Civil Plan CDN:

Plat CDN:

As required by Chapter 654 of the Jacksonville Municipal Code, this is to inform you that, based upon site observation and review of construction testing and inspection documentation for all infrastructure, including storm pipe, the work appears completed and that to the best of my knowledge it substantially conforms to the plans for required improvements to the referenced subdivision.

The names of all streets and accessways which we are requesting that the City accept for maintenance are:

The values of the improvements for City acceptance are:
