PREAMBLE

This Agreement is entered into between the City of Jacksonville (the **Employer**), and AFSCME Florida Council 79, (the **Union**). The intent of the parties and purpose of this Agreement are to assure sound and mutually beneficial working and economic relationships between the parties, to provide an orderly and peaceful means of resolving any misunderstandings or differences which may arise, and to set forth basic and full agreement between the parties concerning rates of pay, wages, hours, and other terms and conditions of employment.

There are and shall be no individual arrangements contrary to the terms herein provided.

It is mutually understood and declared to be the public policy of the **Employer** and the **Union** to promote harmonious and cooperative relationships between the **Employer** and its employees and to protect the public by assuring at all times, the orderly and uninterrupted operations and functions of government.

The **Employer** and the **Union** recognize the moral principles involved in the area of civil rights and affirm by this Agreement their commitment not to discriminate because of race, religion, color, age, sex, disability, or national origin.

The **Union** supports federal, state and local laws requiring affirmative action to ensure equal employment opportunity.

ARTICLE 1: UNION RECOGNITION

Pursuant to and in accordance with all applicable provisions of Chapter 447, Florida Statutes, the **Employer** recognizes the **Union** as the exclusive collective bargaining representative for those employees in the defined bargaining unit (commonly known as the Non-Professional employees) for the purpose of bargaining collectively in the determination of the wages, hours, and terms and conditions of employment of the public employees within the bargaining unit covered by PERC certification number 2085 issued October 10, 2024.

"Employee" shall be defined to include all classified employees who are employed by the City of Jacksonville, whose classifications appear on the attached Appendix A or others that may be added as needed. The term "employee" shall also refer to those employees designated as temporary or special purpose, employees who hold the same classification and work the same hours under common supervision as the employees listed in Appendix A. The temporary or special purpose employees referred to in this Article are subject to the terms and conditions of employment set out in Appendix B of this Agreement. The term "temporary employee" as used in this Article is not the same as the labor law term of art "temporary employee" which traditionally refers to employees who have no reasonable expectation of continued employment, usually receive no benefits other than an hourly wage, and are traditionally excluded from bargaining units of regular employees.

Specifically excluded from the term "employee" are: Department Heads; Division Chiefs; Agency Heads; Managerial and Confidential Employees within the meaning of 447.203 (4) and (5), Florida Statutes; School Crossing Guards; Part-Time Trial Court Clerks; Seasonal or Casual Employees (defined as: (a) those employees working 120 days or less per year, or (b) those employees who work more than 120 days a year, but who average less than 15 hours per week when they do work, or (c) those employees paid a salaried stipend to perform a limited function when needed); any employee who is contracted to do a specific task with a limited purpose for a designated and limited period of time; those employees, including but not limited to police officers, fire fighters, professional employees as defined by Chapter 447, Florida Statutes, supervisory employees, and other employees who are covered by other certified bargaining units.

ARTICLE 2: UNION SECURITY

- 2.1** Public employees have the right to form, join or assist labor unions or labor organizations or to refrain from such activity, to bargain collectively through representatives of their choosing, and to engage in concerted activities for the purpose of collective bargaining or other mutual aid or protection.
- 2.2** The President of AFSCME, Florida Council 79, or an alternate officially designated in writing, will be the official spokesperson for the **Union** in any matter between the **Union** and the **Employer**.
- 2.3** The **Employer** will provide information to the **Union** and bargaining unit employees as follows:

- A.** If prepared and supplied by the **Union**, the **Employer** will give each newly hired bargaining unit employee an envelope, which will provide the employee with a greeting, the name, address, and phone number of the **Union** and notify the employee that he or she may call the **Union** for additional information. The **Employer** will provide the notification referred to in this paragraph during the new employee orientation period for new employees.

The **Union** will be allocated 10 minutes at the new employee orientation for the purpose of informing employees in the AFSCME bargaining unit of AFSCME's role as certified bargaining agent for the unit. The **Employer** will notify the Staff Representative, Local **Union** President and Local Vice President of the scheduled orientation. The Local **Union** President, Staff Representative, or designee, may attend the new employee orientation. The **Employer** will provide a list of names of the employees in the AFSCME bargaining unit in the new employee orientation at least 48 hours prior to meeting.

- B.** The **Employer** will notify the **Union** of all persons hired into job classifications represented by AFSCME.
- C.** Where employees do not have portal access in their work area during working hours, the **Employer** will place one copy of this Agreement in each work location.
- D.** The **Employer** will post an electronic copy of this Agreement on the City's Employee Portal for reference by employees and supervisors. The **Employer** will provide computer access for employees to access the Agreement, City Directives and Departmental Policies and Procedures.
- E.** On a quarterly basis, or as requested, the **Employer** will provide the **Union** with a list of all employees in positions within the assigned to bargaining unit via electronic mail in a Microsoft Excel spreadsheet format, sorted alphabetically by employee last name, and shall

include the employee's name, job title, department and division, job code, employment date, pay grade, home address/phone (if not protected) and annual base salary. The **Employer** will also provide the **Union** a list of employees who have joined or left the bargaining unit during the quarter. The **Employer** will provide the union a list of retirees once per year. **The list shall be provided at no cost.**

- F.** The **Union** has been provided with a copy of departmental policies and work regulations.

Copies of new or revised departmental policies or work regulations such as new shifts and work schedules, and other policies and procedures that affect employees' terms and conditions of employment, will be provided to the **Union** prior to implementation. Any policy that will affect civilian bargaining unit employees in JSO and JFRD will be noticed to the **Union** as set forth in this provision.

- G.** The **Employer** will post all departmental policies and work regulations in appropriate areas.

- 2.4** The **Employer** and the **Union** agree that the Employer will not deduct dues. However, if state law changes or injunctive relief regarding the prohibition on dues deductions is enacted, the **Employer** agrees to reinstate a dues deduction process at the **Union's** request within 90 days of such request.

ARTICLE 3: UNION RIGHTS

The **Employer** and the **Union** recognize that it is in the best interest of both parties, the employees, and the public for all dealings between them to be characterized by mutual responsibility and respect, and acknowledge with this Agreement that a bond of common interest exists and is a basis for the development of sound **Union-Management** cooperation to promote the business of government and the welfare of its employees. The **Union** recognizes that in consideration of the commitments undertaken by the **Employer** in this Agreement, every employee is obligated to give honest, efficient, and economical service in the performance of his/her duties. To insure that this relationship continues and improves, the **Employer** and the **Union** and their respective representatives at all levels will apply the terms of this Agreement fairly in accordance with its intent and meaning and consistent with the **Union's** status as exclusive bargaining representative of all employees as defined in Article 1 of this Agreement. Each party shall bring to the attention of all employees in the unit, including new employees, their duty to conduct themselves in a spirit of responsibility and respect. To ensure adherence to this purpose, the parties shall also make all employees aware of the measures to which they have agreed.

