CITY OF JACKSONVILLE

ON-STREET BIKEWAYS. SHARED-USE PATHS. AND UPCOMING PROJECTS

TYPES OF BIKE FACILITIES:

- SHARED-USE PATH**: Highest level of comfort. Fully separated from vehicle traffic.
- PROTECTED BIKE LANE**: High level of comfort. An exclusive lane for bikes, with a physical barrier from on-street traffic.
- CONVENTIONAL BIKE LANE**: Medium level of comfort. An exclusive lane for bikes, with no physical separation from vehicle traffic.
- SHARED LANE**: Lowest level of comfort. Bikes and vehicles share the same lane.
