

# **FOR YOUR INFORMATION**

## **2024B SERIES LARGE-SCALE TEXT AMENDMENT TO THE 2045 COMPREHENSIVE PLAN - ADOPTION ROUND**

**Ordinance #: 2025-308**

**Large-Scale Text Amendment:**

Text Amendment to Policy 2.12.2 of the Conservation Coastal Management Element (CCME) and Policy 1.1.13 of the Infrastructure Element (IE), Potable Water Sub-Element of the 2045 Comprehensive Plan to adopt by reference the state mandated 10-year water supply facilities work plan pursuant to Section 163.1377(6)(c)(4).

**Text Amendment Issues:**

- The statute encourages local governments to cooperatively plan for the development of multijurisdictional water supply facilities that are sufficient to meet projected demands for established planning periods, including the development of alternative water sources to supplement traditional sources of groundwater and surface water supplies.
- The Water Supply Facilities Work Plan (WSFWP) includes an evaluation of the present and projected growth and water demand as well as an analysis of the existing production/treatment facilities and their capacities to meet the City's existing and projected water demands for a 10-year planning period, 2024-2034.
