity</p>
<p>Innovative Aspects of the Development</p>	<p>Ashley Square in part of Cathedral District redevelopment. The development would advance the City's goals of increasing the number of Downtown residents and Aging True (non-profit is an active participant in the development and services to residents. Other innovative aspects include potential for intergenerational housing, public art, walkability and access to public transit.</p> <p>Sydney Trace is proposing an innovative financing structure that is not contingent upon FHFC SAIL funding. The development is made financially viable by a structure that includes the purchase of \$2.5 million of subordinate bonds by an affiliate of the owner.</p>

6. **Development Analysis:**

- **Ashley Square:**
 - ✓ Partnership with Aging True, non-profit owner of several elderly developments, and provider of services for seniors
 - ✓ New development in Cathedral District
 - ✓ Developer has made difficult development economically feasible by obtaining resources from many sources, including FHFC and the City
 - ✓ Without JHFA Gap Financing, a relatively high 54% of developer fee would need to be deferred
- **Sydney Trace:**
 - ✓ Providing 192 new units without needing FHFC resources
 - ✓ Developer has made development with minimal subsidies feasible by proposing to invest \$2.5 million of their funds to purchase subordinate bonds.
 - ✓ Without JHFA Gap Financing, an unworkable 95% of developer fee would need to be deferred

7. **Recommendations:**

- Provide loan commitment of \$1.5 million to Sydney Trace, which would permit the development to move forward, create new affordable units that would not otherwise be built, and lower the deferred developer fee to a workable (with this financing model) 57%,
- Provide loan commitment of \$500,000 to Ashley Square, which would improve the development's feasibility, and lower the deferred fee to a workable level given the traditional financing model being used (43%). The higher paid fee is necessary because the developer cannot opt out of affordability and convert to market rate after 15 years.
- For Sydney Trace: 1% interest rate, semi-annual payments, 40-year amortization, balloon in 20 years (or sale/refinance if earlier), and permit Qualified Contract option after Year 19
- For Ashley Square: 1% interest rate, interest only payments (cashflow), 20-year term (or coterminous with 1st mortgage)
- All loan commitment and loans governed by Ordinance 2014-185-E.
- Authorize the Chairman to sign loan commitment letter, and authorize Chair or other Board member to execute loan documents, including subordinations and extension of loan commitment up to 30 days after senior loan closing date;
- Loan to be evidenced by Promissory Note and Mortgage, with anticipated second mortgage position for Sydney Trace and subordinate position behind the first mortgage and all FHFC loans for Ashley Place (subject to all loan documents and due diligence necessary to evidence and complete the transaction).
- Loan documents to include a Land Use Restriction Agreement with all Applicant commitment (City programs, length of set-aside, income restrictions).
- The loan documents shall provide for the standard default provisions; and upon default, the loan shall accrue interest at the highest rate then permissible under Florida law from and after an event of default that remains uncured.
- Each loan shall be evidenced by a promissory note in the full-face amount of the loan, and secured in its entirety by a subordinate lien mortgage, and shall include such other standard loan documents as necessary to evidence and complete the transaction.
- The loan shall not be disbursed until the following minimum due diligence is received and satisfactory (however, additional requirements may be necessary for the project): mortgagee title insurance policy (or a marked-down commitment for the same), boundary survey certified to the JHFA, environmental site assessments certified to the JHFA, and evidence of concurrency and all permits authorizing construction of the project.
- Loan commitment expiration date of September 30, 2020

8. **Explanation of Qualified Contract and IRS Rules**

- IRS Rules outline a process wherein the tax credit allocating agency must find a buyer of the property (the “qualified contract”) by the end of the 15th year of compliance.
- This Rule is optional for allocating agencies, and FHFC requires developers to waive the qualified contract for deals with LURA”s over 30 years.
- If the allocating agency cannot find a buyer, the developer may opt out of the income restrictions.
- The price for the property is determined by a formula, which requires payment of both outstanding debt and all equity investments—so many believe it generates an unrealistically high price.