ARTICLE 4: MANAGEMENT RIGHTS AND SECURITY

Chapter 447, F.S. bestows certain rights on all parties to the collective bargaining process. This Article reaffirms certain of those rights that are granted to the **Employer**.

- 4.1** In accordance with this Agreement and Chapter 447, F.S., the **Union** and its officers, agents, and members agree that they shall have no right to instigate, promote, sponsor, engage in, or condone any strike, slow-down, concerted stoppage of work, intentional interruption of **Employer** operations, or similar activities during the term of this Agreement, for any reason.

Management has the right to discharge or otherwise discipline any employee(s) who violate this provision. Only the factual question of whether the employee(s) to be discharged or disciplined violated the provision prohibiting strikes, slow-downs, concerted stoppages of work, intentional interruptions of **Employer's** operations, or similar activities may be raised in any proceeding (grievance, judicial or other) that contests the **Employer's** action.

- 4.2** The **Union**, its representatives, agents, members, and any persons acting on their behalf, agree that the following "other unlawful acts" as defined in Chapter 447, F.S., are expressly prohibited:

- A.** Soliciting public employees during the working hours of any employee who is involved in the solicitation.
- B.** Distributing union literature during working hours in areas where the actual work of public employees is performed, such as offices, warehouses, police stations, fire stations, and any similar public installation. This Article shall not be construed to prohibit the distribution of literature during the employee's lunch hour or in areas not specifically devoted to the performance of any employee's official duties.

- 4.3 A.** No employee organization shall directly or indirectly pay any fines or penalties assessed against individuals pursuant to the provisions of this article.

- B.** Notwithstanding other provisions of this Agreement, an employee who is found to have violated any provision of this Article may be discharged or otherwise disciplined by the **Employer**.

4.4 ADA Compliance (as amended)

The parties recognize that the **Employer** is required to comply with the Americans with Disabilities Act as amended, and nothing in this Agreement

shall be construed to prevent the **Employer** from carrying out this obligation. Any claimed violation of this provision shall not be subject to arbitration. If the parties cannot resolve the matter using the grievance procedure, the employee may refer the matter to the appropriate governmental agency.

The **Employer** agrees to review all reasonable accommodation requests pursuant to federal, state or local laws and statutes. Further, the **Employer** agrees to provide all reasonable accommodations pursuant to federal, state and local laws or statutes.

The parties further agree that all provisions of this Agreement shall be applied equally to all employees covered by it.

ARTICLE 5: PERFORMANCE PARTNERSHIP

There is a mutual commitment to continually improve operating systems and customer service; introduce high performance work practices; increase employee involvement in decision making; establish a bench marking process; and provide bargaining unit employees with increased participation in decisions concerning their working conditions and quality of work life.

If Departmental Special Committees are formed to review and/or modify work processes or conditions that may result in modifications to working conditions, the **Employer** agrees to allow at least one member from the **Union** to participate.

Efforts will include, but not be limited to:

- Employee empowerment
- Development of work teams for the systematic study and improvement of work processes
- Continuous improvement of work processes through training initiatives such as Skillsoft
- Improvement of system performance measures
- Development of workforce skills
- Development of effective workforce diversity strategies
- Development of effective conflict resolution processes

ARTICLE 6: SPECIAL MEETINGS

6.1 The Chief of Employee and Labor Relations or his/her designee and the **Union** agree to meet and confer on matters of interest upon the written request of either party. The written request shall state the nature of the matters to be discussed and the reason(s) for requesting the meeting. Discussion shall be limited to matters set forth in the request, or other subjects mutually agreed to, but it is understood that these special meetings shall not be used to renegotiate this Agreement. Such special meetings shall be held within ten (10) calendar days of the receipt of the written request and at a time and place mutually agreeable to the parties. The **Union** shall have the right at these special meetings to recommend to the Chief of Employee and Labor Relations or his/her designee corrections of any inequities known to the **Union**.

6.2 The **Union** recognizes that it is the **City's** objective to provide services to its citizens and taxpayers through the most efficient and cost-effective means possible. From time to time, this may require evaluations of alternative means of providing such services, including contracting with external providers.

The **City** recognizes that the **Union** desires to make bargaining unit employees competitive with external providers of such services where possible.

Accordingly, once a function has been identified as a candidate for outsourcing, the **City** agrees to permit the **Union** an opportunity to present options for more efficient and/or cost-effective service provision by bargaining unit employees.

This provision shall not apply to situations in which funding is discontinued by an external source such as the state or federal government.

No bargaining unit employee shall be transferred, reassigned, or demoted, have his/her work week reduced, or be laid off, as a result of the contracting out of any of its present work or services, except as provided for in the Civil Service and Personnel Rules and Regulations.

6.3 Should there be any proposed changes in the corporate structure that will have an impact upon the wages, hours, or terms and conditions of employment of the employees in the bargaining unit (as that term is understood in Florida public sector labor relations), the **Employer** will negotiate the impact of those proposed changes in accordance with Chapter 447, Part II, Florida Statutes.

ARTICLE 7: UNION ACTIVITY

7.1 Stewards and Representation

- A. The employees covered by this Agreement will be represented by stewards, one of which will be designated as the Chief Steward. A steward assigned to more than one geographical location will be considered a roving steward to function properly under the stewardship procedure. A written list of stewards and alternates will be submitted to the **Employer**, together with the specific areas in which they will function, annually by January 31st of each year. The alternate steward will only become active in the event of the physical absence of the regular steward and upon prior notification by the **Union**. Alternate stewards are subject to the same rules and regulations that govern the conduct of stewards. For the purpose of this agreement and unless otherwise addressed in this agreement, the use of the word steward shall also refer to the Chief Steward.
- B. The **Employer** recognizes and shall work with the appropriate **Union** stewards and representative of AFSCME Florida Council 79 in matters relating to grievances and interpretation of this contract, including promoting harmonious working relationships. Manpower and workflow permitting, the Local Union President (or designee) or the Chief Steward may be permitted to assist other Stewards in matters of complexity or when a new steward is in the training process with the local Union.
- C. **Union** stewards shall be active employees as designated by AFSCME Florida Council 79 and shall be members of the bargaining unit.
- D. **Union** representatives and stewards are subject to the same rules of the **City** of Jacksonville and its Independent Agencies as are all other public employees, except as specifically outlined in this Agreement.
- E. While on leave of absence, no employee shall function as a **Union** steward without mutual consent of the **Union** and the **Employer**.
- F. A written list of **Union** stewards and officers shall be furnished to the **Employer** prior to the effective date for their assuming duties of office. AFSCME Florida Council 79 shall notify the **Employer** promptly of any changes of such **Union** stewards. No **Union** steward shall perform any **Union** work unless the **Union** has complied with this requirement.
- G. A **Union** steward shall be granted time off during working hours without loss of pay to investigate and settle grievances on the job site which is within his/her jurisdiction. The steward must secure approval from his/her immediate supervisor prior to performing such duty. The

steward receiving time off under this provision shall record his/her time before leaving the job and upon returning. When entering the area of a supervisor other than his/her own, the steward shall notify that supervisor of his/her presence and purpose.

