

SAMPLE TRAFFIC PLAN

Please fill in the street names. To indicate your location, please circle on the Traffic Plan below where each participating solicitor will be stationed.

Sample Maintenance of Traffic (MOT) Plan

All signs need to be 350' from the intersection. The signs should say "Charitable Solicitation Ahead".

It is optional to contact a local barricade company to help you set up a MOT plan & update your application

Safety Practices:

- Wear a bright orange or fluorescent green safety vest
- Post diamond warning signs 2'X2' minimum 350' in advance of activity with the message "CHARITY SOLICITATION AHEAD"
- Stay out of the roadway while vehicles are moving
- Be aware of traffic signal operations and do not impede the flow of traffic. Exit the roadway when signals turn green or when traffic has the right of way.
- Keep permitting papers nearby to show JSO if requested

Minimum Size : 2'X2'
