MEMORANDUM

TO: The Honorable Randy White, City Council President
Jacksonville City Council Members

FROM: Ed Randolph, Executive Director
Office of Economic Development

SUBJECT: Failing Non-Residential Septic Grant Bi-Annual Report for the Period of
October 25, 2024 – April 24, 2025

DATE: April 25, 2025

Ordinance 2018-196-E appropriated \$1,000,000 from the Northwest Jacksonville Economic Development Fund (NWJEDF) to provide grants to owners of commercially-zoned properties within the NWJEDF boundary area with failing septic tanks to repair or replace their failing systems, and/or to be connected to JEA's sewer system.

Ordinance 2021-385-E, enacted on August 10, 2021, amended the eligibility criteria to include non-residential properties, including commercial and not-for-profit businesses to apply, provided the property is not homesteaded.

Ordinance 2024-364-E appropriated an additional \$200,000 from the NWJEDF, amended the program to allow for increased funding for eligible properties required to connect to JEA Sewer System, and updated the Septic Grant Process to allow grantees reasonable time to complete improvements in accordance with JEA procedure.

Pursuant to Ordinance 2018-196-E, Section 6, please find attached the Failing Non-Residential Septic Grant Bi-Annual Report for the period covering October 25, 2024 through April 24, 2025. A copy of the report will also be posted to the Office of Economic Development website.