A steward will only be granted time off under this provision when requested by an employee in the bargaining unit for assistance with a grievance, or when requested by the **Union** in writing. Stewards may receive and discuss grievances of employees on the premises or in the field during working hours, to the extent that such discussions do not interfere with the work of other employees. **Union** stewards shall not conduct any grievance work on overtime or holiday time except in emergency situations. It is acknowledged that only one (1) steward will work on grievances from any employee, unless a variance to 7.1(B) is approved. A **Union** officer may substitute for a **Union** steward for all purposes set forth in this paragraph.

7.2 Nothing in this Agreement shall prevent any employee from presenting, at any time, his/her own grievances, in person or by legal counsel to the **Employer**, or from having such grievance adjusted without the intervention of the bargaining agent, if the adjustment is not inconsistent with terms of the collective bargaining agreement when in effect, and if the bargaining agent has been given reasonable opportunity to be present at any meeting called for the resolution of such grievance.

7.3 Employees designated in the bargaining unit shall have the right to join, or to refrain from joining, the **Union**, to engage in lawful concerted activities for the purpose of collective bargaining or negotiation or any other mutual aid and protection, and to express opinions related to the conditions of employment, all free from restraint, discrimination, intimidation, or reprisal because of that employee's membership or lack of membership in the **Union** or by virtue of that employee's holding office or not holding office in the **Union**. This provision shall be applied to all employees in this bargaining unit.

In employment, job assignment and employee/employer relations, no procedure shall discriminate against any employee on the basis of age, disability, sex, race, creed, national origin, or marital status.

7.4 The **Union** shall neither actively solicit grievances nor collect **Union** monies on **Employer** property.

7.5 Officials of the **Union**, as designated in Article 1 of this Agreement may, with proper authorization, which will not be unreasonably withheld, be admitted to the property of the **Employer**. Officials as designated above shall be able to talk with employees before or after regular working hours or during lunch hours of said employees on **Employer** property in areas mutually agreed on by the **Union** and the **Employer**.

- 7.6** The Local **Union** President or one alternate officially designated by the Local **Union** President shall be granted reasonable time off during working hours without loss of pay for the purpose of attending to appropriate **Union** activities requiring his/her presence. This shall not be interpreted to limit the **Union** to the resolution of only one issue at a time **City** wide, but is intended to limit the number of **Union** representatives being granted time off to attend to a single specific issue. The local **Union** President or alternate must secure approval from his/her immediate supervisor prior to performing such duty. In situations where **Union** representatives are required simultaneously at more than one meeting, the **Union** President may request the Chief of Employee and Labor Relations to authorize release of up to two additional **Union** representatives, subject to operational needs.
- 7.7** Arrangements will be made for officers or an accredited representative of the **Union** to be admitted to the property of the **Employer** during working hours for the purpose of ascertaining whether or not this Agreement is being observed by the parties, provided such visitation is not disruptive to the work force. When an area or building belonging to the **Employer** is not normally open for visitation, then the **Employer** shall provide a responsible escort to that **Union** Officer or accredited representative; provided, this service must be arranged by the **Union** in advance of the visitation.
- 7.8** Due to the large number of employees represented by AFSCME Florida Council 79, two (2) members of the **Union**, elected to local **Union** positions or selected by the **Union** to do **Union** work, may upon written request of the **Union**, and when approved by the **Employer**, subject to applicable Civil Service and Personnel Rules and Regulations governing employees' rights and benefits, be granted a leave of absence without pay for a period of one (1) year, which may be extended during the term of this Agreement, and upon expiration of the leave, shall be re-employed into their previous position or a comparable position. Any special assignments are not guaranteed upon return. It is understood that employees taking this leave will not accrue or maintain benefits as provided for by the **City** of Jacksonville during the period of their leave (for example: healthcare, annual leave, pension, etc.). It is understood that employees taking leave under these conditions must be reasonably available through the union office for consultation with the **City**.

ARTICLE 8: BULLETIN BOARDS

- 8.1 A.** The **Union** shall be provided adequate space on bulletin boards, including at least one (1) at each location so designated by the **Employer**. Bulletin boards will be located in employee break rooms or other non-public areas. The **Union** may, if it so desires, provide a bulletin board of standard size for its exclusive use, in keeping with the decor of the above locations, and with the approval of the **Employer**.
- B.** In addition, the **Union** will be provided a readily accessible “electronic bulletin board” established on the City of Jacksonville Employee Portal web site for centralized posting of approved materials. The **Union** president or designee may initiate request to post.
- C.** The City will afford the AFSCME bargaining unit electronic communication via the **City** email to its membership and bargaining unit employees for the purposes of notices of union meetings, union elections and union committee activities.
- 8.2 A.** The **Union** agrees that it shall use its space on bulletin boards provided for in Article 8.1 above, and the union electronic bulletin board section on the Employee and Labor Relations page of the **City** portal may be used for the following purposes:
- Notices of **Union** Meetings
 - Notices of **Union** Elections
 - Reports of **Union** Committees
 - Rulings and Policies of the **Union**
 - Recreational and Social Affairs of the **Union**
 - **Union** Bulletins or other information conforming to Section 8.3
- B.** Any notice or other information that is date-specific shall include the date by which the notice or information will be removed from the electronic bulletin board.
- C.** Any conforming notices posted shall only be removed by a representative of the **Union** or as provided in Articles 8.3 and 8.4 of this Agreement.
- 8.3** No material, notices, or announcements shall be posted by the **Union** which contains anything adversely reflecting upon the City of Jacksonville, its officials, managers, consultants or agents, its independent agencies, its employees, or any other labor organization. Any proven violation of this Article by the **Union** shall entitle the **Employer** to cancel immediately the provisions of this Article and remove the posting in violation.

- 8.4 A.** Notices or other information intended for electronic posting shall be submitted on acceptable electronic medium to the Chief of Employee and Labor Relations or his/her designee for approval as to compliance with Article 8.3 before being posted. Notices or other information intended for electronic posting shall include a specific date on which the notice or information is to be automatically deleted from the electronic bulletin board. Approved materials will be posted electronically as soon as practicable.
- B.** To access **City** facilities to update information on regular bulletin boards, AFSCME shall contact the Chief of Employee and Labor Relations or his/her designee to make arrangements to do so.
- C.** Where bulletin boards are locked, or otherwise inaccessible, the **Employer** shall notify the assigned **Union** steward of the procedure for obtaining access. This procedure must provide the steward or other representative access to the bulletin board within a reasonable time after the request for access.
- 8.5** Alleged abuse of the bulletin boards will be a matter for a special meeting or conference between the proper official of the **Union**, the Chief of Employee and Labor Relations or his/her designee, and the appropriate member of the agency involved. Such meeting or conference shall be held within one (1) working day after receipt of a written complaint by either the **Employer** or the **Union** that a violation exists.

