2.1 **Application of Chapter 126 and Other Laws.** The selection of and contracting with a Contractor under the RFP will be in accordance with Part 3 of Chapter 126, of the Jacksonville Ordinance Code. Other provisions of federal, state, county and local laws, and administrative procedures, policies or rules may apply to the RFP and any claims or disputes arising hereunder. Lack of knowledge of the law or administrative procedures, policies, or rules by any Contractor shall not constitute a cognizable defense against their effect.

2.2 **Questions and Requests for Amendment to RFP.** If a Consultant (i) has questions about the RFP, (ii) finds discrepancies, omissions or ambiguities in the RFP, or (iii) believes any term or condition of the RFP is unreasonable, Consultant should request an amendment to the RFP. The request should reference the RFP section at issue and include any specific language that Contractor recommends using.

All requests for amendment must be submitted to the Contact Person in writing (via e-mail,) and, unless otherwise specified in **Section 1.13** of the RFP, be received by the Contact Person at least **ten (10) calendar days** before the Response Due Date. Questions and requests for amendments directed to the Contact Person or to any other Buyer personnel shall not constitute a formal protest of the RFP. Failure to request an interpretation or change will be considered evidence that Contractor understands and agrees to the provisions of the RFP.

The posting of a written amendment is the only official method by which interpretations, clarifications, changes or additional information will be given by Buyer prior to the opening of Responses. Any other interpretation, clarification, change or information will have no legal effect.

**Buyer reserves the right to amend, cancel or reissue the RFP at its discretion. This includes the right to change the Response Due Date and the Contract award date. Notice of all amendments and cancellations will be posted on Buyer's website (please contact the Contact Person if you are uncertain of the website address or if you experience problems accessing it). Contractor is responsible for monitoring this website for new or changing information.**

### 2.3 Format/Content of Responses.

- A. If a Response Format is specified in the RFP, Consultants should follow that format.
- B. Responses should be prepared simply and economically, providing a straightforward, concise description of Consultant's ability to provide services sought by the RFP. Unnecessary brochures, artwork, expensive paper, and presentation aids are discouraged. Bindings and covers will be at Consultant's discretion.
- C. When responding to specific questions, please reprint each question in its entirety before the response.
- D. **Except as may be specifically requested in the Response Format, Contractor may not impose any additional terms or conditions to any aspect of the RFP.** Buyer objects to and shall not be required to consider any additional terms or conditions submitted by Contractor, including any appearing in the Response. In submitting a Response, Contractor agrees that any additional terms or conditions shall have no force or effect. Any failure to comply with the terms and conditions of the RFP, including those specifying information that must be submitted with a Response, may result in rejection of the Response. **If Contractor desires a change or clarification to the terms or conditions of the RFP, Contractor must follow the process set forth in Section 2.2 ("Questions and Requests for Amendments").**
- E. Unless otherwise requested by Buyer, Contractors should make only one proposal for each RFP item. Multiple offerings, alternates (unless any are specifically requested by Buyer) and/or stipulations may be cause for rejection of a Response.
- F. Price offerings shall be **inclusive of ALL costs** (including but not limited to administrative cost for submission of all required paperwork on Buyer's behalf and any other costs) and will be the only compensation given to Contractor for the required services herein.
- G. Failure to sign any form requiring a signature may be grounds for rejecting a Response.

### 2.4 Submission of Responses.

- A. The location and deadline for submitting Responses is set forth in Section 1 of the RFP. Contractors are fully responsible for meeting these requirements. **Late bids will not be considered.**

### 2.5 Evaluation of Responses.

- A. Buyer will determine the qualifications, interest and availability of Contractors by reviewing all Responses and, when deemed necessary in the sole discretion of Buyer, by conducting formal interviews of selected Contractors that are determined to be the best qualified based upon evaluation of the Responses.
- B. The determination of which Contractors are "best qualified" will be based upon the criteria set forth in the RFP.
- C. Before making an award, Buyer reserves the right to seek clarifications, revisions, and information it deems necessary for the proper evaluation of Responses. Failure to provide any requested clarifications, revisions or information may result in rejection of the Response.
- D. Buyer reserves the right to accept or reject any and all Responses, or separable portions thereof, and to waive any minor irregularity, technicality, or omission if Buyer determines that doing so will serve Buyer's best interests. Buyer may reject any Response

not submitted in the manner specified by the RFP.

**2.6 Negotiation and Award of Contract.**

- A. The process for contract negotiation and award is set forth in Jacksonville Ordinance Code Sections 126.303 and 126.304. Generally, Buyer will negotiate first with the highest ranked Contractor. If an agreement cannot be reached with the highest ranked Contractor, Buyer reserves the right to negotiate and recommend award to the next highest ranked Contractor or subsequent Contractor(s) until an agreement is reached.
- B. Buyer may make an award within sixty (60) days after the date of the Responses are due, during which period the Responses shall remain firm and shall not be withdrawn. Any Response that expresses a shorter duration may, in Buyer's sole discretion, be accepted or rejected. If award is not made within sixty (60) days, the Response shall remain firm until either the Contract is awarded or Buyer receives from Contractor written notice that the Response is withdrawn. [Note: Withdrawal of a Response may be requested within 72 hours (excluding State holidays, Saturdays and Sundays) after the date and time Responses are due. Buyer will not accept an amended Response after the date and time Responses are due.
- C. Except as may otherwise be expressly set forth in the RFP, Buyer intends to award two contracts, but reserves the right to enter into a contract with multiple Contractors or to reject all Responses. One contract for the Pension Board of Trustees and one contract for the City of Jacksonville.
- D. Based on the evaluation and negotiation results, Buyer shall electronically post a notice of intended award at Buyer's website. Please contact the Contact Person if you are uncertain of Buyer's website address or if you experience problems accessing it. Any person who is adversely affected by the decision shall file with Buyer a notice of protest in accordance with the Protest provisions of the RFP. Buyer does not intend to provide tabulations or notices of award by telephone.

