

**Public Works Engineering and Construction Management -
Construction Bid Forecast** (updated 02/18/2026)

January - March 2026

| | | |
|--------|------------------------------------|--|
| 002588 | Bowden Road Bike Improvements | Furnishing all labor, materials, and equipment; and performing all operations necessary for the construction of the Bowden Road Bike Improvement project. This project will add a bike lane on Bowden from Spring Park Rd to Tiger Hole Rd. |
| 000882 | First Coast High School Pool | Furnishing all labor, materials, and equipment; and performing all operations necessary for the construction of the First Coast High School pool project. This project will include a new recreational pool, restrooms and lockers. |
| 010377 | Frye Ave. W. Drainage Improvements | Furnishing all labor, materials, and equipment; and performing all operations necessary for the construction of Free Avenue Drainage Improvements. The project will install a new stormwater system to replace the current failing infrastructure. The project limits are from Frye Avenue, between 3704 and 3652, to the Williamson Creek outfall ditch. |
| 001206 | McCoy's Creek Greenway | Furnishing all labor, materials, and equipment; and performing all operations necessary for the construction of McCoy's Creek Greenway. Work includes construction of a new shared use path, pedestrian bridges, boardwalks, park amenities, and landscaping along McCoy's Creek from Leland St. to Margaret St. The project length is approximately 1 mile. |

April - June 2026

| | | |
|--------|---|--|
| 010564 | Boat Ramp at Beach Blvd and Pottsburg Creek | Furnishing all labor, materials, and equipment; and performing all operations necessary for the construction of the Boat Ramp at Beach Boulevard and Pottsburg Creek project. This project will include parking lot resurfacing, ramp replacement, retaining wall installation, and floating dock replacement. |
| 010142 | Burnett Park Drainage Improvements | Furnishing all labor, materials, and equipment; and performing all operations necessary for the construction of the Burnett Park Drainage project. This project will replace drainage pipes and regrade drainage ditches to alleviate flooding issues. |
| 010372 | Davell Rd Drainage Improvements | Furnishing all labor, materials, and equipment; and performing all operations necessary for the construction of the Davell Rd Drainage Improvement project. This project will include drainage restoration to reduce flooding in the area. |
| 010143 | Free Avenue Drainage Improvements | Furnishing all labor, materials, and equipment; and performing all operations necessary for the construction of Free Avenue Drainage Improvements. The project will improve the outfall from Free Avenue to a pond North of Hare Avenue. |
| 010368 | Lone Star Road Bridge | Furnishing all labor, materials, and equipment; and performing all operations necessary for the construction of the Lone Star Road Bridge Replacement project. This project will replace Bridge No. 724219 located approximately one-half mile west of St. Johns Bluff Road and Craig Airfield. |
| 007068 | Palmetto Leaves Soccer Fields | Furnishing all labor, materials, and equipment; and performing all operations necessary for the construction of the Palmetto Leaves Soccer Fields project. This project will include 2 new soccer fields, and restroom/concession building, parking lot and lighting. |

| | | |
|--------|---|--|
| 010626 | Picketville Turn Widening | Furnishing all labor, materials, and equipment; and performing all operations necessary for the construction of the Picketville Turn Widening project. Three turns on Picketville Road will be widened to accommodate large trucks. This will allow trucks to take this alternate route. |
| 007774 | Seaton Creek Preserve | Furnishing all labor, materials, and equipment; and performing all operations necessary for the construction of the Seaton Creek Park project. This project will include new parking, picnic shelters, restroom and kayak launch. |
| 010871 | Townsend Rd Sidewalk - South | Furnishing all labor, materials, and equipment; and performing all operations necessary for the construction of the Townsend Road Sidewalk project. This project will include a new 1 mile long sidewalk from Eagle road to Blanding Boulevard. |
| 001360 | Willowbranch Creek Bulkhead Replacement | This project will construct a replacement bulkhead for the Willowbranch Creek system between Riverside Avenue and Sydney Street. The construction will address bulkhead demolition, replacing the bulkhead, removal of sediment build up, and eliminating eroding areas due to bulkhead failure. |

July - September 2026

| | | |
|--------|--------------------------|---|
| 010565 | Belfort Road Widening | Furnish all labor, materials, and equipment, and performing all operations necessary for the construction of the Belfort Road widening project. This project will widen Belfort Road from the JTB Interchange to Gate Parkway. |
| 001312 | Cedar Point Road Bridges | Furnishing all labor, materials, and equipment; and performing all operations necessary for the construction of the Cedar Point Road Bridges project. This project will include the widening of 2 existing bridges on Cedar Point Road. |