ARTICLE 9: HOURS OF WORK AND OVERTIME PAYMENT

9.1 Each employee is assigned to either a shift or non-shift schedule.

A. A shift is:

- (1)** a work schedule that changes on a regular and rotating basis;
or
- (2)** a fixed work schedule with a start time after 11:59 a.m. and before 4:00 a.m.

B. A non-shift is a work schedule that does not change on a regular and rotating basis with a start time after 4:00 a.m. and before 11:59 a.m.

9.2 A. Definition of “Work Schedule”

A schedule consists of assigned work hours within a shift or non-shift designation. There are four major work schedule blocks as follows:

- Morning Schedule – start time between 4:00 a.m. and 11:59 a.m.
- Afternoon Schedule – start time between 12:00 p.m. and 5:59 p.m.
- Evening Schedule – start time between 6:00 p.m. and 11:59 p.m.
- Night Schedule – start time between midnight and 4:00 a.m.

Schedules as defined herein do not affect employees' entitlement to shift differential.

An employee assigned to a work schedule may have different reporting times on different days so long as the start times are all within the same schedule. For example, an employee assigned to a morning schedule may report at 9:00 a.m. three days in a week and at 10:00 a.m. on two days within the same week. Article 9.4(B) shall not apply to start time changes within the same “schedule” as defined in this Article.

B. “Non-Shift” Work Weeks and Work Schedules

- (1)** Five (5) eight-hour days, Monday through Friday;
- (2)** Employees assigned to an odd work week which shall consist of five (5) days which may begin on any day. Except where mutually agreed to by the employee and the department head, such work days shall be consecutive;
- (3)** Departments with six (6) or seven (7) day operations, may have different shift configurations;

- (4) Four (4) ten (10) hour days. Employees assigned to the ten (10) hour day will have varied work days and non-work days;
- (5) Twelve (12) hour days. Employees assigned to the twelve (12) hour day will have varied work days and non-work days;
- (6) Five (5) seven (7) hour days worked may be used for Program Aides if needed.

9.3 Changes to Schedules and Shifts

A. Shift Assignments

In assigning employees to a workweek as provided in Article 9.2, the **Employer** shall determine staffing, work schedules, and any special requirements for each assignment. The **Employer** shall notify the **Union** at least ten (10) working days in advance of any overall schedule changes. This provision does not apply to changing an employee's assignment from one existing schedule to a different existing schedule. For example, an employee's assignment can change from working five (5) eight-hour days to working four (4) ten (10) hour days without notifying the **Union**.

B. New Schedules

- (1) Nothing in this Agreement shall limit the **Employer** from creating new work schedules or work weeks not described in Article 9.2, provided that the **Union** is given the opportunity to bargain the impact of any such change. Except as provided by law, proposed changes with identified impact on wages, hours and terms and condition of employment will not be implemented until negotiations have been completed in accordance with Chapter 447 Part II, Florida Statutes.
- (2) Before implementing a new schedule not described above in Articles 9.1 or 9.2, the **Employer** will meet with the **Union** to discuss the proposed method(s) by which employees shall be selected for the new schedule(s) using the provisions:
 - (a) if mutually agreed upon, such selection methods shall be reduced to writing; or
 - (b) if the **Employer** is unable to obtain sufficient employees by the agreed-upon method of selection; or
 - (c) if the parties are unable to agree upon the method of selection, the **Employer** shall select employees for the new schedule.

(3) Notice

The **Employer** will give an employee at least ten (10) working days' notice before changing his or her regular work schedule or a change of regular work location greater than 5 miles. The ten (10) days' notice shall not be required in an emergency. This provision may be waived by mutual agreement.

Note: For purposes of this article, "working days" is as defined in the Civil Service and Personnel Rules and Regulations.

9.4 Individual Work Schedule Assignments

A. Posting of Work Schedules

For functional units that post schedules, work schedules showing employees' shifts, workdays, and hours will be posted on appropriate bulletin boards not less than ten (10) days in advance and will reflect at least a two (2) week work schedule. The **Employer** will make a good faith effort to post a one (1) month schedule. The **Employer** shall determine staffing, schedules of work, and the special requirements of each assignment. The **Employer** will make a good faith effort to notify employees who are assigned a rotating daily schedule at least one week in advance.

However, with prior written approval of the supervisor(s), and provided there is no detriment to the **Employer**, employees may agree to exchange days or shifts on a time-limited basis.

B. Weekend Work on Rotating Shifts

When work schedules are rotated, the **Employer** shall equalize weekend work among employees in this bargaining unit working in the same functional unit and shall grant at least two weekends off per month to each employee, whenever this can be accomplished without interfering with efficient operations. Employees at the Jacksonville Sheriff's Office (JSO) and Jacksonville Fire Rescue Department (JFRD) shall be granted at least two weekends off every other month whenever this can be accomplished without interfering with efficient operations.

C. Limitation on Working Multiple Shifts in the Same Week

Except in emergencies, employees will not be required to work more than two (2) different shifts in a work week. In Departments where day and night shifts are rotated, except JSO and JFRD, the employee shall work no more than two night shifts per week, unless the employee's

regularly scheduled shift is nights.

(1) Shift Assignment for Employees other than Jacksonville Sheriff's Office (JSO)

(a) In areas, sections, and departments where there are non-rotating shifts, an employee may request a change of shift in writing. Forms required will be provided by the **Employer** and shall be dated and signed by the department head or designee, and by the employee making the request. The employee shall be furnished a copy of the signed request form. The employee's written request will be kept on file indicating the shift requested. When a vacancy occurs and two or more employees in the same class have requested that shift, or when shift assignments are made or requested by the **Employer**, the following factors will be used to determine shift assignments:

(i) Length of service with the **Employer** for employees whose request has been on file for at least twenty (20) days prior to the vacancy occurring.

(ii) Whether or not the efficiency and competency of the shift the employee now works will be unduly compromised if such requested transfer is made.

(b) The **Employer** shall not unreasonably deny an employee's request for transfer to another shift. If there are insufficient volunteers, the **Employer** shall assign the least senior qualified employee.

(2) Shift Assignment for JSO Employees

(a) Management will designate the staffing structure. Employees will bid for positions and bids will be ordered based upon employees' start date in a **City** civil service classification, which will be obtained from the official personnel file in the JSO Human Resources Division. Time connections will not be considered in determining the date of employment.

(b) Once employees have been assigned to shifts, requests for mutual exchange of shifts between two (2) employees in the same class will be considered at management's discretion. Such requests for mutual exchange of shifts shall not constitute a "vacancy." Nor shall requests for

mutual exchange of shift undermine the bidding process by routinely allowing senior employees to trade shifts to junior employees in exchange for consideration. Notwithstanding the above, and provided there is no penalty to the JSO, and the efficiency and competency of the shift are not affected, employees of the same class may, with prior written approval of Management, agree to exchange shifts on a time-limited basis.

