Letter from the Desk of **STACY AMPARAN:**

Dear Seniors,

The *Jacksonville Senior Services Directory* is a collaboration between the City of Jacksonville and Heritage Publishing, Inc. Each year, the directory is thoughtfully laid out to provide the most informative and reflective information for senior adults in our community. The resources provided in the directory ensure that you have access to the resources needed to secure and maintain productivity and independence here in Jacksonville.

Mayor Curry has stated that his main priorities are health and wellness and public safety. Throughout this directory you will find resources for these very important topics. The Senior Services Division supports the Mayor and his priorities in keeping seniors active, engaged, and connected.

We are excited to showcase the many opportunities that senior adults will have in the upcoming year as we offer programs and events that allow seniors to live active, independent lifestyles through social, educational, and wellness programs. There will be some changes made to ensure that the events are provided safely, but the fun and excitement will never change. We hope to see you at one or all of our upcoming events.

Thank you for being a valued member of our community, and we hope to serve you in any way that makes resources readily available for you. Please take a moment to fill out and return the evaluation in the back of this publication.

Sincerely,

Stacy Amparan

Letter from the Desk of **GLORIA CRAWFORD:**

Dear Seniors,

Greetings! On behalf of the City of Jacksonville's Senior Services Division, it gives me great pleasure to introduce the *2022-2023 Jacksonville Senior Services Directory*. This directory is a fantastic resource that will provide you with a sample of the myriad of programs that the City of Jacksonville offers its seniors.

This year's Senior Directory is redesigned to include the latest material on services for seniors in Jacksonville and is available free of charge in Duval County's local libraries and senior centers. I am confident that you will find this directory helpful and easy to navigate, and that it will assist you in finding services that will meet your needs. Included in the directory is information offered by the City of Jacksonville's Senior Services Division regarding senior centers, events, volunteerism, caregiving, as well as other services and products available to seniors, their families, and caregivers in our community. Throughout the pandemic challenges of the past year, the Senior Services Division has continued to provide excellent services to seniors, and I encourage you to take advantage of these services to remain independent for as long as possible and live your best life.

I am grateful to Mayor Lenny Curry for his unwavering support in providing this vital resource, as well as the advertisers that work diligently to provide services that make this publication thrive. Please take a few minutes to complete the evaluation form in the back of the directory or call the Senior Services Division at 904-255-5667 if you have suggestions for improving the Jacksonville Senior Services Directory. I welcome your input, feedback, and thoughts.

Sincerely,

Gloria Crawford

- The Division also works to remove barriers by offering programs and services to the community which includes:
- The Disabled Parking Enforcement Program, which consists of approximately 65 Florida Department of Law Enforcement (FDLE) certified auxiliary parking enforcement specialists who give their time and talents to enforce disability parking statutes within Duval County.
 - The Title III Support Program, which provides technical support to local businesses to ensure compliance of disabled parking space requirements by State and local ordinance.

AHCA provides information and referral assistance to beneficiaries, as well as technical assistance and policy interpretation to other agencies, medical providers and the general public. AHCA has 11 area offices throughout

the state that serve as the local liaisons to providers and beneficiaries. Two basic groups of people are eligible for Medicaid: low-income children and families; and the aged, blind and disabled. Within these two groups, there are several categories of eligibility. In addition to qualifying under one of these two basic groups, an eligible Medicaid beneficiary must meet income and asset limits. These vary by category. The primary categories for Medicaid eligibility include low-income families, disabled people who receive SSI, aged and disabled persons, children in foster care and emergency shelters, undocumented immigrants, refugees, the medically needy, Institutional Care and Medicare Expansion.

HOME SERVICES - RESPITE SERVICES

Respite is a service that provides families of homebound elderly individuals with a break from their responsibilities as caregivers. The purpose is to provide in-home assistance in order to give caregivers needed relief, which may increase their ability to continue to care for a homebound elder without jeopardizing their own mental or physical health. Fully trained, stipend and non-stipend volunteers are available to provide respite for weekdays, evenings and weekends. They are also available for holidays, birthdays, anniversaries, other special events and caregiver training sessions. For further information, call the Independent Living Program.

SKILLED NURSING FACILITIES

Skilled Nursing Facilities are residences that provide meals, recreational activities, nursing, custodial assistance and rehabilitative care to those with illnesses, injuries or functional disabilities. Skilled Nursing Facilities (SNF) and Skilled Nursing Units (SNU) are the two main types of nursing homes in Florida. A SNF is a free-standing facility while a SNU is a hospital-based facility. SNFs are licensed and inspected by the state of Florida and SNUs are licensed as part of a hospital.

Section 320.0848, Florida Statutes, provides for the issuance of the disabled person parking permit. **A disabled parking permit may be issued only for a medical necessity that severely affects mobility.** The applicant must be currently certified as being legally blind or having a disability that renders him or her unable to walk 200 feet without stopping to rest. The disability must be due to a condition listed in (2-8) on the reverse of this form in the "Physician/Certifying Practitioner's Statement of Certification" section.

Section 320.0848(1)(d), Florida Statutes, provides that the department shall renew the disabled parking permit of any person certified as permanently disabled on the application if the person provides a certificate of disability issued within the last 12 months pursuant to this subsection.

RENEWAL INSTRUCTIONS:

Submit a copy of the registration for your expiring parking permit and a certificate of disability (form HSMV 83039). The form must be completed and signed by the certifying authority within the last 12 months. Send form by mail or in person to the tax collector office or license plate agency in the county where you live. For a temporary permit, submit the appropriate fees.

Please visit our online renewal site at www.GoRenew.com.

APPLICATION REQUIREMENTS:

1. The form HSMV 83039 must be accurately completed, including the "Physician/Certifying Practitioner's Statement of Certification" section, verifying the disability. See list below for acceptable "certifying authorities".
2. A Florida driver license number or Florida identification number is required unless the authorized physician certifies that the applicant's disability is too severe to visit or be transported to an office to obtain a driver's license or identification card.
3. Fees: There is no charge for a Permanent Parking Placard. A Temporary Parking Placard is \$15.

Note: If a second Temporary Parking Placard is required within one year of the initial Temporary Parking Placard, there will be no charge. If a second Temporary Parking Placard is required outside the one year issuance, a fee of \$15 would be required.
