

2019 EPB-UNF Environmental Symposium  
 Friday, September 13, 2019 - UNF University Center  
**"Building Resiliency - Inspiring, Informing Engging our Community"**

Proposed 2019 Symposium Sessions

<b>Session ID</b>	<b>Time Frame</b>	<b>Proposed Session Topic</b>
Morning	8:45 a - 10:15 a	St Johns River River Report , Resiliency Keynote - Jim Murley
A	10:30 a - 11:45 a	RECYCLING TODAY: Responses to a changing global demand for post consumer waste and alternatives to plastics
B	10:30 a - 11:45 a	Current Resiliency Efforts on Land and Sea: Trees, Dunes & Living Shorelines
C	10:30 a - 11:45 a	Building a SMART and Resilient Community and Region
D	10:30 a - 11:45 a	Building Resiliently - Case Studies or Examples
Luncheon	12:00 p - 1:15 p	Keynote (FDEP Secretary Noah Valenstein), Awards
E	1:30 p - 2:15 p	Current Resiliency Initiatives: NFRC Vulnerability Assessment, SRIDR Comm, AAA Workgroup
F	1:30 p - 2:15 p	The Future of Resiliency - Youth Initiatives
G	1:30 p - 2:15 p	Local Impacts of Climate Change
H	1:30 p - 2:15 p	Fueling Today's Algae Blooms: New Data on Climate Impacts and Phosphorous

2019 EPB-UNF Environmental Symposium  
 Friday, September 13, 2019 - UNF University Center  
**"Building Resiliency - Inspiring, Informing Engging our Community"**

Proposed 2019 Symposium Sessions

Session ID	Time Frame	Proposed Session Topic
I	2:30 p - 3:15 p	Tributary Health: What are we doing to restore our waterways?
J	2:30 p - 3:15 p	Interactive Tools to Understand Resiliency (GIS, NOAA OCM, UF SLR Sketch Tool and other tools)
K	2:30 p - 3:15 p	Case Studies on Environmental Remediation: Wood Treaters and PFAS Contamination
L	2:30 p - 3:15 p	Hospitals and Utilities: Lessons Learned
Closing	3:30 P - 4:30 p	Closing Session - Dr. Keyes/Jason Evans Welcome to Florida: The New Amercian Venice?
Day Long Workshop	9:00 a - 4:30 p	Resiliency Efforts and Protecting Stormwater, Surface water and Wetlands: Case studies in erosion and sediment control efforts to prevent sedimentation and protect natural vegetation