- (c) Future shift openings will be posted and bid as vacancies occur. In the event a vacancy cannot be filled through the bid process, the least senior employee will be selected.
- (d) Management reserves the right to transfer an employee to ensure the efficiency and competency of the affected units. This is not intended to negate the seniority system. The **Union** will be notified as soon as a decision is made, but not later than implementation of this subsection.

9. 5 Authorizing, Scheduling and Paying for Overtime Work

A. Authorization of Overtime

- (1) No employee may authorize overtime for himself/herself but shall be paid for overtime worked as authorized by his/her supervisor.
- (2) Management shall determine the necessity for overtime work, and employees are obliged to work overtime as assigned. It is the **Employer's** responsibility to distribute the opportunity for overtime work equitably among employees in the classifications normally performing the same types of work in each assigned shift, crew, or work area. Equitable distribution of the opportunity for overtime work should not be the cause of increased cost or operational delays. The **Employer** recognizes that it may be inconvenient for an employee to work overtime at certain times and will fairly consider each request for relief from overtime.
- (3) Overtime records of the **Employer** shall be made available to **Union** officials when requested to resolve a question involving distribution of overtime.
- (4) Nothing in this article shall require overtime payment for hours not actually worked.
- (5) When the need exists to work Fire Rescue Emergency 911 Dispatch (FRED) at JFRD multiple mandatory overtime

vacancies within a 24-hour period, the openings will be first filled by volunteers and if no volunteers exist, the openings will be filled by inverse seniority. This provision does not apply during declared local emergencies.

B. Payment for Overtime

- (1) Except as otherwise specified, overtime will be paid at the rate of time-and-one-half (1-1/2) for all hours actually worked in excess of forty (40) hours per work week for which overtime compensation has not been previously paid.
- (2) Double time shall be paid for continuous hours worked in excess of sixteen (16).
- (3) All compensated leave except annual leave, compensatory leave and parental leave will be considered time worked in the calculation of the 40-hour threshold. During declared emergencies this provision shall be suspended.
- (4) Except as provided for in Article 9.5(C), compensation for overtime shall be in the form of cash.
- (5) Premium overtime payments shall not be duplicated for the same hours under any of the terms of this Agreement.

C. Compensatory Time in Lieu of Payment

- (1) An employee may elect to earn compensatory time at the rate of time-and-one-half (1-1/2) in lieu of cash payment with the approval of the department head. Requests for compensatory time shall be submitted through the time and attendance system. Employee requests for compensatory time in lieu of cash shall not be unreasonably denied if the overtime is mandatory in nature.
- (2) Employees may accrue up to two hundred-forty (240) hours of compensatory time. When an employee has accrued the maximum amount of compensatory time, compensation for subsequent overtime worked shall be paid on the employee's next paycheck.
- (3) The **Employer** may pay off any amount of accrued compensatory time at any time, provided that any approved requests for compensatory leave time will continue to be honored.

D. Adjustment of Work Schedule

- (1) Notwithstanding the provisions of Article 9.3, where mutually agreeable to the employee and Management, an employee may voluntarily flex his/her daily or weekly schedule. An example of such a situation is an employee who works additional hours on one day of the work week in order to take an equal amount of time off on another day in the same work week (e.g., for medical or personal reasons) without charging the absence to annual or personal leave.
- (2) So long as the total number of hours worked during the work week does not exceed forty (40), no overtime payment is required. So long as it is mutually agreeable to both, the adjustment may be proposed by either the employee or Management.
- (3) In non-emergency situations in which employees are requested to leave early to accommodate special events, employees may use annual leave or modify their work schedules, within operational requirements and with the approval of their supervisor. At the **Employers** discretion, there may be times when the employee may not be charged annual leave. Notice requirements of Article 9.3 shall not apply to schedule adjustments made in accordance with this section.

E. Call-Ins and Rest Periods

- (1) In the interest of good service, employees are required to respond to emergency call-ins.
- (2) An employee who has left his/her normal place of work at the end of the scheduled workday and is called back to work shall be compensated for overtime worked in accordance with this article. He/She shall be paid for a minimum of four (4) hours at the rate of time-and-one-half (1-1/2). This minimum payment will not apply if the employee is called back to work immediately before the start of the employee's regular workday. If the employee finishes the assignment(s) in less than four (4) hours and is subsequently called back to work in the initial four (4) hour time frame the employee will not be eligible for another four (4) hours of call back pay.
- (3) An employee shall be given an eight (8) hour rest period before returning to work, if he/she has worked sixteen (16) or more continuous hours, or eight (8) or more hours overtime in the sixteen (16) hour period immediately preceding his/her regular workday.

If the rest period overlaps into the employee's regular workday, the employee will be credited and paid for the time without charge to annual or personal leave. An employee who is called back to work without completing his/her eight (8) hour rest period shall be compensated at the rate of two (2) times his/her regular rate of pay for all hours worked from the time he/she reports back to work through when he/she is released for another eight (8) hour rest period. Paid rest time shall be considered as time worked for the purpose of determining the forty (40) hour threshold for payment of overtime.

F. Meal Breaks and Allowances

- (1)** The **Employer** will provide a meal or pay a meal allowance in the sum of ten dollars (\$10.00), when an employee is required to work four (4) hours before or after his/her regular shift without a meal break and in six (6) hour increments thereafter if he/she continues working without a meal break.
- (2)** Meal allowances shall be paid no later than the end of the first pay period after the pay period in which the meal allowance is earned.
- (3)** JSO Emergency Communications, JSO ID Specialists, JSO ID Clerks, JSO Security Officers and other JSO Civilian employees who do not receive a meal break during their shift or workday due to operational needs shall be compensated for an additional ten (10) minutes at his/her hourly rate. Currently, JFRD Emergency Dispatcher Employees are paid for their lunch period, but if this schedule changes to include an unpaid lunch, FRED's will be afforded the same additional ten (10) minute provision.
- (4)** The **Employer** and the **Union** agree that all employees except those exempted in 9.5 F. (3) should receive a lunch break when business conditions permit.

To be eligible for the premium payment, an employee must be actively employed on the date of each premium payment.

*Wage increases will be effective at the start of the next weekly pay period after October 1st.

- C.** Employees whose current base salaries are above the maximum rate of the range of the assigned Pay Grade will have their base salaries maintained at the current level until such time as the maximum of the range of the assigned Pay Grade increases to encompass their base salaries.

Such increase shall not exceed the maximum of the pay range for the assigned pay grade. If as a condition of approval of such increases any provisions of this part are affected, the Director of Employee Services shall issue special instructions to be followed in connection with future increases. The **Union** shall be given a copy of the agenda item for the proposed increase prior to its submission to MBRC. Upon request, the **Union** shall be given an opportunity to present in writing their position on the proposed increase to MBRC. Upon request, the **Employer** will provide the **Union** copies of all MBRC meeting agendas and minutes.