**2.7 Terms of Agreement.** After award to the successful Contractor, Buyer and Contractor will promptly enter into a written agreement (the "Contract") incorporating the terms of the RFP, the successful Response, and other terms and conditions as may be agreed to between the parties. To the extent the Response contains exceptions to or modifications of the RFP, such exceptions or modifications are stricken unless Buyer affirmatively accepts the exceptions or modifications in the Contract. The Contract will be substantially in the form set forth in an attachment to the RFP. Buyer will not be obligated to pay Contractor for the RFP services until the Contract is signed by both parties. Buyer retains the right to reject all bids and/or amend its notice of award at any time prior to the full execution of the Contract.

If the successful Contractor fails to perform the Services as agreed, Buyer reserves the right to (i) issue a new solicitation for the Services; (ii) reopen the RFP for the purpose of negotiating and awarding a second contract to another Contractor in accordance with the criteria and processes set forth herein; and/or (iii) take such other actions permitted by law.

**2.8 Public Meetings and Special Accommodations.** Any meetings of the RFP evaluation committee shall be noticed on Buyer's website and shall comply with Florida's Open Meetings Laws. Please contact the Contact Person if you are uncertain of Buyer's website address or if you experience problems accessing it. Persons requiring a special accommodation because of a disability should contact the Contact Person identified in Section 1 at least forty-eight (48) hours prior to the meeting.

**2.9 Ex-Parte Communications.** Communications regarding the RFP by a potential vendor, service provider, bidder, lobbyist or consultant to city employees, Board of Trustees, staff, or hired consultants are prohibited. This prohibition includes communications with the Buyer's Office of

General Counsel unless the Contact Person has authorized those communications in advance. Violations may result in the rejection/disqualification of a Response.

These prohibitions on ex-parte communications do not apply to the following:

- communications regarding the RFP to the Contact Person, provided the communication is limited strictly to matters of process or procedure already contained in the RFP.
- communications with the Office of Inspector General and his/her staff regarding any perceived inefficiency, misconduct or abuse by city employees.
- communications at any pre-bid conferences.
- presentations before publicly noticed committee meetings.
- contract negotiations during any duly noticed public meeting.
- communications that are necessary for, and solely related to, the ordinary course of business concerning Buyer's existing contract(s) for the materials or services addressed in the RFP.

The period for these prohibitions commences upon the advertisement of the RFP and terminates at the selection of the vendor and is under contract. If the awarding committee refers the Chief's recommendation back for further review, the prohibitions shall be reinstated until such time as the Chief issues a subsequent recommendation.

**2.10 Cost of Developing RFP Response.** All costs related to the preparation of Responses and any related activities are the sole responsibility of Contractor. Buyer assumes no liability for any costs incurred by Contractors throughout the entire selection process.

**2.11 Response Ownership.** All Responses, including attachments, supplementary materials, addenda, etc., shall become property of Buyer and shall not be returned to Contractor. Buyer will have the right to use any and all ideas or adaptation of ideas presented in any Response. Acceptance or rejection of a Response shall not affect this right.

**2.12 Public Records Law; Process For Protecting Trade Secrets and Other Information.** Article 1, Section 24, Florida Constitution, guarantees every person access to all public records, and Section 119.011, Florida Statutes, provides a broad definition of public records. As such, all responses to the RFP are public records unless exempt by law. If Contractor considers any portion of its Response to be exempt from disclosure under Florida law, Contractor must provide Buyer with a separate redacted copy of the Response and briefly describe in writing the grounds for claiming exemption from the public records law, including the specific statutory citation. Contractor shall be responsible for defending its determination that the redacted portions of its Response are confidential, trade secret or otherwise not subject to disclosure. Further, Contractor shall protect, defend, and indemnify Buyer for any and all claims arising from or relating to Contractor's determination that the redacted portions of its Response are confidential, trade secret or otherwise not subject to disclosure. If Contractor fails to submit a Redacted Copy with its Response in accordance with Section 2.4 above, Buyer is authorized to produce the entire Response in answer to a public records request.

In accordance with Section 119.0701, Florida Statutes, the Contractor shall:

- (a) Keep and maintain public records required by City/Board of Trustees to perform the services; and
- (b) Upon request from City's custodian of public records, provide City with a copy of the requested records or allow records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided for in Chapter 119, Florida Statutes, or as otherwise provided by law; and

- (c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Contract term and following completion of this Contract if Contractor does not transfer the records to City/Board of Trustees; and
- (d) Upon completion of this Contract, transfer to City/Board of Trustees at no cost all public records in possession of Contractor or keep and maintain public records required by City to perform the service. If Contractor transfers all public records to City/Board of Trustees upon completion of this Contract, Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Contractor keeps and maintains public records upon completion of this Contract, Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to City/Board of Trustees upon request from City's custodian of public records in a format that is compatible with City's information technology systems.

The above requirements apply to a "Contractor" as defined in Section, 119.0701, Florida Statutes.

**IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CITY'S CUSTODIAN OF PUBLIC RECORDS AT (904) 255-7674; PRR@COJ.NET; CITY OF JACKSONVILLE, PUBLIC RECORDS REQUEST, 214 N. HOGAN STREET, SUITE 1180, JACKSONVILLE, FLORIDA 32202.**

- 2.13 Multiple Responses from Same Contractor; No Collusion.** More than one Response from an individual, firm, partnership, corporation or association under the same or different names is not permitted. Reasonable grounds for believing that a Contractor is involved in more than one Response for the same work will be cause for rejection of all Responses in which such Contractor is believed to be involved. Any or all Responses will be rejected if there is reason to believe that collusion exists between Contractors. Responses in which the prices obviously are unbalanced will be grounds for rejection.
- 2.14 Conflict of Interest.** Section 126.110 of the Jacksonville Ordinance Code requires that a public official who has a financial interest in a bid or contract make a disclosure at the time that the bid or contract is submitted or at the time that the public official acquires a financial interest in the bid or contract, including but not limited to the public official's name, public office or position held, bid or proposal number, and the position or relationship of the public official with the bidder or Contractor. The parties will follow the provisions of Section 126.110, Jacksonville *Ordinance Code*, with respect to required disclosures by public officials who have or acquire a financial interest in a bid or contract with Buyer, to the extent the parties are aware of the same. All Contractors must submit the Conflict of Interest Certificate attached to the RFP.

