Program Strategy: Focusing on Felon Re-Entry

19 ex-offenders participated in vocational training during the month. No students were re-arrested during May. 2 ex-offender graduates become employed during the month.

All students received regular case management services. Service plans are regularly reviewed, and all students receive ongoing mental health services as needed/requested. All students participated in Life Skills training in addition to their vocational training. Life skills topics for the month of May included: WorkNet (job readiness), Parenting, and Nutrition & Wellness. All students have been drug-tested and will continue to receive random drug-screenings throughout the term of their enrollment.

Additional supportive services available include Transportation, Meals, Clothing, Laundry Services, Employment Placement Assistance, and Housing Placement Assistance. Specific case management services provided are designed to address the unique needs of ex-offenders, and include 1) development and regular review of a plan of care (required), 2) advocacy and referral, as indicated and/or requested, 3) employment placement/assistance (search, resume development, etc.), as indicated and/or requested, 4) linkages to mainstream and other resources, as indicated and/or requested, 5) development of a discharge plan, and, 6) to provide follow-up services to ex-offenders having completed CWM programming.