B. Pay Increases Based on Pay Grade Reassignments

With the concurrence of the appropriate budgetary authority, the Director of Employee Services may approve pay adjustments for employees in classifications for which the pay grade is elevated. Such increases shall not exceed the maximum of the pay range for the assigned pay grade.

An employee may file a written rebuttal to an evaluation. A rebuttal shall be included in the employee's personnel record but shall not be considered an appeal of the evaluation.

An appeal must be based on a claim that a factual or procedural error occurred which resulted in an evaluation that inaccurately or unfairly characterizes the employee's performance.

Appeals from annual employee evaluations will follow the grievance procedure. The parties will make every effort to expedite hearing grievances related to performance evaluations and will give serious consideration to mutual agreement to waive Steps 1-3.

D. Shift Differential

Employees assigned to the following start times shall be eligible for the following shift differential pay based on actual hours worked *:

Start Time	Shift Differential
12:00 p.m. through 10:29 p.m.	3%
10:30 p.m. through 3:59 a.m.	6%

* Eligibility for shift differential shall be based on the shift start time. When an employee's work period covers more than one shift for which a differential is payable, the amount of the differential shall be determined by the shift in which the majority of the work hours fall.

E. Differential for Aerial Bucket Work

In addition to their regular wages, employees assigned to work in aerial lift devices or equipment (including ladders at 6ft or above the ground) shall receive a 15% differential for the period of time they are actually working in the aerial lift device or equipment.

This increase shall be in addition to any general or special raises which may be granted from time to time.

10.4 Reversion Pay

When an employee is returned to his/her former class during the probationary period following a promotion, his/her pay shall be restored to the rate in effect prior to promotion, as though the promotion had not been granted. In such event, the employee shall be eligible for any increases the employee normally would have received had the employee not been

promoted. When a reassignment is made, the base pay of the reassigned employee shall remain the same.

10.5 Administration of the Pay Plan

The Director of Employee Services shall adhere to the following administrative procedures in the implementation of the pay plan for employees in the bargaining unit:

B. Higher Start Rate

Where there have been demonstrated difficulties in recruiting qualified candidates for specific classifications within the bargaining unit, the Director of Employee Services may authorize a higher starting rate within the range for candidates meeting minimum qualifications. The Director of Employee Services will notify the **Union** of such change prior to implementation. The Director of Employee Services will review the recruiting situation and the higher starting rate annually. When a higher starting rate has been authorized pursuant to this Article, all candidates meeting the minimum qualifications will be given the higher start rate.

When approved, such increases may be granted, within the pay range, in an amount up to the end of probation rate of the newly hired employee when promoted into the higher class. When requested and approved, equity increases pursuant to this Article shall be granted to all comparably qualified employees in the organizational unit, except that employee on probation or who are subject to disciplinary reductions in pay shall not be granted such increases until successful completion of probation or expiration of the disciplinary reduction. Equity increases will not be applicable if the newly hired employee was previously employed under Appendix B as provided in 10.5(A). The **Union** will be notified of the classification of personnel affected by equity adjustments prior to implementation.

Employees in classifications so designated shall not receive end of probation increases.

In no circumstances shall an employee's base salary exceed the maximum of the pay range as a result of promotion.

H. Emergency Communication Officer Advancement

When an employee is required by the **Employer** to accept the responsibility for work in a higher class or position for at least one (1) hour on continuous duty, or to temporarily replace employees on leave or to perform work of a vacant position until it can be filled, unless the employee is assigned to a higher classification for the purpose of on-the-job training for definite advancement purposes, such employee shall be compensated at the minimum of the range of the higher classification or shall receive a five percent (5%) increase, whichever is greater, for the time actually worked in the higher class. In no case, however, can the adjusted salary level exceed the maximum rate of the salary range of the higher position. The parties agree that assignment of work to particular classifications, evaluation of classifications and resulting pay grade assignments are management prerogatives. The **Employer** recognizes the **Union's** interest in maintaining equity among classifications in the bargaining unit. Accordingly, during the life of this Agreement the **Union** may notify the Director of Employee Services of its belief that sufficient material changes have occurred in the nature of work assigned to one or more classifications, such that the relationship of that classification(s) to other classes should be reviewed for possible realignment. The Director of Employee Services shall conduct an appropriate review of the circumstances and report the findings to the **Union** and to the appropriate budgetary authority for action as warranted. This review may include recommendations for pay adjustments for affected employees where appropriate.

- (c) A group grievance shall be dated and signed by the aggrieved employees presenting it.

B. Time Limits

The arbitrator shall have no authority to consider or rule upon any matter which is stated in this Agreement not to be subject to arbitration, or which is not specifically covered by this Agreement.

For example, for leave accrued during fiscal year 2008-2009, the irrevocable election must be made on or before September 30, 2008 in accordance with administrative procedures established by the City of Jacksonville.
- C.** This payment is not available to an employee who would have less than eighty (80) hours of personal leave remaining after such payment. Such payments will be made on the first payday in December at the September 30 rate of pay.

23.8 The **Employer** will provide employees the option to use leave time unaccrued leave to fund their Deferred Compensation Program pursuant to the terms of this article and Internal Revenue Service (IRS) regulations in the following manner:

- A.** First, an employee who does not intend to use all of the personal leave to be accrued in a fiscal year may elect to be paid all or part of the difference on a percentage basis, between the amount of leave to be used and the amount of leave to be accrued for that fiscal year on an hour-for-hour basis. Payments will be made on the second payday in January at the September 30 rate of pay.

To receive such payment, the employee must make an irrevocable election of the percentage to be paid. The election must be made no later than September 30 of the fiscal year preceding the fiscal year in which the leave will accrue. Elections shall be made in accordance with administrative procedures established by the City of Jacksonville.

Employees otherwise eligible for this option who do not elect to be paid a percentage of leave prior to the deadline will not be permitted to be paid any leave for the subsequent calendar year (except as otherwise required pursuant to Section 23.6).

This election will not be effective for an employee who would have less than eighty (80) accrued annual leave hours remaining after such payment.

Other employees using personal leave for bona fide illness or other emergency must notify their immediate supervisor as early as reasonably possible, but in no event later than the starting time for the first day of such illness, that the employee is unable to report for work. Absences for illness under annual, vacation or personal leave conditions may be subject to investigation. An employee will be counseled whenever a pattern clearly develops where an employee is abusing leave. If any extended illness causes an employee to use all of his/her accrued personal leave, then such employee may use hours previously transferred to the employee's retirement account pursuant to Article 23.5, as explained below.

- A. If an employee, due to an extended continuous illness, requires eighty (80) or more working hours leave for illness, then such leave may, at the employee's option, be deducted from the personal leave days previously transferred to the employee's retirement leave account.
- B. If an employee has eighty (80) or less personal leave hours in his/her personal leave account, then the employee may, at the employee's option, use his/her retirement account for bona fide illness.