**3.1. Provision of Services.** Contractor shall provide Buyer with all of the services and deliverables described in the RFP, the Response and the resulting Contract (collectively, the "Services"). If any services, functions or responsibilities are not specifically described in the RFP, the Response or the resulting Contract but are necessary for the proper performance and provision of the Services, they shall be deemed to be implied by and included within the scope of the Services to the same extent and in the same manner as if specifically described herein.

**3.2. Relationship of the Parties.** In performance of the Services, Contractor shall be acting in the capacity of an independent contractor and not as an agent, employee, partner, joint venture or associate of Buyer. Contractor shall be solely responsible for the labor, supplies, materials, means, methods, techniques, sequences and procedures utilized to perform the Services in accordance with the Contract.

**3.3. Buyer's Right to Make Changes.** Buyer may unilaterally require, by written order, changes altering, adding to, or deducting from the Services ("Changes"), provided that such Changes are within the general scope of the Contract. Buyer will make an equitable adjustment in the Contract price or delivery date if the Change materially affects the cost or time of performance. Such equitable adjustments require the written consent of Contractor, which shall not be unreasonably withheld. The Parties will cooperate with each other in good faith in discussing the scope and nature of the Change, the availability of Contractor personnel, the expertise and resources to provide such Change, and the time period in which such Change will be implemented.

**3.4. Service Warranties.** Contractor warrants that the Services shall be performed and delivered in a professional, first-class manner in accordance with the Contract and the standards prevailing in the industry. Contractor shall also undertake the following actions without additional consideration during the term of the Contract and for one year thereafter: (i) promptly making necessary revisions or corrections to resolve any errors and omissions on the part of Contractor; and (ii) conferring with Buyer for the purpose of interpreting any of the Services or information furnished. Acceptance of the Services by Buyer shall not relieve Contractor of these responsibilities. The warranties and covenants in this paragraph will extend to all subcontractors as well.

The foregoing warranties and covenants shall not apply (i) with respect to any portions of the Service that have been produced by anyone other than Contractor or its subcontractors; (ii) to any modifications made by anyone other than Contractor or its subcontractors or without Contractor's specific prior written consent; or (iii) to any use of the Service in a manner or for any purpose other than those contemplated in the Contract. **EXCEPT AS EXPRESSLY STATED IN THE CONTRACT, THERE ARE NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES REGARDING MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. CONTRACTOR'S WARRANTIES EXTEND SOLELY TO BUYER.**

**3.5. Buyer Will Assist Contractor.** At Contractor's request, Buyer will provide reasonable assistance and cooperation to Contractor, including the supply of any data and information necessary for Contractor to provide the Services. Buyer will also designate a Contract Manager who will, on behalf of Buyer, work with Contractor and administer the Contract in accordance with its terms.

**3.6. Location Requirements for Services.** Unless otherwise stated in the RFP or the Response, the majority of the Services shall be performed within Duval County, Florida and no Services will be performed outside of the United States. These restrictions may be modified in writing if Buyer determines, in its sole discretion, that the restrictions impose an undue burden on Contractor's ability to perform the Services as contemplated in the Contract.

**3.7. Use of Subcontractors; Flow-Down Provisions.** Except to the extent the use of subcontractors is disclosed in the Response or consented to in writing by Buyer, Contractor shall not be allowed to subcontract or assign any of its duties and obligations hereunder. In all cases, Contractor will be responsible for the acts or omissions of its subcontractors. Contractor will ensure that all relevant contractual obligations will flow down to the subcontractors and will be incorporated into the

subcontracts (including the obligations relating to insurance, indemnification, delays, intellectual property rights, public records, non-discrimination, audits, security, location of services, termination, transition assistance, warranties, and the manner in which the Services are to be performed).

**3.8. Meetings and Reports.** Contractor must attend all meetings and public hearings relative to the Services where its presence is determined to be necessary and requested by Buyer and Contractor can reasonably schedule its appearance. Contractor shall provide other periodic reports respecting the Services as Buyer reasonably requests.

**3.9. Ownership of Works.**

(a) As used in Sections 3.9 and 3.10, the term "Work" shall mean each deliverable, drawing, design, specification, rendering, notebook, tracing, photograph, reference book, equipment, expendable equipment and material, negative, report, finding, recommendation, data and memorandum of every description, shared with or delivered to Buyer pursuant to the Contract.

(b) With the exception of Contractor's pre-existing intellectual capital and third-party intellectual capital as described in Section 3.10 below, Buyer shall own all right, title and interest, including ownership of copyright (limited to the extent permitted by the terms of any governing licenses), in and to each Work including, but not limited to, software, source code, reports, deliverable, or work product developed by Contractor specifically for Buyer in connection with the Contract, and derivative works relating to the foregoing. The use of these Works in any manner by Buyer shall not support any claim by Contractor for additional compensation.

(c) Each Work, and any portion thereof, shall be a "work made for hire" for Buyer pursuant to federal copyright laws. Any software, report, deliverable, or work product as used in connection with the Work, but previously developed by Contractor specifically for other customers of Contractor or for the purpose of providing substantially similar services to other Contractor customers, generally shall not be considered "work made for hire", so long as the foregoing are not first conceived or reduced to practice as part of the Work. To the extent any of the Works are not deemed works made for hire by operation of law, Contractor hereby irrevocably assigns, transfers, and conveys to Buyer, or its designee, without further consideration all of its right, title and interest in such Work, including all rights of patent, copyright, trade secret, trademark or other proprietary rights in such materials. Except as provided in the foregoing sentences, Contractor acknowledges that Buyer shall have the right to obtain and hold in its own name any intellectual property right in and to the Work. Contractor agrees to execute any documents or take any other actions as may reasonably be necessary, or as Buyer may reasonably request, to perfect or evidence Buyer's ownership of the Work.