**JACKSONVILLE HOUSING FINANCE AUTHORITY
NOFA 2020-1**

**NOTICE OF FUND AVAILABILITY &
REQUEST FOR APPLICATIONS**

2020 GAP FINANCING FOR DEVELOPMENTS UTILIZING JHFA BONDS

The Jacksonville Housing Finance Authority (the "Authority") announces the availability of funds and is requesting applications for the consideration of providing gap financing for qualified multifamily housing developments which meet the goals of the Authority, comply with applicable federal and state law, and are using JHFA bonds. The Authority has adopted the following guidelines to set forth the general requirements and procedures that apply to the financing of multifamily housing developments. The Authority may waive specific provisions of these guidelines where good cause is shown and adequate supporting documentation is provided. Any waiver is at the sole discretion of the Authority, and may require approval by the Jacksonville City Council. In addition, these guidelines may be amended, revised, repealed or otherwise altered by the Authority with or without notice. The Authority specifically welcomes requests for proposed alternative resident programs or development/unit features.

All applications submitted will be reviewed by the Authority's Financial Advisor, who will make recommendations to the Board. The Board will decide whether or not to authorize commitment letters and loans providing gap financing. Submission of an application does not entitle the Applicant to financing, even if sufficient funds remain.

The Authority will not consider issuing commitment letters to provide financing for any development unless the applicant has satisfied the general requirements set forth in these guidelines, submits a timely, complete, and acceptable application and complies with all of the procedures and requirements contained within the Authority's application procedures and program guidelines. Copies of the Application are available at the Authority's website or upon request by email to mark@thehendricksoncompany.com

The Authority reserves the right to impose additional requirements on any particular development. Compliance with these guidelines does not and shall not create any right by an applicant to a commitment or assurance that the Authority will provide the requested financing.

The Authority provides gap financing to assist in the construction, rehabilitation and permanent financing of multifamily housing developments. The estimated amount of funds available for local government support is approximately \$2,000,000. Up to this amount can be used for multi-family developments utilizing JHFA bonds.

All applications received will compete with each other and be selected by the Authority for the available funding. Applications will be reviewed against the criteria listed below and, if selected, each loan will be subject to the minimum loan terms stated below.

Applications are due no later than 5:00 PM, Eastern Daylight Time, **August 22, 2019**. The application cycle will be processed according to the Authority's guidelines (which guidelines provide, however, that any remaining allocation-available after the application cycle may be made available to applicants on a first-come, first-served basis). Why Appropriate All Florida Housing Trust Funds for Florida Housing Programs?

- The Florida Legislature has the opportunity to create more than 30,000 jobs and more than \$4.4 billion in positive economic impact if it appropriates all of the housing trust fund monies for housing.
- The State Housing Initiatives Partnership Program (SHIP) is a nationally-acclaimed model for effectively and efficiently meeting housing needs at the community level. SHIP provides sustainable homeownership and rental housing for Florida's workforce, helps prevent homelessness, and provides emergency repairs and disaster recovery for Florida's most vulnerable residents, including the frail elderly, persons with disabilities, and veterans.
- The State Apartment Incentive Loan Program (SAIL) produces apartments for Florida's workforce, rehabilitates existing apartments in dire need of repair, as well as apartments that house Florida's most vulnerable populations, including the frail elderly and persons with disabilities who might otherwise need to live in an institutional setting.
- SHIP and SAIL have proven track records of performance, transparency, and accountability.
- Using Florida's housing funds solely for housing creates a positive economic impact for Florida by fueling economic development, creating jobs, investing in our local communities, and contributing to the well-being of Florida's families, veterans, elderly, persons with disabilities, persons experiencing homelessness, and deserving Floridians in need of affordable workforce housing across the state.
- In Florida, there are more than 900,000 very low-income households that pay more than 50% of their income for housing — leaving them one unexpected expense such as a medical crisis, car repair, or missed paycheck away from homelessness.