- A. Leave may be taken either immediately prior to the desired eligible retirement date, which leave may then be used for the fulfillment of time service requirements; or
- B. Such leave may be taken following fulfillment of time service requirements;
- C. Employees electing to use leave pursuant to subsections (A) and (B) may be maintained on the regular payroll, thereby continuing to avail the employee of payroll deductions, pension contributions, and insurance deductions;

- D. Requests to be placed on such leave shall be considered irrevocable;
- E. While on such leave, an employee shall not accrue personal leave but shall be paid for legal holidays, and shall be eligible for any general salary increases;

- D. "Department of Health and Human Services" (DHHS) Mandatory Guidelines for Federal Workplace Drug Testing Programs (the DHHS Guidelines) means those guidelines as printed in the April 11, 1988 Federal Register (53 C.F.R. 11970), as they may be amended from time to time.
- E. "Reasonable suspicion" means a suspicion which is based on specific, objective facts derived from the surrounding circumstances from which it is reasonable to infer that further investigation is warranted.

25.2 Circumstances When Testing May be Required

The **Employer** may require an employee to submit to alcohol and/or drug testing under any of the following circumstances:

- A. As part of the initial screening process for employment applicants.
- B. As required by the Federal Highway Administration, Department of Transportation, Omnibus Transportation Employee Testing Act of 1991 (OTETA).

- C.** When an employee is promoted; provided that only the employee selected for promotion shall be tested; and provided further that a drug test under this subsection shall not be conducted if the employee promoted has had a negative drug test within the past six (6) months.
- D.** When one or two managerial and/or supervisory employees make the observation and determine that there is reasonable suspicion that an employee is using, or under the influence of a controlled substance/drug while on duty, or that the employee is abusing alcohol or controlled substance/drugs and the abuse either adversely affects his job performance or represents a threat to the safety of the employee, his co-workers, or the public, and the basis for the reasonable suspicion is communicated to a **Union** representative; provided that if, after reasonable efforts, the supervisory/managerial employees are unable to contact a **Union** representative within one (1) hour, the employee may be required to submit to testing.
- E.** When an employee who is operating a **City** vehicle, or operating any vehicle while on **City** business, is involved in an accident involving personal injury or property damage which could result in liability of, or loss to, the **Employer**.
- F.** At any time within one year after an employee has been counseled or otherwise disciplined because of a problem with alcohol or controlled substance/drugs, or within one year after an employee has tested positive for the presence of alcohol or illegal drugs. No employee shall be tested more than one time per year under this provision, unless a rehabilitation or aftercare program specifies more frequent testing.
- G.** As part of a Random Drug and Alcohol Testing Program applicable to employees in safety-sensitive positions in accordance with criteria set forth in Appendix C. Management's designation of a position as "safety-sensitive" shall be subject to appeal to the Director of Employee Services, or designee, whose decision may be subject to arbitration. An employee who disputes the safety-sensitive designation of his/her position shall be required to submit a sample in accordance with testing procedures, but the results of the test shall be sealed until the dispute has been resolved.
- H.** In determining a position to be "safety sensitive", consideration will be given to "safety sensitive," as defined in Chapter 112, Florida Statutes.

25.3 Testing Procedures

- A. When an employee is required to provide specimens for these testing procedures, the employee shall be required to provide one specimen (large enough to provide two (2) separate samples) at the time of collection in order to facilitate the testing procedures described in this Article. The **Employer** shall follow chain of custody procedures consistent with the DHHS and/or OTETA Guidelines.
- B. The threshold level or cut-off limit shall be established in accordance with the DHHS and/or OTETA Guidelines, or in accordance with generally accepted medical procedures, where such limits have not been established by the DHHS or OTETA Guidelines.
- C. The **City** shall notify the **Union** of the specific procedures to be utilized in the drug testing program, including the site(s) where specimens will be collected, in advance of implementing the program.
- D. The **Employer** shall observe the following procedures to the extent that they are not inconsistent with the DHHS and/or OTETA Guidelines:
 - (1) The **Employer** shall submit the first of the samples to an immunochemical assay or radio-immunoassay test or currently acceptable DHHS Guideline test. If the results of this test are negative, no further testing will be required.
 - (2) If the results of the initial test provided for in Article 25.3(D) 1 are positive, the **Employer** will submit the sample for further testing using the gas chromatography/mass spectrometry (GC/MS) method or other method specified by DHHS Guidelines to verify the initial test results. The **Employer** will not notify any person about the initial positive result, until it has been confirmed as provided for in this Article.
- E. If the results of the second test for controlled substance/drugs that is provided for in Article 25.3(D)(2) are positive, as confirmed by a qualified medical review officer, the **Employer** shall promptly notify the employee of the results. At that time, the employee may elect to have the second sample subjected to testing at the employee's expense.
- F. Employees who are tested on the basis of reasonable suspicion will, depending on the nature of their job duties, be returned to their job, assigned to a different work location, or placed on administrative leave with pay pending receipt of the test results.
- G. When testing is performed under the auspices of the Omnibus Transportation Employee Testing Act of 1991, the Federal protocol

must be followed.

25.4 Rehabilitative Action

- A.** If the tests on the second sample are positive, or if the employee does not request testing of the second sample, the **Employer** may take rehabilitative action as provided for in this Article.
- B.** The **Employer** may require an employee who has tested positive for the presence of controlled substance/drugs to submit to counseling, or other rehabilitative treatment as a condition of continued employment.
- C.** This Article shall not be construed to limit the **Employer's** right to take appropriate corrective or disciplinary action when an employee tests positive for the presence of alcohol or controlled substance/drugs.

25.5 Corrective Action

- A.** If the tests on the second sample are positive, or if the employee does not request testing of the second sample, the **Employer** may take corrective or disciplinary action in addition to requiring the employee to submit to rehabilitative treatment.
- B.** Any employee who refuses to submit to substance abuse testing as required by this article shall be subject to discipline, up to and including discharge from his/her employment.

25.6 A. The **Employer** will pay the cost of any physical examinations and tests required by this article except as defined in 25.3 E.

- B.** Physical examinations and/or specimens required by this article will normally be obtained while the employee is on duty. If an employee is required to submit to examinations or testing other than during normal duty hours, the employee shall be paid for all time required for the examination and/or testing.
- C.** The physical examinations and tests will be performed by personnel and facilities selected by the **Employer** in accordance with DHHS guidelines.
- D.** Employees who are required by this article to take a physical examination or test shall be required to sign an authorization releasing the records of such examinations and tests to the **Employer**.

- E.** The **Employer** will, to the extent permitted by law, keep the results of any testing required by this article confidential. Furthermore, any results of positive testing which the **Employer** later determines have been refuted shall have affixed thereto the subsequent refutation. Test results shall be considered confidential medical records.