**3.10. Intellectual Property.**

(a) Contractor grants to Buyer an irrevocable, perpetual, royalty free and fully paid-up right to use (and such right includes, without limitation, a right to copy, modify and create derivative works from the subject matter of the grant and the right to sublicense all, or any portion of, the foregoing rights to an affiliate or a third party who provides service to Buyer) Contractor's intellectual property (including, without limitation, all trade secrets, patents, copyright and know-how) that is contained or embedded in, required for the use of, that was used in the production of or is required for the reproduction, modification, maintenance, servicing, improvement or continued operation of any applicable unit of Work.

(b) If the Work contains, has embedded in, or requires for the use of, any third party intellectual property, or if the third party intellectual property is required for the reproduction, modification, maintenance, servicing, improvement or continued operation of the Work, Contractor shall secure for Buyer an irrevocable, perpetual, royalty free and fully paid-up right to use all third party intellectual property. Contractor shall secure such right at its expense and prior to incorporating

any third party intellectual property (including, without limitation, all trade secrets, patents, copyright and know-how) into any Work, including, without limitation, all drawings or data provided under the Contract, and such right must include, without limitation, a right to copy, modify and create derivative works from the subject matter of the grant of the right and a right to sublicense all or any portion of the foregoing rights to an affiliate or a third party service provider. This subparagraph does not apply to standard office software (e.g., Microsoft Office).

(c) Should Buyer, or any third party obtaining such Work through Buyer, use the Work or any part thereof for any purpose other than that which is specified in the Contract, it shall be at Buyer's and such third party's sole risk.

**3.11. Software Development Processes and Standards.** To the extent any software is developed, modified, or otherwise procured under the Contract, Contractor will use commercially-accepted software development and documentation processes and standards.

**3.12. Limitation of Warranty for Buyer-Furnished Software.** In lieu of any other warranty expressed or implied herein, Buyer warrants that any programming aids and software packages supplied for Contractor use as Buyer-furnished property shall be suitable for their intended use on the system(s) for which designed. In the case of programming aids and software packages acquired by Buyer from a commercial source, such warranty is limited to that set forth in the contractual document covering the product(s). Should Buyer furnish Contractor with any programming aids or software packages that are found not to be suitable for their intended use on the system(s) for which designed, Contractor shall notify Buyer and supply documentation regarding any defects and their effect on progress on the Contract. Buyer will consider equitably adjusting the delivery performance dates or compensation, or both, and any other contractual provision affected by the Buyer-furnished property in accordance with the procedures provided for in Section 3.3 above ("Buyer's Right to Make Changes").

**3.13. Loss of Data.** If any Buyer data or record is lost or corrupted due to the negligence of Contractor or any of its subcontractors or agents, Contractor shall be responsible for correcting and recreating all production, test, acceptance and training files or databases affected which are used in the provision of services, at no additional cost to the Customer in the manner and on the schedule set by Buyer. This remedy shall be in addition to any other remedy Buyer may be entitled to by law or the Contract.

**3.14. Purchase Orders.** If the Contract requires a Service to be ordered by Buyer via purchase order, Contractor shall not deliver or furnish the Service until a Buyer transmits a purchase order. All purchase orders shall bear the Contract or solicitation number, shall be placed by Buyer directly with Contractor, and shall be deemed to incorporate by reference the Contract. Any discrepancy between the Contract terms and the terms stated on the Contractor's order form, confirmation, or acknowledgement shall be resolved in favor of terms most favorable to Buyer.

**3.15. Best Pricing for Comparable Services to Other Government Entities.** Compensation for the Services shall be as set forth in the Contract. During the Contract term, if Contractor offers better pricing to other government entities for substantially the same or a smaller quantity of Services upon the same or similar terms of the Contract ("Better Pricing"), then the price under the Contract shall be immediately reduced to the better price. Buyer may require Contractor to certify on an annual basis that Better Pricing (as defined above) does not exist.

**3.16. Invoicing and Payment.**

(a) Unless otherwise specified in the RFP, payment to Contractor for Services shall be made on a quarterly basis in arrears for the Services provided by Contractor for the preceding month. Invoices shall contain the Contract number, purchase order number if applicable, and the appropriate vendor identification number. Buyer may require any other information from Contractor that Buyer deems necessary to verify its obligation to pay under the Contract. Payments will be made to Contractor approximately forty-five (45) days after receipt and acceptance of a proper invoice. Buyer does

not pay service charges, interest or late fees unless required by law.

(b) To the extent Contractor's fees include reimbursement for travel or travel-related expenses, such travel and travel-related expenses shall be subject to and governed by the provisions and limitations of Chapter 106, Part 7, Jacksonville Ordinance Code.

(c) Buyer's obligations to make payment are contingent upon availability of lawfully appropriated funds for the Services.

**3.17. Taxes.** Buyer is generally exempt from any taxes imposed by the State of Florida or the Federal Government. Exemption certificates will be provided upon request. Contractor shall not include any state, local and federal taxes in any prices quoted to Buyer.

**3.18. Right of Setoff.** Buyer may, in addition to other remedies available at law or equity and upon notice to Contractor, retain such monies from amounts due Contractor as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted in good faith by Buyer (or any other local government entity or authority located in Duval County, Florida) against Contractor.

**3.19. Retention of Records / Audits.**

(a) Contractor must establish and maintain books, records, contracts, sub-contracts, papers, financial records, supporting documents, statistical records and all other documents pertaining to the Contract (collectively, the "Records"), in whatsoever form or format (including electronic storage media) is reasonable, safe and sufficient.

(b) Contractor must retain all Records for a minimum period of three (3) years after the final payment is made under the Contract. If an audit has been initiated and audit findings have not been resolved at the end of the three (3) year period, the Records shall be retained until resolution of the audit findings or any litigation which may be based on the terms of the Contract, at no additional cost to Buyer. Records shall be retained for longer periods when the retention period exceeds the time frames required by law or ordinance.

