Program Strategy: Keeping Kids Safe Productive				
Program Summary: TEAM UP is an after school program that provides academic instruction, tutoring and support, as well as, enrichment activities, such as field trips, dance, sports and arts to low income, at risk kids. These programs are housed in elementary and middle schools, and provide services directly after school for approximately 3 hours per day, five days per week.				
Program Overall Status: # of days open - 140 Contractual ADA - 101 ADA Current Month - 100 Enrollment Year to Date - 155 # 60 day Attendees - 106				
Successes: This past month overall has gone pretty smoothly. With FCAT being over students and teachers have had a huge weight lifted off of their shoulders. Students still have homework so the academic hour is still benefiting the students who need a little extra help. April 26 th we held an FCAT Bash, to reward the students for all of their hard work. We have a field trip coming up May 14 th , and a barbeque May 16 th . With all of the program incentives student attendance has been doing really well. Challenges: None at this time.