25.7 Training

- A.** **Employer** and **Union** representatives (all local **Union** officers and stewards) shall receive training to ensure that they understand their roles and responsibilities in implementing this article. Training will be conducted during normal working hours. Trainers will be experts in the drug abuse/treatment field.
- B.** Such training shall include behavioral observation techniques for detecting reduced job performance, and the impairment or change in employee behavior; techniques for recognizing drugs, drug paraphernalia, and the indications of the use, sale, or possession of drugs; alcohol abuse; and the procedures for referral to the Employee Assistance Program.
- C.** The lack of such training by a manager/supervisor shall not automatically disqualify a manager/supervisor from making a "reasonable suspicion" determination.

25.8 It is understood that, except for V. Drug Screening Program B.2, employees in the Sheriff's Office shall be subject to the applicable General Order.

25.9 This alcohol and drug testing program was initiated at the request of the **Employer**. The **Union** participated only to the extent of protecting the rights of workers arising from the administration of the alcohol and drug testing program.

ARTICLE 26: LIMITED EMERGENCY

In the event of the official declaration of a local emergency or other event as declared by the **City** elected Official, operational needs may affect some employees differently from others. All employees may be utilized as needed to assist in emergencies as determined by the **Employer**. Employees will be notified by their Supervisor as to their status.

26.1 Employees who are not required to work are designated as “non-essential” and released from duty shall be granted administrative leave for the balance of their normal shift and for such additional time as authorized by the Mayor.

26.2 A. Essential employees are those who are required to assist in emergencies as determined by the **Employer**. Employees designated as “essential” shall be required to work during the emergency. Essential employees who fail to meet their responsibilities under this provision may be subject to discipline.

B. An employee's designation as “essential” or “non-essential” may change due to the nature of the emergency.

C. Where possible in situations where there is advance notice of an impending emergency, the **Employer** may authorize employees to take reasonable time, as determined by the **Employer**, to return home to secure their homes and property and arrange for the safety of their families. Employees will not be charged leave for any such authorized preparation time taken. Following such preparation time, employees must report to work during the emergency.

D. Employees designated “essential” to the operation who report to work shall be paid in accordance with Article 9.

E. Employees designated as essential to the operation and who reported to work shall be granted straight time compensatory time for the same number of hours given to employees administrative leave during the emergency.

F. Employees on previously approved leave, scheduled holiday, authorized leave without pay, or who called in to request leave during the emergency, shall be charged for the leave.

26.3 In non-emergency situations in which employees are requested to leave early to accommodate special events, employees may use annual leave or modify their work schedules, within operational requirements and with the approval of their supervisor. At the **Employer's** discretion, there may be times when the employee may not be charged annual leave.

- 26.4** During a declaration of emergency by the Mayor, Sheriff or Governor, or when an emergency may reasonably be determined to be imminent, provisions of this Agreement addressing notification, scheduling and shift assignment requirements may be suspended during the time of the declared emergency provided that wage rates and monetary fringe benefits shall not be suspended.
- 26.5** During events or days when the employer releases bargaining unit employees from their normal work schedules due to special events, holidays etc., management will endeavor to equalize opportunities for early release within classifications when within those classifications, a subset of the Department population within those classifications must stay as essential.

ARTICLE 27: SECONDARY EMPLOYMENT

The City shall not unreasonably restrict an employee's ability to engage in secondary employment. Secondary employment shall not impair independence in judgment or performance of City duties.

Bargaining unit employees shall not be unreasonably denied secondary employment. Such denial shall be subject to Step IV of the grievance procedure, not arbitration.

ARTICLE 28: SEVERABILITY

This agreement is subject to all federal, state and local laws. In the event any article, section, or portion of this Agreement should be held invalid or unenforceable by any court of competent jurisdiction, such decision shall apply only to the specific article, section, or portion thereof specified in the court's decision. Upon request of either party, the parties agree to meet for the purpose of negotiating a substitute for that specific article, section, or portion thereof. All other articles, sections, and portions of this Agreement shall remain valid and enforceable.

ARTICLE 29: RESIDUAL RIGHTS CLAUSE

- 29.1** The **Employer** retains all rights, powers, functions, and authority it had prior to the signing of this Agreement except as such rights, powers, functions, and authority are specifically relinquished or abridged in this Agreement in accordance with Section 447.309(3), Florida Statutes.
- 29.2** All matters pertaining to terms and conditions of employment guaranteed by law to employees within the bargaining unit shall apply except as such matters are specifically abridged or modified by the terms of this Agreement in accordance with Section 447.309(3), Florida Statutes.

ARTICLE 30: ENTIRE AGREEMENT

- 30.1** The parties acknowledge that during negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the **Employer** and the **Union** voluntarily and unqualifiedly waive the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, this Article shall not be construed to in any way restrict the parties from commencing negotiations under the applicable law on any succeeding Agreement to take effect upon termination of this Agreement.
- 30.2** Except as otherwise provided in the Agreement, this Agreement shall go into effect on October 1, 2025, and shall remain in effect through September 30, 2028.
- 30.3** AFSCME or the **City** must provide the other at least a thirty (30) day notice within the expiration of this agreement, prior to the beginning of negotiations.
- 30.4** The parties recognize that during the term of this contract, situations may arise which require the terms and conditions not specifically and clearly set forth in the contract to be clarified or amended. Under such circumstances, the **Union** is specifically authorized to enter into settlement of grievance disputes or memoranda of understanding which clarify or amend this contract without having to be ratified by employees.

APPENDIX B - PREAMBLE

On October 10, 2024, the State of Florida Public Employees Relations Commission (PERC) issued Certification #2085 which certified the American Federation of State, County and Municipal Employees, Council 79, AFL-CIO as the bargaining agent for a bargaining unit that includes certain part-time, temporary, grant or special purpose employees (including Community Services Officer) of the City of Jacksonville. These employees, who are described in the October 10, 2024 order of the Public Employees Relations Commissions Case Number, EL-24-058, will be referred to in this appendix as "eligible employees." This appendix sets forth the agreement reached by the City of Jacksonville and AFSCME with regard to the terms and conditions of employment of the eligible employees.

It is the **City's** intention to utilize temporary/seasonal employees in this bargaining unit on a full-time basis for periods not to exceed one hundred twenty (120) days per calendar year for reasons including, but not limited to, special projects or replacing employees on extended leave, or to meet seasonal needs.

The **City** has identified part-time positions that are expected to be required for an indefinite period, but which require the services of an eligible employee for no more than an average of twenty-five (25) hours per week, fifty (50) hours per pay period. Employees who work in such part time positions will continue to be eligible employees, covered by the Appendix of this Agreement.

The term "eligible employee" in this appendix shall refer to the following employees:

Part-time bargaining unit employees currently identified as bargaining unit 179 employees. These employees are eligible for benefits.

It is recognized that the use of temporary, seasonal, and part-time employees is to supplement full-time employees; not to reduce the number of full-time employees.
