**JACKSONVILLE HOUSING FINANCE AUTHORITY
NOFA 2023-2**

**NOTICE OF FUND AVAILABILITY &
REQUEST FOR APPLICATIONS**

**LOCAL GOVERNMENT AREA OF OPPORTUNITY FUNDING
LOAN REQUESTS
In Conjunction with FHFC RFA 2023-202**

The Jacksonville Housing Finance Authority (the "Authority") announces the availability of funds and is requesting applications for the consideration of providing local government support for qualified multifamily housing developments which meet the goals of the Authority and comply with applicable federal and state law. The Authority has adopted the following guidelines to set forth the general requirements and procedures that apply to the financing of multifamily housing developments. The Authority may waive specific provisions of these guidelines where good cause is shown and adequate supporting documentation is provided. Any waiver is at the sole discretion of the Authority, and may require approval by the Jacksonville City Council. In addition, these guidelines may be amended, revised, repealed or otherwise altered by the Authority with or without notice. The Authority specifically welcomes requests for proposed alternative resident programs or development/unit features.

All applications submitted will be reviewed by the Authority's Financial Advisor, who will make recommendations to the Board. The Board will decide whether or not to authorize commitment letters and loans providing Local Government Area of Opportunity Funding for developments seeking FHFC Housing Credits in conjunction with FHFC RFA 2023-202. Submission of an application does not entitle the Applicant to financing, even if sufficient funds remain.

The Authority will not consider issuing commitment letters to provide financing for any development unless the applicant has satisfied the general requirements set forth in these guidelines, submits a timely, complete, and acceptable application and complies with all of the procedures and requirements contained within the Authority's application procedures and program guidelines. Copies of the Application are available at the Authority's website or upon request by email to mark@thehendricksoncompany.com

The Authority reserves the right to impose additional requirements on any particular development. Compliance with these guidelines does not and shall not create any right by an applicant to a commitment or assurance that the Authority will provide the requested financing.

The Authority provides local government support to assist in the construction, rehabilitation and permanent financing of multifamily housing developments. The estimated amount of funds available for local government support is the amount needed to meet the requirements of FHFC RFA 2023-202. Up to this amount may be used for multi-family developments seeking Housing Credits from FHFC pursuant to FHFC RFA 2023-202, and Local Government Area of Opportunity Funding from JHFA. The amount utilized may be increased or decreased at the sole discretion of the JHFA.

The maximum amount of the Local Government Support loans funded pursuant to this NOFA is the amount that will allow an Applicant to receive the maximum points or preference for the Local Government Area of Opportunity Funding. One loan made in conjunction with FHFC RFA 2023-202 will be in the dollar amount necessary to score the maximum amount of points for the Local Government Area of Opportunity Funding, while another loan will be in the dollar amount necessary to score the maximum number of points for the Local Government Contribution. The JHFA reserves the right to fund another loan in the dollar amount necessary to score the maximum number of points for the Local Government Revitalization Plan goal.

All applications received will compete with each other and be selected by the Authority for the available funding. Applications will be reviewed against the criteria listed below and, if selected, each loan will be subject to the minimum loan terms stated below.

Applications related to FHFC RFA 2023-202 are due no later than 5:00 PM, Eastern Daylight Time, **AUGUST 1, 2023**. The application cycle will be processed according to the Authority's guidelines (which guidelines provide, however, that any remaining allocation—available after the application cycle may be made available to applicants on a first-come, first-served basis).
