CITY OF JACKSONVILLE SENIOR SERVICES

Sharon Lutheran, MSH, RDN, LDN
Dietitian Coordinator
City of Jacksonville
Senior Services Division

At Duval County Senior Centers, we prioritize the health and well-being of our senior community by offering hot, nutritionally balanced midday meals every Monday through Friday. These meals are carefully crafted to meet at least one-third of the Recommended Dietary Allowance (RDA), ensuring our seniors receive essential nutrients to support their health. In addition to lunch, breakfast is available on Tuesdays, Wednesdays and Thursdays, providing a wholesome start to the day. Our meal plans emphasize various fruits, vegetables, whole grains, lean proteins and low-fat dairy products, aligning with dietary patterns known to promote longevity and reduce the risk of chronic diseases. By focusing on balanced nutrition, we aim to enhance the quality of life for our seniors, supporting their physical health and overall vitality.

SHARON'S TIPS FOR CHOOSING HEALTHY FOODS AS YOU AGE

Incorporate Nutrient-Rich Meals into Your Routine

On busy days, opt for quick and nutritious meals like an omelet packed with vegetables. Eggs provide high-quality protein to support muscle health, while adding vegetables such as spinach, tomatoes or bell peppers increases fiber, vitamins and antioxidants.

Prioritize Dairy for Bone and Muscle Strength

Aim to have at least three servings of dairy daily, including milk, yogurt or cheese. These foods are rich in calcium and vitamin D, which help maintain bone density and reduce the risk of osteoporosis. If you are lactose intolerant, consider fortified plant-based alternatives like almond or soy milk.

Shop Smart at Farmers' Markets

Whenever possible, buy fresh, locally grown foods from farmers' markets. Seasonal produce is often more flavorful and nutrient-dense, providing essential vitamins and minerals. Additionally, supporting local farmers helps sustain the community while ensuring you have access to high-quality ingredients.

Balance Your Plate with Fruits and Vegetables

Make half of your plate consist of colorful fruits and vegetables to boost fiber intake and support digestion. Leafy greens, berries, carrots and citrus fruits are packed with vitamins A and C, which enhance immune function and promote overall well-being.

Photo courtesy of Pexels

Choose Whole Grains Over Refined Carbs

Swap white bread, pasta and rice for whole-grain alternatives like whole-wheat bread, brown rice, quinoa and whole-grain crackers. Whole grains contain more fiber and essential nutrients, helping regulate blood sugar levels and improving heart health.

Stay Hydrated

Throughout the Day

Drinking plenty of water is essential for maintaining energy levels, supporting digestion and preventing dehydration, which can be more common as we age. Aim for at least eight cups of water daily, and supplement hydration with herbal teas, broth-based soups and water-rich foods like cucumbers and watermelon.

Sharon's Healthy Favorite Recipe BLACK BEAN QUESADILLAS

Ingredients:

3/4 cup chunky salsa (or pico de gallo)
1 can (15.5 oz) low-sodium black beans (drained and rinsed)
2 cups shredded reduced-fat Colby & Monterey Jack cheese
2 tablespoons fresh cilantro (finely chopped)
4-8 inch flour tortillas
1/2 teaspoon extra virgin olive oil

Directions:

Using a small-hole strainer, drain liquid from salsa; discard liquid. Transfer leftover tomato mixture to a medium bowl. Mix in black beans, cheese and cilantro until combined.

Divide black bean mixture evenly over half of each tortilla (about 1/2 cup each). Fold tortillas in half. Heat large griddle or skillet over medium-high heat. Brush with oil.

Place filled tortillas on a griddle. Cook, carefully flipping once, until tortillas are gold brown and crisp and cheese filling melts, about 5 minutes. Cut quesadillas into wedges.

The Disabled Services Division's overall goal is to improve the quality of life for people with disabilities by addressing, researching and attempting to resolve the many barriers they encounter. These barriers include transportation, housing, accessibility, discrimination and employment.

The Division achieves this by:

- Monitoring federal and state legislation relating to disability rights and laws.
- Reviewing policies that impact citizens with disabilities, including services and programs provided by the city.
- Reviewing design plans for new construction and inspecting existing facilities to ensure accessibility.
- Providing ADA technical support to local agencies and businesses.

- Providing Braille and other accommodation requests to city departments in order to comply with federal laws and remove communication barriers.

- Working closely with the Mayor's Disability Council concerning issues relevant to citizens with disabilities.

The Division also works to remove barriers by offering programs and services to the community, which include:

- The Disabled Parking Enforcement Program, which consists of approximately 65 Florida Department of Law Enforcement (FDLE) certified auxiliary parking enforcement specialists who give their time and talents to enforce disability parking statutes within Duval County.
- The Title III Support Program, which provides technical support to local businesses to ensure compliance of disabled parking space requirements by state and local ordinance.
- The Wheelchair Ramp Program, which provides assistance for qualified citizens who need a wheelchair ramp installed to provide independence.
- Adaptive Sports and Recreation Program, which offers adaptive sports and recreation such as basketball, baseball, goalball, surfing, and rugby in city park facilities.
- Information and Referral Handbook available electronically and in print.