(c) At all reasonable times for as long as the Records are maintained, Contractor must allow persons duly authorized by Buyer (including Buyer's auditor and inspector general offices), and to have full access to and the right to examine, copy or audit any of the Records, regardless of the form in which kept. Contractor will not charge Buyer for any setup, supervision or space in connection with the examination and audit. Photocopying charges will not exceed the actual and reasonable cost of the copies to Contractor, and Buyer shall be permitted to bring its photocopying equipment if Buyer so desires.

(d) Consultant must comply with and cooperate in any audits or reports requested by Buyer, and must ensure that all related party transactions are disclosed to the auditor.

(e) Consultant must permit Buyer to interview any of Consultant's employees, subcontractors and subcontractor employees to assure Buyer of the satisfactory performance of the terms and conditions of the Contract. Unless the parties agree otherwise or Buyer is willing to pay for the employee's reasonable travel expenses, the interviews will be conducted at the employee's primary place of work. Contractor will not charge Buyer for any employee time unless the interview time for that employee exceeds eight (8) hours in a calendar year.

(f) Following any audit or review, if performance of Consultant's, in the opinion of Buyer, deficient, Buyer will deliver to Contractor a written report of the deficiencies and request for development by Contractor of a corrective action plan. Contractor hereby agrees to prepare and submit, to Buyer, said corrective plan within ten (10) days of receiving Buyer's written report. Thereafter,

Contractor must correct all deficiencies in the corrective action plan within a reasonable time after Buyer's receipt of the corrective action plan.

(g) All reports and other information provided by Contractor pursuant to this Section shall be submitted under penalties of perjury, under Section 837.06, Florida Statutes.

(h) Contractor must include the aforementioned audit, inspection, investigation and record-keeping requirements in all subcontracts and Contract assignments.

(i) Contractor agrees to reimburse Buyer for the reasonable costs of investigation incurred by Buyer for audits, inspections and investigations that uncover a material violation of the Contract. Such costs shall include the salaries of investigators, including overtime, travel and lodging expenses, and expert witness and documentary fees. Contractor shall not be responsible for any costs of investigations that do not uncover a material violation of the Contract.

**3.20. Indemnification.** See Attachment D

**3.21. Insurance.** See Attachment E

**3.22. Buyer's Right to Suspend Work.** Buyer may in its sole discretion suspend any or all activities under the Contract by providing a written notice to Contractor at least five (5) days in advance that outlines the particulars of suspension. Within ninety (90) days of providing such notice, or within any longer period agreed to by Contractor, Buyer shall either (1) authorize the resumption of work, at which time activity shall resume, or (2) terminate the Contract in accordance with the applicable termination provisions. Suspension of work shall not entitle Contractor to any additional compensation. The parties will reasonably amend any schedules relating to performance of the Services to reflect the suspension of work hereunder. Contractor shall not be entitled to receive compensation for any work it performs after being excused from providing it hereunder.

**3.23. Buyer's Right to Terminate for Convenience.** Buyer reserves the right to terminate the Contract at any time and for any reason by giving written notice to Contractor. If the Contract is terminated for convenience as provided herein, Buyer will be relieved of all further obligations other than payment for that amount of Services actually performed to the date of termination. Access to any and all work papers will be provided to the City after the termination of the Contract. The parties understand and agree that Contractor shall not have a reciprocal right to terminate the Contract for convenience; it being understood that Buyer's payment for Services forms the consideration for Contractor not having this right. In the event of Buyer's termination of the Contract, Buyer (in its sole discretion) may also require Contractor to provide the Transition Services as set forth in Section 3.26 below.

**3.24. Buyer's Remedies Upon Contractor Default.** Any one or more of the following events, if not cured within ten (10) calendar days after Contractor's receipt of written notice thereof, shall constitute an "Event of Default" on the part of Contractor: (1) Contractor fails to perform the Services within the time specified in the Contract or any extension, (2) Contractor fails to maintain adequate progress, thus endangering performance of the Contract, (3) Contractor fails to honor any other material term of the Contract, or (4) Contractor fails to abide by any statutory, regulatory, or licensing requirement. Buyer may extend the 10-day cure period in its discretion.

In addition, the following shall constitute an immediate Event of Default with no right cure: (i) Contractor is found to have made a false representation or certification in its Response, or (ii) Contractor has been placed on the list maintained under Section 287.135, Florida Statutes, of companies with activities in Sudan or in Iran Petroleum Energy Sector.

Upon an "Event of Default" on the part of Contractor, Buyer will be entitled to terminate the Contract and pursue such other remedies available at law or equity, including the recovery of any re-procurement costs and delay damages. The rights and remedies available to Buyer under the Contract are distinct, separate and cumulative remedies, and no one of them, whether or not exercised by a party, shall be deemed to be in exclusion of any other.

If, after termination, it is determined that Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience.

**3.25. Contractor Remedies Upon Buyer Default.** Buyer shall be in default if Buyer fails to honor any material term of the Contract, and such failure is not cured within forty-five (45) calendar days after receipt of written notice thereof from Contractor. In the event of Buyer's default, Contractor will be entitled to terminate the Contract and pursue such other remedies available at law or equity as it deems appropriate. **Except as expressly provided elsewhere in the Contract, Contractor will not be entitled to recover any lost profits or consequential damages.** The rights and remedies available to Contractor under the Contract are distinct, separate and cumulative remedies, and no one of them shall be deemed to be in exclusion of any other.

**3.26. Transition Services.** At any time prior to the date the Contract expires or terminates for any reason (the "Termination Date"), Buyer may request Contractor to provide reasonable transition assistance services ("Transition Assistance"). Contractor shall provide such Transition Assistance until such time as Buyer notifies Contractor that Buyer no longer requires such Transition Assistance, but in no event for more than 180 days following the Termination Date.

