GRIEVANCE HEARING

1. JENNIFER DOOT vs. JACKSONVILLE FIRE/RESCUE DEPARTMENT and  
EMPLOYEE SERVICES

Case #: 17-087-G

Ms. Doot was promoted to a Lieutenant effective May 27, 2017. She was reverted back to an Engineer effective July 24, 2017. A recent Circuit Court decision awarding veterans preference points for employees was determined by the Judge to be done in error. Veteran's preference points given for anything related to "active duty training" should not have been granted. Ms. Doot's veteran preference points were removed, and therefore moved her from No. 2 to No. 34 on the eligibility list. Ms. Doot is grieving this decision as it is a violation of her due process rights. (Postponed on December 14, 2017 at the request of Mr. William Sheppard, Esq.). Employer's Motion to Dismiss, and Motion to Continue Evidentiary Hearing, Employee's Motion to Grant Hearing and Employer's Response in Opposition to Employee's "Motion to Grant Hearing" will be heard.

Employee's Attorney: William (Bill) Sheppard, Esq.  
Employer's Attorneys: Wendy Byndloss & Adina Teodorescu