- Special Trainings and Events, including the ADA Symposium, Information and Technology for Accessibility Symposium, Hiring Abilities, Employment Symposium, Fun with the Jumbo Shrimp, the Spirit of the ADA and other sponsored events for the community.

The Division has also partnered with local agencies such as Independent Living Resource Center of Northeast Florida, Jacksonville Job Corps, the Jacksonville Library, and Jacksonville Transportation Authority to promote accessibility through:

- The Wheelchair Repair Program
- Emergency Assistance
- Waste Assistance Program
- Cane Detector Program
- Jim Brady Scholarship for Students with Disabilities

EHEAP

The City of Jacksonville administers the **Emergency Home Energy Assistance for the Elderly Program (EHEAP)** for residents of Duval County. EHEAP assists low-income households, with at least one person age 60 or older, when the households are experiencing a home energy emergency.

A home energy emergency may result from the lack of power to heat or cool the home or the receipt of a shut off notice. Payments are for home heating and cooling or any other emergency energy-related costs (A/C or heating repairs). The program provides financial assistance for electrical bills with households with persons age 60 or older. Financial assistance is paid directly to the utility company. Funding availability may vary.

This is a federally funded program with specific eligibility criteria.

Please note that cases are reviewed on a first come, first served basis and it depends on the crisis and our ability to resolve the underlying cause. Household must include a senior 60 or older, and have a total gross household income at or below 150 percent of the current Federal poverty level standard.

Call 630-CITY (2489) Option (7) for EHEAP Assistance.

The following documents are required for every EHEAP appointment:

- Picture ID for all members in the household age 18 or older.
- Proof of household income for all members age 18 or older.
- Social Security cards for everyone in the household.
- Birth Certificate for household members under age 18.
- Proof of Residence (Address).

ASSISTED LIVING FACILITIES

Assisted Living Facilities (ALF) provide housing, meals and personal services to individuals who require supervision or assistance with daily activities. To be eligible for residency at an ALF, a person — at a minimum — cannot be bedridden, does not require 24-hour nursing and does not have stage 3 or 4 pressure sores. ALFs are licensed and inspected by the state of Florida, except for those that are operated by the federal government. **First Coast Long-Term Care Ombudsman Program, District 5** located at 4161 Carmichael Avenue, Suite 141, Jacksonville, FL 32207 - Phone: **904-391-3942**, advocates for residents in Skilled Nursing Facilities and Assisted Living Facilities, investigates complaints on their behalf and inspects facilities annually.

For approximate location of facilities, see map with corresponding pinpoints on page 53.

The state agency that administers Florida Medicaid is the Agency for Health Care Administration (AHCA). AHCA provides information and referral assistance to beneficiaries, as well as technical assistance and policy interpretation to other agencies, medical providers and the general public. AHCA has 11 area offices throughout the state that serve as the local liaisons to providers and beneficiaries. Two basic groups of people are eligible for Medicaid: low-income children and families; and the aged, blind and disabled. Within these two groups, there are several categories of eligibility. In addition to qualifying under one of these two basic groups, an eligible Medicaid beneficiary must meet income and asset limits. These vary by category. The primary categories for Medicaid eligibility include low-income families, disabled people who receive SSI, aged and disabled persons, children in foster care and emergency shelters, undocumented immigrants, refugees, the medically needy, Institutional Care and Medicare Expansion.

HOME SERVICES - RESPITE SERVICES

Respite is a service that provides families of homebound elderly individuals with a break from their responsibilities as caregivers. The purpose is to provide in-home assistance in order to give caregivers needed relief, which may increase their ability to continue to care for a homebound elder without jeopardizing their own mental or physical health. Fully trained, stipend and non-stipend volunteers are available to provide respite for weekdays, evenings and weekends. They are also available for holidays, birthdays, anniversaries, other special events and caregiver training sessions. For further information, call the Independent Living Program.

SKILLED NURSING FACILITIES

Skilled Nursing Facilities are residences that provide meals, recreational activities, nursing, custodial assistance and rehabilitative care to those with illnesses, injuries or functional disabilities. Skilled Nursing Facilities (SNF) and Skilled Nursing Units (SNU) are the two main types of nursing homes in Florida. A SNF is a free-standing facility while a SNU is a hospital-based facility. SNFs are licensed and inspected by the state of Florida, and SNUs are licensed as part of a hospital. **First Coast Long-Term Care Ombudsman Council, First Coast** 4161 Carmichael Avenue, Suite 141 - 32207, **904-391-3942**. Advocates for residents in Skilled Nursing Facilities and Assisted Living Facilities, investigates complaints on their behalf and inspects facilities annually. For approximate locations of Skilled Nursing Facilities, see map with corresponding pinpoints on page 97.