Transition Assistance shall mean any services, functions or responsibilities that are ordinarily or customarily provided to a purchaser to ensure that the services provided to that purchaser by a contractor are fully transitioned in a smooth and efficient manner to a new service provider (either Buyer itself or a third party contractor). Transition Assistance includes the development and implementation of a detailed transition plan. To the extent that Transition Assistance will involve third parties hired by Buyer, those third parties shall cooperate with Contractor in its provision of Transition Assistance and sign any reasonable non-disclosure agreements required by Contractor.

Transition Assistance rendered before the Termination Date shall be provided at no additional cost to Buyer. Transition Assistance rendered after the Termination Date shall be provided at the rates negotiated by the parties prior to the rendering of such service, which rates shall not exceed the standard market rates that Contractor charges to government entities for comparable services; provided however, that if Buyer terminates the Contract because of a breach by Contractor, then (i) the Transition Assistance shall be provided at no cost to Buyer, and (ii) Buyer will be entitled to any other remedies available to it under law. Contractor may withhold Transition Assistance after the Termination Date if Buyer does not provide reasonable assurance that the charges for such Transition Assistance will be paid to Contractor in accordance with the invoicing and payment provisions of the Contract.

**3.27. Force Majeure, Notice of Delay, and No Damages for Delay.** Neither party shall be responsible for delays in performance if the delay was beyond that party's control (or the control of its employees, subcontractors or agents). Contractor shall notify Buyer in writing of any such delay or potential delay and describe the cause of the delay either (1) within ten (10) calendar days after the cause that creates or will create the delay first arose, if Contractor could reasonably foresee that a delay could occur as a result, or (2) if delay is not reasonably foreseeable, within five (5) calendar days after the date Contractor first had reason to believe that a delay could result. Based upon such notice, Buyer will give Contractor a reasonable extension of time to perform; provided, however, that Buyer may elect to terminate the Contract in whole or in part if Buyer determines, in its sole judgment, that such a delay will significantly impair the value of the Contract to Buyer. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. **THE FOREGOING SHALL CONSTITUTE CONTRACTOR'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY.** No

claim for damages, other than for an extension of time, shall be asserted against Buyer. Contractor shall not be entitled to an increase in the Contract price or payment of any kind from Buyer for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference, or hindrance from any cause whatsoever.

**3.28. No Waiver.** The delay or failure by a party to exercise or enforce any of its rights under the Contract shall not constitute or be deemed a waiver of that party's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. Unless otherwise agreed in writing, Buyer's payment for the Services shall not release Contractor of its obligations under the Contract and shall not be deemed a waiver of Buyer's right to insist upon strict performance hereof.

**3.29. Qualification of Contractor Employees, Subcontractors, and Agents.** All Contractor employees, subcontractors and agents performing work under the Contract shall be properly trained and qualified. Upon request, Contractor shall furnish a copy of technical certification or other proof of qualification. All employees, subcontractors and agents performing work under the Contract must comply with all reasonable administrative requirements of Buyer and with all controlling laws and regulations relevant to the services they are providing under the Contract. Buyer may conduct, and Contractor shall cooperate in, a security background check or other assessment of any employee, subcontractor or agent furnished by Contractor. Buyer may refuse access to, or require replacement of, any personnel for reasonable cause.

Contractor shall take all actions necessary to ensure that Contractor's employees, subcontractors and agents are not considered employees of Buyer. Such actions include, but are not limited to, ensuring that Contractor's employees, subcontractors and agents receive payment and any legally mandated insurance (e.g., workers' compensation and unemployment compensation) from an employer other than Buyer.

As a condition to providing services to Buyer, Contractor (and any subcontractor) will enroll and participate in the federal E-Verify Program within thirty days of the effective date of the Contract. Proof of enrollment and participation will be made available to Buyer upon request.

**3.30. Security Procedures.** Contractor and its employees, subcontractors and agents shall comply fully with all generally applicable security procedures of the United States, the State of Florida and Buyer in performance of the Contract. Buyer agrees that any security procedures imposed by Buyer specifically for the Contract will be reasonable and will not impose any unreasonable costs or hardships.

**3.31. Restrictions on the Use or Disclosure of Buyer's Information.** Contractor shall not use, copy or disclose to third parties, except in connection with performing the Services, any information obtained by Contractor or its agents, subcontractors or employees in the course of performing the Services, including, but not limited to, security procedures, business operations information, or commercial proprietary information in the possession of Buyer. At Buyer's request, all information furnished by Buyer will be returned to Buyer upon completion of the Services. Contractor shall not be required to keep confidential any information that has already been made publicly available through no fault of Contractor or that Contractor developed independently without relying on Buyer's information. To ensure confidentiality, Contractor shall take appropriate steps as to its employees, agents, and subcontractors, including the insertion of these restrictions in any subcontract agreement. The warranties of this paragraph shall survive the Contract.

**3.32. Protection of Contractor's Trade Secrets and Other Confidential Information.** All documents received by Buyer in connection with this Agreement are subject to Chapter 119, Florida Statutes (the "Florida Public Records Law"). Any specific information that Contractor claims to be a trade secret or otherwise exempt from the Florida Public Records Law must be clearly identified as such by Contractor

on all copies furnished to Buyer. Buyer agrees to notify Contractor of any third-party request to view such information, but it is Contractor's obligation to obtain a court order enjoining disclosure. If Contractor fails to obtain a court order enjoining disclosure within five (5) business days of Contractor's receiving notice of the request, Buyer may release the requested information. Such release shall be deemed for purposes of the Contract to be made with Contractor's consent and will not be deemed to be a violation of law, including but not limited to laws concerning trade secrets, copy right or other intellectual property.

**3.33. Assignment.** Each party binds itself and its respective successors and assigns in all respects to all of the terms, conditions, covenants and provisions of the Contract. Contractor shall not sell, assign or transfer any of its rights (including rights to payment), duties or obligations under the Contract without the prior written consent of Buyer. In the event of any assignment, Contractor shall remain liable for performance of the Contract unless Buyer expressly waives such liability. Buyer may assign the Contract with prior written notice to Contractor of its intent to do so. Nothing herein shall be construed as creating any personal liability on the part of any officer, employee or agent of Buyer.

