Important Information

- Our plans group each medication into a tier. The number of tiers may vary based on the plan you choose. You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached.
- Throughout this document you will see the "◊" symbol. Services with this symbol may require prior authorization from the plan before you receive the services from network providers. If you do not get a prior authorization when required, you may have to pay out-of-network cost-sharing, even though you received services from a network provider. Please refer to the "Evidence of Coverage (EOC)" for more information about services that require a prior authorization from the plan.

Part D Prescription Drug Benefits

Deductible Stage

The Deductible Stage is the first payment stage for your drug coverage.
You will pay a yearly deductible of **$100** which applies to Tier 3 (Preferred Brand), Tier 4 (Non-Preferred Brand) and Tier 5 (Specialty Tier) drugs. You must pay the full cost of your Tier 3 (Preferred Brand), Tier 4 (Non-Preferred Brand) and Tier 5 (Specialty Tier) drugs until you reach the plan's deductible amount. The deductible doesn't apply to covered insulin products and most adult Part D vaccines, including shingles, tetanus, and travel vaccines. For all other drugs, you will not have to pay any deductible. The full cost is usually lower than the normal full price of the drug since our plan has negotiated lower costs for most drugs at network pharmacies.

Once you have paid **$100** which applies to Tier 3 (Preferred Brand), Tier 4 (Non-Preferred Brand) and Tier 5 (Specialty Tier) drugs, you leave the Deductible Stage and move on to the Initial Coverage Stage.

Initial Coverage Stage

You begin in this stage after you meet your deductible (if applicable). During this stage, the plan pays its share of the cost of your drugs and you pay your share of the total cost. You stay in the Initial Coverage Stage until your total out-of-pocket costs reach **$2,100**. You then move on to the Catastrophic Coverage Stage. You may get your drugs at network retail pharmacies and mail order pharmacies.

	Standard Retail (31-day supply)	Standard Retail (90 to 100-day supply)	Mail Order (90 to 100-day supply)
Tier 1 - Preferred Generic	**$0** copay	**$0** copay	**$0** copay
Tier 2 - Generic	**$0** copay	**$0** copay	**$0** copay

	Standard Retail (31-day supply)	Standard Retail (90 to 100-day supply)	Mail Order (90 to 100-day supply)
Tier 3 - Preferred Brand	**$30** copay	**$90** copay	**$90** copay
Tier 4 - Non-Preferred Drug	**$60** copay	**$180** copay	**$120** copay
Tier 5 - Specialty Tier	**33%** of the total cost	**N/A**	**N/A**
Tier 6 - Select Care Drugs	**$0** copay	**$0** copay	**$0** copay

You won't pay more than $35 for a one-month supply of each covered insulin product regardless of the drug tier, even if you haven't paid your deductible.

Catastrophic Coverage Stage

You enter the Catastrophic Coverage Stage when your out-of-pocket costs have reached the **$2,100** limit for the calendar year. During the Catastrophic Coverage Stage, you pay nothing for your covered Part D drugs. You will stay in this payment stage until the end of the calendar year.

Additional Drug Coverage

- For a complete list of the drugs we cover see the plan's "**Formulary**" and to see information about the cost of drugs see the plan's **"Evidence of Coverage**". These documents are available upon request. If you request a formulary exception, and the plan approves it, you will pay Tier 4 (Non-Preferred Drug) cost-sharing.
- Your cost-sharing may be different if you use a Long-Term Care (LTC) pharmacy, a home infusion pharmacy, or an out-of-network pharmacy, or if you purchase a long-term supply (up to 90 days) of a drug.
- Our plan covers most Part D vaccines at no cost to you including shingles, tetanus and travel vaccines.

Medicare Prescription Payment Plan

- The Medicare Prescription Payment Plan is a payment option to help Medicare beneficiaries spread out their out-of-pocket drug costs across the calendar year (January to December). Participation is voluntary and there is no cost to enroll. You can enroll in the payment plan by speaking with your Agent of Record (AOR) or by calling our dedicated Election support line at 1-800-926-6565 or 1-833-696-2087, (TTY – 711) 8am — 8pm ET Mon – Fri, (voicemails monitored on weekends), 8am — 11pm ET 7 days a week (during Annual Enrollment Period (AEP)).
