Ed Starnes Duane Kent	P-28-18	Subcommittee Report (Deferred 11/29/18) Professional Design Services for Dock Inspections and Designs Department of Public Works/Engineering & Construction Management Division	It is the consensus of the committee that of the four (4) companies/firms responding to the Request for Proposal (RFP) all were found to be responsive, interested, qualified and available to provide the services required by the RFP. The ranking of first, second and third, designates the order of qualification of these firms to perform the required services and alphabetically they are: 1) Applied Technology & Management, Inc. 3) Construction & Engineering Services Consultants, Inc. 2) Taylor Engineering, Inc. We recommend that the above list is forwarded to the Mayor for final selection so that fee and contract negotiations may begin with <u>Applied Technology & Management, Inc.</u> , The number one ranked company.