**3.34. Notice and Approval of Changes in Ownership.** Because the award of the Contract may have been predicated upon Contractor's ownership structure, Contractor agrees that any transfer of a substantial interest in Contractor by any of its owners shall require Buyer's prior written approval, which approval shall not be unreasonably withheld or unreasonably delayed. By execution of the Contract, Contractor represents that it has no knowledge of any intent to transfer a substantial interest in Contractor. A substantial interest shall mean at least 25% of the voting shares in Contractor. This section shall not apply to (i) transfers occurring upon the incapacitation or death of an owner; (ii) transfers associated with an initial public offering on the NYSE or NASDAQ markets; or (iii) transfers to a company whose stock is publicly traded on the NYSE or NASDAQ markets.

**3.35. Assignment of Antitrust Claims.** Contractor and Buyer recognize that in actual economic practice, overcharges resulting from antitrust violations are in fact usually borne by Buyer. Therefore, Contractor hereby assigns to Buyer any and all claims under the antitrust laws of Florida or the United States for overcharges of goods, materials or services purchased in connection with the Contract.

**3.36. Equal Employment Opportunity.** The Equal Opportunity clause in Title 41, Part 60-1.4 of the Code of Federal Regulations (Paragraphs 1 through 7 of President's Executive Order 11246), the provisions of the Equal Opportunity for Individuals with Disabilities Act in 42 U.S.C. Section 12112, the Listing of Employment Openings for Veterans Clause in Title 41, Part 50-260.2 of the Code of Federal Regulations and the Disabled Veterans and Veterans of the Vietnam era Clause in Title 41, Part 60-250.5 of the Code of Federal Regulations, are incorporated herein by reference if and to the extent applicable. If Contractor is exempt from any of the above cited terms, written evidence of such exempt status must be provided to Buyer.

**3.37. Other Non-Discrimination Provisions.** As required by Section 126.404, Jacksonville Ordinance Code, contractor represents that it has adopted and will maintain throughout the term of this contract a policy of nondiscrimination or harassment against any person with regard to race, color, sex (including pregnancy), sexual orientation, gender identity or expression, religion, political affiliation, national origin, disability, age, marital status, veteran status, or any other impermissible factor in recruitment, hiring, compensation, training, placement, promotion, discipline, demotion, transfers, layoff, recall, termination, working conditions and related terms and conditions of employment. Contractor agrees that, on written request, it will permit reasonable access to its records of employment, employment advertisement, application forms and other pertinent data and records, by the Executive Director of the Community Relations Commission, or successor agency or commission, for the purpose of investigation to ascertain compliance with the non-discrimination provisions of the Contract; *provided however*, that Contractor shall not be required to produce, for inspection, records covering periods of time more than one (1) year prior to the effective date of the Contract. Contractor agrees that, if any of the products or Services to be provided pursuant to the Contract are to be

provided by a subcontractor, the provisions of this Section shall be incorporated into and become a part of the subcontract.

**3.38. Prompt Payment to Subcontractors and Suppliers.** The following is required by Chapter 126, Part 6, Jacksonville Ordinance Code; provided however, if Contractor does not use JSEB or MBE subcontractors, as identified below, this Section 3.38 shall not apply:

(a) *Generally.* When Contractor receives payment from Buyer for labor, services or materials furnished by subcontractors and suppliers hired by Contractor, Contractor shall remit payment due (less proper retainage) to those subcontractors and suppliers within thirty (30) calendar days after Contractor's receipt of payment from Buyer. Nothing herein shall prohibit Contractor from disputing, pursuant to the terms hereof, all or any portion of a payment alleged to be due to its subcontractors and suppliers. In the event of such dispute, Contractor may dispute the disputed portion of any such payment only after Contractor has provided notice to the Buyer and to the subcontractor or supplier whose payment is in dispute, which notice shall: (i) be in writing; (ii) state the amount in dispute; (iii) specifically describe the actions required to cure the dispute; and (iv) be delivered to Buyer and said subcontractor or supplier within ten (10) calendar days after Contractor's receipt of payment from Buyer. Contractor shall pay all undisputed amounts due within the time limits imposed by this Section.

(b) *Jacksonville Small and Emerging Business Enterprise and Minority Business Enterprise Participation.* Notwithstanding Chapter 126, Part 6 of the Jacksonville Ordinance Code, Contractor shall pay all contracts awarded with certified Jacksonville Small and Emerging Business Enterprises ("JSEB") and Minority Business Enterprises ("MBE"), as defined therein, their pro rata share of their earned portion of the progress payments made by Buyer under the Contract within seven (7) business days after Contractor's receipt of payment from Buyer (less proper retainage). The pro-rata share shall be based on all work completed, materials and equipment furnished, or services performed by the certified JSEB or MBE at the time of payment. As a condition precedent to progress and final payments to Contractor, Contractor shall provide to Buyer, with its requisition for payment, documentation that sufficiently demonstrates that Contractor has made proper payments to its certified JSEB's or MBE's from all prior payments Contractor has received from Buyer. Contractor shall not unreasonably withhold payments to certified JSEB's and MBE's if such payments have been made to Contractor. If Contractor withholds payment to its certified JSEB's or MBE's, which payment has been made by Buyer to Contractor, Contractor shall return said payment to Buyer. Contractor shall provide notice to Buyer and to the certified JSEB's or MBE's whose payment is in dispute, which notice shall: (i) be in writing; (ii) state the amount in dispute; (iii) specifically describe the actions required to cure the dispute; and (iv) be delivered to Buyer and said JSEB's or MBE's within five (5) calendar days after Contractor's receipt of payment from Buyer. Contractor shall pay all undisputed amounts due within the time limits imposed in this Section. The failure to pay undisputed amounts to the JSEB's or MBE's within seven (7) business days shall be a breach of the Contract, compensable by one per-cent (1%) of the outstanding invoice being withheld by Buyer, not as a penalty, but as liquidated damages to compensate for the additional contract administration by Buyer.