| | | |
|--------|--|--|
| 001300 | Chaffee Road | Furnishing all labor, materials, and equipment; and performing all operations necessary for the construction of the Chaffee Road project. This project is located between Beaver Street and Old Plank Road and will widen travel lanes, add shoulders, and construct a multi-use path. |
| 010574 | Collins Road Sidewalks | Furnishing all labor, materials, and equipment; and performing all operations necessary for the construction of the Collins Road Sidewalks project. This project will include a new 6' sidewalk on the north side of Collins for approximately 1.5 miles. |
| 004756 | Hartley Road & St Augustine To SR 13 | Reconstruction and widening of Hartley Road from St. Augustine Road to SR 13, converting the existing two-lane roadway to a three-lane section. Improvements include bicycle lane, curb and gutter, and a closed drainage system to improve safety and mobility. |
| 010766 | Hazard Mitigation Grant-Safe Room - HMCP DR 44 | Hazard Mitigation Grant – Safe Room (HMGP DR-44): Design and construction of a hurricane safe room and emergency generator for first responders at 2610 Fairfax Street, in compliance with applicable federal grant requirements. |
| 010814 | Hopkins Creek Regional Stormwater Improvements | Furnish all labor, materials, and equipment, and performing all operations necessary for the construction of two box culverts in Hopkins Creek. |
| 009007 | Mayport Dock Redevelopment Phase 2 | Furnish all labor, materials, and equipment to construct a new commercial dock adjacent to the Safe Harbor Restuarant, in the Town of Mayport. The new dock will include a living shoreline, and floating dock. |
| 001119 | Old Middleburg Road - Phase 2 | Furnishing all labor, materials, and equipment; and performing all operations necessary for the construction of Old Middleburg Rd - Phase 2. This project includes widening the road from 2 lanes to 4 or 5 lanes from Parman Rd to Argyle Forest Blvd. |

| | | |
|------------------------|---|--|
| 010995 | Plummer Grant Sidewalk Improvements | Furnish all labor, materials, and equipment to construct a new sidewalk between Old St. Augustine Road and Julington Creek Road. |
| 007225 | Plymouth Street Bridge | Furnishing all labor, materials, and equipment; and performing all operations necessary for the construction of the Plymouth Street Bridge Replacement project. This project will replace Bridge No. 724428 located approximately 1,700 feet west of Roosevelt Boulevard. |
| 010385 | Sheridan Street Drainage Improvement | Furnishing all labor, materials, and equipment; and performing all operations necessary for the construction of Sheridan Street Drainage System Rehabilitation. This project addresses failed stormwater infrastructure as part of the City's DSR program. It includes underdrain replacement, drainage structure upgrades, and surface restoration. |
| 000805 | Southbank Riverwalk Extension & Floating Dock | Construction of a riverwalk extension and a floating dock to enhance public access to the waterfront. Work will include associated structural, site, and utility improvements as required. |
| 010389 | West Side Blvd Drainage Improvement | Furnishing all labor, materials, and equipment; and performing all operations necessary for the construction of the West Side Blvd Drainage project. This project will include drainage restoration to reduce flooding. |
| October- December 2026 | | |
| 002176 | 5th Street Bridge Replacement | Furnishing all labor, materials, and equipment; and performing all operations necessary for the construction of the 5th Street Bridge Replacement project. This project will replace Bridge No. 724039 located approximately one-third mile west of the intersection with Edgewood Avenue North. |

| | | |
|--------|--|--|
| 010977 | Angel Lakes Sidewalk & Drainage Improvements | Installation of closed drainage and roadway improvements along VC Johnson Road from Dunn Avenue to the roadway dead end. |
| 010564 | Boat Ramp at Beach Blvd and Pottsburg Creek | Furnishing all labor, materials, and equipment; and performing all operations necessary for the construction of the Boat Ramp at Beach Boulevard and Pottsburg Creek project. This project will include parking lot resurfacing, ramp replacement, retaining wall installation, and floating dock replacement. |
| 009017 | Lobrano Court Underdrain Repair | Furnish all labor, materials, and equipment to remove and replace the existing underdrain system on Lobrano court and connect it to the existing drainage infrastructure on Stonebridge Drive and Remsen Road. |
| 010398 | Lone Star Road Extension (Phase 2) | Furnishing all labor, materials, and equipment; and performing all operations necessary, This project extends Lone Star Road eastward and includes roadway construction, stormwater systems, pedestrian facilities, and signalization at Mill Creek. |
| 010806 | San Mateo Elementary School Sidewalks | Build approximately 1200' of sidewalk along the north side of Eastport Road and across railroad tracks (will need Railroad approval). Add crosswalks and a flashing school zone to aid students walking from the Eastport Apartments to San Mateo Elementary School. |

This construction bid forecast is provided for planning purposes only. Project scopes, schedules, and funding availability are subject to change. Inclusion in this forecast does not constitute a solicitation, commitment to advertise, or guarantee of funding. To discuss any project(s) with Public Works Staff, contact Donna Seetram Holder at SeetramD@coj.net or 904-255-8762 to schedule an appointment. Meetings must be held prior to the Procurement Solicitation Silence Period.
