

**Jolie**

Jolie has worked for JaxParks for ten years and shares her passion for wildlife conservation through fieldwork, nature center exhibits, and environmental education. She has a master's degree in the field of Wildlife Forensics & Conservation.

**Stephen**

Stephen has spent the past nine years working for JaxParks and is certified as a Florida Master Naturalist. He enjoys the time he spends overseeing the sea turtle patrol at Hanna Park and teaching the public about the natural world through education programs.

**Patricia**

Patricia has shared her enthusiasm for the environment through public education at the JaxZoo and MOSH, and now as a JaxParks Naturalist. Catch her at Huguenot cultivating her love of native plants, preserving wildlife, and guiding the next generation of naturalists.

**Samantha**

Samantha is a certified Florida Master Naturalist with a lifelong interest in all flora and fauna, most notably birds. She has a keen passion for sharing knowledge on local wildlife with the public and creating awareness on preserving Jacksonville's natural habitats.