(c) *Third Party Liability.* The Prompt Payment requirements hereunder shall in no way create any contractual relationship or obligation between Buyer and any subcontractor, supplier, JSEB or MBE or any third party or create any Buyer liability for Contractor's failure to make timely payments hereunder. However, Contractor's failure to comply with the Prompt Payment requirements shall constitute a material breach of Contractor's contractual obligations to Buyer. As a result of said breach, Buyer, without waiving any other available remedy it may have against Contractor, may: (i) issue joint checks; and (ii) charge Contractor a 0.2% daily late payment charge or the charges specified in said Chapter 126 of the Jacksonville Ordinance Code for JSEB's or MBE's and in Chapter 218, Florida Statutes, for non-JSEB's or MBE's, whichever is greater.

**3.39. Conflicts of Interest.** Contractor acknowledges that Section 126.112 of the Jacksonville Ordinance Code requires that a public official who has a financial interest in a bid or contract make a disclosure at the time that the bid or contract is submitted or at the time that the public official acquires a financial interest in the bid or contract, including but not limited to the public official's name, public office or position held, bid or proposal number, and the position or relationship of the public official with the bidder or contractor.

**3.40. Contingent Fees Prohibited.** In conformity with Section 126.306, Jacksonville Ordinance Code: Contractor warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Contractor, to solicit or secure the Contract and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona-fide employee working solely for Contractor, any fee, commission, percentage, gift or any other consideration, contingent upon or resulting from the award or making of the Contract. ## Section 4 Description of Services and Deliverables

### 4.1 Jacksonville Retirement System Overview

Description of Plan: The City of Jacksonville Retirement System is a cost-sharing, multiple-employer contributory defined benefit pension plan. All full-time City General employees, the employees of JEA, JHA and NFTPPO hired prior to October 1, 2017, are eligible to participate in the General Employees Retirement Plan upon employment. All certified Corrections Officers employed by the City prior to October 1, 2017, are eligible to participate in the Corrections Officers Retirement Plan upon employment. There are no separately issued financial statements for the City of Jacksonville Retirement System. The system is administered by a nine-member board of Trustees that makes recommendations to the City Council. The Jacksonville City Council is responsible for establishing or amending the pension plan provisions.

Please see our latest valuations, summary plan descriptions, and investment reports at <http://www.coj.net/departments/finance/retirement-system> for more information.

Effective October 1, 2017, all new employees will join the City's 401(a) Defined Contribution Plan. The winning consultant will demonstrate significant understanding of the recent revisions to state and local law which impact the plan and will have a strong understanding of how this will reflect in our GASB 67 and 68 disclosures as well as the impact on plan funding metrics and contribution levels. F.S. 212.055(9) and Jacksonville Municipal Code Chapter 120 apply.

The City of Jacksonville Retirement System provides for retirement, survivor, death and disability benefits. Under normal retirement provisions, a member may retire after reaching the age of 55 with 20 years of credited service or at age 65 with five years or more of credited service. The requirements for early retirement are: (1) when an employee reaches age 50 and has 20 years of service, reduced 1/2% per month for retirement prior to age 55; (2) any age after 25 years of service adjusted to a benefit accrual rate of 2% per year; and (3) any age after 30 years of creditable service at an unreduced rate of 2-1/2% per year.

Benefits vest after five years of credited service equal to 2-1/2% of a member's average earnings for each year of credited service up to 32 years with a maximum of 80%. Final Average Compensation is defined as the average monthly salary or wages for the highest consecutive 36 months of employment within the ten years preceding retirement. The regular benefit is increased by 3% on the April 1 nearest the fifth anniversary of the initial benefit commencement date, and on each April 1 thereafter. A monthly supplement is payable equal to \$5 times the number of years of creditable service to subsidize retiree's health insurance. However, only that portion of the increase in excess of the supplement is payable. Members who terminate covered employment with less than five years of credited service shall be paid a refund of 100% of their employee contributions to the Plan. All members of the City of Jacksonville Retirement System are required to contribute 8% of their earnings actuarially determined and required by City Ordinance effective October 1, 1993 through September 30, 2017. Employee contributions will be 10% of pensionable salary effective October 1, 2017. There is no mandatory retirement age.

The Corrections Officers Pension Plan provides for retirement, survivor, death and disability benefits. Under normal retirement provisions, a member may retire at age 65 with 5 years of credited service, or enter the Deferred Retirement Option Program at any age after reaching 20 years of credited service, or retire completely at any age after reaching the 20 years of credited service. There is no early retirement.

Benefits vest after five years of credited service equal to 3% of a member's average earnings for each year of credited service up to 20 years with a maximum of 60%. If more than 20 years, number of years in excess of 20 multiplied by 2% of final monthly compensation for a maximum

benefit of 80%. Final Average Compensation is defined as the average monthly salary or wages for the highest consecutive 36 months of employment within the ten years preceding retirement. The regular benefit is increased by 3% on the December 1 nearest the initial benefit commencement date, and on each December 1 thereafter. A monthly supplement is payable equal to \$5 times the number of years of creditable service to subsidize retiree's health insurance. However, only that portion of the increase in excess of the supplement is payable. Members who terminate covered employment with less than five years of credited service shall be paid a refund of 100% of their employee contributions to the Plan. All members of the City of Jacksonville Retirement System are required to contribute 8% of their earnings actuarially determined and required by City Ordinance effective October 1, 1993 through September 30, 2017. Employee contributions will be 10% of pensionable salary effective October 1, 2017. There is no mandatory retirement age.

The City of Jacksonville administers two defined contribution disability & survivorship plans. One for general employees and one for public safety employees. Active members of the two normal defined contribution plans are eligible for disability & survivor benefits if warranted. The General Employees Defined Contribution Plan has a five-year credited service requirement for benefits unless the disability was service-related. The Public Safety Defined Contribution Plan does not have a service-related requirement. Benefits are paid at a rate of 25-50% of average compensation and receive 3% annual cost-of-living increases on April 1 or January 1 depending on the plan.
